Poison in Paradise – Attacked by a Drunken Man with a Baseball Bat!

Rear window of my Toyota Yaris after the baseball bat attack.

On June 20th, 2019, just after I took my father-in-law to his home in Piga Subdivision from the Dededo Senior Citizen's Center on the island of Guam, after turning right onto the main road of Chalan Koda, I saw a car ahead that was stopped about 50 meters from the intersection. I drove around the car on its left and then saw a man standing in the middle of the road holding a baseball bat. As I drove slowly past the man, he violently swung his baseball bat and smashed the rear window of my Toyota Yaris! Imagine my shock! This is the stuff of nightmares! I found out later that the driver of the car I went around had stopped and even backed up because the man with the baseball bat was throwing rocks at him!

The road is called Chalan Koda in the north part of the Village of Dededo. It's a rather narrow country road with potholes on both sides of the road. There is always traffic on it and I always slow down when approached by oncoming traffic in the opposite lane because I veer to the right as far as I can where the road is bumpy with holes so as not to rattle the car too much. It's a road I *must* drive on 3 to 4 times a week to take my father-in-law home. I had no idea it is also a dangerous area with disgruntled people from the island of Chuuk who live in the jungle next to it. More about them later.

I was all shook up and pulled the car over to the side of the road. Almost immediately 3 men came to see if I was alright. One was the driver of the car

I went around. He said he witnessed the whole thing and tried to get a video of it but failed. I called 911 and had a man talk to the police to explain where I was. About 10 minutes later the police came and sped past us as if they knew where the culprit was. About 30 minutes later a police officer came and talked to me and the witness. They believe the suspect is from one of the four islands of the Federated States of Micronesia (FSM) from the island of Chuuk. The four islands are Yap, Chuuk, Pohnpei, and Kosrae. Besides these 4 there is one other island, Palau, that is also in Micronesia but independent of FSM. Among these 5 island people who moved to Guam, mainly the Chuukese people are the troublemakers. The ones who are unemployed drink in the daytime and attack innocent people with rocks, slingshots, and even machetes! Why? In my opinion, it's probably out of jealousy. Most of the Chuukese people are not like them but are hardworking people with jobs. They are ashamed of their fellow countrymen. Except for the Chuukese people, which is only one of the four islands of FSM, there is no other racial profiling on Guam! There are minority Black people, White people like me, Japanese, Koreans, Japanese, Russians, Filipinos, and other island people including the northern Marianas Islands which includes Saipan, Tinian, and Rota. And of course, there are the Chamorro people who are native to Guam. Only the Chuukese have the reputation of being troublemakers.

This is sad because so far besides the man with the baseball bat, every person I have met from the island of Chuuk has been nice to me. My next-door neighbor is a pastor from Chuuk. The local market sales lady is from Chuuk. Some of my co-workers at DFS T-Galleria are from Chuuk. I was even picked up by people from Chuuk when I used to hitchhike the first six months after coming to Guam before we bought the car! I never felt intimidated by them. One of my co-workers, a Japanese lady told me that when the Chuukese drink, they become different people. Alcoholism is a problem on Guam. Liquor is sold at every food shop. Alcohol is the "poison" in the paradise of Guam. Booze is toxic. That's why it inTOXicates.

It will cost me and my wife \$400 dollars to have the back window fixed in spite of the fact we have car insurance. The insurance company says our policy is a \$400 "deductible" whatever that means. Rather than get a rent-a-car from the car dealer, we will use the car as is till we get it fixed. The day after the attack we went to the Home Center to buy thick transparent plastic and attached it with duct tape to keep the rain out. Then we went as instructed by the insurance agency to the car dealer to get an estimate of the cost and see if parts are available. The car dealer ordered the part and they will come sometime in the middle of next month, July, 3 weeks from the attack. \$400 out of a paycheck is a big sum for us as it is more than what I make in two weeks and about half of what my wife makes. If any of my readers who appreciates my work on this website would like to donate to help me and my wife Tess pay this money to the car dealer, I would sure appreciate it! We must give the dealer cash. We asked if we could pay in installments but that is not in the car dealer's policy.

THOUGHTS ON CHRISTIANITY AND AMERICA’S FOUNDING

Jack Ma

A good life depends on self-discovery. Today, China’s expedient economic development seemingly has brought us much satisfaction, but our value system has totally collapsed. Our culture has been greatly damaged. The earliest New Life Movement in the 1930’s replaced old traditional values but without much success. Later on, the Cultural Revolution of 1966-1976 totally destroyed our value system, producing a confused society with no positive value whatsoever. Today, many Chinese scholars look to the West, especially America, for the right answer, and they think that adopting the America legal system would change China from the inside out. Wrong, wrong! When you say someone is good-looking, is it simply because of his or her nose? Of course not. America’s strength is built upon her Christian cultural heritage. From her belief system came her legal system, and from her legal system came her political system -with power given to the people to elect their leaders. The whole system of American society has evolved from her Christian foundation, permeating to every aspect of her people’s lifestyle, educational institutions, medical practice, public safety, social welfare, social structure, and role of government.

I firmly believe that you, as concerned citizens of China, will help us to look for a positive value system to be established on this land. Only until then will China start to move forward in real progress with a bright future.

As for America's mainstream cultural values, it is not hard to discover where they originated. America's first rock of democratic foundation was the Mayflower Compact in 1620, stating:

"In the Name of God, Amen. We whose names are underwritten... having undertaken, for the glory of God and advancement of the Christian faith... a voyage to plant the first colony in the northern parts of Virginia, do by these present solemnly and mutually in the presence of God and one of another, Covenant and combine ourselves together into a Civil Body Politic for better ordering and preservation..."

Furthermore, in the Declaration of Independence, the Word of God is mentioned four times. If the Word of God was omitted from this document, the spirit of the Declaration of Independence would be non-existent, thus meaningless. Christianity is the foundation of America's culture. Like a tree's root system that continuously feeds and nourishes the whole tree, Christianity has nourished America. Only until you understand this close association will you know the truth of America's success as a great nation.

In America, the concept of democracy, justice, and liberty for all originated in her Christian faith, with the Bible, the Word of God, as its source. Ideas such as equality, forgiveness, unconditional love, even forgiving your enemy, were based on Scripture and taught and practiced among believers who founded America as a new nation over 200 years ago.

Basic Christian teachings include the belief of human beings' sinful nature that man is limited and imperfect with many flaws. Therefore, man-made systems will also be flawed. This means power needs to be checked and balanced because absolute power will corrupt absolutely. This is why separating the powers of government into three branches – Executive, Legislative, and Judicial – works brilliantly in the American political landscape.

Many American Christians firmly believe God's Word, the Bible, and many go to church regularly to wash the dust from their hearts and lift their souls to a higher ground, to meet their Creator, to confess their sinful deeds, to ask for forgiveness, and to start another week on the right path to be pleasing to God. Many people in America live with this kind of attitude in getting along with others. They believe and trust each other. This reaffirms what has been said in China in recent years, "Planting one more church will lead to one less prison, one more Christian and one less criminal."

Christian belief teaches us that God is God and man is man; only God is above us and he is omnipotent. Man will always be under God's authority, and man can never be above God. This concept of God's rule over man automatically limits earthly rulers' power, minimizing one's power hungry, self-seeking ambition. Even the most powerful political ruler needs to be humble when facing citizens' demand. The famous, the powerful, and the popular need to examine themselves in the presence of God, for disobedience to God means self-destruction personally, politically, financially and/or professionally.

According to American political thoughts, liberty, equality, and democracy are as absolutely important as one's bloodline. On the contrary, Americans cannot tolerate dictatorship, special privileges, and favoritism.

Most of us also understand that a belief system can be very influential in every aspect of a person's life (physical, relational, professional, as well as spiritual). Let me give you two examples to explain my point.

There were vast differences between the descendants of two families of the same era. One family was that of a great Christian preacher, Jonathan Edwards, and the other of Max Jukes, a well-known atheist. Max Jukes once said to Pastor Edwards: "I will never believe in your Jesus."

Jonathan Edwards, the Puritan preacher from the 1700's, and his wife Sarah left a great godly legacy for his 11 children. In 1900, Pastor A.E. Winship decided to trace the descendants of Jonathan Edwards almost 150 years after his death. His findings are astounding, especially when compared to the descendants of Max Jukes.

Jonathan Edwards' Godly legacy included one U.S Vice-President, three U.S. senators, three governors, three mayors, 13 college presidents, 30 judges, 65 professors, 80 public office holders, 100 lawyers and 100 missionaries. Max Jukes' descendants included seven murderers, 60 thieves, 50 women of debauchery, 130 other convicts, 310 paupers and 400 who were physically wrecked by indulgent living.

This is a powerful example showing how a parent's leadership can have a profound effect on his children. Principles matter.

Christian culture does not discriminate in economics and business, and it even encourages people to become prosperous through hard work and laboring to gain fruits through blood and sweat. Protestants even go one step further to seek wealth and profit not for their own gain but to use properly for God's purpose to glorify His name. Working ethically, living frugally, and tithing to God are considered by Christians virtuous living and obedience to God. John Wesley summed it up best when he said, "Work all you can, save all you can, and give all you can for His Kingdom."

Nothing is by accident in the real world. Certain people can prove themselves with the passage of time to be honest, sincere, or vain and fake. Many of us have a hard time coming to terms with why China, a proud ancient nation with 5,000 years of history, is still struggling and searching in ways that America, a young country with barely 200 years of history, is not. From Jonathan Edwards' family we can see the power of Christian belief. Two distinctive seeds were planted among the Edwards' family from the beginning; the seed of love and goodness which produced so many physicians, professors, and college presidents, and the seed of worshipping and respecting the ultimate authority—God. Children taught to fear God and respect His authority will learn to be accountable and responsible for their own actions. Therefore, being humble and not proud is considered an admirable quality by Christians.

Today, looking around at our own people, I see deep in the hearts of those in power the love of money and position. What do they think of what I am saying? "Grandpa, what's the use of Heaven?! I am the most powerful! There is nothing I dare not do!! Just look at me – how successful and how powerful I am! I can do anything I want..." It is about the time for us to ponder on these two families, the Edwards vs. the Jukes. Let us learn from them and let us choose a belief system that is founded on the greatest love – that of Christ's. This will give us unprecedented power to change us from the inside out. Remember, whoever possesses those two seeds will be truly successful down the road. This is the ultimate truth, a right belief system is the fastest way to powerful living.

Evidence of Jesuit authorship of the Protocols of the Learned Elders of Zion

This article was taken from chapter 2 of Leo H. Lehmann's book, "Behind the Dictators A Factual Analysis of the Relationship of Nazi-Fascism and Roman Catholicism"

Leo Herbert Lehmann (1895-1950) was an Irish author, editor, and director of a Protestant ministry, Christ's Mission in New York. He was an accomplished **priest in the Roman Catholic Church** who later in life **converted to Protestantism** and served as the editor of The Converted Catholic Magazine. He authored magazine articles, books and pamphlets, condemning the programs and activities of the Roman

THE JESUITS AND THE PROTOCOLS OF ZION

– By Leo H. Lehmann

IT IS ADMITTED by all intelligent people that the so-called “Protocols of the Wise men of Zion” are criminal forgeries, and could never have been written either by a group of Jews or Freemasons. Yet their authorship remains unknown. The amazing part of it is that this fantastic fraud has succeeded in its planned objective– the ousting of all Judaic-Masonic influence in Central Europe by methods that would bring a blush to the cheek of a Torquemada. (Editors note: “Torquemada” may refer to a Spanish Dominican monk. As first Inquisitor-General of Spain (1483-98), he was responsible for the burning of some 2000 heretics.)

The contents of these alleged Protocols are well enough known, and have been broadcast by Nazi-Fascist (and Roman Catholic) agents in every country as verbatim reports–proces verbaux–of secret conferences at which certain Jewish leaders drew up plans for the formation of an invisible world-government. With the help of Masonic Lodges and the liberal, democratic, socialist and communist parties, these “Elders of Zion” are said to have conspired for the overthrow of all non-Jewish governments and to destroy all religions other than Judaism. Every despicable means to weaken Christian institutions is set forth by the imaginary leaders of this vast conspiracy.

All this is to be accomplished principally by means of the Masonic orders throughout the world, as the blind dupes and willing tools of this alleged super-imperialism of the Jews. Credit is claimed for the Jews in having instigated practically all revolutionary movements of the past century, assassination of rulers and heads of states, all the wars, civil, racial and international, and all the upheavals in and throughout the nations—from the Protestant Reformation to the economic conditions that resulted in our business depression. Behind it all there is pictured the cold calculation, the unscrupulous cunning and murderous fanaticism of these “Elders of Zion.” Protocol One tells of a vast army of spies and secret agents, well supplied with funds, who bore from within and create dissension and revolution in all countries. Support of anarchist, communist and socialist movements for the destruction of Christian civilization is outlined in Protocol Three; also the debasement and ruin of the currency system, leading to a world-wide economic crisis. Universal war against any nation or group of nations which fails to respond, is planned in Protocol Seven. Protocol Ten contains particulars how all morality is to be undermined and leading statesmen blackmailed, compromised and calumniated in order to force them to serve the ends of the conspirators.

The secret conclave, at which these monstrous plans were purported to have been drawn up, is said to have been held under the auspices of “one of the most influential and most highly initiated leaders of Freemasonry”; they are also said to have been “signed by representatives of Zion of the Thirty-Third

Degree.”

No group or organization could ever be as evil and satanic as these Judaic-Masonic “Elders of Zion” picture themselves to be. They are the apotheosis of the anti-Christ, and could have been conjured up only by theological minds imbued with the fearful expectation of the eventual coming of an anti-Christ.

It must be admitted that there, is a certain similarity between this revolutionary plan of action and the Bolshevist program that followed the assassination of the Czar of Russia and the overthrow of the Kerensky regime. But of the seventeen members of the Council of People’s Commissars of the Soviet government at that time, only one, Trotsky, was a Jew. Neither have the Masons ever been the least bit influential in Russia, either under the Czar or the Soviets. A world-wide economic depression also has since happened, somewhat similar to that allegedly planned by these elders of Zion. By no means, however, have the Jews and Masons ever so completely controlled the world’s finances. They suffered as much as others as a result of the economic debacle in 1929.

The Nazi-Fascists, who have successfully exploited these Protocols to their great advantage, and who have used these criminal forgeries to attain their primary objective, might well be accused of their authorship. But their publication antedated the rise of Fascism by a quarter of a century, when Hitler and Mussolini were youngsters learning their multiplication tables in school, and Franco babbling his “Hail Marys” at his mother’s knee.

Now, authorship of an anonymous document is best discovered from the document itself—by the cause it favors and by the enemies it depicts. These will appear even if placed in reverse. A clear sample of this can be seen from such an analysis of a part of these Protocols of Zion which I have before me. It is a reprint from The Catholic Gazette, of February, 1936, a monthly publication of the Catholic Missionary Society of London, England. Space limits permit the quotation of only parts of this nefarious document.

The Judaic-Masonic conspirators are speaking:

“As long as there remains among the Gentiles any moral conception of the social order, and until all faith, patriotism, and dignity are uprooted, our reign over the world shall not come. . . .

“We have still a long way to go before we can overthrow our main opponent, the Catholic Church. . . .

“We must always bear in mind that the Catholic Church is the only institution which has stood, and which will as long as it remains in existence, stand in our way. The Catholic Church, with her methodical work and her edifying and moral teachings, will always keep her children in such a state of mind as to make them too self-respecting to yield to our domination, and to bow before our future king of Israel. . . .

“That is why we have been striving to discover the best way of shaking the Catholic Church to her very foundations. . . .

“We have blackened the Catholic Church with the most ignominious calumnies;

we have stained her history and disgraced even her noblest activities. We have imputed to her the wrongs of her enemies, and have thus brought these latter to stand more closely by our side. . . . We have turned her Clergy into objects of hatred and ridicule, we have subjected them to the contempt of the crowd. . . . We have caused the practice of the Catholic Religion to be considered out of date and a mere waste of time. . . .

"One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel. . . .

"So far, we have considered our strategy in our attacks upon the Catholic Church from the outside. . . . Let us now explain how we have gone further in our work, to hasten the ruin of the Catholic Church . . . and how we have brought even some of her Clergy to become pioneers of our cause.

"We have induced some of our children to join the Catholic body, with the explicit intimation that they should work in a still more efficient way for the disintegration of the Catholic Church. . . .

"We are the Fathers of all Revolutions—even of those which sometimes happen to turn against us. We are the supreme Masters of Peace and War. We can boast of being the Creators of the REFORMATION! (sic). Calvin was one of our Children; he was of Jewish descent, and was entrusted by Jewish authority and encouraged with Jewish finance to draft his scheme in the Reformation.

"Martin Luther yielded to the influence of his Jewish friends, and again, by Jewish authority and with Jewish finance, his plot against the Catholic Church met with success. . . .

"Thanks to our propaganda, to our theories of LIBERALISM and to our MISREPRESENTATIONS OF FREEDOM (sic), the minds of many among the Gentiles were ready to welcome the Reformation. They separated from the Church to fall into our snare. And thus the Catholic Church has been sensibly weakened, and her authority over the Kings of the Gentiles has been reduced almost to naught. . . .

"We are grateful to PROTESTANTS for their loyalty to our wishes— although most of them are, in the sincerity of their faith, unaware of their loyalty to us. . . .

"France, with her Masonic government, is under our thumb. England, in her dependence upon our finance, is under our heel; and in her Protestantism is our hope for the destruction of the Catholic Church. Spain and Mexico are but toys in our hands. And many other countries, including the U.S.A., have already fallen before our scheming. . . .

"Likewise, as regards our diplomatic plans and the power of our secret societies, there is no organization to equal us. The Jesuits are the only ones to compare with us. But we have succeeded in discrediting them, . . . for they are a visible organization, whereas we are safely hidden under cover of our secret societies.

"But the Catholic Church is still alive. ..."

"We must destroy her without the least delay and without the slightest mercy. . . . Let us intensify our activities, in poisoning the morality of the

Gentiles. Let us spread the spirit of revolution in the minds of the people. They must be made to despise Patriotism and the love of family, to consider their faith as a humbug. . . . Let us make it impossible for Christians outside the Catholic Church to be reunited to that Church, otherwise the greatest obstruction to our domination will be strengthened and all our work undone. . . .

"Let us remember that as long as there still remain active enemies of the Catholic Church, we may hope to, become Masters of the World.

. . . And let us remember always that the future Jewish King will never reign in the world before the Pope in Rome is dethroned. . . .

"When the time comes and the power of the Pope shall at last be broken, the fingers of an invisible hand will call the attention of the masses of the people to the court of the Sovereign Pontiff to let them know that we have completely undermined the power of the Papacy. . . The King of the Jews will then be the real Pope and the Father of the Jewish World-Church."

When all this is placed in reverse, the following appears:

The Catholic Church is the only upholder of morality, the social order, faith, patriotism and dignity. . . .

The Catholic Church is the only institution which has stood, and which will always stand, in the way of anti-Christ.

The Catholic Church is the great exemplar of methodical work, edifying and moral teachings; she always keeps her children self-respecting, and will never bow to satanic allurements.

Only when Catholics become ashamed of professing the precepts of the Church and obeying its commands, shall we have the spread of revolt and false liberalism.

The Catholic Church has been blackened by the most ignominious calumnies, her history has been stained, and her noblest activities disgraced. The practices of the Catholic Church are not out of date or a mere waste of time.

Freemasonry is allied with Satan against the Catholic Church. Not all priests are to be trusted; liberal Catholic priests only serve the work of the devil.

The Reformation was the work of evil conspirators, Calvin and Luther were financed by them to overthrow the Catholic Church.

Freedom and liberty are mere representations of good. Protestants have unwittingly helped to bring all the evils into our present world. Protestant England aims to destroy the Catholic Church. All that may happen in Spain and Mexico is a part of a plot against the Catholic religion.

The Jesuits are not an underhand organization, but all they do is open and above board. The Jesuits are the only organization, however, who can defeat the force of evil in the world.

FINALLY: As long as the Pope remains on his throne in Rome the world is safe.
. . . .

This is exactly what is taught in all Catholic schools. Every retreat and mission given to priests and lay people begins with St. Ignatius' picture of "The Two Camps"—the Catholic Church led by God on one hill, and a combination of Protestants, Jews, Masons, communists, socialists and atheists on the other led by Satan.

And all of this is to be found again in Father Coughlin's Social Justice magazine. In its issue of February 5, 1940, for instance, he reiterates that the Catholic Church is "the ideal Christian Front" and proclaims that all those opposed to, or not with, it belong to anti-Christian groups which will soon "appear incarnated in the person of Anti-Christ himself." He says that "lay Christian leadership of social matters is to be condemned." In the same issue a special correspondent of his magazine in Rome writes an article that the "Only Hope of Christian Europe Lies in Rome," and that Europe can be saved only by the resoration of the Holy Roman Empire; that England, "who more than any other country now represents the neo-Judaic, anti-Catholic spirit," will be destroyed by Germany and Italy. In another part of this issue, liberal Catholic priests, like Msgr. John A. Ryan, are called "Hireling Clergy" paid by left-wing revolutionary groups. Towards the end is a trick questionnaire which implies twenty answers aimed to secure a poll from its readers which will be condemnatory of democracy.

Although first published in Russia in 1903, the Protocols of Zion had their origin in France and date from the Dreyfus Affair, of which the Jesuits were the chief instigators. They were planned also first to take effect in France, by the overthrow of the "Judaic- Masonic" government of the French Republic. But the discovery of the gigantic fraud of Leo Taxil, who had been openly supported by the Jesuits, the concluding of the Franco-Russian alliance, along with the Vatican's difficulties with the French government at that time, made it more opportune to have them appear first in Russia.

These Protocols of supposedly Jewish leaders are not the first documents of their kind fabricated by the Jesuits.

For over a hundred years before these Protocols appeared, the Jesuits had continued to make use of a similar fraud called The Secrets of the Elders of Bourg-Fontaine against Jansenism—an anti-Jesuit French Catholic movement among the secular clergy. The analogy between the two forgeries is perfect—the secret assemblage in the forest of Bourg-Fontaine; the plan of the "conspirators" to destroy the Papacy and establish religious tolerance among all nations; the alleged plot against Throne and Altar, and the setting up of a world-government in opposition to the Catholic Church. There is the same dramatization of the negative pole of the historic evolution of the world, in order to bring out, by contrast, the positive Christian [Catholic] pole, around which all conservative forces—the monarchy, the aristocracy, the army, the clergy—must gather to save the world from Satan's onslaught.

Analyzing, therefore, the ends to be attained by these Protocols of Zion, the means to be employed, the forces depicted as evil and those to be considered good, we must reach the conclusion that only to those whose objectives these forgeries were clearly intended to serve, can their authorship be attributed.
