

Japan's Most Senior Oncologist, Prof. Fukushima Condemns mRNA Vaccines as 'Evil Practices of Science'

Solid science from a noted Japanese doctor and scientist that COVID-19 vaccines have injured people to the point of causing their deaths.

Japanese Doctors Warn About the Side Effects of the COVID-19 Vaccines

This is a transcript of a press conference called by Japanese physicians. Throughout the decades when I lived in Japan, it's been my observation that most Japanese are honest people and are not easily deceived by the media. When they encounter difficulties, they'll do an honest investigation of the problem and won't be easily swayed by others.

We are the General Incorporated Association of the Vaccine Injuries Study Group. We now have this press conference to report on the results of our study since its establishment. My name is Takeguchi, and I will be moderating the conference.

First of all, I would like to take this opportunity to express my condolences to those who have passed away due to health issues after receiving the

COVID-19 vaccine. Furthermore, I extend my best wishes to those who have suffered health issues and those who are currently struggling with symptoms.

(Next speaker)

A systematic review of the literature has revealed some surprising facts. Thousands of papers have reported side effects after vaccination, which affect every organ without exception, ranging from ophthalmology (the diagnosis and treatment of eye disorders) to general medicine, to psychiatry. We have compiled this information into a paper that was published yesterday.

These documents have been preliminarily investigated by a group of volunteer physicians. They saw how many cases have been reported by Japanese academic societies. This kind of reporting on drug side effects or the like is unprecedented.

As my specialty is cancer, chemotherapy drugs are plagued with side effects, but the patterns are known and predetermined. The patterns of side effects caused by this (COVID-19) vaccine are not determined. They can occur throughout the body. Multiple diseases can occur simultaneously. Doctors have never seen such a thing. This is the candid opinion of the medical profession.

Japanese doctors are also trying hard, but they face various obstructions. There's this sentiment of 'Why report something like vaccine damage?' There are interferences in reporting. Such actions themselves hinder academic freedom, and in some academic departments, censorship is taking place such as in conference presentations and publications of academic papers. This is happening globally. Some journals are effectively practicing censorship.

We are working on a paper that is expected to be published soon. Once published, we will be able to report in detail. For example, the age-adjusted mortality rate for leukemia has increased, and there are significant findings of breast cancer, ovarian cancer, and so on. We will share the relevant information with everyone as we advise and request the government on how to proceed.

Next, Prof. Yasufumi Murakami, the director in charge of the testing method development working group, will explain the progress of the test development and future outlook.

Prof. Yasufumi Murakami: Thank you, everyone. One thing I want to say initially is that it is clear how the adverse effects occur, which is still having many victims today. **I believe the vaccine should be stopped immediately.**

The mechanism by which adverse effects occur is well understood; **the spike [protein] is toxic.** It's very clear what happens when you administer a toxic gene to a human. Another point is that the Lipid nanoparticles, they are also toxic.

The major problem is that we are injecting two toxic substances into people, one of which is that human cells are producing spike proteins. Since the

immune system will attack this, it causes very violent reactions. Some cases occur within one or two weeks after injection, but there are also many cases that appear after one or two years.

Additionally, there is indeed such a thing as good and bad antibodies in humans, and an antibody called IgG4 actually suppresses immunity. Usually with vaccines, if an IgG4 antibody is induced, it is considered a failure. However, with the current messenger-type vaccines, a significant amount of IgG4 is being induced. When this happens, it plays tricks on various immune functions. Therefore, we want to thoroughly investigate what ratio of Japanese people are experiencing this. We aim to carefully examine what level of IgG4 reacts with the spike protein that is present in each individual.

Of course, the problem is, we already understand these factors. Vaccines that have failed are still being administered, and the Ministry of Health, Labour and Welfare recognizes these failed vaccines. So I would like to stop them immediately, but even though I speak out against the vaccine in various places, they don't stop administering them at all. So we will clearly present evidence and publish it in articles one by one.

New speaker: So, we are working with Dr. Fukushima to create this database, and so far, about 201 types of diseases and 3,071 papers on side effects have been reported. **It is unprecedented in human history for a single vaccine to have this much literature out on it.** With this, we plan to present it to the nation and the Japanese government in the form of solid science that no one can dispute.

In the next slide you will find diseases of the heart, kidney, thyroid, diabetes, liver, skin, eyes, blood, nerves, systemic diseases, brain, and lungs, diseases across all medical fields have been reported as Prof. Fukushima states. The characteristic of the side effects of this vaccine is that they occur simultaneously within entire families.

As for the data, when diseases such as those of the heart, kidney, endocrine, and liver occur simultaneously with the range in which they occur, a tremendous number of papers are reported with many pages.

New speaker: Mental disorders, psychiatric symptoms, depression, mania, and anxiety, came up in abundance. It's endless. It's about understanding why this is happening. That's why, actually, with broader keywords, for example, not just COVID-19 vaccines but also SARS-CoV-2, messenger RNA vaccines, and the like, when you separate it out into various keywords, more and more results come up. So this is just a part of it. Even with what Dr. Inoue introduced earlier, it's just a part of what has been done with the PubMed database. There are things that won't be caught by PubMed. So like "Creutzfeldt-Jakob disease (CJD)", it's not caught, next slide.

However, there are such peer-reviewed papers out there from Dr. Montagnier who discovered HIV and received the Nobel Prize. It's a persuasive paper. But it disappeared. He was cautious from the beginning.

About the spike protein sequence, within the genes, you know, he was warning

that if there's a prion-like (pathogenic type of misfolded protein) sequence, it could be very dangerous. Many scientists were warning about it. I too said it could be hazardous because of the possibility of prions. I discussed it with prion experts.

So, if you inject the vaccine into the muscle, it will be taken up by the surrounding cells. People who know nothing about medicine and biology don't think about such specific things, which is why they say it's an mRNA vaccine. However, if you know biology and medicine, such specific things don't happen. That is what we call off-target. Out of control beyond the target. It doesn't know where to go. If it goes into the bloodstream, it goes to the brain, liver, and kidneys. What if it went everywhere? That's something people don't think about. This off-target problem hasn't been solved.

And even if that is solved, there are still many problems. Because these nanoparticles, which were inflammatory earlier, are environmental issues, especially plastic nanoparticles, which are the world's number one problem. They enter the brain. However, those who don't know anything say, "It's plastic, so it won't be digested, so it's okay to eat." They pretend to know, but it doesn't get digested. The person has no idea how toxic organic substances are attached to the surface of those plastic nanoparticles. So, with fragments of such knowledge, they exaggerate things and think they can go with this. They say, "I know! This is good!" So, honestly, they need to go back and redo from middle school biology to high school and university entrance exams.

As I mentioned earlier, medicine is still immature. Basically, we don't understand much about the principles of life. Now, this kind of thing has happened, so, turning adversity into fortune, we should learn again here what happens instead of saying, "Go for it, go for it" with the vaccines. Well, it's like, ignorance is bliss. That's what this world is about. **Taking vaccines has become a kind of faith. Vaccines centers, they're like a weird cult. They're now basically fallen into an infinite hell.**

Simply thinking that things can be understood with fragments of knowledge is a mistake.

We should not let the Devil's people walk all over us. There is a time to love the ignorant, and there's a time to resist evil and protest against those who are not ignorant but are following an agenda to take us over.

[The Evil Agenda Behind the Transgender Movement](#)

Two billionaires Pritzker and Rothblatt are behind the promotion of transgenderism. If they can confuse a child about gender before he or she hits puberty, it means greater financial gains for them. Because both men have a stake in the trans-medical industrial complex, if they can confuse children when they are very young (elementary school age), they can profit off puberty blockers in addition to life-long hormone treatments and countless surgeries at the gender clinics they're invested in.

Died Suddenly Documentary

This is a very well-made educational documentary film with many testimonials about people who died suddenly after receiving the Covid-19 vaccination.

Vaccinated Populations Suffering

Strange New Illnesses

I transcribed this text from a One America News (OAN) report, from a video a friend sent me on Messenger. I later found a more complete copy of the video on Rumble.

Transcription of OAN Report

Cameras from around the world are capturing footage of people collapsing in spasms, and what some people believe may be the latest symptom of Covid-19 vaccines. Here's One America News Pearson Sharp with more:

One America News has extensively covered the dangers of the experimental chemical injections the government is calling the Covid vaccine. From heart attacks and strokes to paralysis, neuropathy, and explosive increase in cancer, autoimmune diseases, and even sudden death with young healthy people in the prime of their lives simply falling down dead. The list of fatal side effects from these injections is truly stupifying. While now there are videos emerging of a terrifying new condition that's popping up all over the world.

What you're looking at now is footage from security cameras that shows people suffering from the effects of some mysterious attack on their bodies. In every case, it follows the same pattern. The affected person stops what they're doing and looks around as if they hear something, slowly turning their head. Then they start flailing their arms and legs, kicking and trashing like they're fending off some invisible attacker. This is followed by collapsing on the ground in a convulsion, rising and twisting in uncontrollable spasms. The incidents of this bizarre and frightening new malady have come out of nowhere, and now it's being captured by CCTVS around the world.

Now to be fair, it's not clear if this vaccine death spiral is linked to the TCP (?) injections. But when you consider the alarming number of other gruesome side effects from this vaccine, it's not hard to believe. As far as we can tell this has never been witnessed before. And if that's the case, then we have to consider what could be responsible.

Now let's think: What's the biggest new variable the world has seen in the last two years? Well, if you're not a brain-dead member of the Branch Covidien Fauci Cult, then the answer is simple. Nearly 70% of the world has submitted to the Covid injections. That's 5.3 billion people whose bodies are struggling to adapt to overcome the so-called vaccine toxic effects. And now we're seeing the results firsthand.

Peer-reviewed studies show a staggering 94% of covid injection recipients have abnormal blood, blood that no longer functions normally. This is a picture of what normal unvaccinated blood looks like at 40 times magnification, and was taken by doctors in Italy studying the blood of patients injected with the Pfizer and Moderna vaccines. Now here we have the same patients just one month after getting the Pfizer injection. You can clearly see the blood has been drastically altered! With researchers saying the vast majority of patients they studied suffered severe blood cell deformation after taking the vaccine. The researchers say metallic objects that resembled graphene oxide and other compounds like you see here or discovered floating in the blood. The scientists said they found extraordinarily anomalous substances in the blood which began forming gigantic foreign structures. The researchers concluded by saying **these results have never been observed before in any vaccines ever**, and that Pfizer and Moderna need to come clean about exactly what they're putting in the vaccines.

They added that the substances in the vaccines are incompatible with normal blood flow. Those gigantic foreign structures seen under the microscope are wreaking havoc on the human body. And now **coroners and embalmers around the country are discovering horrifying clots inside people's bodies!** What you're looking at are the mysterious clots that are suddenly appearing in vaccinated people who later died. And medical experts say this is totally new, they've never seen anything like it until last year. (2021)

Lab tests show the clots are made from something other than human blood. And embalmers says they're showing up in otherwise healthy people who suddenly died from heart attacks or strokes. And when they were examined, their veins and arteries were completely clogged with these strange rubbery fibers that can be several feet long.

Even the young and healthy can be affected, like a teenage athlete in Ohio who suffered from a sudden pain in his legs and back and was rushed to the emergency room where doctors removed a mysterious 6-foot-long clot from his legs! After finding massive clots it's not surprising the FDA is withholding autopsy results of people who died after doing the Fauci vaccines. That's right, the FDA is actually refusing to release autopsy results of victims who received the experimental covid vaccine! They don't want anyone seeing just how grizzly the results are.

Considering this is the crap that's floating around in the blood of everyone that got the Fauci injection, it's no surprise that life expectancy in the US is plummeting at the fastest rate in history. In fact from 2020 to 2021 life expectancy in the US fell by nearly three years, meaning that **people are dying prematurely at 35 times the rate they were before the vaccines were**

introduced. But these mysterious deaths all have one thing in common, one common denominator: Every one of them received the new experimental vaccine.

At some point, those responsible must be held accountable: The pharmaceutical giants who made these drugs, the media who pushed their propaganda, and the elected officials in Washington who made it illegal to refuse them. Until then, we the people who trusted those officials can only look on in horror and disbelief at the carnage being inflicted by the murderers we thought would save us.

For the record, my wife and I never trusted what the government had to say about the Covid vaccine and we remain unvaccinated. Thanks be to our God and our Savior the Lord Jesus Christ!

[A Poem: Just Let It Pass](#)

Do you think life is hard for you? Are people treating you unfairly? This lady has to stand all day in freezing cold just to earn a living by selling beans and fish!

This morning I was inspired by the following poem. Just think what a happier world it would be if we all lived this! Our physical and mental health has a lot to do with our relationship with our Creator and the people we come in contact with on a daily basis.

Truly great folks never stoop
To answer petty things;

The unkind word, the bitter cut
That rankles deep and stings.
They are too big to notice them,
They simply pass them by,
And even with a smile sometimes
Or twinkle in the eye.
For they have found that after all
'Twas better in the end
To meet it with a smile, and then,
Just let it pass, my friend.

[Dr. Vladimir Zelenko's Final Words of Warning and Admonition in Text and Video](#)

Dr. Vladimir Zev Zelenko passed away on June 30th, 2022, at age 49 from cancer. Zelenko became well-known after introducing a three-drug combination of hydroxychloroquine, zinc sulfate, and azithromycin as part of an

experimental outpatient treatment for COVID-19 that he promoted as the Zelenko Protocol. It saved many thousands of lives!

Zelenko was born in Kyiv in 1973, and moved to the US at age 3. He was an Orthodox Jew who feared God and loved humanity to the point he willingly sacrificed his reputation to stand against the government and Big Pharmacuitcials for promoting harmful vaccinations what he called, "death shots". May the Lord have mercy on his soul.

Hi, this is Dr. Zelenko. And I'm making this video from my hospital bed. Just want to give a quick update, many, many people have expressed their love and prayers. And I'm very grateful, thank you.

Unfortunately, I had an MRI, and transesophageal echocardiogram called a T, and it found a tumor in my right ventricle. That's the lower right chamber the heart. And on top of that tumor is a blood clot. That's not pretty good news. It's *not* good news. And the treatment would be to go on blood thinners which I'm on to try to dissolve the clot. And then we have to figure out what to do with that tumor.

To be frank, if that clot breaks off, that's a ticket to the next world. Also, there are more tumors around my lower left lobe in my lung. So I'm in a precarious situation. However, as King David writes, even though I walk in the shadow of death, I shall fear no evil, for God is with me. And I do really feel that way. And those words, resonate in my soul more now than ever in my life.

And there is a Talmudic teaching, that even if the sword is on your neck, a person should never give up hope. And so I'm in a very good state of mind. And, as I frequently said, they are going to have to carry my body off the battlefield. Because my resolve to help humanity, the vulnerable, the innocent, decent people overcome this terrible darkness and plague that is upon us, has never been stronger. And if I have to leave the world, I accept God's will.

But I encourage and plead with everyone else, to up your game and stand up and resist. Resist first within yourselves against giving into fear, and then resist publicly against the policies of tyranny which are coming again.

Because it's pretty obvious what's going to happen right now. The World Health Organization, which is essentially funded by the sociopath (Bill) Gates, is gaining more and more power over sovereign nations. Gates messaged, I think five or six months ago that Smallpox is a big threat. It was supposedly was eradicated in 1980. And it was only found in two labs in America and in Russia in DSL level four labs, the highest maximum security labs. And yet five days after the sociopath, criminal Gates, said his prophetic words, a few vials of smallpox were found in an unsecured refrigerator in a Merk laboratory in Philadelphia.

And so, it's not surprising to me now that we're seeing monkeypox. I anticipate global panic about it. This will be the next media or narrative that will continue the fear campaign to end locked down campaign and mask

campaign to create anxiety, isolate you from people you love, and dehumanize you with these face diapers. And so this is their playbook. And they're going to keep on sending wave after wave of their evil agenda until we make internal resolutions to kick the evil out from within us. We should, in my opinion, denounce the worship of false gods, that of technology, that of science, the god of corrupt governments, money, power, fame, and reconcile our hearts with our Creator who's making us anew, every instant in time.

Basically, the world has now chosen sides, those that will worship the machinations of men, and those that will bow down to the Creator. And so let the culling begin. You know, the world needs a cleaning. And when the process is done, the world will be filled with knowledge of God, just like the waters cover the seas. And the sociopaths have a big thing coming for them. They think they are gods, they think that they're ruling the world. We'll see. So let the games begin. And I have no problem falling in battle. Because this is a hill that we need to die for. Because otherwise, our progeny will have nowhere to breathe free.

Testimonies of Deliverance from Demonic Influences

An angel zapping a demon to answer a believer's prayer

My Facebook friend Kasia da Silva shared with me two marvelous testimonials of deliverance from demonic influence. This is something many preachers don't talk about. For example, did you know that by even *touching* an object used in the occult such as an Ouija board you can pick up an evil hitchhiking spirit? My former pastor taught me to ask the Lord to cleanse anything I picked up from the post office before I touch it!

The Deliverance and Healing of Kasia's Mother

I prayed for my mother to be healed of a pinched nerve that the Physical Therapist said would take 10 weeks of PT to heal (in her upper shoulder arm).

She had to go for weekly sessions. So she asked me to pray for her when it first happened. She was in horrible pain. So I prayed and nothing happened. I was actually led to cast out a spirit of infirmity. Well, nothing happened and I knew I prayed in faith, so I told her there must be something else going on and left it alone.

The next evening she was in excruciating pain again (even after the Dr. Visit in which she got extra strong Tylenol. It didn't help much). So I picked her up and brought her to my house to spend the night. I prayed for her again being led to try to cast a demon out. She was laying on the couch. I had placed my hand on her forehead and she became very pale and her skin temperature dropped to feeling suddenly cold. Then the arm that she had the injury on suddenly kept jerking uncontrollably, like someone having a seizure just on their arm. I commanded it to stop and it did then I confronted her again saying, something must be going on, and asked her to think about it during the night. Then I went to bed.

The next morning when I went downstairs she handed me a Magnetic necklace a friend from work gave her. The friend said that Magnetic jewelry had powers to heal people by balancing or affecting their energy.

Previously, a week before my mother had asked me if I thought Magnetic jewelry was Occultic. I told her that I didn't know but I would investigate it. So when I investigated it I found out it was based on this Yin and Yang theory which is Chinese healing occultism. So I told her NOT to get involved in that.

So then so goes and accepts and wears this necklace from her friend and got the injury shortly thereafter!

After she gave me the necklace and confessed she was healed. Her Physical Therapist was shocked!

Deliverance of Kasia's Daughter from Nail-Biting

My daughter was healed of chronic nail-biting when I finally resorted to casting a demon out. It was terrible. She had her fingers in her mouth constantly. I thought it was anxiety-related. I bought her bad-tasting nail polish. Nothing worked. I got tired of scolding her about

Then one day I had an idea. I said, while we are at it I will anoint your nails with oil and rebuke that spirit of nail-biting (for lack of knowing what to call it). So then I didn't even think much of it as nothing happened at the time.

Then about a month later my daughter comes to me and shows me her nails and they looked nice and she said, "Mom, I stopped biting my nails. And I didn't even try to stop. I realized I haven't been nail-biting since my nails started growing." I said. Wow, come to think of it, I haven't had to yell at you about it in a while now. She hasn't bitten her nails since.

BUT, an incident happened sometime later when my daughter came into my room

at night saying she was scared. So then we talked about what could be wrong and she said she was having strange sensations on her legs and it felt like something crawling under her skin. I thought that was really weird. So then she said. "It feels like the SAME sensation I used to feel under my nails when I was doing the nail-biting."

I said, "You were feeling a weird sensation under your nails?"

She said, "Yeah, I thought everybody felt that."

I said, "No, I never felt things crawling under my nails."

She said, "Well, it moved to my legs!!"

So then I realized that I only commanded the demon off her nails and commanded it to stop her from nail-biting BUT I never cast it out of her.

So then I commanded it to come OUT of her totally. And nothing appeared to happen at the moment. So she got up to go back to her room and suddenly ran to the bathroom and threw up.

Well, ever since she threw up those strange sensations of things crawling under her skin are gone.

I think she might have got these in the first place generational from my mother who had been into the Occult and my Great grandmother who had been an actual Medium.

When I was a new Christian I specifically denounced all generational witchcraft and commanded all demons out of my life AND I did not dive into Spiritual gifts for this reason. Due to the generational garbage, I didn't want any imposter Spiritual gifts so I stuck strictly to the Bible and wasn't even interested and did not even pursue them until at least 5 years later. I would rather have good Bible foundations. I am still Bible first, spiritual gifts tested and scrutinized second.

Transcription of Divine Image Destroyed – By Christine Beadsworth

The human cell is created with a nucleus wall to protect the scroll of DNA within its nucleus. Just like a wall is built around the palace to protect the rule of a nation, these very important unique documents are books or DNA scrolls are guarded from marauders. Nothing is allowed to breach that war, and only trusted messengers are permitted to enter or leave that hallowed place.

From within the nucleus, orders are issued by the DNA and carried by the messenger RNA through the nucleus wall to the Golgi apparatus, which is a factory making proteins to build and strengthen the body. No other substance can pass through that nucleus wall except human mRNA. It is considered trustworthy to carry and deliver the messages issued.

I once heard an applied virologist describe mRNA or messenger RNA like a shopping trolley. You can load whatever you want in it and it will transport it to the intended destination. Now this works well when the human body is not interfered with. We are fearfully and wonderfully made. Messenger RNA faithfully carries the instructions issued by the unique DNA dwelling in the nucleus citadel.

Psalms 139 Verse 14 – 16 says,

I will praise you for I am fearfully and wonderfully made. Your works are marvelous, and my soul knows it very well. My bones were not hidden from you. When I was made in secret and skillfully formed in the lowest parts of the earth. Your eyes saw my unformed substance and in your book [or scroll] all the days [of my life] were written [engraved] before ever they took shape, when as yet they were none of them.

Now did you know that every single strand of human DNA is marked with the name of God? How you ask? Because there are sulfide bonds holding together

the two strands that make up the DNA. And these bonds occur after the 10th pair of nucleotides again after the fifth pair, and then six pairs later and again five pairs later. The tenth letter of the Hebrew alphabet is YOD. The fifth letter is HE, the sixth letter is VAU. YOD HE VAU HE spells Yahweh.

I will say it again. God's name is on every human chromosome. You are made in His image and sealed with the name of your Creator. Every cell in your body is hallmarked. And it is this very divine hormone that the enemy desires to obliterate. By injecting loaded messenger RNA into cells, one can sneak fragments of foreign enemy DNA through the carefully guarded nuclear walls and unload their contents into the scroll of DNA that God wrote for you. That's like pasting some pages of a counterfeit author's book into the middle of the instruction blueprint God wrote.

What is actually happening is that the name of God written into the sulfide bond arrangement in the DNA scroll is being erased. The beautiful scroll engraved by God to create a man in his image is being sabotaged. And from that moment of splicing onward, instead of instructions being released from the palace for life and health and security of the body, inserted DNA loads up the messenger RNA trolley with instructions for the protein factory in the cell outside the palace to start manufacturing enemy spike proteins. The protein factory just does what is told, whatever orders arrived from headquarters are immediately carried out. To put it simply, once the potion is injected into the body. Every single citadel guarding the scroll sign the name of the Creator within you is hijacked, and forced to issue instructions to manufacture weapons of death, which will not only kill you at some point, but also the people around you.

It is a cleverly engineered coup on a worldwide scale to throw off the rulership of God over His creation. So who is behind this dastardly plot? What does Psalm two say? In verse two:

The kings of the earth set themselves and the rulers take counsel together against the Lord and against his anointed, saying, Let us break their bands asunder and cast away their cords from us.

The word for band means bond, halter, or restraint. Is it not the carefully placed sulfide bonds that depict Yahweh's Name, which are disrupted and broken asunder by the vaccine contents? The word cord in Hebrew also means entwined, rope, or thick bows. Is the DNA not entwined like a rope? Perhaps you can now see the plan of the kings of the earth, the elite who are banding together and arraying themselves against the Lord. The plan is to hijack His creation, destroy His image, remove His signature, and transform the human body into a genetically modified part human, part computer, which can be controlled externally. Sounds like science fiction, but tragically, it is the truth. Satan hates all who are made in God's image, every earthen vessel that is intended to become a dwelling place of His Spirit, receiving daily communication from the throne of heaven.

For centuries, he has been content to defile the bodies and souls of men by

luring them into sin of every kind. But always his greatest ambition has been to sit in the place intended only for God in the human body. II Thessalonians two verse four says his intention is to sit as God in the temple of God, setting himself forth as if he is God. Many are waiting for the Third Temple to be built so that the antichrist can go and sit in it. But the body of Christ is the Third Temple, a temple not built with hands. And the diabolical deception currently underway, is the first step in the rollout of the plan to install the abomination that causes desolation right within the holy place of the Third Temple. In the holy place, the place with a unique engraved Scroll of your Creator is stored in a walled citadel, the enemy has already lifted up his battle cry.

How apt is the cry of the psalmist in Psalm 74 verse 3 -10 says:

Direct your feet quickly to the perpetual ruins and desolations.
The foe has devastated and desecrated everything in the sanctuary.
In the midst of your holy place, your enemies have ruled with a battle cry. They have set up their own emblems for signs of victory. They seemed like men who lifted up axes upon a thicket of trees to make themselves a record. And then all the carved wood of the holy place they broke down with hatchets and hammers. They have set your sanctuary on fire. They have profaned the dwelling place of your name by casting it to the ground. Oh God, how long is your adversary to scoff and reproach? Is the enemy to blaspheme and revive your name forever? Why do you hold back your hand even your right hand? Draw it out of your bosom and consume them to make an end of them. They have profaned the dwelling place of your name.

There is no better description of what has happened worldwide in the human body than these words. And in every nation, believers are being coerced into taking the supposed health-inducing jab. Is this not causing the great falling away described in II Thessalonians two verse three? The totality of the scheme is to leave the Third Temple desolate, destroyed, overtaken, and subjugated to an ancient enemy, who always coveted God's throne and the worship of God's bride.

Apostasia, the Greek for falling away means defection from truth, and comes from the Strong's G647 which means to separate, the writing of divorcement. How significant that a fragment of DNA writing is what separates or breaks asunder the record of God's name in the human DNA.

Now, obviously, the smuggling in of the death warrant to the guarded throne room involves deception and subterfuge. No one would allow such an intrusion if it was advertised by its true content. The coup is enacted under the guise of a delivery of a basket of wishes for health and happiness. Revelation chapter 18 speaks of the judgment that is incurred by those who carry out this deception. As you read the selected verse, remember that the Greek word translated sorceries is *pharmakeia*, the word from which we get pharmacy or dispenser of medicine.

Revelation 18 Verse 23b:

For your merchants were the great ones of the earth, for by your sorceries all nations were deceived.

So it is pharmaceutical deceptions which are employed to pull the wool over the eyes of all the nations. II Thessalonians two verse 11 says:

A strong delusion is released so that people believe a lie.

The Greek for *delusion* comes from a root word meaning deceiver or imposter. So the recurring theme is deception, which brings distraction.

No surprise that pharmakeia also means witchcraft, and comes from a root word meaning drug, or poison. Poison is intended to induce the death of the victim. The Word tells us that the life is in the blood. It is surely no coincidence that the foreign spike proteins, which the human body is forced to produce after it has been hijacked, trigger blood clots, which in turn cause fatal heart attacks and strokes.

It is Satan who seeks to kill, steal and destroy. Jesus came that you may have life and have it abundantly. Satan desires to remove God's image and replace it with his image. Revelation 14 Verse nine tells us that he plans to remove God's name and replace it with his name. Revelation 14 Verse 11. Ask yourself, who else could be behind the erasing of God's name in your DNA scroll? Beloved, God says His people perish for lack of knowledge.

Many pastors and shepherds worldwide are urging their congregations to receive the pharmakeia on offer. May the sheep wake up and see the edge of the precipice before they plunge over it. I would urge you to guard and keep your temple holy unto the Lord. Do not allow it to be breached. Cherish His Name encoded into the scroll of life within you, and take refuge under the shadow of His wings. Do not run to Egypt or Babylon for help, do all you can to boost your divinely built immune system naturally, and do not allow yourself to be deceived. Be a lover of truth, seek truth, go after it. II Thessalonians two is clear that it is those who do not love truth, who will fall prey to the strong delusion, wrapping its fingers around the globe. Do not succumb to those who call evil good and scheme to overthrow and render your holy place desolate. You will pay for it with your life. Rather entrust yourself to Him Who is the truth, the life, and the way. Choose life that you and your children may live.

And I want to end with II Corinthians six verse 16.

What agreement does the temple of God have with idols? For you are the temple of the living God. As God has said, I will dwell in them and walk among them, and I will be their God, and they shall be my people. Therefore come out from among them and be separated says

the Lord, and do not touch the unclean thing, and I will receive you, and I will be a father to you, and you shall be my sons and daughters, says the Lord Almighty.

And the (Greek) word for *unclean thing* is *akathartos*, meaning foul, unclean, and demonic.

May God Almighty give you the strength to stand uncompromising in the days which were facing.

[Dr. David Martin: We Are Allowing Human Organisms To Become Bioweapon Factories – Video and Text](#)

Transcription of the interview

Stew Peters: So we're now up to our fourth COVID shot here in the United States. And Anthony Fauci is talking about possibly doing another round of lockdowns too. Hell, I mean, that might happen because half of this country are sheep, and will fall for anything, it seems.

Well, Dr. David Martin recently warned that the ultimate long-term purpose of all of this will be exposing humanity to constant forcible gene editing, via mRNA vaccines and who knows what else. Dr. Martin will be joining me I'm very excited because he also will be speaking at the April let's go Brandon rally, but he joins us now. And I'm excited about that, as well. Thank you for coming. So that's what this is replacing God's likeness, essentially, as we worship the mRNA masters.

Dr. David Martin: You know, it's fascinating. And just the last couple of weeks, I have gone on record for quite some time now, Stew, saying that this entire exercise was about transcribing a computer-synthesized model into the human genome. And in the last month, we've seen mainstream science come back with a giant revelation that it turns out that this shot persists in the

human body for an indeterminate period of time. The most recent data shows that at least surviving up to eight weeks in the lymph system, where it continually produces the spike protein. We see evidence coming from municipal waste systems that allegedly even though we're all allegedly getting better, and the pandemic is starting to normalize, apparently spike protein is showing up in our waste streams at alarmingly high rates. Stew, the reason is because as I've said all along, when you inject the body with instructions to make A chimeric model of a synthetic spike protein, where you have never done testing on that gene therapy, it turns out that you don't know what you might be manufacturing, and how long each individual who gets the injection might be manufacturing these pathogens. And not surprisingly, we were told about this years before this injection started. This is a pandemic of the bio weaponization of the human organism. This is not public health. And Anthony Fauci is the architect of this genocide.

Stew Peters: You have read so many different quotes and given so many examples using the criminals' own words as they have forecasted exactly what was coming and this dates all the way back. I mean, everybody I talked to that has relevant resources can trace this first, it was back to 2015. Then it was 2005. And now even before that, is it possible,...

Dr. David Martin: Yeah, all the way to 1990.

Stew Peters: 1990? I mean, now. Is this, is it possible? Why? What are some other reasons that this could be showing up in our water?

Dr. David Martin: Well, listen, the reason is really simple. We are now obsessing about the fact that every way to Sunday, what is being done is the human organism is now being modified, and it is being modified to perpetually produce a toxic protein known and scheduled to harm humanity. And when I say known and scheduled to harm humanity, why don't we go ahead and make sure I clarify the reference because apparently, people don't understand what it is. Under 7 CFR Part 331, under 9 CFR Part 121, and on 42 CFR Part 73, we have what's called the Federal Select Agent Toxin List. Stew, **this is not my list. This is not Dave's allegation. This is the Code of Federal Regulations where we put very specific toxins on a schedule and say these things are known to harm humans.** They are known to be damaging, and they are subject to the biological and chemical weapons treaties and laws that we have enforced here in the United States. And why don't we read it directly from the schedule because why would I need to make up for the criminals' acts are even more egregious? Any SARS CoV or SARS CoV2 chimeric virus resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS CoV virulence factors. Stew, they actually say that doing the thing they're doing is illegal.

Stew Peters: Hold on, read that again.

Dr. David Martin: Right. Sars CoV and SARS CoV2 chimeric viruses resulting from any deliberate manipulation of SARS CoV2 to incorporate nucleic acids coding for SARS Cov2 virulence factors. That's actually in three sections of the Code of Federal Regulations subject to the biologic and toxin agent program, defined under 18 US Code section 178, as a biological agent

subjected to 18 US Code section 175 prohibition of biological weapons. Literally, the statute says what they're doing is a felony punishable by 99 years in prison, and up to \$100 million per count.

Stew Peters: If you didn't think that that was going to happen. And if you didn't think that justice was going to prevail, and if you didn't think that we were going to win, then you wouldn't be fighting as hard as you are, you're fighting because there really was a purpose and you see a way to win, we're going to win, aren't we?

Dr. David Martin: That's exactly right. And, and so it's important when, when, when, still, you know, I'm a broken record on stuff like this. The fact of the matter is, the criminals' own statements are so egregious, that we don't even have to make up a conspiracy because they did it and they published it. So in violation of criminal conspiracy and racketeering laws, they're the ones that actually admitted to it and let's go to the 20 F filing. For those of you not familiar with a 20 F filing, when a foreign company files with the United States Securities Exchange Commission, one of their filings is called a 20 F filing, and Biotech, the mRNA injection manufacturer for Pfizer makes the following statement in their 20 F filing. So let's just, let's just set up at the gate. This is them speaking. This is not David Martin. This is them speaking, I'm reading straight from their 20 F filing.

To our knowledge. There is no current precedent for an mRNA-based immunotherapy, such as the type we are developing, being approved for sale by the FDA, the European Commission or any other regulatory agency elsewhere in the world. Although we expect to submit BLAs (which is the biologics license for mRNA-based product candidates in the United States and in the European Union) mRNA therapies have been classified as Gene Therapy Medicinal Products. Other jurisdictions may consider our mRNA-based product candidates to be new drugs, but not biologics or gene therapy, or medicinal products and require different marketing applications. Securing regulatory approval requires submission of extensive preclinical and clinical data and supporting information the various regulatory authorities for each therapeutic indication to establish the product's candidate safety and efficacy."

Listen, I read it straight out of their filing. When I say that this is not a public health vaccine, but this is a computer generated synthetic chimeric alternative to the virulence factor of SARS co V, which is exactly, exactly what it is. This is actually not Dave's theory. This is the reality that says we are being subjected to a perpetual addiction to a known pathogen and toxic agent. And the reason why Anthony Fauci is now advocating for the next round of boosters to be followed by the next round of boosters, is until we actually achieve the stated goal, which is a 15% population reduction, which I don't know if you do the math quick in your head, but **that's about 800 million people dead**. Until we get there. We will be recommending this injection to harm, maim, kill, murder, and sterilize humanity.

Stew Peters: To murder people. To murder people to prevent them from procreating. To alter their image of God their God given DNA and to make them

worship a new master.

Dr. David Martin: Well, and the fact of the matter is, it's their words, not mine. They're the ones that said it. And by the way, it's important to realize that that wonderful thing about SARS cov 2 chimeric viruses that I read from the Code of Federal Regulations, that little thing called the Federal select agent program, that little thing called the Department of Health and Human Services and USDA agents and toxins program, that thing that I read, mysteriously had SARS co2 fragments listed as scheduled pathogens in April of 2020. Stew, do remember in February of 2020 we allegedly had a novel pathogen that we didn't know anything about? Remember, we just invented the thing. And we started filing patents for injections for the thing before we actually knew anything about it. So those wonderful days back in our prescience years where we could anticipate a pathogens emergence before it actually happened, and then build operation warp speed in September before the first accorded evidence of the disease in December of that year, all of the wonderful things that we have unfolding around us. Somehow or another in April of 2020, we had the ability to know that there was going to be SARS Cov2 virulence factors added to a schedule of toxins before we even had a Moderna or Pfizer shot, except we had already transferred those things in November of 2019, under a material transfer agreement to make sure that we had an injection for a pathogen before we had an outbreak of said pathogen.

This is just clear evidence of the fact that this entire campaign of terror, which is what we need to be calling it, this is domestic terrorism. And this is international terrorism. This is bioterrorism writ large. And those acts were willfully and Premeditatedly perpetrated on the population. And to date the population has had not one, not Ron DeSantis, nobody in Florida, no attorney general, no governor, not a single person who has been willing to take on the crime. Not one.

Stew Peters: Disgraceful. It's completely disgraceful. **These are not side effects. These are *intended* consequences.** (Dr. Martin: That's correct.) These are not experimental injections, stop calling them that. This is not an experiment. This is a well-thought-out meticulous plan to commit murder. on a large scale. This is intentionally designed. This was chimerically engineered by people who knew exactly what they were putting into these injections delivered with this mRNA technology. They know exactly what they're doing. These are not experimental, the clinical trial data, they didn't need that they didn't need it. Why? Because they knew what that was what was going to happen. They knew what they were going to do. And the reason there's no threshold for death, the reason why it's not alarming to anybody that only one percent has reported to VARS and 25,000 people are dead, **the reason why nobody's talking about it is because they know that and they have not achieved their goal yet!** That's minuscule in comparison to where they want to take us.

Dr. David Martin: That is exactly right. And what we already know is that if we look at the pseudouridine addition to the mRNA that was put into this injection, if we look at all of the data that we know is now part of the code that went into the mRNA shot, we know that **these things were done with the**

intention of making them a permanent resident in the organic system. And by the way, when you hear B A 2 variant, which is now the latest campaign of terror, recognize something very clearly. This new variant is not an alteration of a natural mutation of any viral model.

This is what's happening. When we have human beings turning into perpetual spike protein manufacturing facilities, we will have variant upon variant upon variant and these are going to be coming from injected people who are allegedly coming down with COVID. These are not diseases born of a natural virus. These are premeditated acts of engineered pathogenicity, where we are now allowing the human organism to become a bioweapons factory itself.

Stew Peters: Wow. Somebody is going to hear this or you wouldn't be putting this all together. Somebody is going to take this. A court is going to hear this, these people will be indicted, tried, and hopefully fried.

Dr. David Martin: Well, and still, you know, we filed in Utah. We filed the federal case in Utah on March the third. It is the first federal case where we're taking on the root of this definitional question around the difference between a gene therapy and a vaccination. We filed in Utah because we wanted to in addition to the claims that we laid out in that case, we wanted to see the federal government trying to defend itself because it turns out in Utah, their defense is going to be an affirmative admission of felonies in the state of Utah.

Stew Peters: Criminal consequences.

Dr. David Martin: Criminal consequences for their response.

Stew Peters: Good. I can't get over what you just said. I mean the reality of that turning the human body into a bioweapons lab, a bioweapon manufacturing facility.

Dr. David Martin: That's correct.

Stew Peters: It's just the most eye-popping most truthful, cutting language that you can possibly use. If that doesn't wake people up, Dr. Martin I don't know what will.

I'm looking forward to actually seeing you in person. That's coming up on April 1. Get your tickets by the way at let's go Brandon rally.org Let's go Brandon rally.org That's April 1 and second and third and Brandon Florida the weather's gonna be beautiful. All sorts of patriots out there truth-seeking. Jesus loving God-fearing inspired people who are unafraid will be there. And I can't wait to put my arms around you and give you a big old hug. Dr. Martin, thank you so much for being here.

Dr. David Martin: I'm looking forward to it. We have Anthony Fauci said we're never gonna shake hands anymore. I'm into hugs. Let's make that happen.

Stew Peters: I'm in! See you then. Dr. David Martin, thank you. God bless.

Dr. David Martin: You got it, take care.

The Pharmaceutical Deception of the Beast

And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for **by thy sorceries (Greek: *φαρμακεία* *pharmakeia*: the use of medicine, drugs or spells) were all nations deceived.** -Revelation 18:23

I found a post about the dangers of vaccinations on Facebook by a lady who became my Facebook friend in 2017, and for some reason, I have not noticed her posts all this time until yesterday, March 30, 2022! It's so wonderful to meet like-minded people on social media!

Yes, I'm still on Facebook in spite of the censorship. And I have been censored countless times, and even restricted from time to time. I have Gab and Mewe accounts too but nobody on them comments on my posts. Those platforms are ghost towns for me. And if I ditch Facebook, I will lose touch with people I want to stay in touch with.

There are people who discredit Facebook and all social media calling it a privacy issue with a CIA connection, etc. but I just don't care. If the Beast, the anti-Christ Shadow Government doesn't already have more than enough evidence to find me guilty of being a follower of Jesus Christ and a proclaimer of God's Word from the Bible even without me using social media, I would think there's something wrong with me. And what would be reliable sources of information without social media? Foxnews? Newsmax? I don't trust any corporate-funded news source. I think it's much safer to listen to individuals who I think have no monetary reasons to lie to me.

The Facebook post:

The 🐍 deception DID NOT start with the Covid 🐍

It began with the first [] and medical doctors and Moms of [] injured and DEAD children have been warning the world for decades.

The only thing [] eradicated was good health.

Quotes from Doctors Regarding Vaccination

"The greatest lie ever told is that vaccines are safe and effective." – Dr. Leonard G. Horowitz

"The public is woefully uninformed on vaccine risks due to government and mainstream media censorship." – Dr. Mark Geier, MD

"The chief, if not the sole cause of the monstrous increase in cancer has been vaccination." – Dr. Robert Bell, once Vice President, International Society for Cancer Research at the British Cancer Hospital

"Vaccines are highly dangerous, have never been adequately studied or proven to be effective, and have a poor risk/reward ratio." –Dr. Allen Greenberg, MD

"In my medical career I've treated vaccinated and unvaccinated children and the unvaccinated children are far healthier than the vaccinated ones." – Dr. Philip Incao, MD

"I found the whole vaccine business was indeed a gigantic hoax. Most doctors are convinced that they are useful, but if you look at the proper statistics and study the instances of these diseases you will realize that this is not so." – Dr. Archivides Kalokerinos, MD

"It is dangerously misleading to say that vaccines make us "immune" or protect against disease, when in fact that is the exact opposite of the truth. Vaccines only drive disease deeper and cause us to harbor it chronically." – Dr. Richard Moscovitz, MD

"The vaccinations are not working and they are dangerous. We should be working with nature." – Dr. Lendon Smith, MD

"There is no scientific evidence that vaccinations are of any benefit, but it is clear that they cause a great deal of harm." – Dr. Gerhard Buchwald, MD

"All vaccines are and have been causing ischemic (impaired blood flow) damage – to all – creating a plethora of chronic illnesses, disease, and in some instances, death. The injury from vaccination is additive; each vaccination further injures." – Dr. Andrew Moulden MD, PhD

"When you impair the brain blood flow by vaccination you can impair the respiration control center which can result in death. We call it SIDS." – Dr. Andrew Moulden MD, PhD

"Vaccination is the most dangerous medical practice in the history of classical medicine." – Dr. Sladjana Velkov (Macedonia)

[With vaccination] "what in reality is prevented is not the disease but the ability of our cellular immune system to manifest, to respond to and to overcome the disease! There is no system of the human being, from mind to muscles to immune system, which gets stronger through avoiding challenges, but only through overcoming challenges." – Dr. Philip Incao, MD

"I have lectured all over the world... I have always had a special interest in newspapers. All of them have one thing in common, there is always some reference made to some epidemic in some part of the world. For instance, two years ago, one paper referred to a polio epidemic in Holland. For the past three years, our newspapers have commented on the diphtheria epidemic in Russia. By these means, the population is constantly threatened with epidemics, they have been made to fear them, and the reports always conclude: "Go and get vaccinated." – Dr. Gerhard Buchwald, MD

"To create fear among parents to strengthen their motivation to vaccinate is an important part of the publicity used to promote vaccinations. A whole branch of research is examining the question: What level of fear needs to be created to appear as convincing as possible?" – Dr. Gerhard Buchwald, MD

"In 1866, an English physician described a very strange illness. Children looked like Mongols. His name was Down. That's why we call it Down's Syndrome today... I should add that this syndrome is a result of the vaccinations carried throughout England by Jenner in 1796... It (Down's Syndrome) is probably the first congenital disease caused by vaccinations. In Germany, the first child with evidence of Down's Syndrome was reported in 1922. Today, one in every 700 newborns has it." – Dr. Gerhard Buchwald, MD

"There is insufficient evidence to support routine vaccination of healthy persons of any age." – Dr. Paul Frame, MD, Journal of Family Practice

"Only after realizing that routine immunizations were dangerous did I achieve a substantial drop in infant death rates." – Dr. Archivides Kalokerinos, MD

"I'll talk about vaccines. Number one, vaccines make people sick. They don't work. They don't protect. The use of vaccines is totally wrong! It's perfect nonsense based on fear. They are dangerous. One child out of five has overwhelming disabilities from vaccines – neurological problems, seizures. I've got a whole list. There are plenty of books on this subject. Doctors don't even read about this." -Dr. Guylaine Lanctot, MD

"During those 30 years I have run against so many histories of little children who had never seen a sick day until they were vaccinated and who, in the several years that have followed, have never seen a well day since. I couldn't put my finger on the disease they have. They just weren't strong. Their resistance was gone. They were perfectly well before they were vaccinated. They have never been well since." – Dr. William Howard Hay, MD

"Nobody needs to be confused but everybody better be darn well frightened about taking any vaccine, under any circumstance, for any reason, at any time in their life." – Dr. Daniel H. Duffy Sr., DC (retired air force officer – 21 yrs., family doctor – 28 yrs., vaccination researcher – 49 yrs.)

"I vaccinated both my children with the MMR jab, but this was before I started my research into the problems associated with it. Knowing what I know now, I would not vaccinate my children and run the risk of them getting diabetes, asthma, eczema, becoming more susceptible to meningitis and ending up chronically disabled." – Dr. Jayne Donegan, GP, Homeopath

"Had my mother and father known that the poliovirus vaccines of the 1950s were heavily contaminated with more than 26 monkey viruses, including the cancer virus SV40, I can say with certainty that they would not have allowed their children and themselves to take those vaccines. Both of my parents might not have developed cancers suspected of being vaccine-related, and might even be alive today." – Dr. Howard B. Urnovitz, PhD, CEO, CSO and co-founder of Chronix Biomedical

"Childhood vaccines are giving us a world of chronic illness: autism, developmental disorders, Asperger's Syndrome, brain tumors, leukemia, cancers, information processing disorders, impulsive violence, allergies, asthma, diabetes, Crohn's disease, intestinal disorders, are just some of the vaccine associated disorders." – Dr. Tedd Koren, DC

"I am no longer trying to dig up evidence to prove vaccines cause autism. There is already abundant evidence. This debate is not scientific but is political." Dr. David Ayoub, MD

"There are at least seven laboratory studies, clinical studies, of blood, cerebral, spinal fluid, biopsies of autistic children which show huge differences between autistic children and normal children in terms of the presence of things like measles vaccine virus in their intestinal tract, for example, or their neurons. So, there's one line of evidence. Another, of course, is that we have data from thousands of parents who testify, often with videotapes and photographs and eyewitness reports, that their kid was perfectly normal. And they can demonstrate it, as I say, very conclusively with tapes, until after the vaccine. The kid retreated into autism. There's just converging evidence from many, many directions." – Dr. Bernard Rimland, PhD, Founder and Former Director of the Autism Research Institute

"When the link between the use of unsafe, mercury-laden vaccine and autism, ADHD, asthma, allergies and diabetes becomes undeniable, mainstream medicine will be sporting a huge, self-inflicted and well-deserved black eye. Then will come the billion-dollar awards, by enraged juries, to the children and their families." – Dr. Bernard Rimland, PhD, founder and former director of the Autism Research Institute

"It is well known that measles is an important development milestone in the life and maturing processes in children. Why would anybody want to stop or delay the maturation processes of children and of their immune systems?" – Dr. Viera Scheibner

"The greatest threat to our health today is the medical community, and one of their most dangerous tools is vaccination – particularly the horrific procedure of injecting foreign protein into newborn infants!" – Dr. Daniel H. Duffy, DC

The greatest threat of childhood diseases lies in the dangerous and ineffectual efforts made to prevent them through mass immunization... There is no convincing scientific evidence that mass inoculations can be credited with eliminating any childhood disease." – Dr. Robert Mendelsohn, MD

"We are taught by the authorities that vaccines protect us against eventual aggressive viruses and microbes, and, therefore, prevent contagious illnesses and epidemics. This lie has been perpetuated for 150 years despite the ineffectiveness of vaccines in protecting against illnesses." – Dr. Guylaine Lanctot, MD

"My suspicion, which is shared by others in my profession, is that the nearly 10,000 SIDS deaths that occur in the United States each year are related to one or more of the vaccines that are routinely given children. The pertussis vaccine is the most likely villain, but it could also be one or more of the others." – Dr. Robert Mendelsohn, MD

"Many here voice a silent view that the Salk and Sabin Polio Vaccines, being made from monkey kidney tissue, have been directly responsible for the major increase in leukaemia in this country." – Dr. Fred Klenner, MD

"As a clinician, my current belief which guides my practice with these children is that any child given the Hep B vaccination at birth and subsequent boosters along with DPT has received unacceptable levels of neurotoxin in the form of the ethylmercury in the thimerosal preservative used in the vaccine. In any child with a genetic immune susceptibility (probably about one in six) this sets off a series of events that injure the brain-gut-immune system. By the time they are ready to receive the MMR vaccination, their immune system is so impaired in a great number of these children that the triple vaccine cannot be handled by the now dysfunctional immune system and they begin their obvious descent into the autistic spectrum disorder." – Dr. Jaquelyn McCandless, MD

"In 1976 I was working in the Gulf Country around Cape York, in an aboriginal community of about 300 people. The Health Department sent around a team and vaccinated about 100 of them against flu. Six were dead within 24 hours or so and they weren't all old people, one man being in his early twenties. They threw the bodies in trucks to take to the coast where autopsies were done. It appeared they had died from heart attacks." – Dr. Archie Kalokerinos, MD

"As a retired physician, I can honestly say that unless you are in a serious accident, your best chance of living to a ripe old age is to avoid doctors and hospitals and learn nutrition, herbal medicine and other forms of natural medicine unless you are fortunate enough to have a naturopathic physician available. Almost all drugs are toxic and are designed only to treat symptoms and not to cure anyone. Vaccines are highly dangerous, have never been adequately studied or proven to be effective, and have a poor risk/reward ratio. Most surgery is unnecessary and most textbooks of medicine are inaccurate and deceptive. Almost every disease is said to be idiopathic (without known cause) or genetic – although this is untrue. In short, our main stream medical system is hopelessly inept and/or corrupt. The treatment of cancer and degenerative diseases is a national scandal. The sooner you

learn this, the better off you will be.” – Dr. Alan Greenberg, MD

“According to the records of the Metropolitan Life Insurance Company, from 1911 to 1935 the four leading causes of childhood deaths from infectious diseases in the U.S.A. were diphtheria, pertussis, scarlet fever, and measles. However, by 1945 the combined death rates from these causes had declined by 95% before the implementation of mass vaccine programs.” – Dr. Harold Buttram, MD

“I would consider the risks associated with measles vaccination unacceptable even if there were convincing evidence that the vaccine works. There isn’t. ... In 1900 there were 13.3 measles deaths per 100,000 population. By 1955, before the first measles shot, the death rate had declined 97.7 percent to only 0.03 deaths per 100,000.” – Dr. Mendelsohn, MD

“Up to 90% of the total decline in the death rate of children between 1860 and 1965, because of whooping cough, scarlet fever, diphtheria, and measles, occurred before the introduction of immunizations and antibiotics.” – Dr Archie Kalokerinos, MD

“For thirty years kids died from smallpox vaccinations even though no longer threatened by the disease.” – Dr. Robert Mendelsohn, MD

“I am and have been for years a confirmed anti-vaccinationist. Anti-vaccination has no backing from the orthodox medical opinion. A medical man who expresses himself against vaccination loses caste. Tremendous pecuniary interests too have grown around vaccination.” – Mahatma Gandhi

“I have no faith in vaccination; I look upon it with the greatest possible disgust, and firmly believe that it is often the medium of conveying many filthy and loathsome diseases from one child to another, and no protection whatever against smallpox. Indeed, I consider we are now living in the Jennerian epoch for the slaughter of innocents, and the unthinking portion of the adult population.” –Dr. W.J. Collins, MD, BS, BSc, MRCS

“What people don’t know about vaccines –what most doctors don’t know– but well demonstrated in medical literature, is that vaccines shift your immune system to an immune suppression type of state called the “TH2 shift.” That’s what most vaccines do. They shift your immune system to a weaker, antibody type immune system... If you’re injecting people with so many vaccines that your keeping them in this constant state –that now your switching everyone to this TH2 immune suppression– then everyone becomes more susceptible [to infectious diseases]... and no one is talking about that. Now, a lot of scientists know that, but they are afraid to speak out because their careers would be ruined.” – Dr. Russell Blaylock, MD

“Using kids as guinea pigs in potentially harmful vaccine experiments is every parents’ worst nightmare. This actually happened in 1989-1991 when Kaiser Permanente of Southern California and the Centers for Disease Control (CDC) jointly conducted a measles vaccine experiment. Without proper parental disclosure, the Yugoslavian-made “high titre” Edmonston-Zagreb measles vaccine was tested on 1,500 poor, primarily black and Latino, inner city

children in Los Angeles. Highly recommended by the World Health Organization (WHO), the high-potency experimental vaccine was previously injected into infants in Mexico, Haiti, and Africa. It was discontinued in these countries when it was discovered that the children were dying in large numbers.” – Dr. Alan Cantwell MD

“There is no evidence that any influenza vaccine thus far developed is effective in preventing or mitigating any attack of influenza. The producers of these vaccines know that they are worthless, but they go on selling them anyway.” – Dr. J. Anthony Morris, Former Chief Vaccine Control Officer, US FDA

“My own personal view is that vaccines are unsafe and worthless. I will not allow myself to be vaccinated again. Vaccines may be profitable but in my view, they are neither safe nor effective.” – Dr. Vernon Coleman, MB, ChB, DSc (Hon)

“I once believed in Jenner; I once believed in Pasteur. I believed in vaccination. I believed in vivisection. But I changed my views as the result of hard thinking.” – Dr. Walter Hadwen, MD, LSA, MRCS, LRCP, MB

“Cancer was practically unknown until compulsory vaccination with cowpox vaccine began to be introduced. I have had to deal with at least two hundred cases of cancer, and I never saw a case of cancer in an unvaccinated person.” – Dr. W. B. Clarke

“No long-term safety testing for the influenza vaccine has ever been done. They are experimenting on our lives and our children. Influenza vaccine is an experimental vaccine. ” – Dr. Mark Geier, MD, PhD

“There is a great deal of evidence to prove that immunization of children does more harm than good.” – Dr. J. Anthony Morris, Former Chief Vaccine Control Officer, US FDA

“The only safe vaccine is one that is never used.” – Dr. James A. Shannon, MD, Former Director, National Institutes of Health (1955-1968)

“Belief in immunization is a form of delusional insanity.” – Dr Herbert Shelton, MD

“I don’t think measles poses any risk to a healthy child.” – Dr Jay Gordon, MD

“I sincerely believe that vaccines cause more harm to the health of the individual than the “protection” and “benefit” they are proclaimed to provide. Staying healthy without vaccines is not only possible, but being vaccine-free is the only way to maintain a lifetime of real health.” – Dr. Sherri Tenpenny, DO

“Nothing but the natural ignorance of the public, countenanced by the inoculated erroneousness of the ordinary general medical practitioners, makes such a barbarism as vaccination possible. Recent developments have shown that an inoculation made in the usual general practitioner’s light-hearted way,

without previous highly skilled examination of the state of the patient's blood, is just as likely to be a simple manslaughter as a cure or preventive. But vaccination is nothing short of attempted murder. A skilled bacteriologist would just as soon think of cutting his child's arm and rubbing the contents of the dustpan into the wound, as vaccinating." – George Bernard Shaw

"The more it (vaccination) is supported by public authorities, the more will its dangers and disadvantages be concealed or denied." –M. Beddow Bayly

"One vaccine decreases cell-mediated immunity by 50%, two vaccines by 70%... all triple vaccines (MMR, DTaP) markedly impair cell-mediated immunity, which predisposes to recurrent viral infections, especially otitis media, as well as yeast and fungi infections." – Dr. Herman Hugh Fudenberg, M.D., Ph.D. (Immunology)

"Autism may be a disorder linked to the disruption of the G-alpha protein, affecting retinoid receptors in the brain. A study of sixty autistic children suggests that autism may be caused by inserting a G-alpha protein defect, the pertussis toxin found in the D.P.T. vaccine, into genetically at-risk children." – Mary N. Megson, M.D.

"Probably 20% of American children -one youngster in five- suffers from 'development disability'. This is stupefying figure we have inflicted on ourselves...'development disabilities' are nearly always generated by encephalitis. And the primary cause of encephalitis in the USA and other industrialized countries is the childhood vaccination program. To be specific, a large proportion of millions of US children and adults suffering from autism, mental retardation, hyperactivity, dyslexia... owe their disorders to one or another of the vaccines against childhood diseases." – Harris Coulter PhD, Author, "Vaccination, Social Violence & Criminality: The Medical Assault on the American Brain"

"Childhood diseases are a far less serious threat than having a large fraction of a generation afflicted with learning disability and/or uncontrollable aggressive behavior because of a crusade for universal vaccination..." – Association of American Physicians & Surgeons

"We look at these unvaccinated kids as bright and chipper, and they have good personalities, and they're easy-going and easy to get along with, and we look at them like they're just something magical. ... When really that's what normal is supposed to look like." – Sherri Tenpenny, DO

"Recent evidence indicates that routine childhood vaccinations contribute to the emergence of chronic allergic problems such as eczema, ear infections, and asthma. A growing number of scientists and physicians maintain that most standard vaccinations permanently disturb the developing immune system, setting the stage for hypersensitive reactions to foods and other common substances. In fact, childhood illnesses such as measles, mumps, and whooping cough may actually reduce the risk of allergy." –Konrad Kail, N.D.

"The incidence of asthma has been found to be five times more common in

vaccinated children.” – The Lancet, 1994.

“Provocation polio. That is the truth about those outbreaks of polio. And I offer a well-considered personal opinion that polio is a man-made disease.” – Viera Scheibner, Ph.D.

“Public health regulators’ main interest is preserving the notion that vaccines help more than they harm. Anything else is blasphemous. For the rest of us, though, a recent review in immunology literature should give pause. It states: ‘To date, more than 80 systemic and organ-specific autoimmune diseases have been defined, and their cumulative burden is substantial, both medically and financially. Furthermore, the burden of autoimmune and autoinflammatory diseases is rising, making these diseases a ubiquitous global phenomenon that is predicted to further increase in the coming decades.’ An autoimmune storm is rising. The role of vaccines in it is emerging and will one day be crystal clear. The question is, how far off is that day, and who is going to pay while we wait for it?” – Celeste McGovern

Dr. Gary Kohls, MD has warned that advocates for [mandatory vaccination] were doing so “without acknowledging –or perhaps even being aware of– the large amount of recent neuroscience-based evidence from scientists worldwide that should be modifying the outdated CDC mandates.” “Big Pharma and the CDC have very profitably generated and then propagated the myth that their overpriced and very poorly researched vaccines are both effective and safe,” added Dr. Kohl, a retired physician who had a 40-year family practice career and now tries to sound the alarm on vaccine dangers. “The safety and efficacy of all vaccines has been disproven (including the 270 new ones that the industry is currently developing and planning to market), but the word has not broken through to the large clinics like the Mayo Clinic.” Source: The New American

“To all the pediatricians still trolling my page, now that I’ve got your attention, listen closely. Heed my words.

You should be FIGHTING LIKE HELL for the safety of our children from even the most remote possibility that vaccines aren’t as safe as they could be or aren’t as safe as we are being told. Instead of fighting for truth and safety, you’re fighting like rats for your piece of cheese.

I have ZERO RESPECT for vaccine profiteers that are so financially biased, confirmation biased, indoctrinated, and willfully ignorant of the evidence that clearly shows vaccines cause injury, disease and REGRESSIVE AUTISM, that they aggressively lobby lawmakers to make vaccines mandatory, and deny parents the essential knowledge about the risks of toxic ingredients injected into their babies.

Bought by big pharma, the caretakers of children’s health have become the perpetrators of harm rather than the protectors. They profit as our precious, perfect children are harmed and killed by vaccines filled with cheap preservatives, neurotoxic adjuvants, and human cellular material derived from aborted fetal cell lines. They are complicit accomplices in the murder-by-vaccine crimes that have made American infants THE MOST VACCINATED and THE MOST LIKELY TO DIE in the first year of life.

America's infant mortality rate, the highest rate in ALL developed nations, is a national tragedy. The epidemic of autism, autoimmune diseases, asthma, allergies, ADHD, and pediatric cancers is far worse. The evidence is everywhere.

Unbelievably, the epidemic of autism is rising exponentially. Today, ONE in 48 children in America suffer autism. At the present rate of increase, by 2032 ONE in TWO children AND 80% OF BOYS could be autistic. We can't afford to sacrifice our children and the future of our nation to the ignorance and greed of pediatricians and their big pharmaceutical vaccine manufacturer masters demanding parents submit our children to an intolerably dangerous, untested, and unnecessary vaccine schedule of 72+ injections...and rising. There are over 200 vaccines in the pipeline.

Every pediatrician, family practitioner, or vaccine profiteer that isn't rising up against the corruption of the science of vaccines perpetrated by the CDC is betraying their oath to "first, do no harm." They are on the wrong side of history. Too many have given up objectivity and reason and have simply become sales representatives for the vaccine manufacturers that have so easily bought and conditioned them to believe their lies. The blood of every vaccine injured or killed child is on the hands of every pediatrician that parroted lies like "vaccines do not cause autism" and "the science is settled." The science isn't settled, it's corrupt.

The vaccine industry will soon face the backlash as doctors, scientists, and parents across America become aware of your crimes, rise up to oppose your lies, and hold you accountable for the vaccine injury holocaust you've caused. The fraudulent deceit is coming to an end. We won't allow it to continue.

For me, uncovering the many layers of fraud and corruption that have allowed vaccines to harm so many children, is analogous to walking into an exam room in which a child is being abused by a doctor. I'm not about to look the other way and allow the abuse to continue. I would call the police, however, in my analogy the police are the CDC, and they are participating and enabling the abuse. Regardless, I won't ignore the abuse and allow it to continue. I'm going to stop the abusers from harming the child, and I won't be gentle about it.

That's how I see the travesty of the corruption of vaccines that is harming the children of America today. It's obvious and I'm angry about my how so many of medical colleagues refuse to open the door, expose the abuse, and stop it.

In closing, I beseech my colleagues to open your eyes, minds, and the evidence that for too long you've negligently denied. Confront the reality that you've been duped, controlled, and indoctrinated. Free yourselves from the indoctrination. Stand with me. Demand scientific transparency, integrity, and reform of the vaccine industry. Join me in this fight to protect children and get yourselves on the right side of history." Dr. James Meehan, MD

The pharmaceutical funded □□□ DECEPTION began LONG AGO, friends.

Dr. E. J. Post, a prominent physician of Berlmont, Michigan, said:

"I HAVE REMOVED CANCERS FROM VACCINATED ARMS EXACTLY WHERE THE POISON WAS INJECTED."

In the New York Press, January 26, 1909, W. B. Clark stated:

"Cancer was practically unknown until cowpox vaccination began to be introduced. I have had to do with 200 cases of cancer and I NEVER SAW A CASE OF CANCER IN AN UNVACCINATED PERSON."

Dr. Herbert Snow, Surgeon of the London Cancer Hospital, had this to say:

"I am convinced that some 80 per cent of these cancer deaths are caused by the inoculations or vaccinations they have undergone. These are well-known to cause grave and permanent disease of the heart also."

Dr. Dennis Turnbull, who had studied cancer for 30 years declared:

"I have no hesitation in stating that in my judgement the most frequent disposing condition for cancerous development is infused into the blood by vaccination and re-vaccination."

Dr. Forbes Laurie, late Medical Director of the Metropolitan Cancer Hospital, (London) said:

"I am thoroughly convinced that the increase of cancer is due to vaccination."

[Dr. Robert Malone Talks about Information Warfare Against Truth Tellers](#)

Robert Wallace Malone is an American virologist and immunologist. He is the inventor of mRNA technology. During the COVID-19 pandemic, Malone has shown COVID-19 vaccines to be ineffective and dangerous.

This is a talk by Dr. Malone transcribed by me from a YouTube video below the text. It will probably get zapped from YouTube sooner or later, but this text will remain.

It's been a series of epiphanies that have made me realize that there's no upside to just being circumspect and trying to be a nice guy in this environment. This is full-on media warfare, information warfare, political warfare, 21st century, like we've never seen before, and coordinated globally.

The other thing for me has been the personal journey of coming to terms with what the World Economic Forum really represents. And I really resisted that people initially, were coming to me talking about the Great Reset, and I was like, "Ah, this crazy talk." But then it's all documented! And then you see it being deployed. Here it is. They're proud of it. They don't hide it. This is the vision. It is a full on globalist totalitarian vision, with the money in control.

And I did a lot of political science when I was an undergraduate in the early 80s. And I had read things like books about transnationalism and the New World Order. I've found that fascinating, but confused, how could this

possibly happen? And now to see it playing out in real-time, and in a way in which national sovereignty governments are increasingly irrelevant. You know, that's the thing that folks got to wake up about.

This is not about the vaccine. The vaccine is a symptom. That's a really hopeful message going into the new year, is that there's a growing cohort of people that are increasingly aware of how thoroughly we've been manipulated.

I thought I was red-pilled. You know, I've been on the inside for so long and seen Tony Fauci's machinations for so long. That's my origin story, was the initial AIDS crisis starting in 83. When I was at Davis (a university in Davis California). So I saw the hardball politics. It's not that I haven't been aware of that. But I had not been aware before of the information control that is globally coordinated. I mean the [Trusted News Initiative](#) is profound. What that means that has become the Ministry of Truth (Reference to George Orwell's classic novel (Nineteen Eighty-Four)). And what Twitter's doing right now, that I think, with [Alex Berenson's bold and brave lawsuit](#), taking on Twitter, and then I've had a bunch of lawyers come to me because of getting de-platformed or canceled I think is really the right term.

Certainly, people can't deny it anymore. There's so much evidence. And the CNN ratings keep slipping, yay! Maybe we're gonna see some change in 2022. There is a kind of a growing movement and awareness that part of the problem here is the structure of how we have been building our organizations in doing business in a deep, profound way. And just dissatisfaction with what one sees at the World Health Organization and the CDC, and the whole HHS structure in the United States where you have carefully controlled information, only one leader is allowed to speak, only one leader is allowed to represent the position, I think that is gonna turn out to be one of the changes here is a growing awareness that that model is dysfunctional, broken, and it needs to be fixed.

For me, it has been an awakening journey, there's no question. I didn't seek this and never expected it. I find myself at the center of this storm of the resistance. That's what it is really. And I'm still amazed. But it has profoundly changed my view of the information that we receive.

You talk about me becoming more outspoken. I've seen that with my peers too. So for instance, (Dr.) Peter McCullough, he's kind of chilled out a little bit. But when you're attacked all the time. And you have all of this weaponized information against you and no respect... I mean, I'm Mr. Malone, you know, who claims to have invented... I mean, all this language, classic yellow journalism language to have it all deployed against me in absolutely no respect for what I actually did. They never cite all the patents. I mean, they just gloss over all that.

This is asymmetric warfare. We're basically in a guerrilla warfare situation and we got to play it smart. Because what I'm seeing is the other side is generally not very smart. They have a big hammer. They've got all kinds of resources, but they don't seem to be very bright.

I don't know what's going to happen in 2022. But there are some encouraging

signs. You know, I try really hard to look for the silver lining and things and if this whole trauma that we've been through nationally and globally, leads to an awareness of how interconnected we are, and the need for healing and the need for community and the importance of integrity, and the importance of human dignity. That's kind of the perhaps naive pollyannish hopeful position in response to the Great Reset, is people use the term the Great Awakening.

“Medical Experts Are Being Systematically Silenced” – Dr. Robert Malone

What we're experiencing is a coordinated media warfare, the level of which we have never seen before. And I in my peers have never seen this level of coordinated propaganda.

“Our government is out of control.” – Dr. Robert Malone

Dr. Robert Malone, co-inventor of the mRNA technology explains how ten's of thousands of physicians & scientists are being canceled simply for questioning the official Covid-19 narrative. The text of the video is below in case YouTube removes the video.

Our government is out of control. And they are lawless. They completely disregard bioethics. They completely disregard the federal common rule. They have broken all the rules that I know of, that I've been trained on for years and years and years. These mandates are explicitly inconsistent with the Nuremberg Code. They're explicitly inconsistent with [the Belmont Report](#). They are flat-out illegal and they don't care. When you see this kind of decoupling of public policy from logic, then it causes thinking people to say "what the hell's going on here?" And then we go down the rabbit hole is that this? that? or the other thing?

One of the things in that spectrum of what's going on is that the emergency use authorizations are predicated on policy determinations that we're in a state of emergency. Those are now two years old. They're expiring. I'm not saying this is what's going on in their head. But there is another perverse incentive here to amplify the fear porn. And to amplify, if you buy into the hypothesis, that for some reason, there are incentives for the government to maintain the state of emergency, that is one explanation, given that those declarations are expiring, and will have to be re-implemented. Because if they're not, then all of this emergency use authorization vanishes like dust.

It's hard for me to reconcile the behavior of the government and its public health decisions with the data. Is it incompetence? Or is there some ulterior political motive? Or are they just dumb, stupid?

We're in an environment in which truth and consequences are fungible. This is modern media management and warfare. The truth is what those that are managing the trusted news initiative, say it is. In my case, I'm the president of the International Alliance of physicians and scientists. We're over 16,000 people from all over the world, physicians, and scientists. And you can find our website at globalCOVIDsummit.org. We are gobsmacked about what's going on. And we are shut down, censored, demeaned – fill in the blank – all over the world. And they're taking our licenses because we are speaking about these matters.

And you can label me however you want to label me. I don't care. I've done what I've done in my career. I'm at a stage at 62 years old. I've got a farm. It's almost paid off. I raise horses. I love my wife. You know, I've been married a long time. My kids are both married. I got grandkids, man. Oh, I don't need this. There's this claim. I'm doing all this because I seek attention. Trust me. This is not a fun thing to be doing at this stage.

Physicians at [FLCCC](#) (Front Line COVID-19 Critical Care Alliance) in senior positions, Peter McCullough, people at the culmination of exceptional careers, Paul Merrick, an exceptional physician by any standards, run out of his hospital, demeaned, destroyed, actively attacked, trying to take his license. People are losing faith in the whole system. They're losing faith in

the scientific enterprise. They're losing faith in our government.

I like to say when I give rallies, do you remember back a couple of years ago, when you felt sorry for the people in the People's Republic of China because their internet was filtered? They weren't allowed free speech. Their government told him what to do and think. Now, here we are.

And the next thing that we all feel sorry about is the social credit system.

Wake up, folks.

[The Global Elite Using Mass Formation Psychosis to Mislead the Public About Covid-19 and Vaccinations](#)

This is an excerpt of Joe Rogan interviewing Dr. Robert Malone, an American virologist and immunologist. He is the inventor of mRNA technology used in Pfizer and Moderna vaccines. He has since taken a stance that the vaccines will actually make COVID-19 infections worse and is warning people against them! Expect to find a lot of negative stuff about this man if you search for him on Google. The main tool the enemy uses to discredit the message is to discredit the messenger.

In this talk, Dr. Malone identifies a tool used by governments throughout history called Mass Formation Psychosis. Hitler used it to vilify the Jews for Germany's problems. Lenin and Stalin used it to murder Christians and everyone who opposed them in their regimes. Mao used it during the Cultural Revolution to stir up university students to work for him and purge out anyone who opposed the revolution. Is the world in the midst of mass formation psychosis right now over how to treat a disease that the vast majority of the people who get it survive from? My wife Tess got Covid while she was in the Philippines and got well. She now has natural immunity far better than any vaccine can give her!

Dr. Robert Malone: How does this happen? How do we have this emergent phenomenon? The "how question," right? And you know, behind the "how

question" is the "why question" the how question of a third of the population basically being hypnotized and totally wrapped up in whatever Tony Fauci and the mainstream media feeds them, whatever CNN tells them is true.

Let me illustrate that. The other day, I was looking through New York Times' recent articles about Omicron and pediatrics in preparation for this and for making some slideshows. And I saw this headline in the New York Times. The text and the title was "How You Should Think About Children and Omicron." He was blatantly saying "this is how you should think. We're going to tell you how to think." okay, people kind of got to get that in their head. That's the world we're in right now. Now, what [Mattias Desmet has shared with us](#), brilliant insight, is another one of those, "Aha, now that part makes sense." Which is that this comes from basically European intellectual inquiry into what the heck happened **in Germany, in the 20s, and 30s, you know, very intelligent, highly educated population, and they went barking mad.** And how did that happen? **The answer is mass formation psychosis**, when you have a society that has become decoupled from each other, and has free floating anxiety, and a sense that things don't make sense. We can't understand it. And then their attention gets focused by a leader or series of events, on one small point, just like hypnosis, **they literally become hypnotized and can be lead anywhere.** And one of the aspects of that phenomena is the people that they identify as their leaders, the ones typically that come in and say, "You have this pain, and I can solve it for you, I and I alone can fix this problem for you." Then they will follow that person through him. It doesn't matter whether they lie to him, or whatever, the data are irrelevant. And furthermore, anybody who questions that narrative is to be immediately attacked, they are the other. This is central to mass formation psychosis. And this is what has happened. We have all those conditions.

If you remember back before 2019, everybody was complaining, the world doesn't make sense, blah, blah, blah. And we're all isolated from each other. We're all on our little tools. We're not connected socially anymore, except through social media. And then this thing happened and everybody focused on it. That is how mass formation psychosis happens. And that is what's happened here.

Now there are ways to get out of it. Mattias' recommendation is you got to get people to realize that what **we've got is a situation of global totalitarianism.** In his experience in Europe, making people realize is a bigger threat than the virus can cause a separation psychologically, in this fusion, this hypnosis that is happened. The problem is, then you're just substituting a bigger boogeyman for the current one. And somebody else can come in and manipulate that the real problem, and it gets back to your core point. We're sick as a society, and we have to heal ourselves. And one of the things we have to do is come together, we have to recreate our social bonds. We have to buy into integrity, the importance of human dignity, and the importance of community. That's how we get out of this. And I think that this insight of Mattias Desmet, is really central to kind of making sense of all of this crazy.

We got a world in which the press is incentivized to push a storyline because they're all controlled by the same large funds that Pfizer is, and so as

tech. I don't know how we're gonna get out of it. But it's got to start with us. All of us finding common ground.

The purpose of this talk is to de-mystify the “they” of the COVID War.

Excerpts from the talk by Dr. David Martin to the Red Pill Expo

“How many of you are familiar with the company, Anser? I love having this moment. Do you know they are the single largest contractor in the entire COVID terrorism campaign?...

“The companies on the right, that you think are the ones running this show [Pfizer, Moderna, Johnson & Johnson, Merck Ridgeback, Gilead Sciences], are in fact a front [for the companies on the left, Anser, Fors-Marsh, Palantir, Publicis Sapient].

“And you know what a front organization is? They’re the ones that are supposed to take the flack and take the heat. The ones on the left are the ones that actually got the money. Operation Warp Speed went to Anser.

“You didn’t know that, because you were told by the media that it went to Pfizer, Moderna, Johnson & Johnson and all that kind of stuff. That’s not true. The prime contract of Operation Warp Speed went through Anser, a company none of you had heard of!

“And you didn’t hear about them because the contract was signed by ATI, a company based in South Carolina, a company whose history has been government defense contracts for the purposes of propaganda! I wish I made that up. The prime contractor selected to run Operation Warp Speed was a propaganda expert for the US Department of Defense...

“Anser is the way for the Federal Government never to be liable for the criminal conspiracy they know they ran. They are now one of the top ten Federal Contractors in history, below Lockheed-Martin, Raytheon and all those guys.

“Those names you know. You don’t know Anser, the single company that, by COVID rose – the highest-ranked rise in the history of federal contracting; the highest single-year rise, ever was Anser – and none of you know who they are!...

“Anser Corporation, they’re the ones running Operation Warp Speed and they’ve been set up to shield these manufacturers from ever taking the financial liability for their willful misconduct. And one day, everybody’s gonna go, ‘Let’s sue Pfizer! Let’s go sue everybody else! And the only problem is when we go to sue them, they say, ‘Hey! It wasn’t us!’ And they’re right and all of us were asleep. And I’m talking to a woke crowd, here and all of you were asleep.

“Don’t tell me you’re awake if you’re still sleeping, because if you didn’t know who Anser is, you’re still asleep!

IT GETS WORSE...

"It gets worse. Fors-Marsh, anybody know Fors-Marsh?...They're the branding agency that branded COVID. They're the ones who make sure we find hospitals that are overrun with people. They're the ones who find kids that died of COVID right before the FDA needs to vote on giving kids injections. They're the ones that go around the world, making sure every message is always the same: 'We will not return to normal until we have a vaccine.' Thank you, Justin Trudeau! Where'd you get the script? From Fors-Marsh! And how many of you knew that? None of ya!

"How about Palantir? Hey, that's a weird one, isn't it? Peter Thiel, who has successfully run a company that has lost \$200 million plus, every year for about seven or eight years, goes public in the middle of COVID. Isn't timing interesting? Isn't it fascinating that a company that's done nothing but lose billions of dollars goes public in the middle of the worst economic cycle we've had? Isn't that funny? And did you actually go back and read their public offering? Hah! Funny! I know you didn't, because there really wasn't one, that's why you didn't read it!

"Because they went public in this very bizarre, backdoor way of actually selling founder's stock into the market, so we got personally-enriched – personally-enriched – using the public market as the laundering facility. Isn't that brilliant?

"But let's look at what they did for our COVID scandal. They actually came up with a thing called Gotham Data Tracking...you know what that does? That's making sure that every time you turn your phone on, when you get off the plane, when you cross the state line, it gives you a little tag that goes, 'Hey, do you want a COVID alert in your neighborhood?' You know why? Because you are being monitored. Your phone is being monitored. Your transactions are being monitored, your credit cards are being monitored, your health behavior's being monitored, your vaccine status is being monitored and it's all done under the contract run by Gotham Data Sciences, the company that went public during COVID – and none of you knew about this.

"And you've been to Red Pills! And you still haven't taken the Red Pill! And by the way, I'm not even to the good slide, yet. So be depressed! 'Cause it's getting worse!

"Publicis Sapien, the Health and Human Services' IT contract. Have you ever wondered how the data never seems to add up? Somebody always has allegedly the same reportable data?

"Publicis Sapien has the Health and Human Services' IT contract to consolidate all of the data, so guess what happens? Everybody has the same number of COVID cases to report, when somebody from the media calls and says, 'Hey, how many cases do we have?' 'Oh, 40,000'. 'Oh, round number, 40,000'...

"When, in the course of human history has a round number involving the word 'thousand' ever happened? There's never been a 10,000 heart day, there's never been a round number day – until you actually control the Department of Health and Human Services' entire IT platform and not one of you knows that that's a single contract, run by Publicis Sapien...

"You've been focused on the right hand side the whole time and the left hand

side is doing the dirty work.

THE COVID PIRATES

“Now, why do I call them ‘privateers’? How many are familiar with the difference between a pirate and a privateer? Pirates go rape and marauding and stealing and...a privateer is the same thing, that has permission to do it by a government that’s gone corrupt. That’s what these are (points to the slide of COVID contractors). They’re the privateers. But hey, since we have privateers, it feels only appropriate that if we have a world of privateers, we should also...have a world of pirates. And here’s our pirates.”

The new slide shows the universities who’ve been involved in the COVID War: UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins, University of California System, MIT, NYU Langone, DZIF, Imperial College, IHME, Erasmus Medical Center.

“Pirates. UNC Chapel Hill, I talked about that. That’s the guy who actually made the weapon, Ralph Baric. Since 1999, \$100 million to weaponize the particles of coronavirus. Over \$100 million. You’ve heard about \$3.7 million going to Wuhan – ohhhh – 3.7 million, that feels like a bad number.

“And how ‘bout \$28 billion of that coming from DARPA for their bioweapons initiative? Anybody heard of \$28 billion that went through Anthony Fauci at NIAID? Anyone hear about the \$20 billion that went directly to UNC Chapel Hill, that weaponized spike protein?

“You haven’t heard about that, you haven’t heard about that because we’ve been talking about \$3.7 million going to Wuhan. Stop being distracted by the cover story!... Because the distraction is where the interesting thing is.

“UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins and the University of California: those are the pirates that have made the most money on federally-granted, disclosed money going into the university sector. I’m calling them ‘pirates’ for a very good reason. They justify all of this in the name of science and education...

“I don’t even care whether these people pretend to hide behind the ‘It’s an academic research project’ to try and get out of the bioweapons definition. The bioweapons definition says that if you enable a foreign entity to build something known to harm humanity, you have already created a felony, you are going to jail for the rest of your life and you are liable for a \$100 million penalty.

“So guess what? Welcome to Hell, all five of these universities! Because they’re all felons! All of ‘em!

“And how ‘bout the right-hand side? MIT, New York University Langone – hey, by the way, Langone? Where did that name come from? Ken Langone? Anybody? Oh! I’m not supposed to say that name out loud, Ken Langone, except I just did, didn’t I? Ken Langone...

“They’re actually putting their name on the letterhead and you don’t know who

to look for! You're still being told, 'Oh, it's the Rothschilds and it's the Rockefellers!

"No, it's not! It's the guy who put his name on the facility! How many of you know who Ken Langone is? Guess what? Look it up! Because that's a pretty big thing that you should be aware of and unfortunately, you're not aware of it, for a very good reason because he hid it in plain sight, in the name of the medical center. New York University Langone, like that's a really hard thing to find.

"DZIF Charité...you've heard of Dr Christian Drosten, the Crazy-in-Chief in Germany who's kind of Anthony Fauci and Ralph Baric's evil stepchild, Imperial College, the criminal conspirators who came up with the fear porn of how many people were going to die, IHME, the University of Washington program, but the one I want to bring your attention to is the one at the bottom, Erasmus Medical Center.

"Bart Haagmans...In 2002, Bart Haagmans was an interesting dude, because he actually figured out a way to build a bunch of patents around the vaccines for the coronavirus. Mysteriously, the European Union in 2012 started giving him massive, massive grants to run a thing called Zapi.

"And Zapi was the zoonotic disease transmission laboratory for the European Union. And Bart seemed to always get the money. Now, this is fascinating because Bart was also the one who decided to patent MERS. The Middle Eastern Respiratory Syndrome, remember that one? The one that never really happened but kinda happened in 2012-13? Bart was the one that patented MERS...

"Erasmus Medical Center, actually, in their public statement, when they were confronted with the lie, where they said that they hadn't filed a patent on the actual genome – kinda like the CDC said in 2007 – when confronted with the lie, they said in public – and you can't make this sh!t up, People, it's so funny! They said, 'Well, what we said was not entirely false in all jurisdictions in the world.'

THE COVID ORCHESTRA

"But this, Ladies and Gentlemen is the slide you wanted to see. This is actually the names and faces of the people who are, in fact killing humanity. And that's ALL of them. Now, here's the bad news: There's a lot of people on that slide, aren't there? Here's the better news...I'll actually give you all this slide, because why not? Let's make sure that we don't ever forget the names and the faces of the people who decided to kill us...

"

Here is a list of all the people in that slide:

- Mukesh D. Ambani, Chairman, Reliance Industries
- Peter Brabeck-Letmathe, Vice-Chairman of the Board of Trustees WEF
- Mark Carney, UN Special Envoy for Climate Action
- Chrystia Freeland, Deputy Prime Minister and Minister of Finance, Canada
- Kristalina Georgieva, Managing Director of the IMF
- Queen Rania of Jordan

- David M. Rubenstein, Co-Founder and Executive Chairman, Carlyle Group
- Klaus Schwab, Founder and Executive Chairman, WEF

- Thomas Buberl, CEO, AXA
- Laurence Fink, Chairman & CEO, BlackRock
- Orit Gadiesh, Chairman, Bain & Company

- Peter Maurer, President, Red Cross
- Patrice Motsepe, Chairman, African Rainbow Minerals
- Julie Sweet, CEO, Accenture
- Heizo Takenaka, Economist
- Dustin Moskovitz, Open Philanthropy

David continues, “I want you to have some looks on there. Some are kind of interesting, like cellist Yo-Yo Ma. Did you hear me say that? Cellist, Yo-Yo Ma.

“How about the head of the Wellcome Trust? Not surprising, there, right? How about Princess Rania of Jordan? Ooh, that’s weird.

“How about the woman who happens to be sitting at the helm of the leadership of the government of Canada but conveniently out of sight but running 100% of the money for the government of Canada.

“How about all of these interesting people like, Jim Hagemann Snabe, how about Zhu Min, Chairman of the National Institute of Financial Research in China?

“And what makes these individuals interesting is that when you look at them, you find out something very important. Almost none of them have sought public visibility. Isn’t that funny? Which makes me pick on one of them. The guy I have here, at the bottom corner. And I have to give him credit. He has done so much to stay out of sight.

"I've got 12 minutes left. I've got to spend a couple of minutes on the guy who's paid every search engine optimization to keep his name out of search engines and I'm doing it so that it costs him sh!tloads to keep all of you silent.

DUSTIN MOSKOVITZ: EDITING THE HUMAN GENOME

"So let's get really clear on Dustin Moskovitz. Shall we, Dustin Moskovitz?...You little piece of sh!t! Let's talk about him for a minute. The Co-Founder of Facebook that you've never heard of...also the guy who founded Open Philanthropy, who was the actual check-writer for Event201. You were told that it was the World Economic Forum. You were told it was the Bill and Melinda Gates Foundation. You were told it was Johns Hopkins University. But the actual check that cleared for the program was signed by none other than Dustin Moskovitz...

"Now, I'm picking on him for a good reason. He's a felon, he's a criminal. He is one of the most sociopathic, psychopathic, crazy people walking the planet and he's paid to keep his name in private. So guess what? Don't let him! The reason why I want to give you this slide is because I want every one of them named. I want them all publicly named.

"Because it's time that we start going through the reality of saying, 'We the People are not going to let mass-murderers get away anonymously mass-murdering people. We are not going to allow that to happen! Not on our watch! And that's why you have this slide...

"But let's go back to Dustin. Isn't it interesting that Dustin conveniently decided to shroud this entire public health crisis in a self-serving, self-interested investment objective? He owns Sherlock biosciences. Sherlock Biosciences happens to be the company that owns the CRISPR technology that is the joint venture between the United States and China on gene editing the human genome...

"Dustin Moskovitz knew that if he actually tried to take this technology into the public, nobody would be willing to do it, particularly, given the fact that it's a JV [joint venture] between him and the government of China. That's the reason why we'd have a problem with it. Because it feels like eugenics. Do you know why it feels like eugenics? Because it is eugenics, that's why it feels like it! That's why it feels like Cold Spring Harbor Labs...

"The only way we could get gene-editing technology approved was with an Emergency Use Authorization. Not surprisingly, once everybody was distracted on vaccines and everybody was distracted on RTPCR and everybody was distracted on everything else, Sherlock Biosciences slipped their Emergency Use Authorization application into the FDA – and got it. In other words, using the cover of COVID, which all of us are pretending to talk about, the editing of the human genome was approved and not one of us said a thing.

"Now, if you were going to edit the human genome, do you think you'd need a good cover story to actually hide what you're really doing? You'd probably

find the guy who has the biggest financial interest in doing it and make sure, that while everyone is looking over at coronavirus and COVID and trying to figure out these Lab Leak Hypothesis – there's no Lab Leak Hypothesis, because there's no lab leak!

"So stop talking about lab leaks! there is no lab leak. This is the willful weaponization of a spike protein, that's what it is. It's an act of war, it's not a leak. We need to start calling it what it is. It's an act of war. It's an act of war against humanity.

"We stop pretending to take their bait and follow their stupid rabbit trails and follow stupid rabbit trails into stupid rabbit holes and wonder why there's a bunch of pee and piss and poo that smells like rabbit warrens. Well, it smells like it because that's what you find at the end of a rabbit trail.

"We need to be focused on the point and people like Dustin Moskovitz and this slide is going to be shared with everyone in this room because it is incumbent on you. Now you know. Now you must act. Because when we talk about the 'they', we empower the 'they'.

"But when we talk about the names of people, we humanize the sociopathic behavior. We humanize the fact that there are individuals and organizations that are willfully murdering the humanity that we know and love and we cannot let that happen on our watch. It is incumbent on all of us to get those words out."

[Covid-19 Vaccinations – “A Malicious Act of Bioterrorism” – Dr. Zev Zelenko](#)

Transcription of video below

Dr. Valdimir (Zev) Zelenko: I would take the words of Bill Gates seriously. Not because he's a prophet, but because he's a criminal. Because he's a bio-

terrorist. Because he's a eugenicist. Because he's a sociopath. And he has a proven track record of being right. Well, that's not surprising if you're actually orchestrating it. So it's not a coincidence that an eradicated virus that only exists in the most secure neurology labs appears in an insecure Merc laboratory in Philadelphia. Four or five days after the sociopath Gates tells us we should expect a smallpox outbreak.

Sean, the SGT Report Host: Oh, my goodness, friends, that was Dr. Zev Zelenko. And this interview could literally save lives. Now, you may know people who have taken the vaccine, and it's too late to help them. But maybe those people have children. And maybe, just maybe if you get this information to those people, you might at least save the lives of their kids.

(Keto advertisement skipped.)

It's Sean from SgtReport.com and SgtReport.tv. I'm also very pleased to have back on the show the one the only Dr. Zev Zelenko. He is the inventor of the *Z Stack*. And guess what? They now have *Z Stack* gummies for kids. What does that mean? Well, it means you don't have to get sick when the "flu season" returns or COVID season. Well, we know what it really is. Dr. Zev Zelenko joins me now. How are you sir?

Dr. Zev Zelenko: I'm doing great. Thank you. Thanks for having me.

Sean: Glad to have you back. I'll leave the link to *Z Stack* below if people want to check that out. It is quercetin which is the delivery system for zinc, vitamin C, and vitamin D the stuff you need to stay healthy. Dr. Z, I am now fully convinced that what we are up against as it pertains to this experiment rolled out by Pfizer, Moderna, FDA, CDC, NIH, this experiment people are taking part in willingly is really an IQ test. So if I may, we'll kick this off with a soundbite from a woman who, look, my heart goes out to this person. I don't know who she is. I'm not making fun of her. But this really is an IQ test and people ought to know what they're participating in before they willingly participate in and run out and get the jab.

Sickly looking woman: So I got my third dose of the Pfizer booster vaccine on Sunday. And on Monday, by about 10:30 in the morning, I was having body aches and pains and chills and stuff. Pretty bad. I went home. Then that night, I could not stay awake. I was having fevers, still chills, still the body aches. Yesterday, body aches and pains. But by the afternoon I thought I was doing pretty good. Woke up this morning. I have sores all inside my mouth. The fever is back. I still have the body aches, massive migraine. As much as I love my shots. Side effects.

Sean: I'm coming back to you Dr. Zelenko. Boy, I don't think she has any idea that she's probably experiencing blood clotting. Her immune system is crashing. A lot of these people have no idea what they're participating in Dr. Z. Is it an IQ test? What do you make of what she just said?

Dr. Zev Zelenko: I think it's more accurately an EQ test, an emotional intelligence test. And what I mean by that is the problem of the psychological warfare that has been waged on humanity, which is basically the

use of prolonged fear together with isolation from other human beings and the people you love. What that does, is psychologically decompensates a person. They live in such an emotional horror, that they're they become prime targets to be manipulated by any false promise. So if I'm creating anxiety, and then I come to you and I said, dangle a vaccine in front of you and say, Well, this is going to help you. Most people take that vaccine, not for intellectual reasons at all. Their minds have completely shut down. They're acting purely on emotion. And they're gravitating towards taking that vaccine because it reduces their anxiety in the short term. So and that's why if you challenge them, they get belligerent even the most – I've had debates with incredibly intelligent people, but I see their minds are have shut down, and they become belligerent because my words are bringing them back into a state of anxiety that they definitely don't want to be in. So it's the shutdown of the intellect and the irrational behavior that's being fueled by their emotions. And that's really what's going on here. I think it's not really IQ raw, intellectual talent because I know plenty of people with a higher IQ who are fallen victim to this psychological warfare.

Sean: I think that's very fair. That's a very good point. And let me ask you this. Do we make a mistake by calling this thing, a vaccine? I just listened to a powerful interview, a roundtable between Dr. David E. Martin, Robert F. Kennedy, Jr. I believe Judy Mikovits was part of that and one other person. And David E. Martin said we have to stop calling this a vaccine, or we've already lost the battle. It is not a vaccine. It is an mRNA weapons delivery system. Is he right?

Dr. Zev Zenlenko: Yeah, I mean, listen, language is very important. You could call it a vaccine if you call it a vaccine that kills people. You see, the problem is we grew up thinking the word vaccine is associated with health, with goodness with preservation of life. So most of humanity associates the word vaccine with something good. And that's the marketing ploy here. There's also a legal ploy where something's called a vaccine, pharmaceutical company that's making it cannot be sued, or it's difficult to sue them and they're indemnified. So **there's a legal benefit to being called a vaccine.** But for my purposes, if you want to say there are vaccines that save life, and there are vaccines that are weapons of eugenics and kill people, that's fine. I personally call it a *Poison Deathtrap*.

Sean: As do I, and here's what I want to do for that poor woman. Look, she's already taken the booster. So she's three shots in, there's nothing we can do to help her. But for those who are listening, and I do have a friend I reached out to several months ago, probably close to six, eight months ago at this point, warning this person to at least watch an educational video I sent her it was 14 minutes long saying please watch this before you take the VAX. They're very dangerous. I know she didn't watch the video and her reply to me via email was we're going to have to agree to disagree on this issue. Okay, So I want people like her and those who might be considering jabbing their own kids to understand what we know. Got a lot of sound bites I want to play here and Dr. Zelenko is an expert so he'll weigh in on the sound bites but here's what we know. And Dr. Z you tell me if I'm forgetting anything.

Number one, this Vax is experimental. It is mRNA technology the first-ever of

its kind used on human beings. Pfizer, Moderna, J&J have indemnity from lawsuits. If you participate in this experiment and get injured or die, you cannot sue them, there will be no financial recovery for you. And finally, here, **the FDA wants until 2076 to fully release the Pfizer Vax data.** I don't know if you saw that line item. I can put it up on the screen here. What am I missing? That's what we know. And I have additional sound bites I want to play to demonstrate for people what this Vax is doing to the blood of those who take it Have I missed anything so far?

Dr. Zev Zenlenko: Yes, I don't know if the word "experimental" conveys the malignancy here the malfeasance of what actually is going on. So in October of 2020, the FDA made an internal presentation to its own scientists. And that presentation was not meant to be leaked, but it was, and we have it. And on slide 16, which I'll provide for you so you can include this in the video, on slide 16 of this presentation, the FDA lists all the side effects of these vaccines. Now, this is two months prior to the rollout. Yes, that's two months before this vaccine, these vaccines were released onto the public, the FDA presented this slide to its own scientists. Now, if you jump ahead to today, if you look through and go to the VAERS database, and just look what are the categories or side effects that actual human beings have experienced, that have taken the time to file a report, or the doctor has taken the time to file a report, **there's a 100% correlation between what actual human beings have experienced clinically, and what the FDA told his own scientists two months prior to the release of this bio-weapon.** So whenever you have 100% correlation, what that means is a term for that. **It's called premeditated, first degree, capital murder, crimes against humanity, and genocide!** This is *not* an experiment. This is **a malicious act of bioterrorism** and the complicity of our own government and agencies that are have been charged and put into power by us to protect us **who have whored themselves out to special interests** and stakeholders. They serve everyone except the American people.

Sean: Thank you for that you're 100% right. I soft-pedal it when I call this an experiment. It's so much more than an experiment. It is a plot to depopulate! And I think that segues nicely into this next soundbite. I want to play this. This is Karen Kingston on the Stew Peters show. Now Karen Kingston is a biotech analyst and an auditor of drug trials data. Very, very bright woman, she knows what she's doing. She knows how to analyze all the paperwork, mountains and mountains of documents that come out of these trials. And here's what she has to say about Pfizer and this particular product, that they're masquerading as a vaccine, listen to this.

Karen Kingston: The CEO is not oblivious as to what's going on with the phase three trials. They're very much aware of it. And this evidence shows that they conspired to commit aggravated assault and murder of children with a bioweapon. And maybe your audience or naysayers are saying you have no evidence this is a bioweapon. Yes, I do. Take a look at the biological license application that was submitted actually submitted in May of this year. And what it says under the product description verbatim is the mRNA Kornati (?) is a single-stranded mRNA encoding the full-length SARS code two spike glycoprotein derived from the Wuhan-HU1-1Isip that was uploaded to Gendai by China. It is the bioweapon! That's what it is. And it's literally

called the Wuhan-HU1-Spike protein. We know that's a bioweapon. If you still don't believe me take a look at the patent that was issued on January 10 of 2017. And it was issued to actually MIT and Harvard. But this all rolls up into the master cotton. (?) And who funded this? It says under state government support the invention was made with a government support order by the NIH. But if you go to section nine, what does it say, Stew? It says that this nanotechnology vaccine will deliver a molecule. In some embodiments, the small molecule is a toxin. In some embodiments, the toxin is from a chemical weapon or an agent of biowarfare. **The NIH patented a vaccine to deliver a bioweapon.**

Sean: Alright, sir, I'm coming back to you. I don't know if your blood is boiling like mine is but my understanding is within the last week, the NIH Director has called for the arrest of those spreading what he calls disinformation about this product.

Dr. Zelenko: The NIH, CDC and FDA are **the enemies of the people**. They should be held accountable. I'm a person who believes in the rule of law. Once they're convicted for crimes against humanity, whoever the leadership is, which is a whole list of people that should be targeted, they should be brought to trial by military tribunal, and if they're convicted of crimes against humanity, genocide, and mass murder, they should be executed. And that should be sent a message to future despots that we have a rule of law here, you will be held accountable. And we society, humanity will not tolerate the terror, the terrorizing of innocents, and a war against God-consciousness and an attempt to enslave masses of people. We will come after you.

Transcribed up to 15 minutes 21 seconds. I hope this inspires you to hear the entire discussion.

[Australian Aboriginals Hunted by MILITARY, Children Vaccinated by FORCE Against Parental Wishes!](#)

Stew Peters: Alright, so I just saw this video, which shook me to the core. I'm about to show it to you. And this is what I'm going to say right now before I show you this video. All of you Hollywood actors, musicians, so-called celebrities, NBA, NFL football players, all of you people of influence with big platforms, put down the Courvoisier (brand of cognac) for a second, okay?, take off the Prada shades, get out of the Ferrari, and take a look at this video. All of you lawmakers, politicians, so-called elected representatives. Take a look at this video.

I told you we're tracking what's going on in Australia right now. There are all kinds of reports all over the internet of Aboriginal people being chased down hunted like wild animals by their own government by their military. Kids are being chased by the military personnel, tackled to the ground, pinned down and forced jabbed with syringes, needles, with syringes filled with this bio-weapon that you people are calling a vaccine.

Okay, we're not having the vaccine debate here, whether or not this is a vaccine or a bio-weapon. But there is under no circumstances should it be tolerated by the United States of America, the only superpower left on the planet that this is happening to somebody in their country, an allied country, a Western country with a democracy that up until recently has been formed, very similar to our system here in the United States. Watch this video.
