

Is the Pope the Super-boss of all government agencies as well as the Vatican?

These are excerpts from "[The Pope's Secrets](#)" The author, Tony Alamo, has been heavily persecuted by government agencies because of his exposure of the Vatican and Jesuit-led New World Order.

The Vatican is posing as Snow White, but the Bible says that she is a prostitute, "the great whore," a cult (Rev. 19:2). She uses government agency branches in every country, including the United States, as her vicious little dwarfs. The more power and control she gets in government, the more she will fade away into the background in her "Snow White" disguise so that government will be used and blamed for all her evil deeds.

REASON: To enforce laws that harass, malign, destroy, and censor everyone and every idea that is not Roman Catholic so she can sit as the satanic queen (the big whore).

Because of her age-old desire to control the world government and church, the serpent-like Vatican has infested the world and the U.S. government with so many of her zealous, highly-trained and dedicated Jesuit devotees, that she now controls the United Nations (which she created), the White House, Congress, every state, federal, civic, and social government agency, including the U.S. Department of Labor, the IRS, the FBI, the Supreme Court, judicial systems, the armed forces, state, federal, and other police, also the international banking and federal reserve systems (called the Illuminati and Agentur), labor unions, the Mafia, and most of the heavyweight news media.

This cult (the Vatican) is very close to replacing our U.S. Constitution with her one-world, satanic canon laws of death to the "heretic" (anyone that is not Roman Catholic). General Lafayette, President George Washington's most respected aide and general, prophetically stated, "If the liberties of the American people are ever destroyed, they will fall by the hand of the Roman Catholic cult's clergy."

Today we see the climax of detailed plans given in excerpts from a speech given nearly fifty years ago in Australia by Roman Catholic Archbishop

Gilroy:

"The Roman Catholic motto is ourselves alone for fellow Roman Catholics. We must defeat all heretics [non-Roman Catholics] at the ballot box. The holy father states that negative tactics are fatal. The demands of the holy father [the pope] are that the public services should be 100% Roman Catholic soon. Care must be taken that no suspicion may be raised when Roman Catholics are secretly given more government jobs than Protestants, Jews, and other heretics."

Multi-millions of people have been slaughtered by the Vatican, thus saith the Lord (Rev. 18:24). History bears record to this fact. During the Roman Catholic inquisition in Europe, 68 million people were tortured, maimed, and murdered by this huge sect. The St. Bartholomew's Day Massacre accounted for the butchering of as many as 100,000 Protestants. President Abraham Lincoln blamed the papacy for the Civil War in these words:

"This war would never have been possible without the sinister and secretive influence of the Jesuits. We owe it to popery that we now see our land reddened with the blood of her noblest sons." Lincoln added, "I am for liberty of conscience in its noblest, broadest, and highest sense. But I cannot give liberty of conscience to the pope and to his followers, the papists, so long as they tell me, through all their councils, theologians, and canon laws that their conscience orders them to burn my wife, strangle my children, and cut my throat when they find their opportunity."

Because of Abraham Lincoln's many exposés of the Vatican, he was put to death just as he foretold. Yes, assassinated by the Jesuits under Rome's instructions. The Vatican hasn't changed since Mr. Lincoln's time.
