

Death by Medicine

If you consider health care something that is based on the medical profession consisting of doctors and drugs, by all means see this film!

I am 65 years old and the last time I visited a doctor was at least 10 years ago, and it was a skin doctor to treat a broken cyst on my neck. Knowing what I know about drugs and medicine, I have much greater faith for natural healing methods, rest, exercise, nutritious food, herbs, essential oils, a good positive mental attitude, and especially faith in God and prayer knowing the He will keep me in good enough health as long as I am serving Him and others.
