

# April 2013 Hitchhike Adventure to Tokyo

The other day, (September 13, 2013) I ran into a man at a park who said he picked me up hitchhiking during Spring this year! His name is Katsuhiro Itoh. He took me from Sakae parking near Sanjo City to Echigokawaguchi SA. He told me he checked out this website but didn't see the photo I took of him! Apparently I promised him I would post it. I felt bad about that and made a note to find the photo I took of Mr. Itoh and post it. Though I have not always faithfully wrote up each and every hitchhike adventure on this blog, I have kept records of names, places and distances in an MS Excel format file. Sure enough, I found the entry of the trip and all the information I need to write this belated post!

Mr. Bamba who took me from Niigata City to Kamo. He said this is the second time for him to pick me up! The first time was in 2012.

Katsuhiro Itoh and his cherry picker truck. He took me to Echigokawaguchi. I met him again on September 13.

Another man named Itoh, a software developer. He took me in that tiny sports car to Ikebukuro in Tokyo!
