

Some of the Elite Who Are Working for the Global New World Order

Perhaps an alternative title to this post could be, "A List of Some of the Number One Enemies of the Public". I wrote this assuming you know something about conspiratorial organizations such as Skull and Bones, the Council on Foreign Relation, the Trilateral Commission and other secret societies.

The photo was taken in 2001 and five of the people are now deceased. Some of the people in this photo need no introduction, but I'll include one anyway. I got most of the descriptions of their identity from Wikipedia. This description is by no means complete. If anybody has any more information for me, please share it in the comments section below.

Correct me if I'm wrong but it seems to me that every one of the people in the photo except the lady from South Africa is (or was when alive) a member of the American Democratic party.

As a businessman, he is known as the founder of the fake news Cable News Network (CNN), the first 24-hour cable news channel. He wants 95% of the world's population to die off! Corey Feldman – who was a child actor in the 1980s – has been claiming that he was abused by important Hollywood figures. In 2014, he was invited on The View to discuss his past experiences in Hollywood. And Barbara Walters was not amused at all. Indeed, when Feldman told Walters that the "richest, most powerful people in this business" were child abusers, she became visibly distraught. Then, when Feldman warned parents about the dangers of pushing their children into the entertainment industry, Walters' response was extremely telling: "You're damaging an entire industry". Source:
