

The Approaching End of the Age by H. Grattan Guinness – Part I. Chapter II.

Progressive Revelations as to the Relative Period of the Second Advent of Our Lord Jesus Christ.

The Only Sure Way to Overthrow Popery

He is that “wicked” whom the Lord “shall consume with the Spirit of his mouth, and shall destroy with the brightness of his coming.” The “Spirit or breath of his mouth,” is His Word—the preaching of the Gospel.

The Approaching End of the Age by H. Grattan Guinness – Part I. Progressive Revelation Chapter I

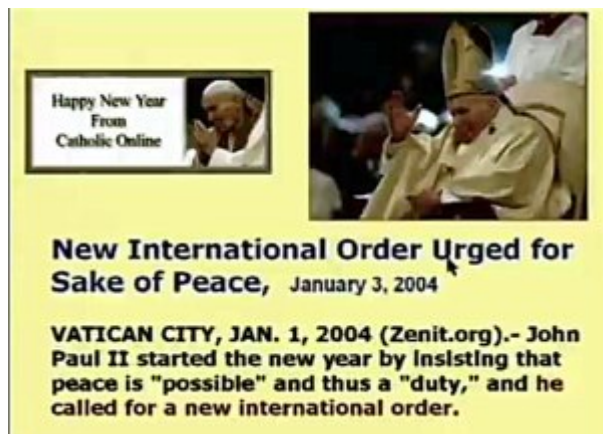

God’s revelation of Himself to man has been a progressive one.—Truth in general has been revealed progressively.—Prophecy, the divine history of the future, consists of a series of progressive revelations.—Practical results of the comprehension and application of this principle.

The Approaching End of the Age by H. Grattan Guinness – Introduction

The volume now presented to the Christian public, consists as will be observed, of four parts: the first is commended to the candid consideration of those who have not yet received the truth of *the premillennial advent of our Lord Jesus Christ*, the second and third take that truth as proved and granted, and address themselves especially to those who, holding premillennial views, are still looking for the manifestation of Antichrist, prior to the visible advent of Christ, those who adopt a literal interpretation of the Apocalyptic prophecies, including their chronological features—in other words, to the *futurist* school of prophetic interpreters.

A Summary Of The Economic Development Of The Church of Rome

In a country where the law favoured the teachers of no one religion more than another, it would not be necessary that any of them should have any particular or immediate dependency upon the sovereign or executive power; or that he should have anything to do, either in appointing, or in dismissing them from their offices. In such a situation he would have no occasion to give himself any concern about them, further than to keep the peace among them, in the same manner as among the rest of his subjects; that is, to hinder them from persecuting, abusing, or oppressing one another. But it is quite otherwise in countries where there is an established or governing religion. The sovereign can in this case never be secure, unless he has the means of influencing in a considerable degree the greater part of the teachers of that religion.

The Prophetic Outlook Today – The Judgment Of The Great Harlot

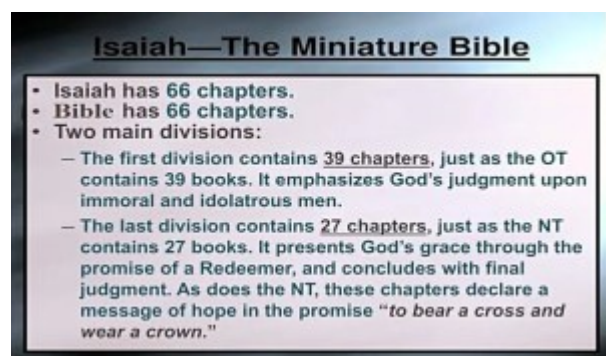

Revelation 17 is introductory to the judgment on Babylon, and explanatory to St. John, as the symbolic man, of its causes and reasonableness. This is God's usual method when about to execute any very notable act of vengeance. He shows His Church its justice beforehand, thus vindicating His honour, and warning such of His people as may have been deceived to separate themselves in order to escape imminent doom.

The Prophetic Outlook Today – The Seventh Vial

This, the last Vial of Judgment, is poured out *“upon the air”* or atmosphere of the Apocalyptic world. As the natural atmosphere is the region of storms, the medium through which the heavenly luminaries shine on us, and the element we breathe, a great physical disturbance in the air must affect it in each of these functions; and if it be thus in the symbol, so must it be likewise in what is symbolised.

Isaiah The Miniature Bible

Each chapter of the book of Isaiah has something in it that corresponds with the book of the Bible it represents sequentially. I show the Bible has a supernatural Source – God Almighty!

Poured Out Upon The Air; And The Three Unclean Spirits Like Frogs

The Dragon is that old serpent the Devil. The Beast, or rather the Beast's Eighth Ruling Head, is the succession of the Popes of Rome. The False Prophet represents the Priesthood.

The Interpretation of Biblical Prophecy – By Dr. Oral Collins

The serious student will want to study the Biblical text and develop his personal understanding with some assurance. To do this, it is absolutely necessary to know and apply sound principles of biblical interpretation.

The Dark Agenda Of Pope Leo XIV

When a new pope chooses his papal name, it's never a coincidence. It's a deliberate act meant to signal who he admires, what values he upholds, and what kind of papacy he intends to lead. So when Cardinal Robert Prevost chose the name Leo XIV, it wasn't just a tribute, it was a message. He is aligning himself with Pope Leo XIII, who reigned from 1878 to 1903 and was known as the Social Pope.

The Prophetic Outlook Today – THE ANTICHRIST – Who? When? Where?

In order to get a true and complete view of this great antagonist of Christ and of His Church, we have to bring together the several prophecies and instructions given by the Holy Spirit, for the purpose of guiding in a sure path those who really desire to learn.

[The Hero of Universal Protestantism](#)

Martin Luther was a man for the whole world. While he was a German of the Germans, this was only because he realized most powerfully the genius of his environment. He saw life acutely, and he saw it whole. The great truth he brought to light had in it nothing peculiar to the German spirit. In it he grasped an original and universal Christian idea, quite beyond all race limitations.

[The Prophetic Outlook Today – The Second Advent Order of Events](#)

The full settlement of our Lord's Kingdom on the earth, even after His glorious appearing, may be—nay, must be—a work of some time. We are not told what interval will elapse between the destruction of His foes by His actual

appearing and the firm establishment and organisation of His Kingdom, but for this it is reasonable to allow some space of time.

Luther And The Recognition of Antichrist

Luther's thought of the pope as the Antichrist was absolutely vital to the Reformation. And what is happening today to the Protestant churches as they turn away embarrassed from this stance? Certainly much of evangelicalism and fundamentalism can no longer consider itself Protestant in the original shape of its identity.

America's Debt to Martin Luther

While all civilized peoples share Luther's heritage, yet especially here in

America have we fallen heir to it. The principles of human freedom for which he battled have been embodied in our institutions as in no other country.

[Premillennial Historicism by Dr. Oral Collins](#)

The term “premillennialism” does not belong to the futurists. It has been used for centuries within the historicist school.

What The World Owes Luther

To realize what mankind owes to Luther for the work of the Reformation, we must look at what the world was when he threw down his challenge to the existing sacerdotal system, and compare it with the world as it has been and is, since.

The Vatican Connection To Islam

You've been told that Catholicism and Islam are rivals. But what if they were never truly enemies? What if Islam, far from being Rome's greatest opponent, was actually one of its greatest creations?
