Is there a certain group of individuals – or a certain organization or institution – that is infamous for instigating and fomenting wars and revolutions? Please consider the following quotes:

*"When in 1095, **Pope Urban II** proclaimed the First Crusade, some Christians [Ed.: i.e., **Roman Catholics**] thought it desirable to kill the Jews in Europe before proceeding so far to fight Turks in Jerusalem. Godfrey of Bouillon, having accepted the leadership of the crusade, announced that he would avenge the blood of Jesus upon the Jews...leaving not one of them alive; and his companions proclaimed their intention to kill all Jews who would not accept Christianity [Ed.: i.e., the Roman Catholic version of it]." – Will Durant (1885-1981; historian; "The Story of Civilization")*

*"...In 1208 a crusade was ordered by **Pope Innocent III** [Ed.: against the Bible-believing Albigensian Christians in southern France]; a bloody war of extermination followed, scarcely paralleled in history. Town after town was put to the sword, and the inhabitants murdered without distinction of age or sex. ...Within a hundred years the Albigenses were utterly rooted out." – Henry H. Halley ("Halley's Bible Handbook")*

"The whole frightful responsibility for this terrible Thirty Years' War [Ed.:

1618-1648] must rest upon the [Ed.: Holy Roman] Emperor Ferdinand II, and his teachers, rulers, and bosom friends – the **Sons of Loyola** [Ed.: i.e., the **Jesuits**].” – Theodor Griesinger (“The Jesuits”; 1873)

“The Thirty Years’ War, 1618-1648, was a series of conflicts that became the last great struggle of religious wars in Europe. It was fought almost exclusively on German soil...but before the war ended, it involved most of the nations of Europe. The underlying cause of the war was the deep-seated hostility between the German Protestants and German Catholics – with the **Jesuits** and **Cardinal Richelieu**, who was the real ruler of France, fanning the fires to accomplish their ends. When the war was over it had totally wiped out the German economy leaving behind a waste land where one half (some historians say even two thirds) of the population were dead.” – John Daniel (“The Grand Design Exposed”; 1999; Page 77)

“It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the **Roman Catholic Jesuit priests**, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated MOST OF THE WARS of Europe.” – Marquis de Lafayette (1757-1834; French statesman and general)

“...Most [Ed.: of the leaders of the French Revolution (1789-1799)] had been educated and trained under **Jesuit** tutelage. Names like Voltaire, Diderot, Turgot, Condorcet, d’Alembert, Desmoulins, and Robespierre were all inspired **Jesuit** college students rallying behind their instructors’ Enlightenment cause. No wonder there was no true opposition to the movement from the **Jesuit** camp. Remember well! The French Revolution is nothing less than a prototype of what the whole world is soon to be plunged into.” – John Daniel (“The Grand Design Exposed”; 1999; P. 262)

“...The **Roman Catholic Church** sowed the seed of division between the two great sections of this country, dividing North from South on the burning question of slavery.” – Bill Hughes (“The Secret Terrorists”; 2002; Page 53)

“This war [Ed.: i.e., the American Civil War of 1861-1865] would never have been possible without the sinister influence of the **Jesuits**. We owe it to **popery** that we now see our land reddened with the blood of her noblest sons.” – Abraham Lincoln (1809-1865; 16th U.S. President)

“The [Ed.: American] Civil War [Ed.: of 1861-1865] was not a ‘homespun’ affair. It was the result of the same upheavals that have changed the face of Europe. The promises and active help of the European empires and the **Church of Rome** along with the **Jesuit Order** had stiffened the resolve and attitude of the Southern leaders, some of whom were quite willing to see the monarchic principle triumph in North America.” – C.T. Wilcox (“The Transformation of the Republic”; 2005; Page 8)

“The public is practically unaware of the overwhelming responsibility carried by the **Vatican** and its **Jesuits** in the starting of two world wars – a situation which may be explained in part by the gigantic finances at the disposition of the **Vatican** and its **Jesuits**, giving them power in so many spheres, especially since the last conflict.” – Edmond Paris (French author;

born a Roman Catholic; *"The Secret History of the Jesuits"*; 1975 Chick Publications Edition; Page 9)

*"So the WAR-LIKE sentiments of [Ed.: Pope] **Pius X** were clearly expressed in 1913 already."* – Edmond Paris (*"The Secret History of the Jesuits"*; 1975 Chick Publications Edition; Page 117)

[Ed.: **Pope Pius X** in 1913 had told Austrian Prince Schonburg the following: *"It would certainly have been better if Austria-Hungary had punished the Serbians for all the wrongs they had done."*]

*"What were the Hapsburgs [Ed.: **Roman Catholic** rulers of the Austro-Hungarian Empire] supposed to do [Ed.: after hearing the statement of **Pope Pius X** in 1913 that Austria-Hungary should have punished the Serbians]? [Ed.: The answer: They were to] chastise Serbia, an Orthodox [Ed.: Christian] nation. The prestige of Austria-Hungary, of those Hapsburgs who, with the Bourbons of Spain, were the last supporters of the **Jesuits**...would have greatly increased. For [Ed.: Papal] **Rome**, the affair became one of almost religious importance; a victory of apostolic monarchy over Czarism could be considered a victory of [Ed.: Papal] **Rome** over the schism of the East."* – Edmond Paris (*"The Secret History of the Jesuits"*; 1975 Chick Publications Edition; Page 117)

*"Among the many initiatives in his long diplomatic career, [Ed.: Eugenio] **Pacelli** [Ed.: Pope Pius XII; pope: 1939-1958] was responsible for a treaty with Serbia which contributed to the tensions that led to the First World War [Ed.: 1914-1918]. Twenty years later he [Ed.: i.e., **Pacelli**] struck an accord with Hitler which helped sweep the Fuehrer to legal dictatorship while neutralizing the potential of Germany's 23 million [Ed.: Roman] Catholics (34 million after the Anschluss [Ed.: the annexation of Austria by Nazi Germany in March of 1938]) to protest and resist."* – John Cornwell (*"HITLER'S POPE: The Secret History of Pius XII"*; 2000; Page 4)

*"The **Jesuits**...installed puppet dictators throughout Europe. They were:*

[1.] *Bavarian Germany and the Third Reich* – [Ed.: Adolf] **Hitler** [Ed.: born-died: 1889-1945] [Ed.: Hitler was put into power by Jesuit-controlled German Knight of Malta Franz von Papen and other influential German Roman Catholics, such as Monsignor Ludwig Kaas, a leader of the German Roman Catholic Center Party.]

[2.] *Italy* – [Ed.: Benito] **Mussolini** [Ed.: born-died: 1883-1945] [Ed.: Jesuit Don Luigi Sturzo, chief of the Catholic Party in Italy, helped bring Mussolini to power.]

[3.] *'Vichy' France* – [Ed.: Henri Philippe] **Pétain** [Ed.: born-died: 1856-1951]

[4.] *Spain* – [Ed.: Francisco] **Franco** [Ed.: born-died: 1892-1975]

[5.] *Austria* – **Seyss-Inquart**

[6.] *Poland* – **Frank**

[7.] Slovakia – [Ed.: Jesuit] Priest [Ed.: Monsignor] Tiso

[8.] Croatia – [Ed.: Ante] Pavelitch [Ed.: alternate spelling: Pavelic] [and]

[9.] Belgium – Degrelle.

All these **Roman Catholic, Jesuit**-controlled, Jew-hating dictators were loyal to the greatest war criminal of all, Papal Caesar Pius XII and his master, **Jesuit** [Ed.: Superior] General Wlodimir Ledochowski." – Eric Jon Phelps ("Vatican Assassins"; 2001; Page 478)

"The role played by the **Vatican** in the Vietnam War (1956-1976) was not only important, it was decisive. ...Since without the Vatican such a war would have never occurred.

Initially, the Vietnam conflict had nothing to do with the USA. ...It had been a problem dealing exclusively with French colonialism. The defeat of France during the Second World War (1940-1945) had inspired Indo-Chinese national aspirations for ultimate independence from French Imperialism throughout Asia.

...The **Vatican** opposed the move [Ed.: for an independent Vietnam] since it wished to retain and to control the former French colonies; to that effect it plotted the setting up of a Vietnam controlled by Vietnamese [Ed.: Roman] **Catholics** [Ed.: who were a very small minority in Vietnam].

...[Ed.: The **Vatican**] plotted for a territorial split which divided the country into North and South. ...Whereas the North remained a Communist enclave, the South turned into the territorial and political domain of three fanatical [Ed.: Roman] **Catholic** brothers.

These three [Ed.: brothers] formed a kind of triumvirate, whereas one became the president, known as President Diem; the second became Chief of Police; and the third [Ed.: the Archbishop of Hue] controlled the Church. The [Ed.: **Roman Catholic**] brotherly triumvirate in this manner came to control the political, ecclesiastical, and police machinery of the whole country – a control which they kept with an iron fist until two of them were murdered three years later." – Avro Manhattan ("The Dollar and the Vatican"; 1988; Pages 108 and 109)

"...It was the **Vatican**, with the help of the U.S. Catholic lobby headed by **Cardinal Spellman**, that initially propelled [Ed.: **Roman Catholic**] Diem into power [Ed.: in predominantly Buddhist South Vietnam]. The powerful trio, namely [Ed.: Pope] **Pius XII, Cardinal Spellman**, and John Foster Dulles, were behind the setting up of a semi-totalitarian regime in South Vietnam from its inception." – Avro Manhattan ("The Dollar and the Vatican"; 1988; Page 110)

"The **Jesuit Order** is an association of highly organized warrior priests. They are politicians first and foremost and have been expelled from virtually every country they have had the opportunity to corrupt and destroy. Their modus operandi is political and educational infiltration and subversion and the fomenting of wars and revolutions in order to weaken and mold the target country into submissive pliability, to then be used to carry out their

purpose of global ecclesiastically backed dictatorship. The United States is no exception to this." – C.T. Wilcox ("The Transformation of the Republic"; 2005; Page 8) [Ed.: His book can be ordered on www.lulu.com.]

*"...Wherever a totalitarian movement erupts, whether Communist or Nazi, a **Jesuit** can be found in the role of 'advisor' or leader; in [Ed.: Communist] Cuba Fr. Armando Llorente; and in Argentina the neo-Nazis are led by Fr. Menvieille."* – Emanuel M. Josephson (American physician and historian; 1968)

"Roman Catholicism was born in blood, has wallowed in blood, has quenched its thirst in blood, and it is in letters of blood that its true history is written."

 – Baron DePonnat (French statesman; 1940)

Note: We can see from the quotations in this handout that it is NOT "the Jews" who are fomenting wars and revolutions (as some folks allege); rather, it is **Papal Rome** and the **Jesuit Order**!
