

# The Founding Fathers of America: All opposed to the Gospel of Jesus Christ!

Watch this educational well made factual documentary based on the very writings of the founding fathers of the United States of America, men like **Thomas Paine, George Washington, Thomas Jefferson, John Adams, Benjamin Franklin**, etc., and you will see that America was *not* founded by godly Bible believing men to be a Christian Protestant nation, but by men who actually *opposed* the Gospel of Christ calling it “blasphemously obscene” and who called the Bible “a collection of paltry and contemptible tales.”

The founding fathers of America held same views as those of the so called “French Enlightenment”. All were opposed to the teaching of the Gospel and did not hold the Bible to be the Word of God.

The Declaration of Independence and the American Constitution literally made it **legal to practice witchcraft**, something that was outlawed in countries of Europe.
