

# Ex-Jesuit Alberto Rivera exposes Jesuit infiltration into Protestant Denominations

Alberto Magno Romero Rivera (September 19, 1935 – June 20, 1997) was a former Roman Catholic Jesuit priest who converted to the true Gospel of Jesus Christ and exposed many Jesuit secrets. For this reason he was murdered on June 20, 1997 by the Jesuits.

Did you know that the entire purpose of the Jesuit Order is to **neutralize the Protestant movement** and bring Protestants, Baptists, Orthodox church members, and all other non-Roman Catholic Christian groups back under the leadership of the Pope?

Did you know that the fuel of the Protestant Reformation was not only the knowledge of salvation through the grace of Jesus Christ, but especially the understanding that the **Pope is the Antichrist**?

Did you know that the English language Bible of the Reformation was the Geneva Bible and that it was banned in England because of specific footnotes teaching that the Pope is the Antichrist?

Did you know that the Jesuits tried to destroy the leadership of Protestant England and the publication of the King James version of the Bible with the Gunpowder Plot of 1605?

Did you know that the King James Version of the Bible is the only truly accurate English translation and therefore hated by the Roman Catholic hierarchy?

Did you know that because the Pope could not stop people from reading the Bible, he has corrupted it with modern English Bible translations?

Did you know that all modern Bible translations are based on corrupted Hebrew and Greek manuscripts?

Did you know that all these modern Bible translations based on corrupted manuscripts were works influenced and led by the Roman Catholic church and the Jesuits?

If you didn't know these things, please do yourself a favor and read what godly Christian Bible-believing men had to say about the Jesuits, the Roman Catholic church and its influence on 18th and 19th-century America! I have lots of references to them on this website.

## **The Mask of the New World Order, The Jesuits!**

A friend wrote me saying, "Today people don't pay much attention to the Catholic Church. It just doesn't have the influence that it did 600 years ago."

I beg to differ! I am trying to show the world that the Roman Catholic Church is more powerful than EVER, but not openly, or doctrinally or even emotionally in the hearts of majority of the world, but *covertly* in its control of politics and world economy. The Vatican does all its work through agents. I'm sure there are many layers of them.

It's been a whole lot more recent than 600 years ago that the Roman Catholic Church led a bloody massacre.

From 1941 to 1945, the [Roman Catholic Ustashi of the fascist state of Croatia butchered up to one million Serbian Orthodox Christians](#). Roman Catholic killer squads are often led by Franciscan priests, monks, and friars.

Being a former Roman Catholic, it's now as clear as a bell how the Devil has used Catholicism. The confessional system is a perfect spy network ring! All Catholic Bishops are more loyal to Rome and the Pope than to the nations they reside in or they wouldn't have been made a Bishop. And that especially goes for the Cardinals who are over them. Every Roman Catholic church, school, convent, and monastery is a perfect safe-house for conspirators.

The best way to hide something is to put it out in plain site. That's exactly what the Devil had done. The Enemy has been in the midst of America from the very beginning. The founding fathers saw it. The Protestant leaders of the 19th century saw it. But by the 20th century, the influence of Rome was so prevalent and their invasion of Protestantism was so great, hardly anybody

can see it anymore. I believe that's why the Lord sent His prophet David to totally break us out of the framework of American Christianity. Dad didn't quite see the Roman Catholic connection but he sure denounced the American churches – churches that have been corrupted by covert Roman Catholic / Jesuit influence!

Why don't American Protestants and many Baptists see it today? Their leaders have taught them otherwise.

"I admired Pope John tremendously ... I felt he brought a new era to the world." – Billy Graham

There is no major popular Protestant church or denominational leader who speaks out against the Roman Catholic church today. Let's face it, they are afraid of them! And there is certainly no politician who would DARE speak out against the Roman Catholic church. It would be 100 times worse for him than if he had spoken out against the Jews! Millions of American Roman Catholics would scream, BIGOTRY!!

This is of course partly my opinion based on my worldview, but also partly what I consider to be facts from sources I am stating, historic sources by people who I consider to be God fearing Bible believing men.

Again I say, learning true history can help us see the present better.

### **January 23, 2023 update:**

Satan's system of control on earth is vast. I believe the RCC is the largest and most powerful part of it, but it's also comprised of a multitude of secret societies, especially Freemasons, and those in the occult world, witches and satanists. Our only hope to avoid being deceived by them is to know the true Jesus Christ of the New Testament and by learning and believing the Word of God in the Holy Scriptures, the Bible. And we must call on the Name of Jesus when Satan and his demons attack us.
