The Coronavirus by Bill Hughes. Chapter 5.  
Ultimate Goals

This is the continuation of [Chapter 4. Medical Madman in the Beltway](#)

Fauci pays Wuhan Lab to develop coronavirus in spite of the obvious. You research a virus, and in the process, it leaks out of the laboratory and it spreads through the population all around the world. Like a prophet, you tell Georgetown listeners and the Trump administration that there will be a pandemic during the Trump White House! You proceed full speed ahead knowing full well that the world will be brought to its knees and that 100's of thousands of people will die! Like a medical madman, you go full bore like an insane man because the end justifies the mean. Like Edward Smith aboard the Titanic on that fateful night, you head straight for the icebergs, knowing many will die because your masters have told you this is for the greater glory of the Catholic Church! What kind of a group of men would encourage such insanity?

The following quote gives a historical backdrop to the Jesuits and explains their mentality.

"Throughout Christendom, Protestantism was menaced by formidable foes. The first triumphs of the Reformation past, Rome summoned new forces, hoping to accomplish its destruction. At this time the order of the Jesuits was created, the most cruel, unscrupulous, and powerful of all the champions of popery. Cut off from earthly ties and human interests, dead to the claims of natural affection, reason and conscience wholly silenced, they knew no rule, no tie, but that of their order, and no duty but to extend its power. The gospel of Christ had enabled its adherents to meet danger and endure suffering, undismayed by cold, hunger, toil, and poverty, to uphold the banner of truth in face of the rack, the dungeon, and the stake. To combat these forces, Jesuitism inspired its followers with a fanaticism that enabled them to endure like dangers, and to oppose to the power of truth all the weapons of deception. There was no crime too great for them to commit, no deception too base for them to practice, no disguise too difficult for them to assume. ***Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be devoted to the overthrow of Protestantism,***

**and the re-establishment of the papal supremacy.** When appearing as members of their order, they wore a garb of sanctity, visiting prisons and hospitals, ministering to the sick and the poor, professing to have renounced the world, and bearing the sacred name of Jesus, who went about doing good. But under this blameless exterior the most criminal and deadly purposes were often concealed. ***It was a fundamental principle of the order that the end justifies the means. By this code, lying, thefts, perjury, assassination, were not only pardonable but commendable, when they served the interests of the church.*** Under various disguises the Jesuits worked their way into offices of state, climbing up to be the counselors of kings, and shaping the policy of nations. They became servants to act as spies upon their masters. They established colleges for the sons of princes and nobles, and schools for the common people; and the children of Protestant parents were drawn into an observance of popish rites. All the outward pomp and display of the Romish worship was brought to bear to confuse the mind and dazzle and captivate the imagination, and thus the liberty for which the fathers had toiled and bled was betrayed by the sons. The Jesuits rapidly spread themselves over Europe, and wherever they went, there followed a revival of popery."

What Anthony Fauci has done, in attacking Protestant ideals, fits into the Jesuits/ papacy's hands to bring the world to its knees in obeisance to Rome!! Therefore, in the minds of Rome's hierarchy, Fauci is a wonderful man! What are the ideals of Protestantism that have come under attack through this virus? A rocket scientist is not necessary to figure this one out. The current totals of unemployed who lost good jobs to take care of their families is around 4-5 million people. A recent study from Silicon Valley is declaring that it could take upwards of 10 years to bring those jobs back!! So, while millions of people lose their jobs, the economic fabric of America sits in shambles and is being drained! Another thing that has been assaulted is the civil and religious liberties that make this nation great. Finally, half a million people have died from this virus and the numbers continue to grow. For those who want to reduce the population of the world, this fits their plan perfectly.

Let us take a look at each of these things that have been assaulted during the coronavirus affair and see how fit into Protestantism. First, millions of good jobs have been lost. Many lower and middle classed jobs have been thrown to the wind. History tells us that in the Roman Empire period, the lower classes were called the plebian sector or poor class. The plebian members of society were predominantly poor, working either for the local lord or baron or priest. After the fall of Rome, the new names given to the poor classes were peasants or serfs. Like the plebian classes, the serfs and peasants were subject to their lord or noble who controlled the land and everything else. "Before the Protestant Reformation in the 1500's, all the nations of the world were poor, much like the continent of Africa today. After the Reformation, literacy flourished, economic principles were articulated, and entire nations rose out of poverty. This produced a thriving middle class for the first time in human history." 'Understanding the Culture: A survey of Social Engagement', Jeff Myers. The Reformation brought about a flourishing middle class made of artisans, welders, printers, and the like.

Before the Reformation, all the Papal hierarchy had to do was control the king, or the baron, or the land owner. If he was controlled, then it would be easy to control the illiterate serfs and peasants. With the rise of the Reformation and the middle class, people began thinking more for themselves, independent of lords and barons, making a way for themselves and their families. The middle class made it much more difficult to control the populace because these people would think for themselves and the papacy did not want this! In order to bring the world back under Rome's sway, the middle class thinking people must be reduced and finally eliminated in Rome's plan. Coronavirus went a long way toward achieving Rome's agenda!

Civil and religious liberty was virtually an unknown commodity during the Dark Ages of Papal tyranny. "Nevertheless, in defending a gospel of salvation "by faith alone," Luther introduced a new source of authority into the bloodstream of the West. For nearly a thousand years, every European man and woman **owed allegiance to two kinds of authority: political (kings, nobles, magistrates) and religious (popes, councils, bishops, or their representatives)**. When it came to deciding matters of faith, however, Luther found both to be deeply flawed and untrustworthy...

"With the help of the printing press, this 16th century protest against corruption in the Catholic Church would drastically change the course of Christianity – and history itself. In the process, Luther laid bare the scandal of Christendom: a political society that preserved spiritual unity through coercion and violence. Dissent from orthodoxy was outlawed; heresy was rooted out and punished by fire and sword. The papal bull of 1520 excommunicating Luther from the Catholic Church, for example, accused him of promoting 41 heresies and "pestiferous errors." One of the alleged errors was his view that "the burning of heretics is against the will of the Holy Spirit." Luther offers his fullest treatment of these issues in *Secular Authority* where he sharply **distinguished the aims of church and state, limiting the reach of government to preserving life and property...** Other reformers sought a radical separation of church and state, a concept that Luther ultimately rejected. Others went further in defending the rights of all religious believers, even heretics and non-believers, in civic and political life... In the 18th century, the United States became the first nation to enshrine in its constitution the Protestant conception of the rights of conscience. James Madison, the mind behind the First Amendment, was inspired by Luther's achievement. In a letter to F.L. Schaeffer, dated 1821, **Madison explained that the American model of religious liberty "illustrates the excellence of a system which, by a due distinction, to which the genius and courage of Luther led the way, between what is due to Caesar and what is due God, best promotes the discharge of both obligations."** 'National Geographic', Joseph Loconte, Ph.D., October 27, 2017

By distinguishing between duties to God and duties to man, Luther paved the way to church state separation, the inherent rights of man to civil and religious freedom, and paved the way for the grand experiment called America!! In the eyes of the Roman hierarchy, these blood bought Protestant freedoms cannot stand! Thus, we are confronted by a pandemic and the mad man of the Beltway!

What about population control? “The Georgia Guide stones are a granite monument erected in 1980 in Elbert County, Georgia, in the United States. A set of 10 guidelines is inscribed on the structure in eight modern languages and a shorter message is inscribed at the top of the structure in four ancient language scripts. The monument stands at an approximate elevation of 750 feet (230 m) above sea level, about 90 miles (140 km) east of Atlanta, 45 miles (72 km) from Athens, Georgia and 9 miles (14 km) north of the center of the city of Elberton... The anonymity of the guide stones’ authors and their apparent advocacy of **population control**, eugenics, and internationalism have made them a target for controversy.” Wikipedia The Georgia guide stones reek of Jesuit/papal globalism and population reduction. While we have seen with the coronavirus over 350,000 dead worldwide, there could be many, many more before this is all over.

Coronavirus, Anthony Fauci, job losses, destruction of civil and religious liberty, and population reduction, fit very nicely into the wicked schemes of the Jesuit/papal agenda. ‘Vowed to perpetual poverty and humility, it was their studied aim to secure wealth and power, to be devoted to the overthrow of Protestantism, and the re-establishment of the papal supremacy.’ GC, pg. 234 There is but one more piece to this puzzle and that is the reestablishment of papal supremacy. The last three popes have made very clear what the final piece will be in making the entire world Catholic. When the final piece of the puzzle will be implements, only the God of heaven knows. But what the final piece will be; well, there is no doubt.

The Coronavirus by Bill Hughes. Chapter 3.  
Wuhan-Catholic Connection

This is continued from [Chapter 2. Conspiracy](#)

What has been the story from day one in this coronavirus conundrum? The story has been thus, In the public mind, the origin story of coronavirus seems well fixed: in late 2019 someone at the now world-famous Huanan seafood market in Wuhan was infected with a virus from an animal. The rest is part of an awful history still in the making, with Covid-19 spreading from that first cluster in the capital of China's Hubei province to a pandemic that has killed about 350,000 people so far (to the time this article was written).

**December 31-January 11, 2020**

On December 31 last year, China alerted the WHO to several cases of unusual pneumonia in Wuhan, a city of 11 million people. The virus was unknown. Several of those infected worked at the city's Huanan Seafood Wholesale

Market, which was shut down on January 1. As health experts worked to identify the virus amid growing alarm, the number of infections exceeded 40.

On January 5, Chinese officials ruled out the possibility that this was a recurrence of the severe acute respiratory syndrome (SARS) virus – an illness that originated in China and killed more than 770 people worldwide in 2002-2003.

On January 7, officials announced they had identified a new virus, according to the WHO. The novel virus was named 2019-nCoV and was identified as belonging to the coronavirus family, which includes SARS and the common cold.

On January 11, China announced its first death from the virus, a 61-year-old man who had purchased goods from the seafood market. Treatment did not improve his symptoms after he was admitted to hospital and he died of heart failure on the evening of January 9.

#### **January 13 – 19, 2020**

The WHO reported on January 13 a case in Thailand, the first outside of China, in a woman who had arrived from Wuhan.

On January 17, as a second death was reported in Wuhan, health authorities in the US announced that three airports would start screening passengers arriving from the city. Authorities in the US, Nepal, France, Australia, Malaysia, Singapore, South Korea, Vietnam and Taiwan confirmed cases over the following days.

#### **January 20 – 26, 2020**

On January 20, China reported a third death and more than 200 infections, with cases also reported outside Hubei province including in Beijing, Shanghai and Shenzhen. Meanwhile, a Chinese expert on infectious diseases confirmed human-to-human transmission to state broadcaster CCTV, raising fears of a major outbreak as millions travelled for the Lunar New Year holiday. The cities of Wuhan, Xiantao and Chibi in Hubei province were placed under effective quarantine on January 23 as air and rail departures were suspended. By the end of the week, more areas were placed under lockdown affecting a total of 56 million people. The WHO said that the outbreak did not yet constitute a public emergency of international concern and there was “no evidence” of the virus spreading between humans outside of China.

#### **January 27 – February 2, 2020**

On January 30, the WHO declared the coronavirus a global emergency as the death toll in China jumped to 170, with 7,711 cases reported in the country, where the virus had spread to all 31 provinces. By the end of the week, China reported 304 deaths amid 14,380 infections. Within a few days, new cases were confirmed in India, Philippines, Russia, Spain, Sweden and the United Kingdom, Australia, Canada, Germany, Japan, Singapore, the US, the UAE and Vietnam.

On February 2, the Philippines reported the first death outside China, the

victim being a Chinese man from Wuhan, the capital of Hubei province where the new coronavirus was detected in late 2019.

March 23 – 29, 2020

In the US, the White House and Senate leaders of both parties struck an agreement on March 25 on a sweeping \$2 trillion measure to aid workers, businesses and a healthcare system strained by pandemic. By the end of the week, the US accounted for the highest number of coronavirus infections in the world, recording more than 124,000 cases and 2,000 deaths, more than double the figure two days before. Meanwhile, as the number of cases worldwide surpassed 600,000, with more than 27,000 deaths on March 27, India and South Africa joined the countries to impose lockdowns. Kenya, Kazakhstan and Honduras reported their first deaths, while Johnson announced he had tested positive. In Europe, Spain recorded 838 new coronavirus deaths over the previous 24 hours on March 29, marking the country's highest daily jump in fatalities. The country was now second only to Italy where the death toll shot past 10,000 with 889 new deaths. (taken from Aljazeera, May 18, 2020)

The previous paragraphs make it very clear that the virus had its origins in Wuhan, China back in December. From this epicenter, the virus has now spread all over the world, killing hundreds of thousands of people and disrupting the lives of everyone on this planet. And you say, this has everything to do with Wuhan, China and NOTHING to do with the Vatican! That is very perceptive of you. Here goes.....

"Dr. Anthony Fauci, director of the National Institute of Allergy and Infectious Diseases, warned members of the incoming Trump administration in January 2017 about the inevitability of a "surprise outbreak" of a new disease. He said at the time that the US needed to do more to prepare. **"There is no question that there will be a challenge to the coming administration in the arena of infectious diseases,"** Fauci said during a speech at Georgetown University, adding, "The thing we're extraordinarily confident about is that we're going to see this in the next few years." Business Insider, April 13, 2020

How did Fauci know this? How did he know there would be a pandemic during the Trump administration? Isn't Fauci a doctor? He sounds more like a prophet. , "The thing we're extraordinarily confident about is that we're going to see this in the next few years." Business Insider, April 13, 2020

The following two statements shed on light on how Fauci could be so sure that a pandemic would strike during the Trump administration. **"Dr. Anthony Fauci, a member of the coronavirus task force, had previously backed funding for a controversial lab in Wuhan, China, that has been studying the coronavirus in bats, reports said. Fauci's National Institute of Allergy and Infectious Diseases had shelled out a total of \$7.4 million to the Wuhan Institute of Virology lab – which has become the focus of theories about the origin of COVID-19, according to Newsweek.** The National Institutes of Health, which oversees the NIAID, shut down all funding to the lab last week. "At this time, NIH does not believe that the current project outcomes align with the program goals and agency priorities," a deputy director at the agency wrote

in a letter obtained by Politico. There is “increasing confidence” among officials in the Trump administration that the Wuhan Institute of Virology lab is the original site of the virus. A report by Fox News said embassy officials warned in January 2018 about inadequate safety there. ***The NIH defended its funding of the lab in a statement to Newsweek.***” April 29, 2020, New York Post.

Fauci’s organization, the National Institute of Allergy and Infectious Diseases, sent 7.4 million dollars to the Wuhan laboratory in China, knowing full well that they were studying the coronavirus in bats. If his organization sent 7.4 million dollars to the Wuhan lab, then obviously Fauci was backing the research to the hilt. He not only knew of the experimenting, but backed it with millions of dollars. Fauci also believes in the golden rule. The one who dishes out the dough makes the rules! If Fauci was doling out 7.4 million, would it be safe to say that, he being a medical expert in infectious disease, was also part of what went on at Wuhan? The writing on the wall says yes!! This information is shocking, tying Anthony Fauci to Wuhan and the coronavirus.

The final comment from Newsweek magazine goes even further. “Dr. Anthony Fauci is an adviser to President Donald Trump and something of an American folk hero for his steady, calm leadership during the pandemic crisis. At least one poll shows that Americans trust Fauci more than Trump on the coronavirus pandemic—and few scientists are portrayed on TV by Brad Pitt. ***But just last year, the National Institute for Allergy and Infectious Diseases, the organization led by Dr. Fauci, funded scientists at the Wuhan Institute of Virology and other institutions for work on gain-of-function research on bat coronaviruses.*** In 2019, with the backing of NIAID, the National Institutes of Health committed \$3.7 million over six years for research that included some gain-of-function work. The program followed another \$3.7 million, 5-year project for collecting and studying bat coronaviruses, which ended in 2019, bringing the total to \$7.4 million. ***Many scientists have criticized gain of function research, which involves manipulating viruses in the lab to explore their potential for infecting humans, because it creates a risk of starting a pandemic from accidental release.***

SARS-CoV-2, the virus now causing a global pandemic, is believed to have originated in bats. ***U.S. intelligence, after originally asserting that the coronavirus had occurred naturally, conceded last month that the pandemic may have originated in a leak from the Wuhan lab.*** (At this point most scientists say it’s possible—but not likely—that the pandemic virus was engineered or manipulated.) Dr. Fauci did not respond to Newsweek’s requests for comment. NIH responded with a statement that said in part: “Most emerging human viruses come from wildlife, and these represent a significant threat to public health and biosecurity in the US and globally, as demonstrated by the SARS epidemic of 2002-03, and the current COVID-19 pandemic.... scientific research indicates that there is no evidence that suggests the virus was created in a laboratory. ***The NIH research consisted of two parts. The first part began in 2014 and involved surveillance of bat coronaviruses, and had a budget of \$3.7 million. The program funded Shi Zheng-Li, a virologist at the Wuhan lab, and other researchers to investigate and catalogue bat***

***coronaviruses in the wild. This part of the project was completed in 2019."***  
Newsweek, April 28, 2020

Researching viruses in laboratories is highly criticized by scientists because of the possibility of the virus being leaked and causing a pandemic. This is exactly what happened in Wuhan. Dr. Fauci's comments in 2017 would indicate that he knew that would be the case and warned it was coming!!! Was that part of his pre meditated plan to perfect a virus, pay for its research and perfection, and then have it leaked so that millions of people would die? Was Fauci already clear in his mind that once the virus was perfected in Wuhan that he would then have it released in order to infect millions? Was that why Fauci could speak with such arrogance in 2017 that a pandemic would hit the Trump administration? The three news sources that exposed this material are the Business Insider, the New York Post, and Newsweek! This material is shocking!

Why would Fauci pull such a stunt? What could possibly be his purpose or the purpose of those who control him? A little background on this reprehensible man provides the hidden clues. "His maternal grandfather, Giovanni Abys, was born in Switzerland and was an artist, noted for landscape and portrait painting, magazine illustrations (Italy) as well as graphic design for commercial labels, including olive oil cans. His grandparents emigrated from Italy to the United States in the late 19th century. ***Fauci grew up Catholic.*** Fauci attended Regis High School in Manhattan's Upper East Side, where he captained the school's basketball team and graduated in 1958. ***He then went to the College of the Holy Cross, graduating in 1962 with a Bachelor of Arts in classics. Fauci then attended medical school at Cornell University Medical College where he graduated first in his class with a Doctor of Medicine in 1966.*** He then completed an internship and residency in internal medicine at the New York Hospital-Cornell Medical Center, now known as New York Presbyterian/Weill Cornell Medicine." So, Fauci is a devout Roman Catholic and attended the College of the Holy Cross. And what do we know about Holy Cross? Wikipedia says, "***The College of the Holy Cross, or better known simply as Holy Cross, is a private Jesuit liberal arts college in Worcester, Massachusetts. Founded in 1843, Holy Cross is the oldest Catholic college in New England and one of the oldest in the United States.*** Opened as a school for boys under the auspices of the Society of Jesus, it was the first Jesuit College in New England. Today, Holy Cross is one of 28 member institutions of the Association of Jesuit Colleges and Universities." Wikipedia

Fauci used his profession to carry forward the global, papal/Jesuit agenda for the world. In a forthcoming chapter, we will see clearly what that agenda is. Fauci is not a calm, sensible man, but rather a cool, calculating medical madman in the Beltway!!

The Coronavirus by Bill Hughes. Chapter 2.  
Conspiracy

Continued from [The Coronavirus by Bill Hughes. Chapter 1. Deception](#)

At the United Nations on November 10, 2001, United States President George W. Bush denounced the emergence of “outrageous conspiracy theories ... that attempt to shift the blame away from the terrorists, themselves, away from the guilty.” Later, as media exposure of conspiracy theories of the events of 9/11 increased, U.S. Government agencies and the Bush Administration issued responses to the theories, including a formal analysis by the National Institute of Standards and Technology (NIST) about the collapse of the World Trade Center, a revised 2006 State Department webpage to debunk the theories, and a strategy paper referred to by President Bush in an August 2006 speech, which declared that terrorism springs from “subcultures of conspiracy and misinformation,” and that “terrorists recruit more effectively from populations whose information about the world is contaminated by falsehoods and corrupted by conspiracy theories.” Clearly, former President Bush is not happy with conspiracy theories. Since he isn’t, this has set a precedent among people that the idea of conspiracy is purely a theory and that there is no basis to it. Well.....

George W. Bush attended Yale University and was a member of a Secret Society while there. The name of the Society was the Order of Skull and Bones. In order for Bush to become a member, he had to go through an initiation rite. In this rite, Bush vowed absolute obedience to three representatives. In the book, Codeword Barbelon by P. D. Stuart, it states that Bush bowed to the head of Freemasonry, the Pope, and the Jesuit General. Pages 339-341 declare this truth. Bush sold his soul to these entities and would do ANYTHING they

told him to do. Any vows of loyalty to his country would mean NOTHING to a member of Skull and Bones. George Bush followed the leading of these powers while in the White House. Why would Bush speak out so forcefully against the idea of conspiracy was because he was part of a massive conspiracy?!

So, what of conspiracy? Is there really a conspiracy? Is it a theory or is it a fact? Is anyone who believes in a conspiracy a nut or is he right on the money? According to Webster's dictionary, a conspiracy is "An agreement to perform together an illegal, wrongful, or subversive act.

2. A group of conspirators.

3. ***An agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action.***

4. A joining or acting together, as if by sinister design: a secret plan to carry out an illegal or harmful act.

5. The act of making such plans.

Conspiracy – a secret agreement between two or more people to perform an unlawful act.

So, a conspiracy is two or more people or groups united together with a sinister purpose. Well, you say, there are so many voices out there. How do I know which one to trust that will be giving an unbiased view? Those are fair comments. The only unbiased, clear book that will give us the answer is the Bible. Revelation 17 and 18 answer this question of conspiracy very clearly if we are open to hear what it says. We are immediately confronted in these chapters with a monolithic power called Babylon the Great. "And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH." Revelation 17:5 interestingly enough, the Protestant Reformers agreed on very little, BUT they all agreed on who Babylon the Great was. Listen to them speak.

Luther: "nothing else than the kingdom of Babylon and of very Antichrist. For who is the man of sin and the son of perdition, but he who by his teaching and his ordinances increases the sin and perdition of souls in the church; while he yet sits in the church as if he were God? All these conditions have now for many ages been fulfilled by the papal tyranny." (Martin Luther, First Principles, pp. 196-197)

Luther: "Luther ... proved, by the revelations of Daniel and St. John, by the epistles of St. Paul, St. Peter, and St. Jude, that the reign of Antichrist, predicted and described in the Bible, was the Papacy ... And all the people did say, Amen! A holy terror seized their souls. It was Antichrist whom they beheld seated on the pontifical throne. This new idea, which derived greater strength from the prophetic descriptions launched forth by Luther into the midst of his contemporaries, inflicted the most terrible blow on Rome." Taken from J. H. Merle Daubigny's History of the Reformation of the Sixteenth Century, book VI, chapter xii, p. 215.

Calvin: "But to conclude this point in a few words: I deny that See to be

Apostolical, wherein naught is seen but a shocking apostasy – I deny him to be the vicar of Christ, who, in furiously persecuting the gospel, demonstrates by his conduct that he is Antichrist – I deny him to be the successor of Peter, who is doing his utmost to demolish every edifice that Peter built – and I deny him to be the head of the Church, who by his tyranny lacerates and dismembers the Church, after dissevering her from Christ, her true and only Head.–Calvin, “Tracts and Letters” vol 1, 219-220.

Knox: “Yea, to speak it in plain words; lest that we submit ourselves to Satan, thinking that we submit ourselves to Jesus Christ, for, as for your Roman kirk, as it is now corrupted, and the authority thereof, whereon stands the hope of your victory, I no more doubt but that it is the synagogue of Satan, and the head thereof, called the pope, to be that man of sin, of whom the apostle speaks.” (John Knox, The History of the Reformation of Religion in Scotland, p.65)

Knox: Knox wrote to abolish “that tyranny which the pope himself has for so many ages exercised over the church” and that the pope should be recognized as “the very antichrist, and son of perdition, of whom Paul speaks.” Taken from “The Zurich Letters” pg. 199 by John Knox.

Wesley: “The man of sin, the son of perdition– ...in many respects, the Pope has an indisputable claim to those titles. He is, in an emphatical sense, the man of sin, as he increases all manner of sin above measure. And he is, too, properly styled, the son of perdition, as he has caused the death of numberless multitudes, both of his opposers and followers, destroyed innumerable souls, and will himself perish everlastingly. He it is that opposes himself to the emperor, once his rightful sovereign; and that exalts himself above all that is called God, or that is worshipped, commanding angels, and putting kings under his feet, both of whom are called gods in scripture; claiming the highest power, the highest honor; suffering himself, not once only, to be styled God or vice-god. Indeed no less is implied in his ordinary title, “Most Holy Lord,” or, “Most Holy Father.” So that he sits enthroned in the temple of God – Mentioned Rev. 11:1. Declaring himself that he is God, claiming the prerogatives which belong to God alone.–Explanatory Notes Upon the New Testament, p. 216)”

Roger Williams: [speaking of the Pope, Williams said]: “the pretended Vicar of Christ on earth, who sits as God over the Temple of God, exalting himself not only above all that is called God, but over the souls and consciences of all his vassals, yea over the Spirit of Christ, over the Holy Spirit, yea, and God himself...speaking against the God of heaven, thinking to change times and laws; but he is the son of perdition (II Thess. 2).” The Prophetic Faith of Our Fathers, by Froom, Vol. 3, pg. 52.

Westminster Confession: ““There is no other head of the church but the Lord Jesus Christ. Nor can the pope of Rome in any sense be head thereof; but is that Antichrist, that man of sin and son of perdition that exalteth himself in the church against Christ and all that is called God.” Taken from Philip Schaff’s, The Creeds of Christendom, With a History and Critical Notes, III, p. 658, 659, Ch. 25, sec. 6.

Cotton Mather: "The oracles of God foretold the rising of an Antichrist in the Christian Church: and in the Pope of Rome, all the characteristics of that Antichrist are so marvelously answered that if any who read the Scriptures do not see it, there is a marvelous blindness upon them." Taken from The Fall of Babylon by Cotton Mather in Froom's book, The Prophetic Faith of Our Fathers, Vol. 3, pg. 113.

All Reformers: "Wycliffe, Tyndale, Luther, Calvin, Cranmer; in the seventeenth century, Bunyan, the translators of the King James Bible and the men who published the Westminster and Baptist confessions of Faith; Sir Isaac Newton, Wesley, Whitfield, Jonathan Edwards; and more recently Spurgeon, Bishop J.C. Ryle and Dr. Martin Lloyd-Jones; these men among countless others, all saw the office of the Papacy as the antichrist." Taken from All Roads Lead to Rome, by Michael de Semlyen. Dorchester House Publications, p. 205. 1991.

According to the Reformers of the Protestant denominations, the papal power is Babylon the Great, the Mother of harlots; she is the antichrist and the man of sin, and she is seeking to rule the world one last time! Is anyone working with her in this effort? Revelation 17:2 and 18 record for us these insightful words, "With whom **the kings of the earth** have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication." Verse 18 says, "And the woman which thou sawest is that great city, **which reigneth over the kings of the earth.**" Wow! The political leaders of the world, be they dictators, prime ministers, presidents, premiers, or the like, the Bible says these political powers are puppets in the hands of the papacy! Rome herself has made this very clear in her own publications. "'Why, if the government of the United States were at war with the Church, we would say tomorrow, 'To Hell with the government of the United States;' and if the church and all the governments of the world were at war, we would say: 'To Hell with all the governments of the world.' Why it is the pope has such tremendous power? Why the pope is the ruler of the world. All the emperors, all the kings, all the princes, all the presidents of the world are as these ALTAR BOYS of mine." Priest Phelan, Western Watchman, June 27, 1912, emphasis supplied. Pray, friend, as you never have before that political leaders would throw off the wicked shackles of Rome and stand in their God ordained positions!

Do we have a conspiracy yet? Remember, Webster's told us that a conspiracy is 'an agreement between two or more persons to commit a crime or accomplish a legal purpose through illegal action.' So far, Revelation 17 and 18 have told us emphatically that we have a CONSPIRACY and that is a FACT! You can take that to the bank. Friend, you may say, "Oh, the leader of my country would never do ANYTHING bad and the Roman Catholic leadership are ALL fine men of God! How dare you say such things! I didn't say them, Jesus did! The Lord Jesus loves you and me more than any leader or prelate. He would never lie to you! He wants to save you in His soon, coming kingdom.

Does it stop there? Is it just the papacy and the leaders of our world who are involved in a sinister plot to entrap us all in rebellion against the principles of Heaven? The Bible does not stop there. Revelation 18:11-15 declares, "**And the merchants of the earth** shall weep and mourn over her; for

no man buyeth their merchandise any more. The merchandise of gold, and silver, and precious stones, and of pearls, and fine linen, and purple, and silk, and scarlet, and all thyine wood, and all manner vessels of ivory, and all manner vessels of most precious wood, and of brass, and iron, and marble, And cinnamon, and odours, and ointments, and frankincense, and wine, and oil, and fine flour, and wheat, and beasts, and sheep, and horses, and chariots, and slaves, and souls of men. And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all. **The merchants of these things, which were made rich by her**, shall stand afar off for the fear of her torment, weeping and wailing..."

The merchants of the earth? The Bible says the merchants are those who buy and sell every commodity known to man. Those people who sell oil and have stores all over the world and trade worldwide. These are people that tell bankers what to do. The worlds wealthy remain rich as they are willing to sell their souls to Rome/Jesuits. Revelation 18:15 is clear; the papacy rules the rich. The international bankers go as the papacy bids her. While these wealthy people are ruled over by Rome, remember, these wealthy people control the media. So, the papacy/Jesuits tell the wealthy what they want in the media and the wealthy tell the media people what to say! This is all locked together in a global conspiracy!

Now, we have three entities tied together; the Papal power/Jesuits, the political power of earth, and the wealthy. With every word comes a wider enveloping conspiracy. Are there any other partners in this heinous plan against humanity? Well, Revelation 17:5 says, "And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, **THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH.**" Well, the papacy is the Mother whore. Thus, a false church is identified as an impure woman. Then, the harlot daughters must be the churches today that are following in the footsteps of Rome! Alberto Rivera said that there aren't any mainstream churches today that have not been taken over by Rome. "All the mainstream churches were taken over by 1980. Dr. Rivera explained that when he was under the extreme oath of the Jesuits, he was told that a secret sign was to be given to the Jesuits worldwide when the ecumenical movement had successfully wiped out Protestantism, in preparation for the signing of a concordat between the Vatican and the U.S. "The sign was to be when a President of the U.S. took his oath of office facing an obelisk. For the first time in U.S. history, the swearing in ceremonies were moved to the West front of the Capitol, and President Reagan faced the Washington Monument. This happened January 20, 1981." Jack Chick, The Godfathers, Alberto Part Three, Chick Publications, page 26 Is that why all churches today are silent on declaring the papal power to be the antichrist of the Bible? Is that why all churches today are involved in ecumenical gatherings where truth is destroyed and it is all about sacrificing historic beliefs of the past? Pray for men who will stand up and declare the truth of God! "The greatest want of the world is the want of men – men who will not be bought or sold; men who in their inmost souls are true and honest; men who do not fear to call sin by its right name; men whose conscience is as true to duty as the needle to the pole; men who will stand for the right though the heavens fall." (Education, p. 57).

Now, we have four groups united together against God and His truth. The papacy/Jesuits, the political leaders, the wealthy, and the churches all together to rebel against the Lord Jesus and His truth. That is a conspiracy! Fact! There is one last thing Rome uses for her wicked purposes. "And in her was found the blood of prophets, and of saints, and ***of all that were slain upon the earth.***" Rev. 18:24 History records for us that the papacy/Jesuits killed millions through time. Those who dared to follow the teachings of the Bible were hunted, slaughtered, split in two, and destroyed by Rome. The Inquisition was just one tool in her arsenal. However, the Bible says the papacy is responsible for killing machines that eliminate people. Killing machines like war, terror attacks; anything that leads to the deaths of millions of people rests at the footsteps of the Vatican! What about pandemics that kill millions, yeah, billions, before this thing is all over?

Are you saying that Rome/Jesuits had something to do with the current pandemic? Are you saying the papacy is behind this global tragedy that has killed hundreds of thousands of people to date? What an idiot you are; everyone knows it originated in Wuhan, China and that is the end of the story! We have been told by the media that it originated there and it did! Ah, but who was behind it? Who pushed the program in Wuhan that has caused a global tragedy? Are you ready to listen?

The Coronavirus by Bill Hughes. Chapter 1.  
Deception

He was right way too many times for anyone not to take what He said seriously. Every single prediction He made came to pass. It would be very serious not to heed advice He may have for those living toward the end of the world. The Man referred to is Jesus and this is His warning.

Jesus was at the end of His life and the professed people of God were plotting His life. He told them that their persistent rebellion would bring upon them destruction. Jesus said, "O Jerusalem, Jerusalem, thou that killest the prophets, and stonest them which are sent unto thee, how often would I have gathered thy children together, even as a hen gathereth her chickens under her wings, and ye would not! Behold, your house is left unto you desolate. For I say unto you, ye shall not see me henceforth, till ye shall say, blessed is he that cometh in the name of the Lord." Matthew 23:37-39 In these tragic words, Jesus told the Jews that their temple would be destroyed. This was a most stunning thing to predict, but He had been right too many times before to not take Him very, very, seriously.

Herod's temple was a wonder of the ancient world. White marble in appearance, it had the look of being impregnable. However, Jesus said it was coming down and down it came in 70AD before the onslaught of Titus and the Romans. Among those who were most stunned by what Jesus said were His disciples. Shortly after this, Jesus reiterated what He had already said, saying, "See ye not all these things? Verily I say unto you, there shall not be left here one stone upon another that shall not be thrown down. And as he sat upon the Mount of Olives, the disciples came unto him privately, saying; tell us, when shall these things be? And what shall be the sign of thy coming, and of the end of the world?" Matthew 24:2, 3

The disciples were convinced that when the temple was destroyed Jesus would come the second time to this earth. They put the two events together. However, the two events didn't happen at the same time. The temple was destroyed in 70 AD and Jesus has yet to come the second time. When answering the disciples two fold question, Jesus only gave one answer. That means that what He said applies not only to the events to take place around the destruction of the temple, but the same events would occur just before His Second Coming! That means that what Jesus said has a double application. What Jesus said had meaning for the people living around 70 AD and His words have meaning for us today!

What did Jesus tell us? Here we go, "And Jesus answered and said unto them, Take heed that **no man deceive you**. For many shall come in my name, saying, I am Christ; and **shall deceive many**. And ye shall hear of wars and rumors of wars: see that ye be not troubled: for all these things must come to pass, but the end is not yet. For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places." Matthew 24:4-7 Twice in those verses, Jesus told us to watch out for deception. In Matthew 24:11, we read, "And many false prophets shall rise, and **shall deceive many**." Finally, in Verse 24, Jesus said, "For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, **they shall deceive the very elect**."

Whenever Jesus wanted to stress something, He would say, "Verily, verily, I say unto you." He would repeat verily twice for emphasis. In Matthew 24, for those living at the end of earth's history, Jesus repeated a word four times, and said, "You better watch out. DECEPTION will be so thick you could cut it with a knife. Watch out what you are told! Beware!"

Now, before going any further, let us be very clear on what deception is. Webster's dictionary tells us, deception is "deceitfulness, duplicity, double-dealing, fraud, trickery". Let me illustrate this for you from an experience I had when I was in the eighth grade. My junior high school had a flag football team. On our championship team, we had one play that always scored a touchdown. The reason it was so successful was because we used deception. Let me explain briefly. The flanker would spread out wide to the right of the formation. As the quarterback, me, called the signals, he would come in motion back toward me. By the time I said three, he was close in proximity to me. I would turn, lateral the ball to him, and then my two backs, Brian and Bill, would block around the left end. We ran this play twice on first and second down.

On third down, we did the identical thing. As I started calling the signals, the flanker, Kevin, would start toward me. The other team KNEW exactly what we were going to do. They started moving toward the side of the field where they KNEW Kevin would be shortly. In fact, they started smiling at me as they moved over to the side, waiting for what would SURELY occur. Well, I pitched the ball to Kevin and we started around the end as always, EXCEPT for one thing. My speedy halfback, Brian, didn't go to block. He reversed his field, took the ball from Kevin's outer hip, and made his way down the opposite sideline where nobody was. The other team pulled Kevin's flags and was so happy with themselves, figuring they got us. All the time, Brian was running down the opposite sideline for a touchdown.

It worked to perfection. We had deceived the other team into believing that Kevin would carry it again around the corner, and while they were so happy, the real play was happening in a totally different area. The other side of the field was where things were happening and the other team didn't know that! They were deceived, faked out, and tricked! And, Jesus said this would be happening down toward the end of earth's history! He told us to watch out. While everything is being focused and centered on something, the REAL events are happening in another area of the world. Could that be happening to us

today? Is the coronavirus, in which many people are tragically dying, being used today by certain powerful groups in our world to bring about their agenda? While everyone focuses on this virus, are other things happening in our world that could lead to terrible results for everyone on this planet?

Jesus told us, "Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many." Matthew 24:4, 5 He has been right too many times to not take what He says very, very, seriously. Now, let's weigh something for a moment. Where do we receive most of our information today? What mechanisms are used to communicate to people in the timeliest manner and to reach the most people at once? Clearly, the media is what is used very effectively to communicate to the populace. We get the great bulk of our messages of communication from the television, the radio, newspapers, magazines, and the internet. Is it possible that the media we are listening to is controlled by powerful people behind the scenes? Is it possible that these power groups are dictating what people are told in order to help the masses embrace an agenda? You know, I grew up on Walter Cronkite and David Brinkley and thought they were the finest of men. I'm sure many of us feel the same about David Muir, Katie Couric, George Stephanopoulos and Diane Sawyer today.

With Jesus' warning ringing in our ears and the undeniable fact that media is the way we receive messages today, a statement by John Swinton hits us square between the eyes. Swinton was a preeminent journalist over a century ago. Swinton declared at a press club dinner in his honor, "There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinion out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours my occupation would be gone. The business of the journalists is to destroy the truth, to lie outright, to pervert, to vilify, to fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it, and what folly is this toasting an independent press? We are the tools and vassals of rich men behind the scenes. We are the jumping jacks, they pull the strings and we dance. Our talents, our possibilities and our lives are all the property of other men. We are intellectual prostitutes." (Source: Labor's Untold Story, by Richard O. Boyer and Herbert M. Morais, published by United Electrical, Radio & Machine Workers of America, NY, 1955/1979.)

The quote raises the issue of whether there is not continuing truth in Swinton's remarks, and whether some candid journalist might not be able to fairly say similar things today. Anyone who has associated closely with journalists can hardly avoid finding a ring of truth in such words, and the best evidence lies in the actual product of journalists and how well, or how poorly, it both agrees with and covers what actually happens, especially involving such things as corruption and abuse of power. Swinton declared that

journalists are the tools of rich men behind the scenes. The journalists are puppets in the hands of the wealthy that control them. In order to save their job, the journalist or anchor will readily lie, deceive (there is that word), say whatever they are told in order to guide people down the path of their handlers-the wealthy of the world! Just one example of this would be the control of media by one Rupert Murdoch. His holdings over the media of this world are staggering.

So, does the world's wealthy have an agenda for the populace of this world? Are they using their wealth and power to communicate to this planet what they want them to know about this virus in order to carry out their agenda for this world? Are their powers above the wealthy people of the world who also have global agendas and the coronavirus is part of finalizing their plans? Does this sound like a conspiracy to you? People shy away from conspiracy today, poo pooing it as conspiracy theorists. Probably just some cuckoo heads. We will look at this in our next chapter. Jesus warned us about deception. I hope we are listening.

Jesuits have infiltrated government agencies such as the CDC, educational institutions, and Protestant churches and seminaries to mislead the public. It was the Pope, the Vatican and the Jesuits who promoted Covid vaccinations which have undermined the health of the public.

## Pope Francis is behind Coronavirus and the Jabs: Dr. Bryan Ardis

I actually think the Roman Catholic Church and the Pope, Pope Francis, is over this entire thing. And I think he's manipulating controlling the entire narrative. I think he's got Anthony Fauci in his pocket. I think he's got Joe Biden, Donald Trump, Francis Collins, I think all of them are being controlled by a division of the Roman Catholic church called the order of the Jesuits, whose sole mission for the last 200 years I'm aware of since 1857, they have been plotting to destroy the Constitution of the United States, as the one last stronghold of a country that preserves and protects religious freedoms.

## **Introduction:**

David E. Martin Ph.D. is the developer of several innovation-based quantitative indices of public equities and the founder of the Purple Bridge Funds and M-CAM International. He has worked closely with the United States Congress and numerous trade and financial regulatory agencies in the United States. Dr. Martin is also a Batten Fellow at the University of Virginia's Darden Graduate School of Business Administration. (Quoted from

Red Pill Expo is the major public event of Red Pill University. “Red Pill University is a coalition of individuals and organizations that share a common problem – and have a common understanding of the solution. The problem is that peaceful, law-abiding citizens are experiencing ever-increasing control over their lives by governments and corporations. ” – Quoted from

The purpose of this talk is to de-mystify the “they” of the COVID War.

## **Excerpts from the talk by Dr. David Martin to the Red Pill Expo**

"How many of you are familiar with the company, Anser? I love having this moment. Do you know they are the single largest contractor in the entire COVID terrorism campaign?...

"The companies on the right, that you think are the ones running this show [Pfizer, Moderna, Johnson & Johnson, Merck Ridgeback, Gilead Sciences], are in fact a front [for the companies on the left, Anser, Fors-Marsh, Palantir, Publicis Sapient].

"And you know what a front organization is? They're the ones that are supposed to take the flack and take the heat. The ones on the left are the ones that actually got the money. Operation Warp Speed went to Anser.

"You didn't know that, because you were told by the media that it went to Pfizer, Moderna, Johnson & Johnson and all that kind of stuff. That's not true. The prime contract of Operation Warp Speed went through Anser, a company none of you had heard of!

"And you didn't hear about them because the contract was signed by ATI, a company based in South Carolina, a company whose history has been government defense contracts for the purposes of propaganda! I wish I made that up. The prime contractor selected to run Operation Warp Speed was a propaganda expert for the US Department of Defense...

"Anser is the way for the Federal Government never to be liable for the criminal conspiracy they know they ran. They are now one of the top ten Federal Contractors in history, below Lockheed-Martin, Raytheon and all those guys.

"Those names you know. You don't know Anser, the single company that, by COVID rose – the highest-ranked rise in the history of federal contracting; the highest single-year rise, ever was Anser – and none of you know who they are!...

"Anser Corporation, they're the ones running Operation Warp Speed and they've been set up to shield these manufacturers from ever taking the financial liability for their willful misconduct. And one day, everybody's gonna go, 'Let's sue Pfizer! Let's go sue everybody else! And the only problem is when we go to sue them, they say, 'Hey! It wasn't us!' And they're right and all of us were asleep. And I'm talking to a woke crowd, here and all of you were asleep.

"Don't tell me you're awake if you're still sleeping, because if you didn't know who Anser is, you're still asleep!

### **IT GETS WORSE...**

"It gets worse. Fors-Marsh, anybody know Fors-Marsh?...They're the branding agency that branded COVID. They're the ones who make sure we find hospitals that are overrun with people. They're the ones who find kids that died of COVID right before the FDA needs to vote on giving kids injections. They're

the ones that go around the world, making sure every message is always the same: 'We will not return to normal until we have a vaccine.' Thank you, Justin Trudeau! Where'd you get the script? From Fors-Marsh! And how many of you knew that? None of ya!

"How about Palantir? Hey, that's a weird one, isn't it? Peter Thiel, who has successfully run a company that has lost \$200 million plus, every year for about seven or eight years, goes public in the middle of COVID. Isn't timing interesting? Isn't it fascinating that a company that's done nothing but lose billions of dollars goes public in the middle of the worst economic cycle we've had? Isn't that funny? And did you actually go back and read their public offering? Hah! Funny! I know you didn't, because there really wasn't one, that's why you didn't read it!

"Because they went public in this very bizarre, backdoor way of actually selling founder's stock into the market, so we got personally-enriched – personally-enriched – using the public market as the laundering facility. Isn't that brilliant?

"But let's look at what they did for our COVID scandal. They actually came up with a thing called Gotham Data Tracking...you know what that does? That's making sure that every time you turn your phone on, when you get off the plane, when you cross the state line, it gives you a little tag that goes, 'Hey, do you want a COVID alert in your neighborhood?' You know why? Because you are being monitored. Your phone is being monitored. Your transactions are being monitored, your credit cards are being monitored, your health behavior's being monitored, your vaccine status is being monitored and it's all done under the contract run by Gotham Data Sciences, the company that went public during COVID – and none of you knew about this.

"And you've been to Red Pills! And you still haven't taken the Red Pill! And by the way, I'm not even to the good slide, yet. So be depressed! 'Cause it's getting worse!

"Publicis Sapient, the Health and Human Services' IT contract. Have you ever wondered how the data never seems to add up? Somebody always has allegedly the same reportable data?

"Publicis Sapient has the Health and Human Services' IT contract to consolidate all of the data, so guess what happens? Everybody has the same number of COVID cases to report, when somebody from the media calls and says, 'Hey, how many cases do we have?' 'Oh, 40,000'. 'Oh, round number, 40,000'...

"When, in the course of human history has a round number involving the word 'thousand' ever happened? There's never been a 10,000 heart day, there's never been a round number day – until you actually control the Department of Health and Human Services' entire IT platform and not one of you knows that that's a single contract, run by Publicis Sapient...

"You've been focused on the right hand side the whole time and the left hand side is doing the dirty work.

## THE COVID PIRATES

"Now, why do I call them 'privateers'? How many are familiar with the difference between a pirate and a privateer? Pirates go rape and marauding and stealing and...a privateer is the same thing, that has permission to do it by a government that's gone corrupt. That's what these are (points to the slide of COVID contractors). They're the privateers. But hey, since we have privateers, it feels only appropriate that if we have a world of privateers, we should also...have a world of pirates. And here's our pirates."

The new slide shows the universities who've been involved in the COVID War: UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins, University of California System, MIT, NYU Langone, DZIF, Imperial College, IHME, Erasmus Medical Center.

"Pirates. UNC Chapel Hill, I talked about that. That's the guy who actually made the weapon, Ralph Baric. Since 1999, \$100 million to weaponize the particles of coronavirus. Over \$100 million. You've heard about \$3.7 million going to Wuhan – ohhhh – 3.7 million, that feels like a bad number.

"And how 'bout \$28 billion of that coming from DARPA for their bioweapons initiative? Anybody heard of \$28 billion that went through Anthony Fauci at NIAID? Anyone hear about the \$20 billion that went directly to UNC Chapel Hill, that weaponized spike protein?

"You haven't heard about that, you haven't heard about that because we've been talking about \$3.7 million going to Wuhan. Stop being distracted by the cover story!... Because the distraction is where the interesting thing is.

"UNC Chapel Hill, Vanderbilt, Emory, Johns Hopkins and the University of California: those are the pirates that have made the most money on federally-granted, disclosed money going into the university sector. I'm calling them 'pirates' for a very good reason. They justify all of this in the name of science and education...

"I don't even care whether these people pretend to hide behind the 'It's an academic research project' to try and get out of the bioweapons definition. The bioweapons definition says that if you enable a foreign entity to build something known to harm humanity, you have already created a felony, you are going to jail for the rest of your life and you are liable for a \$100 million penalty.

"So guess what? Welcome to Hell, all five of these universities! Because they're all felons! All of 'em!

"And how 'bout the right-hand side? MIT, New York University Langone – hey, by the way, Langone? Where did that name come from? Ken Langone? Anybody? Oh! I'm not supposed to say that name out loud, Ken Langone, except I just did, didn't I? Ken Langone...

"They're actually putting their name on the letterhead and you don't know who to look for! You're still being told, 'Oh, it's the Rothschilds and it's the Rockefellers!

"No, it's not! It's the guy who put his name on the facility! How many of you

know who Ken Langone is? Guess what? Look it up! Because that's a pretty big thing that you should be aware of and unfortunately, you're not aware of it, for a very good reason because he hid it in plain sight, in the name of the medical center. New York University Langone, like that's a really hard thing to find.

"DZIF Charité...you've heard of Dr Christian Drosten, the Crazy-in-Chief in Germany who's kind of Anthony Fauci and Ralph Baric's evil stepchild, Imperial College, the criminal conspirators who came up with the fear porn of how many people were going to die, IHME, the University of Washington program, but the one I want to bring your attention to is the one at the bottom, Erasmus Medical Center.

"Bart Haagmans...In 2002, Bart Haagmans was an interesting dude, because he actually figured out a way to build a bunch of patents around the vaccines for the coronavirus. Mysteriously, the European Union in 2012 started giving him massive, massive grants to run a thing called Zapi.

"And Zapi was the zoonotic disease transmission laboratory for the European Union. And Bart seemed to always get the money. Now, this is fascinating because Bart was also the one who decided to patent MERS. The Middle Eastern Respiratory Syndrome, remember that one? The one that never really happened but kinda happened in 2012-13? Bart was the one that patented MERS...

"Erasmus Medical Center, actually, in their public statement, when they were confronted with the lie, where they said that they hadn't filed a patent on the actual genome – kinda like the CDC said in 2007 – when confronted with the lie, they said in public – and you can't make this sh!t up, People, it's so funny! They said, 'Well, what we said was not entirely false in all jurisdictions in the world.'

#### THE COVID ORCHESTRA

"But this, Ladies and Gentlemen is the slide you wanted to see. This is actually the names and faces of the people who are, in fact killing humanity. And that's ALL of them. Now, here's the bad news: There's a lot of people on that slide, aren't there? Here's the better news...I'll actually give you all this slide, because why not? Let's make sure that we don't ever forget the names and the faces of the people who decided to kill us...

"

Here is a list of all the people in that slide:

- Mukesh D. Ambani, Chairman, Reliance Industries
- Peter Brabeck-Letmathe, Vice-Chairman of the Board of Trustees WEF
- Mark Carney, UN Special Envoy for Climate Action
- Chrystia Freeland, Deputy Prime Minister and Minister of Finance, Canada

David continues, “I want you to have some looks on there. Some are kind of interesting, like cellist Yo-Yo Ma. Did you hear me say that? Cellist, Yo-Yo Ma.

“How about the head of the Wellcome Trust? Not surprising, there, right? How about Princess Rania of Jordan? Ooh, that’s weird.

“How about the woman who happens to be sitting at the helm of the leadership of the government of Canada but conveniently out of sight but running 100% of the money for the government of Canada.

“How about all of these interesting people like, Jim Hagemann Snabe, how about Zhu Min, Chairman of the National Institute of Financial Research in China?

“And what makes these individuals interesting is that when you look at them, you find out something very important. Almost none of them have sought public visibility. Isn’t that funny? Which makes me pick on one of them. The guy I have here, at the bottom corner. And I have to give him credit. He has done so much to stay out of sight.

“I’ve got 12 minutes left. I’ve got to spend a couple of minutes on the guy who’s paid every search engine optimization to keep his name out of search engines and I’m doing it so that it costs him sh!tloads to keep all of you silent.

## DUSTIN MOSKOVITZ: EDITING THE HUMAN GENOME

"So let's get really clear on Dustin Moskovitz. Shall we, Dustin Moskovitz?...You little piece of sh!t! Let's talk about him for a minute. The Co-Founder of Facebook that you've never heard of...also the guy who founded Open Philanthropy, who was the actual check-writer for Event201. You were told that it was the World Economic Forum. You were told it was the Bill and Melinda Gates Foundation. You were told it was Johns Hopkins University. But the actual check that cleared for the program was signed by none other than Dustin Moskovitz...

"Now, I'm picking on him for a good reason. He's a felon, he's a criminal. He is one of the most sociopathic, psychopathic, crazy people walking the planet and he's paid to keep his name in private. So guess what? Don't let him! The reason why I want to give you this slide is because I want every one of them named. I want them all publicly named.

"Because it's time that we start going through the reality of saying, 'We the People are not going to let mass-murderers get away anonymously mass-murdering people. We are not going to allow that to happen! Not on our watch! And that's why you have this slide...

"But let's go back to Dustin. Isn't it interesting that Dustin conveniently decided to shroud this entire public health crisis in a self-serving, self-interested investment objective? He owns Sherlock biosciences. Sherlock Biosciences happens to be the company that owns the CRISPR technology that is the joint venture between the United States and China on gene editing the human genome...

"Dustin Moskovitz knew that if he actually tried to take this technology into the public, nobody would be willing to do it, particularly, given the fact that it's a JV [joint venture] between him and the government of China. That's the reason why we'd have a problem with it. Because it feels like eugenics. Do you know why it feels like eugenics? Because it is eugenics, that's why it feels like it! That's why it feels like Cold Spring Harbor Labs...

"The only way we could get gene-editing technology approved was with an Emergency Use Authorization. Not surprisingly, once everybody was distracted on vaccines and everybody was distracted on RTPCR and everybody was distracted on everything else, Sherlock Biosciences slipped their Emergency Use Authorization application into the FDA – and got it. In other words, using the cover of COVID, which all of us are pretending to talk about, the editing of the human genome was approved and not one of us said a thing.

"Now, if you were going to edit the human genome, do you think you'd need a good cover story to actually hide what you're really doing? You'd probably find the guy who has the biggest financial interest in doing it and make sure, that while everyone is looking over at coronavirus and COVID and trying to figure out these Lab Leak Hypothesis – there's no Lab Leak Hypothesis, because there's no lab leak!

"So stop talking about lab leaks! there is no lab leak. This is the willful weaponization of a spike protein, that's what it is. It's an act of war, it's not a leak. We need to start calling it what it is. It's an act of war. It's an act of war against humanity.

"We stop pretending to take their bait and follow their stupid rabbit trails and follow stupid rabbit trails into stupid rabbit holes and wonder why there's a bunch of pee and piss and poo that smells like rabbit warrens. Well, it smells like it because that's what you find at the end of a rabbit trail.

"We need to be focused on the point and people like Dustin Moskovitz and this slide is going to be shared with everyone in this room because it is incumbent on you. Now you know. Now you must act. Because when we talk about the 'they', we empower the 'they'.

"But when we talk about the names of people, we humanize the sociopathic behavior. We humanize the fact that there are individuals and organizations that are willfully murdering the humanity that we know and love and we cannot let that happen on our watch. It is incumbent on all of us to get those words out."

## Transcript of the video

The good news today is that scientific publications have just appeared that put an end to the whole narrative. What one has been made to believe up to now is that the SARS-CoV-2 virus is so new, that our immune system will not recognize it, and therefore, when the need arises, the immune system will not respond in time with the production of antibodies, that they could save our lives. And that's why we need to be vaccinated. That's why the whole world needs to be vaccinated.

Now, scientific publications that have appeared in the last weeks, as I said, put an end to this narrative, because it turns out that the Corona SARS-CoV-2 virus and its descendants are not so different from the old normal coronaviruses that they would not be recognized by the immune system.

Now, I tried to explain this with this chart here. This is the immune system, and the immune system can make many components. One of them are the antibodies that the immune system will make when it meets a new opponent of virus. Now, depending on whether the immune system recalls that it has seen

this virus before or not, the response will be slow. The first response is always slow; takes about four weeks for the antibodies to be made, and these antibodies are called IgM, immune globulin M.

If, however, the immune system has seen this virus before, and remembers it because the immune system has a memory, then it quickly makes other antibodies, which are called IgG and IgA. These are recall antibodies.

these antibodies serve principally two functions. One function is that if it's a virus that the antibodies are supposed to combat, the antibodies can try to prevent the entry of the virus into yourself. This is what the antibodies to Corona are supposed to do. They are called protective antibodies, because they protect the cell from getting infected by the virus.

If however, the cell does get infected, then lymphocytes are there behind the scenes that will come out and recognize that the cell is infected. And these killer lymphocytes have the duty to kill the cell. So once the cell is killed, the virus factory is destroyed, the virus can't be produced any more, and you get up and go back to work.

The other function of antibodies – major function – is that if the antibodies are directed against a bacterium, or a fungal, then these antibodies will bind to the bacteria. And that will cause another arm of the immune system to be activated. This is so-called complement, because it complements the

action of the antibodies and leukocytes.

Leukocytes are the cells that eat. These are cells that are in your blood. And they're circulating all the time. And waiting for these bacteria to come to your blood to be coated with the antibodies and they will come and eat them. And thus are you protected by your antibodies against bacteria.

So we have actually two major arms of the immune system, one, the lymphocytes that are directed against viruses and virus infected cells, and the others are leukocytes that are directed against bacteria. It's like the Navy and the Air Force, Air Force, Navy, and both are really deadly. They take care of all the viruses that you are confronted with and all the bacteria normally.

So the question is now, is our immune system really blind to the new so called new SARS-CoV-2 virus?

Now this can be answered very simply. And for that, what one has to do is, one has to inject this virus or the virus gene into the body and see how long the immune system takes to make the antibodies against this gene. And this was done by three independent Americans research groups in the last weeks and published, so everyone can go and have a look at these papers. And everyone should look at the papers because two questions arise.

First, was the antibody response, fast or slow? This would be fast. And this would be slow. 30 days, 10 days or five days? And if it were fast, did the antibodies carry the correct label IgM, IgA

or the wrong label?

So, what do you think? I'm going to ask you, the Americans measured in the blood, the appearance of the antibodies every day. The people who are telling you that you should get vaccinated are going to say, "of course, they were IgM antibodies because this was blind to them. But the fact is the opposite. All groups found out that everyone who had been vaccinated responded with IgG, and IgA antibodies within days after the vaccination, which is absolute proof that it is a recall response to something that the immune system has recognized.

You may ask me, "How can this be?" The answer is very simple. Look, this is the hand, the grasping hand of the virus, this is the spike and the spike is there to grasp the handle of the door to yourself to get in. The antibody comes and forces itself into the jaw, like the crocodile, the mouth is open, it stops the crocodile from closing his mouth. Of course, this is not completely correct. But it will do as a picture for you.

All right. Now, this key that enters into the mouth, of course, it's not a perfect fit. So you could change a finger or two, and it will still go in. And this is the difference between coronaviruses and influenza viruses. influenza are flu viruses, the real flu, alright, which has really caused pandemics because flu viruses can completely change the whole hand so that the hand looks like this suddenly. Okay. And then your antibodies don't fit into that. But this is

something that the Coronavirus can never do. They can't, and so they can only change the shape of the fingers. And that's not enough to fool the immune system. It's that simple. And this applies to all the variants. So forget it, if someone tells you that you are not immune against the variants.

The fact is, of course, that the immune system doesn't splurge. It keeps its antibodies in a locker, just like you have money in the bank, you don't go around throwing your money out of your pocket, you get the money out of the bank when you need it. And that's what happens to the immune system. And wonderfully enough, another publication coming from Denmark, showed that true infections with the SARS-CoV-2 do exactly the same, meaning that everyone who has had an infection, even if he's asymptomatic, you know no symptoms, if the virus just gets into your throat, multiplies a bit and gets thrown out again. But even then, the immune system responds by making IgG and IgA antibodies, meaning that you have the money in the bank.

This means dear fellow citizens, that the herd immunity is already present, but kept under lock and key like a treasure. But it can be mobilized at any time you want. This is like a dog and his master. The dog, this is the immune system. The master in this case would be the virus. So the moment the virus comes near to the house, gets back, the dog senses that the viruses is coming, begins to wagging his tail, begins barking, throwing out the antibodies to say hello to the

master.

So you see, this virus always first enters through the front door goes into your throat and it takes days to multiply and if it multiplies in your throat, it doesn't matter. It only kills you if it gets to your lungs.

But now we know that this is enough time for you and me or anyone, because the Danes showed that over 99% of all people running around, have this treasure, they have the treasure, and they could mobilize the IgG and IgA antibodies, even when the virus was only in the throat. Now, isn't this a piece of wonderful news? I think it causes us to realize, it causes us to realize that we can cast the dread of this pandemic away, and return to a wonderful world, return to our friends, our beloved ones, join hands with them, and rejoice. The pandemic is not existent as a mortally dangerous new disease.

Now, the second piece of news I have for you is that this will not only cause vaccination to be unnecessary, but also says if the vaccination carries any danger whatsoever, it must be stopped because there is no benefit. And if it only contains danger, then it is the duty of the doctors and the authorities not to undertake vaccination.

Now, let me tell you something very, very alarming. So alarming that this piece of news is just as important as the good piece of news. And this comes also from the publications that have just appeared.

So we'll go back to this chart here. And I told you, in the vaccinated, they found that the IgA, and IgA antibodies came immediately. Then they waited for another two weeks or three weeks. And then they gave the people a second shot. What did you see, they saw that the IgG and IgA levels immediately continued to rise, which is what a booster is supposed to do.

However, now, listen very carefully, look at this. This is a vessel wall, this is your blood. It is now known that the genes that are injected into your body will enter the bloodstream. And it is absolutely certain now that these genes are going to enter the cells that line the vessel wall. Because these are the cells that they contact.

Now, what happens when the cells that line the vessel walls begin to produce these spikes? The spikes will then be produced by the cell and protrude from the cell surface into the bloodstream. Alright, now, these cells going to be recognized by your lymphocytes that have been given to you by the Dear Lord to kill those cells that are making the virus or the virus protein, any virus protein. So, these lymphocytes are going to mount the attack on your vessel walls.

This is the first way towards clot formation that as we know is happening all over the place all over the world. Now at the beginning after the first vaccination, this danger is bad and is already terrible in itself if your killer lymphocytes start trying to kill you. But at that time, during the

first seven to 10 days, they are still no antibodies. They are not yet any antibodies. However, after three or four weeks, there are masses of antibodies all over the place in your blood. And if you dare to repeat this performance and start to put those spikes out into your blood, God help you because now not only the killer lymphocytes will detect antibodies and complement, and leukocytes are also going to attack thinking that your cells that are producing these spikes are bacteria and they are going to try to eat your vessel wall cells.

Now, this attack of the Air Force and the Navy on a single cell target has never been seen before. There is no situation because either you're combating a virus, or you're combating the bacteria; mixed infections that go through the body are actually virtually unknown. So we have the unique situation that has been created by the vaccination.

That is, in a way, extremely interesting. Because no one knows what the outcome will be. However, the vision is so horrible, and so awful and terrifying, that I, myself, don't really want to know the answer. And I don't want this answer to become known.

I want you to decide to not take the second shot. Not only the second shot, but any shot thereafter is going to place your life in danger. That is what I am convinced of now, especially because of the publications that have just appeared. So I think

that was the most important thing I have to say today. And I hope people will sit down, look at these papers, talk about them. And I hope that my colleagues, physicians, and scientists will do the same and get together to see whether this may have a grain of truth. Because if it does, the consequences are absolutely endless or the consequences are very simple. We just have to stop everything now.

## God Our Shield – Protection from the Coronavirus

We are fighting an unseen enemy that spreads from person to person. Our health is not only dependent on how strong we are physically, but spiritually as well. The Devil is throwing darts of the Coronavirus at us. We should ask the Lord Jesus to shield us from it!

Twenty Scriptures we can claim for God to shield us from the virus:

Genesis 15:1 After these things the word of the LORD came unto Abram in a vision, saying, Fear not, Abram: I am thy shield, and thy exceeding great reward.

Deuteronomy 33:29 Happy art thou, O Israel: who is like unto thee, O people saved by the LORD, the shield of thy help, and who is the sword of thy excellency! and thine enemies shall be found liars unto thee; and thou shalt tread upon their high places.

2 Samuel 22:3 The God of my rock; in him will I trust: he is my shield, and the horn of my salvation, my high tower, and my refuge, my saviour; thou savest me from violence.

2 Samuel 22:36 Thou hast also given me the shield of thy salvation: and thy gentleness hath made me great.

Psalms 3:3 But thou, O LORD, art a shield for me; my glory, and the lifter up of mine head.

Psalms 5:12 For thou, LORD, wilt bless the

righteous; with favour wilt thou compass him as with a shield.

Psalms 18:35 Thou hast also given me the shield of thy salvation: and thy right hand hath holden me up, and thy gentleness hath made me great.

Psalms 28:7 The LORD is my strength and my shield; my heart trusted in him, and I am helped: therefore my heart greatly rejoiceth; and with my song will I praise him.

Psalms 33:20 Our soul waiteth for the LORD: he is our help and our shield.

Psalms 59:11 Slay them not, lest my people forget: scatter them by thy power; and bring them down, O Lord our shield.

Psalms 84:9 Behold, O God our shield, and look upon the face of thine anointed.

Psalms 84:11 For the LORD God is a sun and shield: the LORD will give grace and glory: no good thing will he withhold from them that walk uprightly.

Psalms 91:4 He shall cover thee with his feathers, and under his wings shalt thou trust: his truth shall be thy shield and buckler.

Psalms 115:9 O Israel, trust thou in the LORD: he is their help and their shield.

Psalms 115:10 O house of Aaron, trust in the LORD: he is their help and their shield.

**Psalms 115:11 Ye that fear the LORD, trust in the LORD: he is their help and their shield.**

**Psalms 119:114 Thou art my hiding place and my shield: I hope in thy word.**

**Psalms 144:2 My goodness, and my fortress; my high tower, and my deliverer; my shield, and he in whom I trust; who subdueth my people under me.**

**Proverbs 30:5 Every word of God is pure: he is a shield unto them that put their trust in him.**

**Ephesians 6:16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.**
