QUESTION: What is the Roman Catholic Church-State?

ANSWER: “*The Roman Catholic Church-State*” is a term that author John W. Robbins uses to describe “Papal Rome” in his book, “*Ecclesiastical Megalomania: The Economic and Political Thought of the Roman Catholic Church*”. Since the Jesuit Order has controlled the Roman Catholic Church-State for over four centuries (minus several decades in the late 1700s and early 1800s), it should today be more appropriately called the Jesuit-controlled Roman Catholic Church-State – or, more simply – the Jesuit-controlled Vatican or Jesuit-controlled Papal Rome. (The Jesuit Order, through its control of the Papacy, directs and steers the entire hierarchical mechanism of the Roman Catholic Church-State. In other words, the Jesuit Superior General, a.k.a. the “Black Pope”, is the master of the “White Pope”.)

The Jesuit-controlled Roman Catholic Church-State (i.e., Papal Rome) has three major “branch offices”:

(1) its geopolitical “branch office”, which is the Vatican State (an entity having diplomatic relations with many of the nations of the world);

(2) its financial “branch office”, which comprises the Vatican Bank, other banking and financial institutions, its holdings of gold, its stock portfolio, its real estate holdings, etc.; and,

(3) its religious “branch office”, which is the Roman Catholic “Church” – which also happens to be a “branch office” that produces great wealth for the Jesuit-controlled Roman Catholic Church-State through her fabricated, fictitious doctrine of Purgatory, her sale of Mass Cards for the dead, her indulgences, etc.

One of the top goals of the Roman Catholic Church-State has always been – and still is – the elimination of its competition! That is why for many centuries it has waged relentless war – often with the sword – sometimes with stake and

fagot (i.e., a bundle of wood) – to extirpate (i.e., to eliminate) its perceived enemies. For many centuries its competition – its “perceived enemies” – have included the following: (1) the Jewish people; (2) Bible-believing Christian peoples and groups (such as the Donatists in North Africa, Celtic Christians in Great Britain and continental Europe, Albigensian Christians in southern France, and Waldensian Christians in southeastern France and northwestern Italy); (3) Eastern Orthodox Christians (e.g., Greek Orthodox, Serb Orthodox, and Russian Orthodox); and, (4) Protestants (e.g., the Huguenots in France, the Hussites in Bohemia, etc.). Historians have conservatively estimated that Papal Rome’s so-called “Holy” Inquisition took the lives of up to fifty million individuals made in the image of God – many thousands of whom were slowly roasted to death at the stake!

Other “top goals” of the Jesuit-controlled Roman Catholic Church-State include: (1) to accumulate more and more power; (2) to accumulate more and more wealth; and, (3) to rule despotically over the nations and peoples of the world through a one-world government, a one-world economy, and a one-world religion that is to be headed by the Pope of Rome.

In 1882 French historian Baron de Ponnat described the history of the Roman Catholic Church-State as follows: *“Roman Catholicism was born in blood, has wallowed in blood, has quenched its thirst in blood, and it is in letters of blood that its true history is written.”*

What may be in our future.

In recent days my wife and I have been listening to Tudor Alexander’s [Dance of Life podcasts](#). He also has a [YouTube channel](#).

Tudor predicts that Trump will win the 2024 November election, and during his presidency, he will implement policies that most American Christians will rejoice to see. However, it will also lead to more and more government

control over the nation, and America will eventually become a Church-State like Europe was in the Middle Ages! This is what Emperor Constantine started with he declared Christianity to be the official religion of the Roman Empire. Because Christianity was now supposed to be legal, the Devil was able to use the government to further eliminate perceived competition to the Church-State. Individual Bible believers and groups who would not conform to the policies of Rome were persecuted and killed as heretics. They looked at the Government as the Beast of Revelation 13, and the Beast in consequence warred against them.

Daniel 7:21 I beheld, and **the same horn made war with the saints**, and prevailed against them;

Horn = the office of the papacy, the popes of Rome.

Revelation 13:7 And it was given unto him to make **war with the saints**, and to overcome them: and power was given him over all kindreds, and tongues, and nations.

Tudor Alexander and others call the Left darkness and the Right the "false light". There always seems to be much more truth on the Right than on the Left. The vast majority will look to the Right, but because Satan is controlling both the Left and the Right, people who look to Donald Trump and Christian nationalism to save them may end up bitterly disappointed.

The Bible says in Proverbs 4:27: Turn **not to the right hand nor to the left**: remove thy foot from evil.

There's evil not only on the Left but on the Right also! God ordained government to rule over man, but we must not look to government to save us. We must keep our eyes on Jesus and the promises of God!

Revelation 21:1 And I saw a new heaven and a new earth: for the first heaven and the first earth were passed away; and there was no more sea.

2 And I John saw the holy city, new Jerusalem, coming down from God out of heaven, prepared as a bride adorned for her husband.

3 And I heard a great voice out of heaven saying, Behold, the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God.

4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away.

5 And he that sat upon the throne said, Behold, I make all things new. And he said unto me, Write: for these words are true and faithful.
