

The six meanings of “Evolution”

Dr. Kent Hovind is one of my heroes. He is now suffering what the Apostle Paul suffered for boldly proclaiming the Truth of the Creator and the message of Jesus Christ: **Persecution resulting in imprisonment.**

Dr. Hovind urges creationists to define the word evolution before entering into a debate about Evolution verses Creation. He teaches us the 6 meanings of evolution:

1. Cosmic evolution: the origin of time/space/matter from nothing in the supposed “Big Bang”
2. Chemical evolution: all the elements “evolved” from hydrogen
3. Stellar evolution: stars formed from dust clouds
4. Organic evolution: life formed from non-living matter
5. Macro-evolution: plants and animals produce offspring different than their ‘kind’
6. Micro-evolution: variations develop within the kind such as big dogs and little dogs; bacteria becoming resistant to drugs; etc.

Only ONE of these definitions for evolution is true SCIENCE—Number 6. The first five are part of a RELIGION that adherents must “believe” in since they have NEVER been observed or demonstrated.
