## Catholic Anti-Semitism

Most if not all antisemitism comes from Catholic sources, and primarily the Jesuits. They are using the Jews as scapegoats and blaming them for what they themselves have done and are doing!

## The Catholic Church And Science

Science and Roman Catholicism are essentially antagonistic. The former faces

the untried future with experiment as its only tool and honesty to truth its only guide. Roman Catholicism fears the future, and is opposed to experiment and change as revolutionary and destructive of its fixed dogmas and religious practices.

## [Billy Graham, The Catholic Church, and Halley's Bible Handbook](#)

This is a section from Dr. Cathy Burn's book, *Billy Graham and His Friends*, from the section, *MARY IS THE CENTER*. All emphasis in bold font are from the author.

Vatican II, however, was the instrument that helped the Vatican open up the door to the ecumenical movement. New Ager and occultist, Robert Muller, bragged: "There is no doubt that Paul VI, together with John XXIII and John Paul II, will be remembered as the three great Popes of Peace, pioneers of a momentous **transcendence of the Catholic Church into the New Age.**"

In spite of this, the **Billy Graham organization recommended the biography of John XXIII** which "contained hundreds of pages of the Pope's devotion to Mary and the saints, worship of the Eucharistic wafer, and his trust in the sacraments for salvation...." Graham "commended it in ads as 'a classic in devotion.'"

Pope John XXIII remarked: "Mary is the center of all things in the sight of God." He also said: "Mary is the center and light of all theology. Without Mary's light, theology is in darkness, in heresy. Without Mary, and if it were not for Mary, God would not have made the world.'"

Graham himself said in 1966: "I find myself closer to Catholics than the radical Protestants."

Cardinal Cushing, a Roman Catholic from Boston, made an interesting comment to the press in the **early 1950's** that "if he had half a dozen Billy Grahams, he would not worry about the future of his [Catholic] church!" In fact, Graham bragged: "No ranking member of the Catholic hierarchy spoke out against the [1957 New York Madison Square Garden] Crusade, and I suspect many Catholics knew of my friendship with various Catholic leaders."

"In **1964**, Graham spent forty-five minutes with Richard Cardinal Cushing, Catholic Archbishop of Boston. Cushing gave unqualified support for Graham. The Cleveland Plain Dealer for Oct. 8, 1964, reported Cushing's words: 'I am 100% for the evangelist. I have never known a religious crusade that was more effective than Dr. Graham's. I have never heard the slightest criticism of anything he has ever said from a Catholic source.'  
"Graham returned the favor by saying: 'I feel much closer to Roman Catholic tradition than to some of the more liberal Protestants....'"

Graham confessed: "My goal, I always made clear, was not to preach against Catholic beliefs or to proselytize people who were already committed to Christ within the Catholic Church."

He added: "I was grateful for the statement one U. S. Catholic newspaper made as it reviewed our first South American trip: 'Never once, at least in our memory, has [Billy Graham–B.G.] attacked the Catholic Church.'"

The July 1972 issue of *The Catholic Digest*,

"presented a feature article lauding Billy Graham. The Jesuit author wrote, 'Billy Graham is orthodox. I have read nothing by him that is contrary to Catholic faith.' In some places priests are being instructed to become familiar in the use of 'evangelical' terminology like 'getting saved' or being 'born again.'"

In 1978 Graham stated: "I found that **my beliefs are essentially the same as those of orthodox Catholics.**"

"The **Detroit Free Press** for Sept. 29, 1991, quoted Graham as saying, 'The Roman Catholics know that I'm not against them, and in my thinking, rightly or wrongly, I represent **all** the churches.'"

Not only does Graham not attack the falseness in the Catholic Church but he even protects the wrong. For instance,

"around **1961**, Billy Graham bought the rights to Halley's Pocket Bible Handbook. The original Halley's, up until the 22nd edition (1959), warned about the Jesuits. There are chapters about the Roman Papacy and the Jesuits. According to Mrs. Halley, Mr. Halley spent years working on those chapters and never would have permitted the book to be changed. However, when he died, Billy Graham bought the rights, and **removed all the research and warning about the Jesuits** in the editions Billy Graham printed."

# Five Things to Watch for in 2024

This article is a partial transcription of an audio on Christian J. Pinto's [Noise of Thunder Radio program](#).

My wife and I like to listen to Chris Pinto. He's a solid Bible-believing Christian, a former Catholic like we were who is very knowledgeable about the Counter-Reformation and the evil-doings of the Jesuit Order. However, we don't agree with him about his support of Israel in the latest Israeli-Hamas war in Gaza. Of course, any nation has a right to defend itself, but the way Israel is bombing Gaza indiscriminately, bombing hospitals and churches, killing media personnel, women and children, is not what I would call "self-defense." I would call it war crimes, ethnic cleansing and genocide. According to the testimonials of former IDF soldiers, the IDF purposely left that part of the border with Gaza unguarded so that Hamas would invade and do what they did so Israel could have the excuse to do what they are doing now!

In Chris Pinto's 2004 documentary, Megiddo – The March to Armageddon (Adullam Films), he stated that the 1948 restoration of the State of Israel was the fulfillment of Bible prophecy. I sure don't agree with him on that. All the prophecies of the restoration of Israel back to their homeland in the book of Ezekiel were fulfilled by King Cyrus telling the Jews they could return to their homeland if they wanted to. By the time of Christ, they were firmly settled back in the land God formerly gave them. In the documentary, I heard one Zionist preacher say, "If Israel is defeated by her enemies, you can throw your Bibles away!" Such a presumptuous and arrogant statement! It's outrageous for any Christian to say that! What people should say when things don't go the way they think the Bible says is: "My interpretation of Scripture must therefore be wrong! Does the Bible actually teach that doctrine? Or did I get it from some dispensational Christian Zionist preacher who got it from the Dallas Theological Seminary that got it from C.I. Scofield who got it from John Nelson Darby who got it from Edward Irving who got it from Jesuit Manuel Lacunza, a Roman Catholic who worked to undermine the Protestant Reformation? Yep, that's where I got it from, not from the inerrant Word of God."

All that being said, we like Chris Pinto's take on everything else.

## **Transcript**

Okay, praise the Lord you guys and welcome. I'm Chris Pinto. This is Noise of

Thunder Radio.

Today on the show we are going to talk about five things to watch for in 2024. If you are an American, if you're a member of Western civilization, and I would argue if you are a God-fearing Bible-believing Christian, these are things you should watch for in 2024.

Now, why do I think this is important? Well, I think it's very important because society and the Western world and our country, the United States of America, if people are not aware of the danger, the rising danger that we are in the middle of right now, then you're just not paying attention, whoever you are, you're not paying attention. And it's why we have to pay attention to things like what happened to the countries of Western Europe during World War II.

I've mentioned on this program before, that one of my favorite foreign films is called KATYN, about the Katyn Forest Massacre based on actual events. It was a history I grew up hearing about from my grandfather Ziggy, Zygmunt Zadarowski, who I've talked about on the program before, who was a World War II veteran. His country, Poland, was turned upside down, practically overnight. There was a peace treaty declared by Hitler with Neville Chamberlain and so on. And so everybody's declaring, "Hey, we're all going to be at peace. Everything's going to be great!"

And then the invasion of Poland happened sometime afterward. And Poland, the people of Poland, were turned upside down overnight. And when you watch the beginning of that film, Katyn, you just watched the first five or ten minutes of it. And you've got all these civilians wearing ordinary clothing, just running. And they're carrying suitcases and bags, and they've got their young children. And why? Because their country's been invaded by the Nazis on one side and by the Communists on the other, the Soviets. And everything changed very, very quickly.

There's another film that was done not long ago by Angelina Jolie, called "First They Killed My Father" about the Khmer Rouge in Cambodia. I would recommend watching the first 15 minutes of that film because you see a family there at the beginning. And again, this is all based on a true story, based on a book written by a woman who was a young girl when all of this happened to her country. At the very beginning, you see a Cambodian family, but they are very Westernized. That's obvious that they were Westernized because of the way that they dress, the things that they're doing are very much like what goes on in the West. And then what happens is very rapidly, suddenly, everything changes. These guys with guns come riding in, and they're having a celebration briefly, and then right after them comes the Khmer Rouge, the Communists. And they were there, of course, for the killing fields of Cambodia. But everything changes in a moment. Everything's turned upside down. And they're told, pack your bags, get your things. Everybody's got to clear out of the city in 10 minutes. I mean, it's very fast.

And you see it at the very beginning when the Khmer Rouge come in, one of the first things they do is gather everybody's guns. Everybody's firearms. They disarm everybody. And of course, you're wondering as an American, if you're

an American, you're watching this happen and you're thinking, "Why didn't anybody resist these guys? Why didn't anybody try to fight back or whatever?" But for whatever reason, they did not. They allowed themselves to be disarmed. They allowed themselves to be rounded up and then taken on a forced march and everything went downhill from that point onward.

So what's happening in our country right now with things like this massive flood of illegals coming into our country? I mean, this is unheard of. It's unprecedented. What's happening? We've never had anything like this happen in our history, where there's a massive flood of illegal criminals jumping the border. Meanwhile, we've got politicians like Nikki Haley, who claims she's some kind of Republican and some kind of a patriot, but she's saying it's wrong to call them criminals because supposedly they're just coming here for a better life. That is what we're told, even though the guys that work down there will tell you in a hot minute that most of those coming across the border are fighting-age men. They're not necessarily women and children. Very, very few women and children, mostly fighting-age men, and thousands, who knows how many thousands, of Islamic jihadi are crossing the border.

All right, so these are not in any particular order. The five things to watch for in 2024.

## **Number 1: The After effects of illegal immigration**

But since we've already introduced the idea, I'm going to say number one is the aftereffects of illegal immigration. And it's already started. We've been hearing stories, but here's one of the latest. This is published on a number of different websites. I'm just going to read a few lines from the Geller report, Pamela Geller's website, where it says New York City students are forced to go remote as the city houses migrants in schools. So in New York City, they are now putting the kids out of their public schools. Kids can't go in the schools now because they are making room for the illegal immigrants. We've already heard stories about them doing this at the hotels. People can't check into the hotel because they're putting all these illegal migrants into the hotels. The government is doing it at taxpayer expense.

All right, so here's just a part of this story.

Quote, "Students at a Brooklyn high school were kicked out of the classroom to make room for nearly 2000 migrants who were evacuated from a controversial tent shelter due to a monster storm closing in on the Big Apple."

And then you've got people complaining about it. People are saying things like, "They're not vetted. A lot of them have criminal records and backgrounds and we don't even know." The people in New York are obviously very concerned about this. And this is going to reach a breaking point at some point. I think New Yorkers are going to decide that they've had enough.

This massive inflow of illegals is just going to make things worse. And we've got repeated warnings from people who work on the border, people like Doug Thornton, who I interviewed, many of you heard that interview. If you haven't heard it go to our website at [noiseofthunderradio.com](http://noiseofthunderradio.com) and look in the

archives back a couple of shows and you can listen to it. Very, very important interview. But they've been warning that there will likely be another 9-11 type event. This is what the guys down on the border are saying, the guys who I think are loyal patriots. They're warning because they're watching thousands upon thousands of illegals who are coming from the Middle East, who are Muslims, who are Islamists, rushing into our country, unvetted. And they believe that these guys have an agenda. It's just a matter of time. That's why it is important to pay attention to, at a variety of levels, the aftereffects of illegal immigration.

Now, I want to play very quickly and then we're going to move on to the number two issue. Right now we're talking about illegal immigration. I want to play this audio. This is from Joe Biden. This is Joe Biden even before he became president, before he was installed in the White House, talking about the massive flood of immigrants into our country. Listen.

"Folks like me who were Caucasian of European descent, for the first time in 2017 will be an absolute minority in the United States of America. Absolute minority. Fewer than 50% of the people in America from then on will be white European stock. That's not a bad thing. That's a source of our strength."

So that again was a video featuring Joe Biden. This is back when Biden was vice president. This was in 2015. It's a C-SPAN video.

And sitting right next to Biden, of course, is another Jesuit, Mayorkas. If you don't know that Mayorkas is a Jesuit, yes, he is also a Jesuit. And what they're doing is we're going to show you in our new film, American Jesuits, which yes, folks, we are still pushing and working to get this project completed. But the information is so important. It is impacting what is going on in our country right now. This massive flood of immigrants into our country. This is part of the Vatican's plan has been for more than a hundred years. And we're going to show it to you. And it's happening right now. We're sitting here watching the fulfillment of what we were warned about back in the 1800s.

## **Number 2: The rise of Islam in Europe and North America**

Number two, we're going to say the rise of Islam in Europe and North America. And this, I think, is a very good segue because Islam and immigration, both legal and illegal immigration into the West, is something that is becoming an increasing problem.

I want to play now some audio. This is from FBI director Christopher Ray. Christopher Ray, let's go to the person who's seen as the senior source in our government on this. And this is Christopher Ray with the FBI warning about the potential for Islamic terror attacks on American soil. Listen.

"The reality is that the terrorism threat has been elevated throughout 2023, but the ongoing war in the Middle East has raised the threat of an attack against Americans in the United States to a whole other level. But it's not just Hamas. As the world's largest state sponsor of terrorism, the Iranians, for instance, have directly or by hiring criminals mounted assassination

attempts against dissidents and high-ranking current and former U.S. government officials, including right here on American soil, the cyber targeting of American interests and critical infrastructure that we already see conducted by Iran and non-state actors alike, we can expect to get worse if the conflict expands as will the threat of kinetic attacks.

Al-Qaeda issued its most specific call to attack the United States in the last five years. ISIS urged its followers to target Jewish communities in the United States and Europe. Hezbollah has publicly expressed its support for Hamas and threatened to attack U.S. interests in the Middle East. Here in the United States, our most immediate concern is that violent extremists, individuals or small groups will draw inspiration from the events in the Middle East to carry out attacks against Americans going about their daily lives."

All right, so again, that is and was Christopher Ray, director of the FBI. So that's about as official as a warning can get. But of course, that warning does not really come from him. It does. But it's something that loyal American patriots who are boots on the ground, who were eyes and ears down at the Mexican border and have been down there for years, this is something they've been warning about for years.

So that is certainly an important issue. The rise of Islam in Europe and North America. Now that's really a warning for North America and the United States in particular.

(Station break)

The documentary film, American Jesuits, is going to be very, very powerful, especially for people who know nothing about the Jesuits, they'll be able to have a very solid understanding of why the order is a danger both past and present. Because we bring things current. We bring things so current. And I'm going to talk more about this, but Vivek Ramaswami, we've just learned Ramaswami is a Jesuit. But yes, he's Jesuit-educated. And we'll talk more about that as the show goes on. But anyway, we are going to show people why this is an important issue, why the Jesuits and the counter-reformation are important in our world today and why we as Christians living in America need to harken to the warnings from scripture, of wolves and sheep's clothing, and two, the many, many warnings of our ancestors for the past 200 years warning us about the Society of Jesus, the so-called Society of Jesus, the Jesuit order.

Okay, so number two on our list is the rise of Islam in Europe and North America. In Europe, if you go to the RARE Foundation, R-A-I-R foundation.com, they've got a series of articles right now warning. There is a series of articles about thousands of German women raped by refugees since 2015. This is just in Germany. Now, we've talked about the rape gangs in England in the UK over the past 20 years. Reportedly, have assaulted and violated more than a million English girls, 11, 12, 13 year old girls over the past 20 years. And that number is now much worse. But they're saying that in Germany, two gang rapes happen per day against the women in Germany, two per day. You have in France on New Year's Eve, a disabled woman was violently beaten and raped

in an elevator. That's one of the stories.

Another story is, weaponized prayer, Islamic displays of territorial dominance. Whenever you see those images of hundreds and sometimes thousands of Muslims bowing down in prayer in a public place, they go into cities like Paris, London, Rome, etc. where this article says, people have observed a uniquely Islamic display of dominance over the local population. This display has a veneer of religious observance as people are clearly engaged in Islamic prayer. However, since there are always mosques available or private spaces within which these observances could be done, one has to conclude that the purpose is clearly other than mere observance of Islamic prayer requirements.

So in other words, what they're saying is that the Muslims will deliberately go into public places where people normally are walking up and down the road and this kind of thing. And they will block everything with their Islamic prayer because it's one of the ways. It's kind of a form of intimidation and psychological warfare to say basically Islam is taking over. That's why they do it. And they're doing it in these cities all over Europe. Do you know that these Islamic street prayers are actually a confrontation and a statement? The Muslims are asserting their supremacy implicitly demanding that everyone else who wants to pass along the street has to accommodate them. This is a manifestation of the old Islamic dictum that quote, "Islam must dominate and not be dominated." Now, there's no question that this is happening. There's no question that it is that you've got millions of Muslims now in the United Kingdom and they are pursuing more and more acts of aggression so that Islam will eventually dominate England in the whole UK.

### **Number 3: World War III**

Okay, so that's two. Number three, in my opinion, World War Three, is kind of odd, you would think that would either be number one or number five, right? But we're just going to, we're going to make it number three, World War Three, the situation with Ukraine, Russia, and Israel. Notice what's happening, you have all of these conflicts and these entanglements where the United States is being blamed by Russia for our support of Ukraine. And now we're being blamed by the Islamic element out there because of our support of Israel, the state of Israel.

### **Number 4: The resurgence of COVID-19**

Okay, so number four, the resurgence of COVID-19, the resurgence of COVID-19. There are repeated warnings that they are going to try to bring back mask mandates, that they're going to try to bring back lockdowns and all this other kind of stuff. Illegal immigration should inform every American, of the fact that they brought in millions and millions of unvetted, untested people that they know are going to have various viruses and things like that. And the fact that they've exercised no caution at all about this should be everything that we need to know that an attempt, a future attempt at some kind of lockdown and social distancing and this kind of thing is all just a show. It's a sham. It's, about power and control.

If they were really concerned about the spread of viruses and this kind of

thing, they would never allow millions and millions of unvetted people to come running across our border. They just would not allow it. But that's what should tell us that among many other indicators.

But yes, the resurgence of COVID-19, it is entirely possible that there will be COVID 2.0 and they're going to attempt to impose some kind of COVID tyranny. Now, we were warned about this last year that this was going to happen. And we didn't really see much of anything happen in the months that followed. We were warned that in the fall, beginning in the fall in November, December, here just a few months ago, that this was going to happen and it didn't happen. I think there is a lot of pushback and I think that Americans and freedom-loving people all over the world should continue to push back in a, you know, peaceful, protesting, exercising the First Amendment to the full extent so that the powers that be understand that society is not going to cooperate with all this lockdown stuff. And, if enough people are sounding the alarm and making noise, then it's very likely that these globalist powers will back down because they are somewhat pragmatic, I believe.

Of course, I believe the chief counselors are Jesuits. We're going to show you that in the new film because we're going to have a whole section on COVID-19 and the Jesuit order because the connections are undeniable, undeniable. But the Jesuits are very pragmatic, very pragmatic. So they'll back down. That doesn't mean that they're going to quit. Don't misunderstand. It doesn't mean that they're going to quit in terms of their globalist ambitions, but they'll sort of back off a bit because they don't want to push the envelope too far. That's what I think. I could be wrong. We'll have to wait and see. But yes, it's definitely something to look out for. The continued corruption of the medical industry for the purpose of using the medical industry for medical warfare against the people in our country, which I honestly believe is what's going on. Medical warfare, biowarfare, they're calling the vaccine a bioweapon. You've got people, a very official people calling the COVID vaccine a bioweapon.

So we've got to pay attention to this and be on the lookout in 2024. It'll be very interesting to see if more COVID tyranny rears its ugly head.

## **Number 5: The 2024 presidential race**

Now, the number five issue. That was the number four resurgence of COVID-19. Number five, the big issue is going to be the 2024 presidential race.

For the office of the president of the United States of America, there's no question that's going to become, I believe, I think, unless something catastrophic something or other that happens. I think the presidential race with everything going on with President Trump, everything going on with Joe Biden and all these candidates.

Nikki Haley is getting a lot of attention, but we think Nikki Haley is a globalist. We do not believe she is a true conservative Republican. And we think she's a globalist. And then you have Vivek Ramaswami, Ramaswami, who's getting a lot of attention, a lot of the conservatives seem to like him. And we've had a friend, in fact, Steve Matthews from the Trinity Foundation, who

appears in our new film, forward to me, a story about Ramaswami that he graduated from St. Xavier High School. And what he is, St. Xavier High School won't remove Vivek Ramaswami from the Board of Trustees. He's not only a graduate, this is a Jesuit-run private high school in Cincinnati, or in the Cincinnati region, it says, won't remove the presidential candidate Vivek Ramaswami from its Board of Trustees. The board's chairman said Wednesday. Apparently, his conservative comments are considered controversial. Some of the St. Xavier High School alumni are calling for the school to oust Ramaswami from its 25-member board of trustees. So, bear in mind, he's not just a graduate of this Jesuit high school. He's not just an alumnus. He is a member of its Board of Trustees. So, he's, again, this is a more solid Jesuit connection. Lots of people graduate from their schools. Not all of them have this kind of close association. And of course, Ramaswami is a Hindu, and he has a Hindu view of Jesus, which quite frankly is perfectly acceptable with the Jesuit order because it all fits in with what they wrote and communicated in Vatican Council II.

Do I think Ramaswami would make a good president? He might be better than Joe Biden, but I still would not want to see him in the White House. He has a very clear Jesuit connection. He's being supported on the conservative side of things. I think he is a, you know, it's, it's kind of like the order is trying to control both sides of the argument. Some people say the same thing about President Trump because Trump went to Fordham University. He did not graduate from Fordham. He was only there for two years, and he left and went to a different university. I've never thought that President Trump was, quote, a Jesuit. I've never seen him that way. I don't think he really represents the Jesuit agenda. The only thing that the main, well, the two main things with President Trump that are troubling for me is one, the fact that he gives any support to LGBT politically. That's one, and two, his support for the vaccine. And he continues to support the vaccine. Now the one possible, you know, upside of all of that is that he has also called in his campaign.

For an investigation into the health of children in particular, you've got so many kids being diagnosed with autism and these other conditions and a lot of people are pointing to the vaccine industry and the medical industry overall. If there is a second Trump administration and they do a sincere investigation into the medical industry, that would be a very needed and I think positive thing. And I say, if, quote, unquote, if we'll have to wait and see what happens and just pray for the Lord's help and guidance for our country and our people in the days ahead.

I wanted to play a brief clip here as we round this out. So that's all five issues. The five things to watch for, in my opinion, in 2024. Illegal immigration, the rise of Islam, World War Three, the resurgence of COVID-19 and number five, the 2024 presidential race, all of that will be forthcoming in 2024.

Also, Simon Roch I should mention, even though I didn't play this part of his interview, he goes out of his way to tell us that his organization is an exclusively Christian organization, that they are Christians, and they do not seek to have non-Christians come and join with them or anything like that.

They are very boldly, unapologetically Christian in their worldview and in their approach to everything they're doing, praise the Lord!

Christians need to become more partisan for Christianity and not allow the globalist influence to convince you that you're supposed to be defending atheism and Islam and all of these other alternative beliefs. We're really not called to defend the non-Christian beliefs of the world. Remember, the commandment of God, according to the Apostle Paul, is that God commands that all men everywhere repent and turn away from the idols of the world and put their faith in the Lord Jesus Christ as King of Kings and Lord of Lords. Indeed, as Peter said, He is Lord of all.

We are not called to tell everybody else who has an alternative belief that their belief is somehow or other equally valid or anything like that. No, we are called to communicate the Word of God and God's command that all men everywhere repent and put their faith and trust in the Lord Jesus Christ. Praise the Lord.

Pope Francis engaging in idol worship.

This article is about the history of errors by the Church of Rome, written by George Burnside. I didn't agree with one of his points and omitted it, the one about "Sunday worship." The Bible tells me that the disciples met on the first day of the week – Sunday. The Sabbath was the *last* day of the week.

*Acts 20:7 And upon the **first day of the week**, when the disciples came together to break bread, ...*

There may be other points in this article you find questionable. If so, please tell me about it in the comments section.

Errors continue to this day. I just read on Facebook of a man speaking as if he were God saying, "I will not cast unbelievers into hell." He doesn't read his Bible. My Bible says,

*John 3:36 He that **believeth on the Son** hath everlasting life: and **he that believeth not the Son** shall not see life; but **the wrath of God abideth on him**.*

## **Can Roman Catholics Accept The Bible?**

- 1. Why does it condemn clerical dress? (Matthew 23:5-6).

- 2. Why does it teach against the adoration of Mary? (Luke 11:27-28).
- 3. Why does it show that all Christians are priests? (1 Pet. 2:5,9).
- 4. Why does it condemn the observance of special days? (Galatians 4:9-11).
- 5. Why does it teach that all Christians are saints? (1 Corinthians 1:2).
- 6. Why does it condemn the making and adoration of images? (Exodus 20:4-5).
- 7. Why does it teach that baptism is immersion instead of pouring? (Colossians 2:12).
- 8. Why does it forbid us to address religious leaders as "father"? (Matthew 23:9).
- 9. Why does it teach that Christ is the only foundation and not the apostle Peter? (1 Corinthians 3:11).
- 10. Why does it teach that there is one mediator instead of many? (1 Timothy 2:5).
- 11. Why does it teach that a bishop must be a married man? (1 Timothy 3:2, 4-5).
- 12. Why is it opposed to the primacy of Peter? (Luke 22:24-27).
- 13. Why does it oppose the idea of purgatory? (Luke 16:26).
- 14. Why is it completely silent about infant baptism, indulgences, confession to priests, the rosary, the mass, and many other things in the Catholic Church?

### **Reasons Why The Apocrypha Is Not Inspired:**

1. The Roman Catholic Church did not officially canonize the Apocrypha until the Council of Trent (1546 AD). This was in part because the Apocrypha contained material which supported certain Catholic doctrines, such as purgatory, praying for the dead, and the treasury of merit.
2. Not one of them is in the Hebrew language, which was alone used by the inspired historians and poets of the Old Testament.
3. Not one of the writers lays any claim to inspiration.
4. These books were never acknowledged as sacred Scriptures by the Jewish Church, and therefore were never sanctioned by our Lord.
5. They were not allowed a place among the sacred books, during the first four centuries of the Christian Church.
6. They contain fabulous statements, and statements which contradict not only the canonical Scriptures, but themselves; as when, in the two Books of Maccabees, Antiochus Epiphanes is made to die three different deaths in as many different places.
7. The Apocrypha inculcates doctrines at variance with the Bible, such as prayers for the dead and sinless perfection.

And the day following Judas came with his company, to take away the bodies of them that were slain, and to bury them with their kinsmen, in the sepulchers of their fathers. And they found under the coats of the slain some of the donaries of the idols of Jamnia, which the law forbiddeth to the Jews: so that all plainly saw, that for this cause they were slain. Then they all

blessed the just judgment of the Lord, who had discovered the things that were hidden. And so betaking themselves to prayers, they besought him, that the sin which had been committed might be forgotten. But the most valiant Judas exhorted the people to keep themselves from sin, forasmuch as they saw before their eyes what had happened, because of the sins of those that were slain. And making a gathering, he sent twelve thousand drachmas of silver to Jerusalem for sacrifice to be offered for the sins of the dead, thinking well and religiously concerning the resurrection, (For if he had not hoped that they that were slain should rise again, it would have seemed superfluous and vain to pray for the dead,) And because he considered that they who had fallen asleep with godliness, had great grace laid up for them. It is therefore a holy and wholesome thought to pray for the dead, that they may be loosed from sins. (2 Maccabees 12:39-46)

8. The apocrypha contains offensive materials unbecoming of God's authorship.

Ecclesiasticus 25:19 Any iniquity is insignificant compared to a wife's iniquity.

Ecclesiasticus 25:24 From a woman sin had its beginning. Because of her we all die.

Ecclesiasticus 22:3 It is a disgrace to be the father of an undisciplined, and the birth of a daughter is a loss.

9. It teaches immoral practices, such as lying, suicide, assassination and magical incantation.

10. The apocryphal books themselves make reference to what we call the Silent 400 years, where there was no prophets of God to write inspired materials.

And they laid up the stones in the mountain of the temple in a convenient place, till there should come a prophet, and give answer concerning them. (1 Maccabees 4:46)

And there was a great tribulation in Israel, such as was not since the day, that there was no prophet seen in Israel. (1 Maccabees 9:27)

And that the Jews, and their priests, had consented that he should be their prince, and high priest for ever, till there should arise a faithful prophet. (1 Maccabees 14:41)

Josephus rejected the apocryphal books as inspired and this reflected Jewish thought at the time of Jesus.

"From Artaxerxes to our own time the complete history has been written but has not been deemed worthy of equal credit with the earlier records because of the failure of the exact succession of the prophets." ... "We have not an innumerable multitude of books among us, disagreeing from and contradicting one another, but only twenty-two books, which contain the records of all the past times; which are justly believed to be divine..." (Flavius Josephus, Against Apion 1:8)

12. The Manual of Discipline in the Dead Sea Scrolls rejected the apocrypha as inspired.

13. The Council of Jamnia held the same view rejected the apocrypha as inspired.

They debated the canonicity of a few books (e.g., Ecclesiastes), but they changed nothing and never proclaimed themselves to be authoritative determiners of the Old Testament canon. "The books which they decided to acknowledge as canonical were already generally accepted, although questions had been raised about them. Those which they refused to admit had never been included. They did not expel from the canon any book which had previously been admitted. 'The Council of Jamnia was the confirming of public opinion, not the forming of it.'" (F. F. Bruce, *The Books and Parchments* [Old Tappan, NJ.: Fleming H. Revell, 1963], p. 98])

14. Although it was occasionally quoted in early church writings, it was nowhere accepted in a canon. Melito (AD 170) and Origen rejected the Apocrypha, (Eccl. Hist. VI. 25, Eusebius) as does the Muratorian Canon.

15. Jerome vigorously resisted including the Apocrypha in his Latin Vulgate Version (400 AD), but was overruled. As a result, the standard Roman Catholic Bible throughout the medieval period contained it. Thus, it gradually came to be revered by the average clergyman. Still, many medieval Catholic scholars realized that it was not inspired.

16. The terms "protocanonical" and "deuterocanonical" are used by Catholics to signify respectively those books of Scripture that were received by the entire Church from the beginning as inspired, and those whose inspiration came to be recognized later, after the matter had been disputed by certain Fathers and local churches.

17. Pope Damasus (366-384) authorized Jerome to translate the Latin Vulgate. The Council of Carthage declared this translation as "the infallible and authentic Bible." Jerome was the first to describe the extra 7 Old Testament books as the "Apocrypha" (doubtful authenticity). Needless to say, Jerome's Latin Vulgate did not include the Apocrypha.

18. Cyril (born about A.D. 315) – "Read the divine Scriptures – namely, the 22 books of the Old Testament which the 72 interpreters translated" (the Septuagint)

19. The apocrypha wasn't included at first in the Septuagint, but was appended by the Alexandrian Jews, and was not listed in any of the catalogues of the inspired books till the 4th century.

20. Hilary (bishop of Poitiers, 350 A.D.) rejected the apocrypha (Prologue to the Psalms, Sec. 15)

21. Epiphanius (the great opposer of heresy, 360 A.D.) rejected them all. Referring to Wisdom of Solomon & book of Jesus Sirach, he said "These indeed are useful books & profitable, but they are not placed in the number of the canonical."

## The Jesuit / Vatican Connection with Zionism, Israel, and Western Intelligence Agencies

I found a goldmine of information from [saidit.net](http://saidit.net) that positively links the Jesuit Order to Israel and Zionism! This article is not a mere copy and paste from saidit.net but a compilation of several sources. I'm going through all the links on saidit.net to fact-check and compile all the information I think is relative to the subject. Indented paragraphs are quotes from the sources I found.

Former German officer and Knight of Malta Reinhard Gehlen was instrumental in the formation and structure of Mossad, the Israeli intelligence agency!

This is confirmed on the [Find a Grave website](http://Find a Grave website).

Reinhard Gehlen was a General in the German Army during the Second World War and served as Chief Intelligence Officer(FH0) Foreign Armies East, on the Eastern Front obtaining accurate information about the strength and

capabilities of the Red Army.

Just imagine that! One of Hitler's generals the creator of Mossad! That alone says a lot of what I am trying to prove in this article.

James Jesus Angleton was in charge of the CIA's relationship with Mossad, making it part of the CIA, KGB and MI6 formation.

"James Jesus Angleton (December 9, 1917 – May 11, 1987) was an American intelligence operative who served as chief of counterintelligence for the Central Intelligence Agency from 1954 to 1975." – Source: Wikipedia.

He was a member of the Knights of Malta and head of the 'Vatican Desk' and 'Israel Desk.' Source: [Movers and Shakers of the Sovereign Military Order of Malta](#)

Jesuit-trained Shimon Peres gave the [lands of Israel to the Vatican in the Oslo Accords](#).

Shimon Peres with Pope Benedict. That sure looks like a Masonic handshake!

"The Black Pope," Jesuit Superior General Adolfo Nicolas, rules "the White Pope" sitting in "St. Peter's Chair," Pope Benedict XVI, who in turn rules "the Great White Witch," Dame of Malta and key Bilderberger, Queen Elizabeth II. The Queen, upon orders from her immediate master in London, Jesuit Provincial of the British Province Michael Holman, made **Israeli President Shimon Peres a Knight of the Order of St. Michael and St. George in November of 2008, he having faithfully administered Rome's foremost colony (Israel) in the Middle East for over fifty years.** Source: [Vatican Assassins](#)

A lot of Israeli prime ministers were also high-level Freemasons. This is confirmed on [Freemason Israel Prime Ministers, 1948-2008](#)

Jesuit control over Freemasonry has been pointed out by many relevant figures in the past. The Jesuits themselves were very influential towards the Zionist movement itself. The Rothschilds played a huge role in the movement towards

Israel, who have proven to side with the Vatican in order to target their "fellow" Jews many times in the past. [The Jesuits used the Rothschilds to fund the Bolshevik revolution](#), so not only can they be held accountable for the millions of kills under the Communist regime, but **they also supported the anti-Semitic and fascists movements in Europe simultaneously to blame the Jews for creating Communism.**

The Jesuit control over Intelligence in the Middle East isn't limited to the Mossad itself, but they even control the Palestinian authorities through the CIA, having **both groups caught up in a Hegelian Dialectic that they can exploit.**

[The Jesuits are probably the most anti-Semitic group](#) out there due to the Jews being a rather materialist group, which they can't tolerate. They are an extremely anti-nationalist group as well.

The Vatican believes that religious, nationalist Jews aren't the rightful owners of the lands of Israel and that it actually belongs to Catholic Christians.

The Jesuits are the group that has control over all the most relevant Intelligence agencies and have always gone out of their way to blame Zionism and the Jews themselves for it.

[The Jesuits have controlled the CIA, FBI, KGB/FSB, MI5/MI6, Mossad Intelligence groups simultaneously.](#) So they are responsible for nearly every single conflict involving every single nation on earth in the last decades, all while blaming the Jews for it.

## Comments from the webmaster

I think with this information we can see the Israeli-Hamas war in a new light. Just the fact that the Israel government took 8 hours to come to the aid of their own citizens, and the fact that the border war was unguarded giving Hamas free reign to do their dirty work, tells me the operation was planned by the Jesuits to lead to the destruction of both sides. Will the Vatican-led Western world continue to allow Israel to murder Palestinians? The head of the Freemasons in the 19th century, [Albert Pike](#), predicted the following:

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

You may ask, "How do you know your sources are not Zionist disinformation?" I'm basing my views on the history I know about the Roman Catholic Church and the belief the early Protestant Reformers had about the office of the papacy being the seat of the Antichrist, meaning Satan's political control of the world. I could ask you the same question. How do you know your beliefs about Jewish control of the world are not based on Jesuit disinformation?

One author I read recently, Benjamin H. Freedman, a man who was raised

Jewish, has some interesting things to say about Talmudic Kabbalistic Judaism which he rejects. But I don't trust him because he's a Holocaust denier and became a Roman Catholic!!! He could therefore have been a shill working for the Jesuits.

## What is "MYSTERY, BABYLON THE GREAT" of Revelation Chapter 17?

History identifies Mystery Babylon in its current form as the Vatican. The Jesuits say Jerusalem is Babylon to deflect blame from the Pope and Roman Catholic Church.
