[History Unveiling Prophecy by H. Grattan Guinness](#)

This is a graphic story of the gradual unveiling of the meaning of the Apocalypse in the light of the events of history. It traces this development through eighteen centuries, from the days of the apostolic and martyr Church to those of the mediaeval Church, the Reformation Church, and the Church of modern times. It is a history of the gradual evolution during eighteen centuries, under the influence of historical facts, of that system of interpretation which has commended itself to the most temperate and

enlightened minds, Historicism.

[Romanism, A Menace to the Nation – By Jeremiah J. Crowley](#)

Former Roman Catholic priest, Jeremiah J. Crowley, tells why he left the Church of Rome. He warns America about the designs and intentions of Catholic priests to abolish the separation of Church and State and make America a nation ruled by papal canon law.

[Washington in the Lap of Rome](#)

“Romanism is the dominant power in the Capitol of the United States. Lincoln, Grant, and Arthur withstood it, and suffered the consequences. The power is unseen. It is shadowy. It inhabits the air and infects it. Romanism is the malaria of the spiritual world. It stupefies the brain, deadens the heart, and sears the conscience as with a hot iron. It comes, as did the tempter, with gifts in its hands, of rule, of power, and of wealth, to all who will fall down and worship it. They who yield have peace and praise. They who

refuse must fight a terrible foe.” – 19th century author, Justin D. Fulton

Behind the Dictators – A Factual Analysis of the Relationship of Nazi-Fascism and Roman Catholicism by L. H. LEHMANN

The Papal System – XI. The Lord's Supper, The Eucharist, The Mass

The human body of Christ is in heaven; and as no material substance can be in two places at one time, or in a hundred thousand places at one time, the wafer-body of Christ is an imposition, a plain, unmitigated counterfeit, the reception of which is not an act of faith, but a deed which flings away the Bible and common sense for an impious dogma which the Scriptures never taught, and a soul exercising its intelligence could not believe.

The Vatican Empire

Mr. Lo Bello describes in fascinating detail Vatican investment in real estate—one-third of Rome is owned by the Holy See—electronics, plastics, airlines, and chemical and engineering firms. He also gives evidence that the Vatican is heavily involved in Italian banking and that it has huge deposits in foreign banks. Some of these accounts are in America, many are in Switzerland. The Vatican financiers prefer numbered Swiss accounts because they allow them to maintain anonymity when gaining control of foreign

corporations.

Popery! As it Was and as it Is – By William Hogan

Americans who read this work may think, "This is all very interesting history of the Catholic church in America in the first half of the 19th century, but it is not like that today." The Attractions of the Roman Catholic Church

We believe that the Christianity left by the apostles to the primitive church was essentially what we now call Presbyterian and Protestant. Prelacy and popery speedily began to work in the bosom of that community and steadily wrought its corruption and almost its total extirpation.

The Popes of Rome – By Ronald Cooke
