

# John Todd The Illuminati & Witchcraft in Audio Format

I received a gift of audio tapes of John Todd's testimonials from a person who visited this web site. I had them converted to MP3 format which makes them small enough to download using a broadband connection. You can also hear them play as streaming audio in Internet Explorer. The talks are of similar content to this page, but also contain some new information! You are welcome to download these talks and post them on your own web site without asking for my permission, but I would appreciate a donation toward my work if you do so.

## New Tapes

A friend shared these two links. I haven't heard them yet and hope they are good. But for the record I want to say this: When John Todd talks about buying weapons to defend yourself from evil men, let's hope he's talking about protection from criminals and *NOT law enforcement agents*! The Bible does not condone resistance to or rebellion to authority. All this stuff about arming yourself against a tyrannical government is nonsense and unbiblical. Even IF you say the government has become tyrannical, it's not our business to resist their authority by force. If you do, you will suffer the fate of the Waco Branch Davidians!

## Frequently Asked Questions

**Question: What happened to John Todd? Where is he now?**

To fully answer this question, please read the following pages consecutively:

- [Jack Chick's letter written June 16, 1978](#) about his association with John Todd
- [Chick's letter written October 26, 1978](#) where he explains how Todd was attacked and tricked by the Illuminati

**Question: Can I order copies of the audio tapes to share with other Christians?**

I do not have the equipment to do a good job to make quality audio tape copies. I think that it would be much better for you to download the MP3 files yourself and listen to them rather than me try to make copies of the

tapes for you. You can burn the files on a CD in data format and listen to them from your PC. Or you can transfer them to a MP3 player. Or you can use software such as Nero Burning ROM and make actual audio CDs from the MP3 files which can be played on any audio CD player. You can even make your own audio tapes from the MP3 files by recording them from your computer to a audio recorder. The MP3 files on this web site are even better audio quality than the tapes I had them made from because some of the background noise has been removed with special software. If you say that you are “technically challenged” and don’t know how to do any of the above, I am sure that there is somebody in your church or area who **does** know how and who would be willing to help you or make them for you.

**Question: Don’t you think John Todd was wrong about some things?**

Yes I do. He got out of his realm and anointing when he started to take up leadership and teach his interpretation of certain Christian doctrines. He should have stuck with his testimony and majored on what he did actually see and hear.

However I still firmly believe that Todd was right about certain things and has a lot to say that the devils of this world don’t want to be made known! For example:

- He opened my eyes to the hidden One World Government of the Illuminati.
- He exposed the Charismatic Movement as being a plot of witches to undermine the Church. I myself was deceived by their false doctrines for a period of time after I became a Christian.
- He exposed certain people who I believe have undermined and weakened Christianity in America.

So I encourage you to read John Todd’s testimony with an open mind and see if it doesn’t apply to things you experienced in your own life! Even if you think he got some of his facts or figures wrong – such as “*We’ve been doing it for 8000 years....*” when the world is no more than around 6200 years old– (contrary to the false so called “science” of evolution), if you believe 1 John 2:15 and 16 verses of the New Testament, you **KNOW**, or *should* know if you are a Bible believer, that it is better to be on the leery side of what the world offers, and tend to shun its treats (films, music, etc) much more than to let yourself be polluted by them!
