

# Famous American members of the Knights of Malta

The Knights of Malta is the *lay branch* of the Jesuit Order!

"The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, P2, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. The world head of the Knights of Malta is elected for a life term, with the approval of the **Pope**. The Knights of Malta have their own Constitution and **are sworn to work toward the establishment of a New World Order with the Pope at its head**. Knights of Malta members are also powerful members of the **CFR** (Council on Foreign Relations) and the **Trilateral Commission**." – Quoted from "Behold a Pale Horse" by William Cooper

I got the list of Knights of Malta members from <http://www.biblebelievers.org.au/kmlst1.htm>. I limited the first section to only show Americans and only those who are not members of the Roman Catholic clergy. I got the identity of the less famous ones from Wikipedia. I figured everybody should know the more famous names and so I didn't include a description for them.

Some of these people are known as Jews (Alan Greenspan) or as members of a Protestant church (the Bush family)! Most people would not associate them with a Roman Catholic organization.
