

The Seven Seals of Revelation Chapter 6 Shown to be Fulfilled Historically

The meaning of the 7 seals of the book of Revelation.

Genesis Chapter One Indicates a Spherical Rotating Earth

Stationary GPS satellite over the rotating earth

On March 15th I hitchhiked to the Tokyo area from my home in Niigata City in 4 cars. When sitting in the back seat of one of the cars, the front seat passenger was having a long conversation with the driver. This meant I didn't have to engage in conversation with them and gave me an opportunity to redeem the time and type a message on my Tablet PC. I wanted to reply to a man named Sam who was debating with my friend [Dr. John Gideon Hartnett](#) about when God created the sun. Though the Bible in Genesis 1 clearly says God made the sun on the 4th day of creation, Sam says it must have been on the first day for

how can there be 24 hours without the sun? Before we go further, you must know I am writing this for Bible believers who believe in a literal six days of creation of the universe and everything in it, with one day being 24 hours. This is what most Creationists and fundamental Christians and Bible believers hold to be true.

Holding my Tablet PC in my left hand and typing with one finger of my right hand, I suddenly saw things from the first few verses of Genesis one that I never saw before! I wrote Sam things I didn't intend to write him. Have you ever experienced getting revelations from the written Word of God of things you haven't ever heard anybody else teach? I have, and it's thrilling! I think Bible teachers experience this more than those who just read the Bible but don't share with others what they learn. Maybe God showed me something new because He knew I was just about to share it with somebody else! You can read about another revelation I had on [New Viewpoint of the Clay and Iron of Daniel Chapter 2](#)

This is what I wrote Sam:

Your question, "How does one explain Day & Night and "first day" if this is not the creation of the sun?????" is valid in my opinion and something I wondered about too. The way I see it is God, "in the beginning" not only created matter and light on the first day, He created *time* as well. Is 24 hours dependent on the existence of the sun to be 24 hours? Or is 24 hours dependent on one rotation of the earth? According to my understanding of time and physics, the latter is true. Therefore even without a sun there were 24 hour days because of the rotation of the earth!

Genesis 1:4 And God saw the light, that it was good: and God divided the light from the darkness.

Suddenly verse 4 makes more sense to me than ever! If the sun didn't exist till day 4, how could God divide the light from the darkness? Answer: God Himself was the light source over a rotating earth!

And even if you say all of the above is mere speculation, the Scriptures say clearly in verse 1:16, And God MADE two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

1:19 And the evening and the morning were the fourth day.

Sam didn't argue against my answer. ☐

Refuting the Flat Earthers

During year 2015, an unusual and crazy phenomenon of people who believe the earth is flat spread around the Internet. Flat Earthers are bound not to like this article. And who bought flat earth foolishness? Every one of them I have encountered so far is an English speaking US American or Canadian. Every one of them is a Bible believing Christian and a conspiracy researcher. I even had to deal with one face to face on March 16th! I visited him without knowing that he had become a flat earther. Do you see a pattern here? I

believe Flat Earth is a psyops designed to trip off mostly white North American Christians who are also conspiracy researchers. Not a single Japanese I have ever met believes the earth is flat. They all laugh when I tell them I know people who do.

If the child turned constantly around holding a rope attached to a swinging bucket of water while facing it, this would be akin to how a geostationary satellite orbits the rotating earth while staying over the same area of the earth. The rope between the bucket and the person swinging it is akin to the gravitational force that keeps the satellite in motion from flying away into space. Flat earthers deny the existence of gravitational force, outer space, Newtonian laws of motion, and the existence of communication satellites that make the Internet fast so they can spread their flat earth propaganda easier?! Incredible!

Science the New Religion

Science has become the new religion. Those who dare challenge the dictates of “science” are often declared crackpots, pseudo-scientists, or just plain crazy.

Did you know that "Capitol" was the name of Jupiter's temple in Rome? Did you know that word "obelisk" literally means "Baal's Shaft" or Baal's organ of reproduction. Baal of course is referring to Satan, the Devil.

Did you also know the Vatican in Rome has an obelisk standing in the middle of St. Peter's Square?

Quotes from Samuel Morse's book: FOREIGN CONSPIRACY AGAINST THE LIBERTIES OF THE UNITED STATES:

This Samuel Morse is the same person who invented the telegraph.

"If Papists conquered Rome, why may they not conquer America? Is it so utterly impossible that the next generation should witness the supremacy of Romanism that we can afford to fold our arms in ease? Possessing the balance of power between the two political parties, demanding favorable legislation as the condition of support, and wielding political power in some of our largest cities, **Popery is a foe whose giant strength it is folly to underestimate...**Under the banner of civil liberty Rome may possibly bind upon us the fetters of spiritual despotism."

"**Tyrants**, the more effectually to secure power, **have ever professed supreme regard for man's highest interests.**"

"That the **Roman Church is nothing less than a conspiracy against liberty**, personal and national, civil and religious, we firmly believe. Being the twin sister to despotism, she ever has been, and is now, most bitterly hostile to freedom of conscience, freedom of press..."

"Nor has Romanism shown less hostility to another principle of our national life, **the separation of Church and State...**Almost every Pope for the last thousand years has pronounced it a '**damnable heresy.**'

This post is just a tiny scratch on the surface in the hope you discover the players in the conspiracy to create the New World Order or one world government talked about in the Book of Revelation, chapter 13.
