

How Are Forced Covid Vaccinations Different From The Mark Of The Beast? They Aren't!

All lovers of liberty should be against mandatory vaccinations. They are against the principles laid out in the Nuremberg Code (1947) which states:

The voluntary consent of the human subject is absolutely essential. This means that the person involved should have legal capacity to give consent; should be so situated as to be able to exercise free power of choice, without the intervention of any element of force, fraud, deceit, duress, overreaching, or other ulterior form of constraint or coercion; and should have sufficient knowledge and comprehension of the elements of the subject matter involved as to enable him to make an understanding and enlightened decision.

You can read all 10 points of the Nuremberg Code on <http://www.cirp.org/library/ethics/nuremberg/>

Below is a message from Pastor Chuck Baldwin to Liberty Fellowship on Sunday, August 22, 2021. You busy people can read the transcript of the main part of the message below the video.

All right, open your Bibles, if you would with me, please to the book of Revelation, the book of Revelation, chapter 13. I'm going to pull out two verses from this chapter, as the text for the message, Revelation chapter 13. And the two verses are verses 16 and 17. Again, Revelation chapter 13, verses 16, and 17.

Revelation 13:16 And he (the Beast) causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

Now, just a pause for a moment, when we get into our detailed discussion on prophecy will go into this much more, of course, but just for now, you have to understand that most of the book of Revelation is written in allegorical form. And that's true here in the Passage. In their right hand or in their foreheads does not necessarily mean some kind of a tattoo in your right hand or forehead, literally. The term forehead and right hand would immediately resonate with the Hebrew Christians who were reading this prophecy of John, because under the old covenant, the Hebrews, many of them would wear phylacteries, on their heads, and on their arms. And so this was definitely a symbolic allegory to that. And even though the book itself was written in Greek, the Hebrew believers would have definitely understood the right hand, and the forehead, meaning accepting, in the case of the Hebrews, under the old covenant, it would have meant accepting the law of the Lord, with your heart, and mind and with your body. So the mind and then the arm, representing the totality of the human being, body, soul, spirit, heart. And so that was the symbolism of the phylacteries that the Hebrews would wear under the old covenant. So when he talks about this, pertaining to the Beastly System, he's saying, that you will accept this System with your whole heart, with your mind with your flesh. And that's, that's the meaning of this.

Revelation 13:17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.

So I'll read it one more time without the comment.

*Revelation 13:16 And he causeth all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:
17 And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.*

In other words, **if you do not accept the authority of the Beast, over your life, by whatever Mark is meant, you would not be able to function in society.** You would not be able to purchase to buy to travel to work, you must submit to the authority of the Beast. You must have the Mark of the Beast, whatever specifically that refers to, or you will not be able to conduct business, to work, and to live in the Beastly society. That's what the verse is saying.

This week, an article appeared on theburningplatform.com/. And I'd like to read this to you.

Now, in France, where this column originates or this article, the Mark is called a Pass. If you do not have a Pass, showing that you have been vaccinated with the COVID vaccines, you are not able to conduct yourself in society throughout the country of France. So as I read the article, I have no idea whether this individual is a Christian or not, there's no reference to that. But in the article, he refers to the Pass. Okay. So instead of using the word Pass, every time it appears, I'm going to use the word Mark, because it's one and the same. The Pass is the Mark. The Mark is a Pass. It's identical in definition. So I'm going to use the word Mark. Every time he used the word Pass. Let me read it.

(From <https://www.theburningplatform.com/2021/08/15/message-from-france/>)

Here in France, it has gone to the extreme with the health Mark. Last week on the 21st, all restaurants, bars, coffee shops, and any leisure activities like sporting events, theaters, cinemas, museums were closed to anyone without the Mark. And all staff at these places are mandated to get the jab to keep their job. It is now a six month prison sentence. If you are caught inside any of these places without the Mark, business owners will get a fine of 45,000 euros and one year prison sentence if they do not comply with the use of the Mark and force all their employees to get the jab.

So the result? All the low paid employees quit, they can make more on welfare here. (for now) We can still technically "get take out food" but I just tried last night and every restaurant in our town (that is dine in with take out) has closed their doors due to the lack of staff.

As of last week ALL doctors, nurses and health industry workers have been mandated to get the jab or lose their license, practice, job, business etc. (ALL health care here is Govt paid positions and there are no private health care Doctors or Hospitals etc.)

That no man might buy or sell. Save he that had the Mark or the name of the Beast, or the number of his name.

Continuing with this article:

As of Aug 1st ALL large malls, retail stores and grocery store owners and their staff need to be jabbed and the health Mark is required to enter for employees and customers.

You cannot even get in the grocery stores, malls etc. without the Mark.

This would be the equivalent to closing ALL Targets, Walmarts, Costcos, Home Depots, and all major grocery stores. (basically any building over 20,000 square meters) to those without "the Mark".

As of Sept 15th all public areas and access will be off limits. No farmers markets, no parks, no national parks, lakes, rivers, beaches, recreation areas, campsites etc. and no gathering over 100 people, no churches, no weddings, etc. (Without the Mark.)

As of Oct 1st ALL small vendors such as, delis, pizza trucks, sandwich shops, butchers, bakers, vegetable stands etc. (Will be off limits if you don't have the Mark.

So as of Oct 1st I will only be able to purchase food by internet

and pick up (if the store allows it).

Is it me or does all this seem a bit extreme for a “pass” that isn’t exactly working?

America Canada England Australia New Zealand you’d better wake up.

All over the United States, government employers and many private companies are mandating their employees take the jab or lose their jobs – as we found out from this dear lady from Missouri today. Paul Craig Roberts wrote a great article that was picked up on [Lewrockwell.com](https://www.lewrockwell.com) this week. Paul was former assistant treasury secretary under Ronald Reagan, as most of you know. And I quote his brief column.

(From

<https://www.lewrockwell.com/2021/08/paul-craig-roberts/why-are-we-being-deceived-about-covid/>)

Why have US corporations involved themselves in public health policy? Why have they taken a position that is totally contradicted by all facts and all known evidence?

And you see, if you don’t understand the spiritual nature of this Beastly system, if you don’t understand that this is not science, this is not medicine, this is spiritual deception, then you’re not going to understand why all of this is happening. And Paul, that’s that’s why he’s asking the question. He may not understand the spiritual significance of this.

It is not only democratic governments that have turned totalitarian but also private corporations who are asserting authority to override the Nuremberg Laws and mandate that employees be vaccinated with the Covid Vaccine. A vaccination is a medical procedure and requires informed consent.

It is very strange to find corporations recruited to serve a coerced marketing campaign. We hear about the “pandemic of the unvaccinated.” But there is no such pandemic. All evidence shows that the majority of new cases are among the double inoculated.

The majority of people are those who’ve been inoculated.

Public officials and the presstitutes (the media) are implying that it is those who refuse the vaccine who are responsible for the new outbreak when to the contrary it is the vaccinated people who are the cause of the variants and new illnesses. As Dr. Malone, the inventor of the mRNA technology used to create the vaccine has patiently explained, **the vaccine trains the virus to produce**

variants that escape vaccines.

Considering the enormous number of deaths and injuries associated with the vaccine, we are faced with the conclusion that the vaccine gives those vaccinated Covid illnesses.

No evidence exists that supports the claim of CDC director Rochelle Walensky that the delta variant is a “pandemic of the unvaccinated.”

No evidence exists that the vaccine protects against Covid. Indeed, the vaccine seems to spread the virus.

We have learned that there is no such thing as “fully vaccinated.” The new program is endless booster shots every few months, the result of which will be an explosion in adverse effects from the vaccine.

The Covid policy is so counterfactual and so contradicted by all evidence that conspiracy theorists who see a darker agenda at work are gaining credibility.

And for Paul Craig Roberts to say that, that’s significant. And then he concludes,

When a vaccine has proven itself not to protect but to cause unprecedented deaths and illnesses, how can any intelligent person arrive at the conclusion that more vaccine is the solution?

Just this week, we learned that two of my congregates from my former pastor, died after receiving the COVID vaccination. One of them was in her 40s. Two people that I personally knew as their pastor died this week, and both having taken the COVID vaccination. For those of you around the country, you should know that our state here in Montana is the only state in the United States to ban vaccine requirements for employees. And that was the direct result of a massive input from the grassroots citizenry of this country, and some great legislators who had a determined position to bring this legislation to the legislature, and the governor had the guts to sign it. And it’s the law of our state that no business can require the vaccine for their employees as a condition for employment. And we’re the only state in the country with such a law. And as you can imagine, pressure is coming in from all over the country, on our state government, our legislators and our governor to reverse this law.

Next week, would you please bring with me, the names of our legislative leaders, our governor, our Majority Leader, and majority Senate and House and all the leadership, and we need to start letting these people know that they cannot buckle to the pressure of outside influences, to try and undo the constitutional acts of the legislature supported by the people of the state of Montana. It’s very important that we stand in the gap with our legislative

because I'm telling you, right now, the pressure is immense, including economic bribery attempts in order to get them to reverse because we're the one state the only state that has done this, and they don't want other states copying this. And so they're going to try to stop it here in Montana. It's very important that we get involved in this, will have those names. And if you have the names yourself, don't wait for us to give them to you. You can start contacting them this week. Tell them thank you so much for what you've done and do not submit to the pressure. We are behind you.

With that in mind, I'm gonna give you a couple of other articles that were in the news this week that I think are so very relevant to the message of the hour. This comes from attorney Thomas Renz and his [website](#). The title of it, "Bombshell lawsuit alleges government covering up tens of thousands of injection-related deaths". Attorney Thomas Renz, filed a lawsuit in federal court in Alabama on July 19, that alleges a massive government cover-up of injection-related US deaths, that number "at least 45,000". The suit filed on behalf of America's Frontline Doctors in US District Court for the Northern District of Alabama, is based on a sworn statement by a government insider under federal Whistleblower Protection. America's Frontline Doctors, a nonprofit, filed a motion seeking immediate injunction injunctive relief to stop the emergency youth authorization of COVID-19 vaccines for three groups of Americans, anyone under the age of 18, anyone who has recovered from COVID-19, and those who haven't get been given informed consent as defined by federal law.

Speaking at a reawaken tour event held July 17 and 18 in Anaheim, California, Renz made the bombshell announcement, he says is based on a whistleblower with access to government computers, and can prove that at least 45,000 Americans have already been killed by the three COVID-19 vaccines authorized for emergency use by the FDA. 45,000 according to this source, people have died after receiving the COVID injection. Well, I can vouch for at least two of those.

Then there was another report that I want to share. This is [from LeoHohmann.com](#). The doctor cites whistleblowers inside CDC, who claim injections have already killed 50,000 Americans. The doctor quoted is Dr. Peter McCullough. He says, "good doctors are doing unthinkable things. They appear to be under a spell. The whole world is under a spell. The spell is satanic deception. And it includes most of the pastors in America.

So I quote now the article,

The most highly cited physician on the early treatment of COVID-19 has come out with an explosive new video that blows the lid off the medical establishment's complicity in the unnecessary deaths of 10s of 1000s of Americans. Dr. Peter McCullough said these deaths have been facilitated by a false narrative bent on pushing an all-new unproven vaccine for a disease that was highly treatable. McCullough is a professor of medicine and vice chief of Internal Medicine at Baylor University. He also teaches at Texas A&M University. He is an epidemiologist, cardiologist, and internist and has testified before the Texas State Senate related to COVID-19 treatments. He holds the distinction of being the most widely cited physician in the

treatment of COVID-19 with more than 600 citations in the National Library of Medicine.

The sources are plenteous that the medical profession in general, and **the CDC in particular, are deliberately hiding the numbers of deaths that have occurred among people having taken the COVID vaccination.** In the same way that the CDC and the medical establishment manipulated and exaggerated the number of deaths associated with COVID, back in the spring of 2020, when our own Dr. Annie Bukacek, got up on this platform and gave her professional analysis citing this CDCs own documents to prove the manipulation, the exaggeration that was taking place at the CDC, in order to beguile the American people regarding the threat and the danger of COVID-19. In the same way, that they exaggerated the numbers of deaths associated with COVID in 2020, is the same way that they are manipulating the numbers in 2021, **to hide the numbers of those who are dying from the COVID vaccinations.** Ladies and gentlemen, **this is not medicine, this is not science, this is blatant deception.**

And as I said, unfortunately, the vast majority of evangelical pastors and churches are fully subservient to this medical Mark of the Beast. And that's exactly what these vaccine passports or passes, call them whatever you want, that's what they are. They are **medical Marks of the Beast!** Some churches and Christian organizations – and I am not making this up – some churches and Christian organizations are even refusing to allow unvaccinated people from attending their services or participating in their Christian observances. In other words, they would not deny them communion, they would deny them baptism, they would they would deny them the Christian ordinances that we we observe as a church body, and they are denying them attendance in the churches, because of their submission to the Beastly system. If you do not have a vaccination passport, many churches will not let you into their congregation. If you have run into that, wherever you are, would you please spread the word in your state and in your local community, that there is one church in this country where the unvaccinated will always be welcome? And that's Liberty Fellowship in Kalispell, Montana.

Now, please let me remind you of three important biblical truths that are all germane to everything we're discussing. Number one, the Israel-based pre-tribulation rapture is a myth. Let me say it again. The Israel-based pre-tribulation rapture is a myth! Why is that important? Because this Israel-based pre-tribulation rapture, deception is what the vast majority of evangelical churches have embraced for the last 100 years. As a result, they have fallen for these massive misinterpretations of Scripture, which have led evangelicals across the country to accept this medical Mark of the Beast. **If they had never accepted this phony pre-tribulation rapture myth, they would not be susceptible to the deception that is the medical Mark of the Beast.** So number one, the Israel base pre-tribulation rapture is a myth.

Number two, the Israel base seven-year tribulation itself is a myth! And when we get into our discussion of prophecy, I will elaborate on that in detail. But these two falsehoods formed the theological foundation that has opened the minds and the hearts of evangelical Christians to accept all of the lies that are now permeating the world pertaining to the phony COVID narrative,

and the COVID shots in particular. Without the acceptance of this false prophecy doctrine, that deception would not have a fertile groundwork on which to grow. But those foundations of false prophecy, give fertile ground for the deception that we are now experiencing.

And number three, let me remind you again, and I've mentioned this several times in messages of the past, the Beast is not a man. It is an antichrist beastly system. It's a system. But because the evangelical world thinks that the Beast is an individual being, an individual human being that's going to come in the future after they've been raptured – and this is all for Israel – and we're not going to be here – because of that deception, they are sitting on the sidelines, saying nothing and have actually given their hearts to this medical Beastly system, out of ignorance of truth, and out of the acceptance of the falsehood of the Scofield futurism that is known as predestinational prophecy that most evangelicals all accept thanks to the ministry and the Bible of C.I. Scofield.

So I'm trying to show you the connection between false theology that has permeated the church over the last 100 years, and the acceptance of this Beastly system by the church that we are now experiencing today. And let's face it, if the Evangelical Church had not have fallen victim to this lie back in the spring of 2020, if they would have stood their ground for truth, as a church body, collectively, you and I both know that the COVID narrative would have died on the vine, it would have died before it started. But when the churches started closing their doors, when the churches started accepting the virus, when the preacher started getting up on television and telling everybody that they need to stay home and do everything to CDC said, when they did that, it gave the spiritual cover for the deception that was needed in order for this to become the monster that it is today. Again, that's why I've told you from day number one, this is not a political issue. This is not a medical issue. This is not a science issue. This is a *spiritual* issue.

(Transcribed up to 34 minutes and 47 seconds.)

Dr. Dan Stock explains how the current measures to combat COVID-19 do not work

Dr. Daniel "Dan" Stock is a physician. This is his message about COVID-19 to a Mt. Vernon school board meeting in Indiana, USA, on August 6, 2021:

Dr. Dan stock introduces himself: Dr. Dan stock 5777 West seven in North McCordsville, Indiana. To address your comment, it's hard to believe we're 18 months into this and still having a problem. And I would suggest the reason we still have a problem is because we're doing things that are not useful. And we're getting our sources of information from the State Board of Health and the CDC, who actually don't bother to read science before they do this.

I'm actually a functional family medicine physician. That means I am specially trained in immunology and inflammation regulation. And everything being recommended by the CDC and State Board of Health is actually contrary to all the rules of science. So things you should know about Coronavirus and all other respiratory viruses, they are spread by aerosol particles which are small enough to go through every mask. By the way, the literature that supports all of that is in a flash drive that we presented to you. It's been given to the secretary. As a matter of fact, it quotes at least three studies. It's sponsored by the NIH to that exact fact even though the CDC and the NIH have chosen to avoid to ignore the very science that they paid to have done.

That is why you keep struggling with this is because you cannot make these viruses go away. The natural history of all respiratory viruses is that they circulate all year long waiting for the immune system to get sick through the winter, or become deranged, as has happened recently with these vaccines. And then they cause symptomatic disease because they cannot be filtered out and they have animal reservoirs. And this is a very important point. No one can make this virus go away.

The CDC has managed to convince everybody that we can handle this like we did smallpox where we could make a virus go away. Smallpox had no animal reservoirs, the only thing it learned to infect was humans. That's why we're able to make that virus go away. That will not happen with this any more than it will with influenza, the common cold respiratory syncytial virus,

adenovirus viral respiratory syndromes, or anything else that has animal reservoirs. So the reason you can't do this is because you're trying to do something which has already been tried and can't be done.

Equally important is that vaccination changes none of this especially with this vaccine. And I would hope this board would start asking itself before it considers taking the advice of the CDC, the NIH, and the State Board of Health, why we are doing things about this that we didn't do for the common cold, influenza, or respiratory syncytial virus? And then ask yourself, why is a vaccine that is supposedly so effective having a breakout in the middle of the summer when respiratory viral syndromes don't do that.

And to help you understand that you need to know the condition that is called antibody-mediated viral enhancement. That is a condition done when vaccines work wrong as they did in every Coronavirus study done in animals on Coronavirus is after the SARS outbreak and done in respiratory syncytial virus were a vaccine used in a vulnerable individual done the wrong way, which why it cannot be done right for respiratory virus, which has a very low pathogenicity rate causes the immune system to actually fight the virus wrong and let the virus become worse than it would with native infection. And that is why you're seeing an outbreak right now. In fact, in that flash drive you're going to have coming to you and in the emails with six extra oboeah (??) studies showing that 75% of people who had COVID-19 positive symptom cases in Barnstable, Massachusetts outbreak were fully vaccinated. (Applause)

Therefore, there is no reason for treating any person vaccinated any differently than any person unvaccinated. You should also know that **no vaccine** even the ones I support and would give to myself and my children **ever stops infection**. In 2014 there was an outbreak of mumps in the National Hockey League. The only people who came down with the symptoms were the people who were unvaccinated or had unknown vaccine status. Boy, that sounds like a great argument for vaccines. But a question that you should ask yourself, knowing that half of the people who came down with symptomatic disease had no contact with an unvaccinated or unknown vaccine status individual Where did they get the disease? And the answer was from the vaccinated individuals. No vaccine prevents you from getting the infection, you get infected, you shed pathogen. This is especially true of viral respiratory pathogens, you just don't get symptomatic from it. So you cannot stop the spread, you cannot make these numbers that you've planned on getting better by doing any of the things you're doing. Because that is the nature of viral respiratory pathogens. And you can't prevent it with a vaccine because they don't do the very thing you're wanting them to do. And you will be chasing this remainder of your life until you recognize that the Center for Disease Control and the Indiana State Board of Health are giving you very bad scientific guidance. And instead, read the articles that are gonna come in the email and on this flash drive. And listen to the people in this audience here tonight, who actually have recognized the advice they are getting from the CDC and the NIH is counterfactual. And that's why you're still fighting this but this vaccine that supposedly was gonna make all of this go away, but it suddenly managed to make an outbreak of COVID-19 develop in the middle of the summer when vitamin D levels are at their highest.

By the way, the other thing that would be necessary for any vaccine restriction to be considered is if there were no other treatments available. And I can tell you having treated over 15 COVID-19 patients that between active loading with vitamin D, ivermectin, and zinc that there's not a single person who has come anywhere near the hospital. And we already have studies that show that if you achieve a 25 hydroxy, vitamin D level greater than 55, your risk of COVID-19 death will drop down to one-quarter of the population average for the United States. And there are active treatment trials included on that flash drive, that show the same is true.

So if you were going to discriminate based upon vaccine, you should also discriminate based upon 25 hydroxy, vitamin D level, zinc taste test response, and probably previous infections since there are also studies on the flash drive that show that **people who have recovered from Covid-19 infection actually get no benefit from vaccination at all**, no reduction in symptoms, no reduction in hospitalization, and suffer two to four times the rate of side effects if they are subsequently vaccinated. Therefore, the policies that you are basing on are totally counterfactual. I don't blame this board for that, because I know you aren't scientists, and you thought it was reasonable to listen to the CDC, NIH, and the Indiana State Board of Health. But I would encourage that instead, you listen to the people out here in this audience, and read what's on that data drive. And if anybody here on this board has any questions about anything on that, I will happily come back and sit with you individually if you would like me to explain the science behind this. And if you're worried about being sued by somebody because you don't follow the guidance of the CDC and the NIH, I will tell you, you have a free pro bono expert testimony at your disposal. (Applause) I will testify in defense of this court, turning down all these recommendations for free at any time in any court. Thank you.

Moderator: Thank you. Thank you.

(Loud applause.)

**Dr. Vladimir Zelenko Calls the
Covid-19 Vaccinations Government
Sanctioned Genocide!**

Vladimir (Zev) Zelenko (born 1973)[1] is a Ukrainian-American family physician known for promoting a three drug cocktail of hydroxychloroquine, Zinc and Azithromycin as part of an experimental outpatient treatment for COVID-19 that he has promoted as the Zelenko Protocol.

On March 23, 2020, Zelenko published an open letter to U.S. president Donald Trump where he claimed to have successfully treated hundreds of his COVID-19 patients with a 5 day course of hydroxychloroquine, azithromycin, and zinc sulfate.

Zelenko's treatment protocol quickly gained notoriety with several media figures and various U.S. administration officials promoting it, including Rudy Giuliani, Sean Hannity, and White House chief of staff Mark Meadows. – Quoted from Wikipedia

Transcript

Interviewer's introduction: Dr. Vladimir Zelenko. Dr. Zelenko is a Board Certified family physician for over 20 years. He has been described by his patients as a family member to thousands of families, and he's a medical advisor to the volunteer ambulance courts in Kiryas Joel, New York. Dr. Zelenko developed and is now famous for the *Zelenko Protocol*, which has saved countless lives worldwide. So welcome Dr. Zelenko. Thank you for joining us. And I would like you to comment on our subject, please.

Dr. Zelenko: Thank you so much for having me. Can you hear me?

Interviewer: Yes, loud and clear.

Dr. Zelenko: So I'll just give you quickly my experience, my team has directly treated successfully 6000 patients. I've trained hundreds of physicians who are now training their students. And as a cumulative group, we've treated millions of patients successfully. President Trump was my patient, Rudy Giuliani was my patient, HaRav Chaim Kanievsky has been my patient, Mr. (Yaakov) Litzman your health minister of Israel, last year, was my patient. I'm just telling you, which people have contacted me for care, including President (Jair) Bolsonaro of Brazil.

Now, my experience has given me a very unique perspective in approaching COVID-19, which is basically keeping people out of the hospital. I would like to describe, regarding children, **the only reason you would want to treat a child is if you believe in child sacrifice**, or even [garbled] if you want [garbled], like a [garbled], there are very good reasons to give them a shot. Otherwise, there's no necessity.

Let me explain. Any time you evaluate any therapeutic, you need to look at it from three perspectives. Is it safe? Does it work? And do you need it? Just because you have a capability doesn't mean that you have to use it. It has to be a medical necessity, there has to be a need for it. You look at the CDC, the statistics for children under the age of 18 that are healthy, the survival rate is 99.998% – survival rate with no treatment, just like Dr. Yeadon said, the influenza virus is more dangerous to children than COVID-19. And he made an estimate that per million, 100 children would die from vaccination. I feel the number would be significantly higher. And I'll explain to you the rationale for it.

So if you have a demographic, can you hear me? **If you have a demographic that has no risk of dying from an illness, why would you inject them with a poison death shot?**

Now, let's see if this thing works. Two countries in the world that have most vaccinated its citizens is Israel, with a high 85% rate of vaccination, and an island nation in the Indian Ocean called Seychelles, also over 80%. Both countries are experiencing a Delta variant outbreak. So let me ask you a question. If you vaccinated the majority of your population, why are you still having an outbreak? That's number one. Number two, why would you even give a third shot of the same stuff that didn't work the first two times? That's whether or not it works.

And let's talk about safety. Now, this is the real issue. There are three levels of safety toward death that we need to look at. One is acute, one is sub-acute and long-term. Acute, I'll define from the moment of injection to three months. The number one risk of the shot is blood clots, just like Dr. Yeadon said, according to the Salk Institute, oh, by the way, everything I'm saying I will defend with documentation. And please don't take my word for it, you should do your due diligence. And I can provide to you, proof of everything that I'm saying.

According to the Salk Institute, when a person gets an injection of these "vaccines", the body becomes a spike producing factory, making trillions of spikes which migrate to the endothelium, which is the inner lining of your blood vessels, and it's basically little thorns on the inside of your vasculature. As the blood cells flow through it, they get damaged, they cause blood clots. If that happens in the heart, that's a heart attack, if that happens in the brain, that's a stroke. So we're seeing the number one cause of death in the short term is from blood clots. And most of it is happening within the first three, four days. And 40% is happening within the first three days of injection of this **poison death shot**.

Now, the other problem is that it's causing myocarditis or inflammation in

the hearts of children, young adults, I'm sorry, in the hearts of young adults.

And the third problem, which is the most disturbing, is according to the New England Journal of Medicine (JAMA) article, their preliminary data, the miscarriage rate, and the first trimester woman gets vaccinated, the first trimester goes from 10% to 80%. I want you to understand what I just said. The miscarriage rate in the first trimester of pregnant women, when they get vaccinated, goes up by a factor of eight. That's preliminary data, it may change with time, but I'm just telling you what it is as of today. That's the smallest of the problem.

The second problem is the sub-acute death issue, which is the following, that the animal studies that were done with these vaccines showed that all the animals responded well, in generating antibodies. When they were challenged, however, with the virus that they were immunized against, a large percentage of them died. And when that was investigated, it was found that their immune system had killed them. It's called antibody-dependent enhancement (ADE), or pathogenic priming, or paradoxical immune enhancement. But the point is that a lot of those animals died. So you can make an argument maybe human beings are different. My answer to you, *maybe*. However, those studies were not done. **You are the study right now**, the Pfizer CEO said, Israel is the biggest laboratory in the world. And so those long-term studies to rule out that, Luc Montagnier who won the Nobel Prize in Medicine for the discovery of HIV, said that **this is the biggest risk to humanity, and the biggest risk of genocide in the history of humanity**. And so the risk of a ADE reaction in human beings, which happens later, has not been ruled out. So my question is, why would I vaccinate someone with a potentially destructive lethal substance without ruling that out first.

And the third component here is the long-term consequences. There is definite evidence that it affects fertility. damages ovarian function, that and reduces sperm counts. Number one, number two, definitely increases the amount of autoimmune diseases. Who knows over time, how that is going to reduce lifespan. And just last week, a paper came out showing that increases the risk of cancer.

Any way you want to look at it, whether it's an acute setting, where it causes blood clots, inflammation of the heart, and miscarriages, in the midterm, sub-acute setting where it can result in a pathological disastrous immune reaction, or in the long term, whether it causes autoimmune diseases, cancer, and infertility. Now, that's a big concern. Actually, I will say it this way. In my opinion, the current Israeli government is as guilty as Josef Mengele. They have permitted, they've committed human experimentation on their own people.

And, I'm going to tell you, I hope, I hope this space does a little different. Maybe not. But I know I finally understood what I'll say that if you take sort of some close role, you should look at the ??? role in the sector sharpest. [Cannot understand this sentence.] That if you see trouble in the Jewish people, you should look at the rabbinic leadership because if the head is diseased, what do you expect of the body? I beg this base (??) to

put the interest of Israel above politics, and anything else that may alter your opinions. I receive daily death threats. I risk my life, my career, my financial life, my reputation, almost my family, everything, just to sit here and tell you what I'm doing.

So I'll just summarize that there is no need for this vaccine. And there's actually no need for anyone and I'll explain. Children I already told you that they have a 99.998% chance of getting better. The young adults from 18 to 45 have a 99.95% of getting better, just according to the CDC, same concept. Someone who has already COVID that has antibodies, naturally, induced immunity is a billion times more effective than artificially induced immunity through a vaccine. So why would I vaccinate someone with a poison death shot that makes inferior or dangerous antibodies when I already have healthy antibodies? And then if you look at the high-risk population that has a 7.5% death rate, so my data, which was the first in the world, which I published in a peer-reviewed journal, which has become the basis of over 200 other studies, and that have corroborated my observations that, if you treat people in the right time frame, you reduce the death rate by 85%. So out of 600,000, Americans, we could have prevented 510,000, from going to the hospital and dying.

And by the way, I presented this information to Bibi Netanyahu directly into his hands by way of [Hebrew word?] in April of 2020. And I informed every single member of your Ministry of Health as well. So my question to you is, **if I can reduce the death rate from 7.5% to less than a half a percent, why would I use a poison death shot that doesn't work, and has tremendous and horrific side effects?**

I'll do one more mind experiment with you. If everyone on the planet were to get COVID and not get treated, the death rates globally, will be less than a half a percent. Now, I'm not advocating for that that's a lot of people, that's 35 million people would die. However, if we follow the advice of some of the "global leaders", let's say like Bill Gates said, last year, 7 billion people need to be vaccinated, the death rate will be over 2 billion people.

So wake up! This is world war three. This is a level of malfeasance and malevolence that we have not seen, probably in the history of humanity.

So I'm against child sacrifice. I'm against [Hebrew word?]. And I really believe that God is testing every human being here. And here's the test.

Are you going to bow down to me, HaShem [God]? Are you going to ask protection from Me? Are you going to take your fears, and ask Me to help? Or are you going to run to the other czar of the vaccine of your governments, of despots and tyrants, like sociopaths, who want to be deities! There's nothing new under the sun. These people are no different than pero (??). They think they're God. And you're going to bow down to them. If you're going about down to them, that's okay. Let them protect you. Let's see how that's going to work out for you.

I'm seeing fear drive people to do things that are completely irrational, do not make sense and they sacrifice their own children. And yes, your ministry

of elders is lying to you. Your statistics are absolutely skewed. If you want to see something real, there's a website called <https://www.worldometers.info/> Go to [Israel](#). And you can see at December 20, there's a huge spike in the curve of deaths in Israel. Do you know what happened in Israel December 20th.? National immunization started. And these are numbers being reported by the Israeli government. They're just too stupid to hide it. There is zero justification, **zero justification for using this poison death shot unless you want to sacrifice human beings.**

I think I'm done.

Interviewer: After these words, the fact I don't think you can ever say you're done. I very much I appreciate your time and effort. Very, definite and very clear. We appreciate that.

Dr. Zelenko: Do you have any questions?

Interviewer: I have many questions. But just as 2 billion would pass out if you gave 7 billion the shot according to what the doctor said, correct?

Dr. Zelenko: Not according to what I said, according to what world experts are saying. That....If you look at Dr. Malone, who invented the mRNA technology, has the original patent for the vaccine. He's saying, "Do not use this. The government is lying to you. The side effects are horrific. " Dr. Cahill from Ireland said that, she believes within two years 90% of the people that got vaccinated will be **dead**. When Dr. Michael Yeadon – I hope he can confirm, I hope he's still there – was asked that question, he said, "you wouldn't go that far". So I don't know. Maybe it's not 90%. What is the percentage? And maybe it's not two years, maybe it's three years. And Dr. Luc Montagnier, who is the Nobel Prize winner for the discovery of HIV, saying this is the biggest risk of genocide in the history of man.

[16 minutes transcribed]

[Kicked off Bitchute for linking to Vatican](#)

Vicar: (From Latin) vicarius, **a substitute**,
Anti: (From Greek) against, opposite, **instead of**,
Vicar of Christ = Anti Christ

This is an opinion piece from my friend Chris Lukas, a conspiracy researcher who I have known for years. He's a Historicist who holds the views of the Protestant Reformation leaders and Bible teachers about eschatology, which, sad to say, are not popular doctrines today. And why? Because English-speaking evangelical Christians were led astray by false Endtime doctrines taught by John Nelson Darby and C.I. Scofield. They taught a false interpretation of Daniel 9:27 – the [most misinterpreted prophecy in the entire Bible](#)! This false interpretation originally came from Jesuit Francisco Revera, and the reason he cooked up the false interpretation was to take Protestant Christians' eyes off the Pope and papacy as the Biblical antichrist and to look for a future Antichrist at the end of time.

Chris confirms what I have believed for years now, i.e. Satan is using the Vatican / Holy See, as his primary organization to rule the world. There are many other organizations such as the Freemasons, Bilderbergers, Illuminati, Skull, and Bones, Zionist groups, etc., and most conspiracy researchers are aware of them, but very few are aware of the tremendous power of the Vatican and its army of Jesuits around the world. I was raised Catholic. I am aware of the power of the Roman Catholic Church. The American government of now full of Catholics! Don't believe me? Look at the number of Catholics in the Supreme Court – six out of nine are Catholics!

The following are the views of Chris Lukas:

"I think Bitchute won't allow me to upload anymore cause I was linking the Vatican to what is going on. You can talk about COVID. You can talk about the injections. But they seem to favor the blame the Jews crowd.

Also, it's the way I tore down the narratives. I was banned on some platforms for predicting Trump would be in on a potential election rigging, that it would all be a show, that he would pretend to fight it. That got me banned from Twitter.

I had predicted Biden and Harris would be the nominees, and the reason was to make the rigging even more obvious when they did it. The two worst people in the primary. Not sure if it was that video or the one where I was pointing out all the deep state Trump nominated and pointed out he kept renewing the

emergency declaration.

These platforms wanted certain narratives pushed. It's not so much vaccine hesitancy that bans you. It's how you attack the narrative. Like I wouldn't get banned if I said the COVID "vaccine" alters your DNA, Jews are behind it, Q and Trump will save us.

There's lots of good info everywhere, but if you don't expose how it's one entity in charge of this fraud and how it can orchestrate it with the whole world, all that good info does little.

My position has always been, there is no telling what is in this "vaccine", only they know. It isn't the mark of the beast, but a cover for the Vatican to target groups it doesn't like. I think this is why they have given the vaccine injuries more publicity. I think they want people to be hesitant.

They already game-planned that certain people wouldn't want it, would be less likely to cave in. That's how the Catholic church can go after the protestants or anyone that hurts its agenda. Now it doesn't have to overtly be an attack by the Catholic church. People just think "oh, that darn oppressive government", never making the connection it's a papal power play.
