

John Todd's Present Situation

John Todd has been deceased for some time, but when and how he died is a matter of debate. There are 3 different accounts listed on different posts on this page.

1. Fritz Springmeier says in his book, *Bloodlines of the Illuminati*, that John Todd was killed immediately after his release from prison in early 1994.
2. John Todd passed away Nov. 10, 2007 while being held in the "Behavioral Disorder Treatment Unit which is overseen by the SC Department of Mental Health"
3. John Todd was murdered in the fall of 1979. Please see the [May 9, 2008 update](#) on this page.

Take your pick! For a long time I held Springmeier's account, but now I consider the possibility of the 3rd account. I definitely do not believe the second account even though [Wikipedia published that one](#). I like to go to Wikipedia for information that I consider uncontroversial, but I also know that it doesn't measure up to scholastic criteria of an encyclopedia, which is supposed to be truth. Wikipedia itself says, "The threshold for inclusion in Wikipedia is **verifiability, not truth:**" (From <http://en.wikipedia.org/wiki/Wikipedia:Verifiability>)

Below lists chronologically the emails I received concerning John Todd.

Email received February 7, 2006:

Former Inmate Christopher Kollyns, SCDC# 145461, AKA John Wayne Todd, was serving a 30 year sentence for Criminal Sexual Conduct 1st Degree.

His sentence started in May 1987 and he was released from our agency in April 2004 due to the expiration of his sentence.

Mr. Kollyns was deemed a Sexually Violent Predator pursuant to SC Law. He is currently housed at the Behavioral Disorder Treatment Unit which is overseen by the SC Department of Mental Health. He has been housed there since his release from our agency.

On March 9, 2006 I received emails from a person named Sekhmet*:

John Todd is alive and well and IN PRISON. I have visited him there.

He was convicted for rape, and there are many other victims who have come forward.

He has served his prison time, but is deemed too dangerous by the State of South Carolina to be released to society, and I completely agree.

Another thing you should know is that Todd made my acquaintance when he asked for a wiccan chaplain.

* On May 16, 2007 I received an email from a man who states:
"Sekhmet is Arabic for Venus, the destroying female god with the face of a lion."

Knowing how the Illuminati likes to use symbolism, I find this very significant! Also see:

<http://en.wikipedia.org/wiki/Sekhmet>

I sent copies of both of these emails to trusted friends. One of them said he telephoned Sekhmet and believes her story to be credible.

Please do not ask me for the full names or email addresses of my sources for I would not wish for their privacy to be invaded. If you would like to verify this information, you can call the telephone number listed.

June 21, 2007 update

I received an email on this date that stated:

On page 93 of Springmeier's Bloodlines of the Illuminati, he states "reports to this author allege that the day Todd was released from prison, he was picked up by a helicopter and killed. To the best of my knowledge Johnnie Todd was killed the day he won his freedom."

"Johnnie Todd won his appeal (the Federal appeals court came down hard on the state of So. Carolina) and in Jan. 1994, Todd called this author from prison to inform him that he was to be released, but that he needed tens of thousands of dollars. This author was not able to come up with the thousand of dollars that Todd wanted immediately. Later, Springmeier was told that the Illuminati offered to let Todd live if he could come up with a large ransom. Reports to this author allege that the day Todd was released from prison, he was picked up by a helicopter and killed. To the best of my knowledge Johnnie Todd was killed the day he won his freedom. Obviously, the Illuminati does enforce the oaths and vows that their members force d to make. The entire episode is of course a sad one for this author."

My opinion: I would certainly take the word of Fritz Springmeier above that of a Wiccan chaplain whose name means "destroying female god"!! I tend to believe that the person claimed to be John Todd in the Behavioral Disorder Treatment Unit is not really him and that John Todd graduated years ago from the sorrows of this sorry world to be with his Lord and Savior Jesus in Heaven!

Dec. 29, 2007 update

On this day I received an email that said:

I called the institute that John Todd was staying at in South Carolina. and they told me that he passed away 11/10/2007

But again I say, it may not have really been Todd who died in that institution.

May 9, 2008 update:

On April 30, 2008 I received the following email:

Back in 78 I attended Liberty University. A guy named Steve Hoffer was a John Todd promoter of sorts on campus. This amounted to simply passing out some tapes and the like not really like some sort of official promoter. I saw him last in the fall of 79. He had a letter he claimed

was from John's wife and it informed him that John had been killed that fall late. He read me the letter, I saw the letter. He was warned that he could be in danger. He has some close relationship at least by mail with the Todds.

He left for home for Christmas break but never showed up. His car was found abandoned in Cincinnati about two weeks later. He was found around early May of 80 a few miles outside Lynchburg tied to a tree and garroted in classic style, his body still hanging there. As you may know this is a special method of death and has a history and meaning. The death of a heretic.

At the time of his death Steve had been publicly investigating Jerry Falwell while a student at Liberty. As you can figure this caused no small controversy considering Steve was a student there. As you may know Falwell was on John's list of conspirators. Falwell publicly told the student body that he didn't know Todd, as Todd had claimed he knew Jerry personally, as well as saying Todd was off the hook mentally. Steve's death can be verified if the records are still available or if Todd's wife is still living she may remember Steve.

I too am from Columbus Ohio where John claims to be from. Listening to some YouTube yesterday jogged my memory. It's been 30 years since I last listened to him. Anyway there is actually a small Druid cemetery in Columbus. The stones are in a circle and have no dates or names on them. These graves may indicate the founding members of the original lodge that apparently left Wales sometime in the 1800's. There are also a lot of Welsh and Pictish graves nearby. John claimed to be a Druid and Pictish or lowland Scottish. The name Todd means father in Cymraeg and is old Celtic. Columbus Ohio is said to have had the largest

concentration
of Welsh immigrants in the US. There was even a Druid Hall being
used in
Columbus and so known as such up into the 1940's. It may still be
there
and is in an old part of town and it and the name were openly known
which may indicate the measure of their presents.

May 22, 2011 update:

In April 2011 I received another email from the same person above:

Good to hear from you and to read this letter. Please don't publish
my
name although I hold out little hope that the thing isn't known
anyway by the
right folks. Or wrong folks. The Collins folks are very powerful
and well
connected around here. Not in public as it were but when one does
some
looking into it the truth can be found. And it's not just the
Collins folks.

As I think I told you in an email that Druid grave area have
vanished. The
stones were moved. It was a large scale fail on my part not to get
a photo
of the 13 markers all numbered and in a circle. But as important
someone is
watching at least what goes on at your web site. While we cant
produce
photos of this grave area let its removal even if only between a
few serve
as a reminder of some realities.

More info. It may be that Steve Hoffer's style of death was not
published in
the news. But it was mentioned by Fallwell and I heard it with my
own ears
as I had made a trip back to Liberty U after bootcamp to see a
girlfriend
and attended a service. Steve's body had just been found that week
and Steve
being of note around there Falwell talked about it. Plus it was a
big
mystery on campus as to what had happened to Steve. Falwell felt it
was the
work of God. That Steve was turned over to evil for the destruction
of the
flesh as a warning for attacking Falwell himself and thus Gods

work. I sat
and listened to that knowing about and having read that letter from
Todd's
wife and that Steve had been warned but it didn't sink in but
slowly over the
years. In fact I have come to the point of seeing all this as not
simply
happenstance. My being from Columbus and meeting Steve etc. etc.

It was great to get confirmation that Jack and Todd's old pastor
say that
they had not heard from him since late 79. Great work on this guy's
part. I
am understanding here that Todd was killed very late in 79, his
wife sent
Steve a letter within weeks and Steve was dead by say 3rd week in
Dec 1979.
Looks like related killings. I am also going to believe that this
letter and
any related paper tying Steve with Todd was taken from Steve's
things. If
Steve had anything at his parents home it was taken as well. His
parents are
most likely passed on.

Have you had any sort of traditional or otherwise demonic
harassment over
this? Let me just say that Columbus has some very powerful witches
here of
the first order. And they know i know about them not just from this
but
before I ever knew of John Todd. That's one reason I perked up back
in the
day when first learning of John and where he was from.

By they way another guy that got a hold of me from YouTube said he
was from the
UK wanted to know what I knew about the Collins folks. I sent him
some info
about high up government appointments in state government. Have not
heard
from him. He wanted me to dig but these are just not the sort of
folks you
want to dig on outside the net. I told him even if they knew John
and it's
been awhile now what 30 years they wouldn't say anything if what he
said was
true.
