"UFOs are as real as the airplanes flying overhead. " That gave me the dubious distinction of being the first person of cabinet rank in the G8 group of countries to say so unequivocally. (Applause) ...An investigation was launched into this whole subject, and a document was prepared which concluded that at least 4 species (of aliens) have been visiting earth for thousands of years. And this is my own view at this stage as well. "

Who really are these so-called ETs? I believe they are the fallen angels, the ones who followed Lucifer.

Revelation 12:3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

4 And his tail drew the **third part of the stars of heaven** (the angels who followed Lucifer, the Devil), and did cast them to the **earth**:

They are the "sons of God" of Genesis 6:2:

Genesis 6:2 That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.

But like the Devil they follow, they are known to tell lies and half-truths. Those who do not know Jesus Christ as their savior will someday be deceived

to think the seemingly highly intelligent ETs will help save humans from self-destruction. Just the opposite will be true!
