

Covid-19 Vaccinations – “A Malicious Act of Bioterrorism” – Dr. Zev Zelenko

Transcription of video below

Dr. Valdimir (Zev) Zelenko: I would take the words of Bill Gates seriously. Not because he's a prophet, but because he's a criminal. Because he's a bio-terrorist. Because he's a eugenicist. Because he's a sociopath. And he has a proven track record of being right. Well, that's not surprising if you're actually orchestrating it. So it's not a coincidence that an eradicated virus that only exists in the most secure neurology labs appears in an insecure Merc laboratory in Philadelphia. Four or five days after the sociopath Gates tells us we should expect a smallpox outbreak.

Sean, the SGT Report Host: Oh, my goodness, friends, that was Dr. Zev Zelenko. And this interview could literally save lives. Now, you may know people who have taken the vaccine, and it's too late to help them. But maybe those people have children. And maybe, just maybe if you get this information to those people, you might at least save the lives of their kids.

(Keto advertisement skipped.)

It's Sean from SgtReport.com and SgtReport.tv. I'm also very pleased to have back on the show the one the only Dr. Zev Zelenko. He is the inventor of the Z Stack. And guess what? They now have Z Stack gummies for kids. What does that mean? Well, it means you don't have to get sick when the "flu season" returns or COVID season. Well, we know what it really is. Dr. Zev Zelenko joins me now. How are you sir?

Dr. Zev Zenlenko: I'm doing great. Thank you. Thanks for having me.

Sean: Glad to have you back. I'll leave the link to Z Stack below if people want to check that out. It is quercetin which is the delivery system for zinc, vitamin C, and vitamin D the stuff you need to stay healthy. Dr. Z, I am now fully convinced that what we are up against as it pertains to this experiment rolled out by Pfizer, Moderna, FDA, CDC, NIH, this experiment people are taking part in willingly is really an IQ test. So if I may, we'll kick this off with a soundbite from a woman who, look, my heart goes out to

this person. I don't know who she is. I'm not making fun of her. But this really is an IQ test and people ought to know what they're participating in before they willingly participate in and run out and get the jab.

Sickly looking woman: So I got my third dose of the Pfizer booster vaccine on Sunday. And on Monday, by about 10:30 in the morning, I was having body aches and pains and chills and stuff. Pretty bad. I went home. Then that night, I could not stay awake. I was having fevers, still chills, still the body aches. Yesterday, body aches and pains. But by the afternoon I thought I was doing pretty good. Woke up this morning. I have sores all inside my mouth. The fever is back. I still have the body aches, massive migraine. As much as I love my shots. Side effects.

Sean: I'm coming back to you Dr. Zelenko. Boy, I don't think she has any idea that she's probably experiencing blood clotting. Her immune system is crashing. A lot of these people have no idea what they're participating in Dr. Z. Is it an IQ test? What do you make of what she just said?

Dr. Zev Zenlenko: I think it's more accurately an EQ test, an emotional intelligence test. And what I mean by that is the problem of the psychological warfare that has been waged on humanity, which is basically the use of prolonged fear together with isolation from other human beings and the people you love. What that does, is psychologically decompensates a person. They live in such an emotional horror, that they're they become prime targets to be manipulated by any false promise. So if I'm creating anxiety, and then I come to you and I said, dangle a vaccine in front of you and say, Well, this is going to help you. Most people take that vaccine, not for intellectual reasons at all. Their minds have completely shut down. They're acting purely on emotion. And they're gravitating towards taking that vaccine because it reduces their anxiety in the short term. So and that's why if you challenge them, they get belligerent even the most – I've had debates with incredibly intelligent people, but I see their minds are have shut down, and they become belligerent because my words are bringing them back into a state of anxiety that they definitely don't want to be in. So it's the shutdown of the intellect and the irrational behavior that's being fueled by their emotions. And that's really what's going on here. I think it's not really IQ raw, intellectual talent because I know plenty of people with a higher IQ who are fallen victim to this psychological warfare.

Sean: I think that's very fair. That's a very good point. And let me ask you this. Do we make a mistake by calling this thing, a vaccine? I just listened to a powerful interview, a roundtable between Dr. David E. Martin, Robert F. Kennedy, Jr. I believe Judy Mikovits was part of that and one other person. And David E. Martin said we have to stop calling this a vaccine, or we've already lost the battle. It is not a vaccine. It is an mRNA weapons delivery system. Is he right?

Dr. Zev Zenlenko: Yeah, I mean, listen, language is very important. You could call it a vaccine if you call it a vaccine that kills people. You see, the problem is we grew up thinking the word vaccine is associated with health, with goodness with preservation of life. So most of humanity associates the word vaccine with something good. And that's the marketing ploy here. There's

also a legal ploy where something's called a vaccine, pharmaceutical company that's making it cannot be sued, or it's difficult to sue them and they're indemnified. So **there's a legal benefit to being called a vaccine**. But for my purposes, if you want to say there are vaccines that save life, and there are vaccines that are weapons of eugenics and kill people, that's fine. I personally call it a *Poison Deathtrap*.

Sean: As do I, and here's what I want to do for that poor woman. Look, she's already taken the booster. So she's three shots in, there's nothing we can do to help her. But for those who are listening, and I do have a friend I reached out to several months ago, probably close to six, eight months ago at this point, warning this person to at least watch an educational video I sent her it was 14 minutes long saying please watch this before you take the VAX. They're very dangerous. I know she didn't watch the video and her reply to me via email was we're going to have to agree to disagree on this issue. Okay, So I want people like her and those who might be considering jabbing their own kids to understand what we know. Got a lot of sound bites I want to play here and Dr. Zelenko is an expert so he'll weigh in on the sound bites but here's what we know. And Dr. Z you tell me if I'm forgetting anything.

Number one, this Vax is experimental. It is mRNA technology the first-ever of its kind used on human beings. Pfizer, Moderna, J&J have indemnity from lawsuits. If you participate in this experiment and get injured or die, you cannot sue them, there will be no financial recovery for you. And finally, here, **the FDA wants until 2076 to fully release the Pfizer Vax data**. I don't know if you saw that line item. I can put it up on the screen here. What am I missing? That's what we know. And I have additional sound bites I want to play to demonstrate for people what this Vax is doing to the blood of those who take it Have I missed anything so far?

Dr. Zev Zenlenko: Yes, I don't know if the word "experimental" conveys the malignancy here the malfeasance of what actually is going on. So in October of 2020, the FDA made an internal presentation to its own scientists. And that presentation was not meant to be leaked, but it was, and we have it. And on slide 16, which I'll provide for you so you can include this in the video, on slide 16 of this presentation, the FDA lists all the side effects of these vaccines. Now, this is two months prior to the rollout. Yes, that's two months before this vaccine, these vaccines were released onto the public, the FDA presented this slide to its own scientists. Now, if you jump ahead to today, if you look through and go to the VAERS database, and just look what are the categories or side effects that actual human beings have experienced, that have taken the time to file a report, or the doctor has taken the time to file a report, **there's a 100% correlation between what actual human beings have experienced clinically, and what the FDA told his own scientists two months prior to the release of this bio-weapon**. So whenever you have 100% correlation, what that means is a term for that. **It's called premeditated, first degree, capital murder, crimes against humanity, and genocide!** This is *not* an experiment. This is **a malicious act of bioterrorism** and the complicity of our own government and agencies that are have been charged and put into power by us to protect us **who have whored themselves out to special interests** and stakeholders. They serve everyone except the American people.

Sean: Thank you for that you're 100% right. I soft-pedal it when I call this an experiment. It's so much more than an experiment. It is a plot to depopulate! And I think that segues nicely into this next soundbite. I want to play this. This is Karen Kingston on the Stew Peters show. Now Karen Kingston is a biotech analyst and an auditor of drug trials data. Very, very bright woman, she knows what she's doing. She knows how to analyze all the paperwork, mountains and mountains of documents that come out of these trials. And here's what she has to say about Pfizer and this particular product, that they're masquerading as a vaccine, listen to this.

Karen Kingston: The CEO is not oblivious as to what's going on with the phase three trials. They're very much aware of it. And this evidence shows that they conspired to commit aggravated assault and murder of children with a bioweapon. And maybe your audience or naysayers are saying you have no evidence this is a bioweapon. Yes, I do. Take a look at the biological license application that was submitted actually submitted in May of this year. And what it says under the product description verbatim is the mRNA Kornati (?) is a single-stranded mRNA encoding the full-length SARS code two spike glycoprotein derived from the Wuhan-HU1-11slip that was uploaded to Gendai by China. It is the bioweapon! That's what it is. And it's literally called the Wuhan-HU1-Spike protein. We know that's a bioweapon. If you still don't believe me take a look at the patent that was issued on January 10 of 2017. And it was issued to actually MIT and Harvard. But this all rolls up into the master cotton. (?) And who funded this? It says under state government support the invention was made with a government support order by the NIH. But if you go to section nine, what does it say, Stew? It says that this nanotechnology vaccine will deliver a molecule. In some embodiments, the small molecule is a toxin. In some embodiments, the toxin is from a chemical weapon or an agent of biowarfare. **The NIH patented a vaccine to deliver a bioweapon.**

Sean: Alright, sir, I'm coming back to you. I don't know if your blood is boiling like mine is but my understanding is within the last week, the NIH Director has called for the arrest of those spreading what he calls disinformation about this product.

Dr. Zelenko: The NIH, CDC and FDA are **the enemies of the people**. They should be held accountable. I'm a person who believes in the rule of law. Once they're convicted for crimes against humanity, whoever the leadership is, which is a whole list of people that should be targeted, they should be brought to trial by military tribunal, and if they're convicted of crimes against humanity, genocide, and mass murder, they should be executed. And that should be sent a message to future despots that we have a rule of law here, you will be held accountable. And we society, humanity will not tolerate the terror, the terrorizing of innocents, and a war against God-consciousness and an attempt to enslave masses of people. We will come after you.

Transcribed up to 15 minutes 21 seconds. I hope this inspires you to hear the entire discussion.

Australian Aboriginals Hunted by MILITARY, Children Vaccinated by FORCE Against Parental Wishes!

Stew Peters: Alright, so I just saw this video, which shook me to the core. I'm about to show it to you. And this is what I'm going to say right now before I show you this video. All of you Hollywood actors, musicians, so-called celebrities, NBA, NFL football players, all of you people of influence with big platforms, put down the Courvoisier (brand of cognac) for a second, okay?, take off the Prada shades, get out of the Ferrari, and take a look at this video. All of you lawmakers, politicians, so-called elected representatives. Take a look at this video.

I told you we're tracking what's going on in Australia right now. There are all kinds of reports all over the internet of Aboriginal people being chased down hunted like wild animals by their own government by their military. Kids are being chased by the military personnel, tackled to the ground, pinned down and forced jabbed with syringes, needles, with syringes filled with this bio-weapon that you people are calling a vaccine.

Okay, we're not having the vaccine debate here, whether or not this is a vaccine or a bio-weapon. But there is under no circumstances should it be tolerated by the United States of America, the only superpower left on the planet that this is happening to somebody in their country, an allied country, a Western country with a democracy that up until recently has been formed, very similar to our system here in the United States. Watch this video.

The Six Seals of the Apocalypse: A Synopsis of History from Christ to the End of Time

Reading what Matthew Henry had to say about Revelation chapter 6 made me realize it's a summary of events over the past 2000 years!

Covid Vaccine Causes Myocarditis

This article is from a paper by Drs. Peter McCullough, M.D., an American cardiologist, and Jessica Rose, Ph.D., a specialist in Orthopedics and Sports Medicine at Stanford Children's Health Specialty Services. It was published by Elsevier which is a Netherlands-based publishing company specializing in scientific, technical, and medical content. After the preliminary draft of their report was peer-reviewed and approved for publication, it was posted by the publisher on its website. **Shortly thereafter, the publisher, Elsevier, without giving a reason, suddenly withdrew the publication.** (Partial text from Dr. John G. Hartnett's web article on <https://biblescienceforum.com/2021/11/08/follow-the-silence-paper-proving-covid-19-vaccines-cause-myocarditis-is-removed-from-publication-without-explanation/>)

COVID-19 'Vaccine': A Bioweapon

Dr. Jane Ruby is a prominent health economist and new right political pundit. She currently works as a president at Ruby Health Consulting since 2018. It actually provides innovative solutions for Health Economics and outcomes research (HEOR). She calls Covid vaccines a bioweapon. I sure wouldn't bet my life that she's wrong.

Why Is God Not Blessing America?

What is happening today under the Biden administration is simply shocking! The enemies of God, Christ, and the Bible have created a new ideology called "Woke" that teaches everything contrary to what the Bible teaches! The southern border is being flooded with illegal immigrants, inflation is higher, the cost of energy has increased, the middle class is getting smaller and smaller, civil liberties in especially the Blue States are trampled upon in the name of public health with unconstitutional and even illegal vaccine mandates (according to the Nuremberg Code), and parents who object to their children being taught the Critical Race Theory are being called "domestic terrorists". I'm sure that most Republicans, perhaps some honest Democrats, and most conservatives and Christians can add many more problems to the list that America is facing today. And why is this happening? I submit to you that one of the reasons God is *not* blessing America with good leadership is because of America's support for the nation of Israel! Does that shock you? It would shock you if you hold the doctrine of so-called "Christian Zionism." Christians who support physical Israel have been misled by antichrists! Why do I think so? Because the Bible tells us we should **not bless those who reject the doctrine of Christ!**

2 John 1:9 Whosoever transgresseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

10 ¶If there come any unto you, and bring not this doctrine, receive him not into your house, **neither bid him God speed:**

11 For he that biddeth him God speed is partaker of his evil deeds.

The prophecy of Genesis 12:3 was *not* toward physical Israel but to *Abraham* and his *spiritual* children

If you don't think so, please consider what the Scriptures below have to say.

Genesis 12:3 And I will bless them that bless thee (Abraham), and curse him that curseth thee (Abraham): and in thee (Abraham) shall all families of the earth be blessed.

Galatians 3:14 That the **BLESSING OF ABRAHAM** might come on the Gentiles through Jesus Christ; that we might receive the promise of the Spirit through faith.

Galatians 3:16 Now to Abraham and his seed were the promises made. He saith not, And to seeds, as of many; but as of one, And to thy seed, which is **CHRIST**.

Galatians 3:29 And if ye be Christ's, *THEN* are ye (all those who call on Jesus Christ to be saved) Abraham's seed, and heirs according to the promise.

Revelation 19:10b

... for the testimony of Jesus is the spirit of prophecy.

Christian Zionism is an oxymoron.

I want to thank pastor Chuck Baldwin of Liberty Fellowship for his good teaching on this subject which inspired me to write this article.
