

Science vs. Evolution

When I was a kid I dreamed of being a scientist someday. It turns out I wasn't good enough in mathematics to become one. I respect true scientific researchers, people like Dr. James Tour for example. He's an American chemist and nanotechnologist, a Professor of Chemistry, Professor of Materials Science and Nanoengineering at Rice University in Houston, Texas. And he'll tell you in his podcasts he loves Jesus more than anything! He was raised Jewish and came to know Jesus as his Messiah through the witness of a fellow student when he was a teenager. And I have a personal friend who's a scientist and a Bible-believing Christian, Dr. John Gideon Hartnett of [Bible Science Forum](#).

Contrary to what some Christians are saying, there is such a thing as true science. And what is true science? It's the study of the laws and principles of God's creation! And there are pseudosciences, science falsely so called as it says in 1 Timothy 6:20:

O Timothy, keep that which is committed to thy trust, avoiding profane and vain babblings, and oppositions of science falsely so called:

The teaching of Darwinian evolution is one of them. And who teaches it? Secular scientists who are mostly atheists.

Another pseudoscience is flat-earth. Who teaches that? Sad to say, many Bible-believing Christians do. They fell for a [CIA psyop](#) that is set to discredit their testimonial for Christ. I already wrote a lot about [why I don't believe the earth is flat](#) on this website, and so I won't get into it now.

Darwin's evolution has *hindered* true science and tainted many branches of it. Just off the top of my head, the branches of science it has tainted are number one, biology, and also geology, anthropology, ecology, psychology, medicine, and any other study that has to do with mankind and life. Evolution has surely tainted cosmology and astronomy as well.

Science is knowledge and knowledge can be used for both good and evil. As Christians, we want to use what we know for God's kingdom. Science has brought us technology, and technology has made our lives easier. If you don't think so, wait till the power goes out and you lose your phone and Internet connection. This is what I experience for a whole day from time to time in the Philippines. And technology from science has brought us the Internet which makes it far easier and far less expensive to share the Gospel and the

truth of the Word of God to the world.

Below is an article one of my former pastors wrote about Darwin's evolution.

It's so ridiculous for man to not believe in God!—Because man can't help but believe in God if he just looks at Creation! If you're not an absolute fool, if you have a reasoning mind at all, all you have to do is look at the Creation to know Somebody had to design it, pattern it, and put it together and make it work like it does!

Why, the simplest country boy out in the country can just look around out in the country at the Creation God made and SEE that there's a God!—It's obvious that all that didn't just happen by accident! It's as plain as day that Somebody had to plan it and figure it out, because God's beautiful Creation works so beautifully, so systematically, so perfectly—Creation, so-called Nature, is not just natural—God made it! It's created! It's all supernatural! It's all miraculous!

If you haven't got enough sense to know there's a God, then just look at His Creation! Just look at the sea, the sky, the clouds, the mountains, the valleys, the trees, the flowers, everything! They're all virtually shouting, "There is a God! Look what He made! Look what a beautiful World He made for you to live in!"

I can prove from the Bible that these scientists and teachers and evolutionists and all who claim not to believe in God are LIARS!—They do believe in God. Only an absolute fool, an imbecile, an insane idiot, somebody who's not quite straight in the head would actually in his heart believe there's not God!—Maybe these "smart" people are that demented! God's Word says the smart ones, if they don't glorify God, become fools. The Bible says, "The fool hath said in his heart, 'There is no God'!" (Ps.14:1) Now a lot of people will say with their mouth, "There is no God," but all the time in their heart they know there's a God!

In fact, most people who CLAIM they don't believe really DO believe, but they're in rebellion against God! They don't want to know Him and they don't want to confess that He exists, because if they do, then they have to recognize Him!—And if they recognise Him, then they have to admit that they owe Him some kind of acknowledgement and obeisance and obedience.

The greatest proof of the existence of God is His Creation! That's why Evolution is so evil, and Devil-inspired, because it tries to explain away Creation by saying that it just happened by accident and it threw itself together! Isn't that ridiculous?

"For the INVISIBLE things of Him from the creation of the World are clearly SEEN, being understood by the things that are made, even His eternal power and Godhead; so that they are without excuse!" (Ro.1:20) His invisible existence is manifest or proven by the things you can see, His Creation.—The existence of our invisible God is proven by His visible Creation!

And THAT'S why the World wants to reject Creation and say it's all just a

meaningless chaotic evolution!—Because if the World and its inhabitants are God's Creation, then they're His property—and if they're His property, then He's got the right to be Boss—and they don't want God to be Boss! Therefore "they did not like to retain God in their knowledge", in their education. (Rom.1:28)

"Because that, when they knew God, they glorified Him not as God, neither were thankful; but became vain in their imaginations, and their foolish heart was darkened. Professing themselves to be wise, they became fools!" (Rom.1:21,22) They got so smart that they could do without God and the Bible, and so they became what?—Fools!—Absolute fools, who "changed the glory of the incorruptible God into an image made like to corruptible man, and to birds, and fourfooted beasts, and creeping things. Who changed the truth of God into a lie, and worshipped and served the creature more than the Creator!" (Rom.1:23,25)

So why did the Devil and man cook up this ridiculous, idiotic scheme of evolution?—To try to get rid of God and the knowledge of God, "as they did not like to retain God in their education." And since they threw God out and they threw Creation out and they threw the Bible out, they had to cook up something new! They didn't want the truth anymore, so they had to figure out some big lie!

Evolution is the craziest, hardest thing in the World to believe!—That it all just happened by accident, that it all just kind of fell together. Dr. Robert A. Millikan, the great physicist who developed the splitting of the atom, said,

"If you'd say that this watch just put itself together, invented itself, you'd be crazy! And just as there had to be a watchmaker behind the synchronized perfection and order of every watch, so there had to be a Creator behind the perfect synchronized perfection of the Universe!"

Yet this evolutionary doctrine of delusion has become the general theme of modern so-called science! Evolution is now referred to as the "great principle" of biology. But a principle, according to the dictionary, is a foundation, truth or fact—the basis of other truths. And if you know anything about evolution at all, you know that it has never been proven to be either a truth or a fact, much less the foundation or basis of other truths!

There is no absolute proof for evolution! It has to be believed, therefore it's a faith, *therefore it's a religion*! Even the high priest and founding father of this false faith, Charles Darwin himself, confessed that "the belief (note the emphasis on belief) in natural selection (evolution) must at present be grounded entirely on general considerations...When we descend to details, we can prove that no one species has changed ... nor can we prove that the supposed changes are beneficial, which is the groundwork of the theory."—Ha!

So **evolution is really a RELIGION of UNBELIEF in God!** And that's its whole purpose: To eliminate faith in God and to foster the false doctrine of devils that the Creation created itself and God had nothing to do with it, so there doesn't need to be a God—it could have happened without Him!—What an idiotic and ridiculous lie!

And even if you don't believe the Bible, honest scientists have figured out that if evolution actually took that many millions of years, we would be ten miles deep in evolutionary fossils, missing links, instead of having to search the World over trying to find one! And nearly every one of those crazy fossils that were supposed to be the missing links have now been debunked!—Some of them were even confessed fakes, like Piltdown Man, Java Man, etc.

"In the beginning, God," not chaos, not some nebulous cloud of gases, but "in the beginning, God created the heavens and the earth!"—The first verse of the first chapter of the first book of the right Book, praise God! Now either you believe that, either you believe what God's Book says, or you're going to take what some liar says!

"And GOD created man in His Own image, in the image of God created He him; male and female created He them." (Gen.1:27) He didn't look like some ape-man or monkey, or some fish or bird.—He created man like Himself, God! And God formed man out of what?—Previous forms?—Apes?—Beasts?—Birds? "And the Lord God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (Gen.2:7)

Creation is the premise and preface and basic foundation of the entire Bible! If you don't believe this, you won't believe anything! Because when you doubt one word in the Bible, you'll soon doubt the whole Bible! Why?—What happens in a court of law with the testimony of a witness when one thing he's said is proven to be a lie?—They throw his entire testimony out, including the true things he said, because they can't believe it and every word will be in doubt. If he lied about one thing, maybe he lied about another! And that's the way it is with the Bible!

Jesus said, "Had ye believed Moses (who compiled the Book of Genesis, ye would have believed ME. But if ye believe not his writings, how shall ye believe My Words?" (Jn.5:46,47) Now, what's the first of Moses' writings, upon which all five books are based?—GENESIS!—"In the beginning ... ," all about Creation and the beginning of God's dealings with man.

If they had believed that book of Genesis all about Creation and God, then they would have accepted Jesus Christ as their Savior! What, then, did the Devil know he had to do to prevent people from believing in Christ? He knew he had to destroy their belief in the writings of Moses and in the book of Genesis in particular, in the Creation, the glorious Creation! And how'd the Devil do that?—By what doctrine, what big lie?

EVOLUTION!—That was his greatest lie and greatest manufacture and most clever piece of teaching! Evolution!—As ridiculous and idiotic as anything you could possibly study, because it has NO foundation in fact whatsoever; there's NO

evidence for it; no discovery has been made to prove it! As one of its top exponents, Margaret Mead, the famous anthropologist, wrote in her own introduction to her textbook on anthropology:

“We as honest scientists must confess that science has yet to discover one single iota (tiny speck) of concrete evidence to prove the evolutionary theory!”

Darwin's evolution is science falsely so-called, pseudo-science, of which St. Paul warned dear Timothy, “Beware of the lies of science falsely so-called!” (1Tim.6:20) Because once you reject the truth about Creation, about God, about Jesus, and about happiness and the proper rules of life and love, there's nothing else to believe but lies and the Devil!

If the Devil always came around with hooves and horns and a long tail and a pitchfork in his hand, he wouldn't be half as dangerous as the way he really comes around: In the form of some smooth-tongued professor in today's modern universities, teaching courses that are nearly all lies, phoney lies, very little truth to them!—Pure vain imaginations, somebody's dreams—nightmares! They, as Jesus said, are blind leaders of the blind, and He said they're both going to fall into the ditch! “The wise men are ashamed, they are dismayed and taken, lo, they have rejected the Word of the Lord, what wisdom is in them?” What wisdom is in them?—Without God's Word there is no wisdom, no knowledge that amounts to anything or is worth anything! (Mt.15:14; Jer.8:9)

The Bible prophesies that in the Last Days, “the time will come when they will not endure sound doctrine (the truth); but after their own lusts shall they heap to themselves teachers, having itching ears (ears that want to be tickled with lies!); And they shall turn away their ears from the truth, and shall be turned unto fables!” (2Ti.4:3,4) This time has come, and these days are here, and their ears have turned from the truth and are turned unto fables!—Like evolution!

“Because they received NOT the LOVE of the TRUTH, that they might be saved, for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth!” (2Th.2:10-12) And if you don't like the truth, you've only got one alternative—a lie!—And damnation!

DO YOU BELIEVE IN GOD? Look at the World, look at the beautiful trees, look at the flowers, look at the sea, look at the sky!—Does God love you?—You can see it and you can feel it in the beautiful World He's given you to live in!

GOD is the only One Who can give MEANING to the Universe and purpose to the planets and love to our hearts and peace to our minds and health to our bodies and rest to our spirits and happiness to our lives and joy to our souls and the wisdom to know that “the fear of God is the beginning of wisdom” and “the wisdom of this World is foolishness with God”! (Pr.9:10; 1Cor.3:19) Take Jesus and His Truth today!

The six meanings of “Evolution”

Dr. Kent Hovind is one of my heroes. He is now suffering what the Apostle Paul suffered for boldly proclaiming the Truth of the Creator and the message of Jesus Christ: **Persecution resulting in imprisonment.**

Dr. Hovind urges creationists to define the word evolution before entering into a debate about Evolution verses Creation. He teaches us the 6 meanings of evolution:

1. Cosmic evolution: the origin of time/space/matter from nothing in the supposed “Big Bang”
2. Chemical evolution: all the elements “evolved” from hydrogen
3. Stellar evolution: stars formed from dust clouds
4. Organic evolution: life formed from non-living matter
5. Macro-evolution: plants and animals produce offspring different than their ‘kind’
6. Micro-evolution: variations develop within the kind such as big dogs and little dogs; bacteria becoming resistant to drugs; etc.

Only ONE of these definitions for evolution is true SCIENCE—Number 6. The first five are part of a RELIGION that adherents must “believe” in since they have NEVER been observed or demonstrated.

Quotable Quote about Evolution

“We are now about 120 years after Darwin and the knowledge of the

fossil record has been greatly expanded. We now have a quarter of a million fossil species, but the situation hasn't changed much. The record of evolution is still surprisingly jerky and, ironically, we have *even fewer examples* of evolutionary transition than we had in Darwin's time." [David M. Raup](#), University of Chicago paleontologist."

Read the truth exposing the **pseudo-science** of evolution: [The Big Lie](#)

[Nietzsche's views on Darwinism](#)

To all my friends who hold both humanism and evolution as truth: Check out what one of your mentors has to say!

"What surprises me most when I survey the broad destinies of man is that I always see before me the opposite of that which Darwin and his school see or want to see today: selection in favor of the stronger, better-constituted, and the progress of the species. Precisely the opposite is palpable: the elimination of the lucky strokes, the uselessness of the more highly developed types, the inevitable dominion of the average even the sub-average types. If we are not shown why man should be an exception among creatures, I incline to the prejudice that the school of Darwin has been deluded everywhere." – Friedrich Nietzsche

[Mass Media Mind Manipulation](#)

I found some great quotes exposing how the media is covertly molding the opinions of those who have not yet been enlightened to the tactics of the ruling Elite of this world. This is taken from an article by Randy Lavello, June 2, 2003, called "Mass Media Mind Manipulation and the World of Illusion." Unfortunately, the website has gone offline.

The main concept of mind control, in the book *Nineteen Eighty-Four* (by George Orwell), was to cause a person to 'doublethink.' Orwell explains 'doublethink' as a willingness "to forget any fact that has become inconvenient, and then, when it becomes necessary again, to draw it back from oblivion for just so long as it is needed." For example, the U.S. places Saddam Hussein in power, arms him to the teeth, then declares him a menace to the world and attacks him. We are supposed to forget that Donald Rumsfeld handed Saddam a briefcase – the Weapons of Mass Destruction kit! If I hand a person a gun, then shoot him, does that make me a hero? We are supposed to 'doublethink' and not care how many times the Federal Government lies to us, yet still believe every word they say at present. When our nation blows something up it is called an 'operation.' When anyone else blows something up it is called 'terrorism.' By this interpretation, terrorism is defined as using a bomb without dropping it from a plane or delivering it by a missile! Because they don't spend the money on high-tech gear, they're terrorists!

There was a War on Illiteracy – more people are illiterate. There was a War on Drugs – more drugs hit the street. Now there's a War on Terror – a war on a concept, which will, of course, bring us more terrorism. We see the results of these so-called 'wars,' yet we 'doublethink' and ignore the facts.

Email exchange with a man who follows Darwinian evolution

I get numerous emails about articles on my websites, especially the [Deep Truths](#) site, the one I worked the hardest on since year 2004. Rather than type up the same reply each time for this particular subject of Evolution verses Creation, I thought to document a typical email and my reply to it on this site. Hopefully it'll save me time in the future.:-)

Hello

I read you website article [‘The Big Lie! – Exposed’](#) with some interest.

I just thought that I could offer some advice.

When making comments regarding evolution and passing them off as fact, please make sure you get your facts right.

We have not evolved (Or de-evolved as you say) from Neanderthals. They are a different species which because they were not as capable of surviving on this planet at the same time as us became extinct.

There is much evidence of ‘Missing links’. There is fossil evidence (you might want to look this word up) showing how reptiles evolved into mammals. This shows the multiple bones in the jaw (common in lizards) slowly drawing back to the ear and leaving just one bone in the mammals jaws.

These things are not open to debate. They are physical evidence.

I would defend your right to have different opinions to me that is your right. But don't make up information and then call this fact. You are either not educated enough to understand or you are deliberately being untruthful.

Please open your eyes and see what is going on in this world.

It is wonderful and beautiful and majestic and savage and mindblowing.

And please don't attack Evolution as you think it goes against God.

Wouldnt God create a world so amazing not leave some tricks for us to find?

Peace.

My reply:

Hi,

Thank you for your email. I'm sure we could go on endlessly about this subject, but I think it all boils down to one's worldview. My worldview is based on the Holy Bible. Your worldview is based on the writings of Darwin. You are giving me information that you consider to be fact, but there is other information I could give you that would refute that, and you would give me yet more information you *think* contradicts my information. And on it goes, ad infinitum.

How we see the world depends a great deal on our mindset, our paradigms of life, our worldview, our perceptions. Two people can look at exactly the same thing and come up with two totally opposite and opposing points of view. And I'm talking about two people who are not necessary at odds with each other, for example a husband and wife who love each other. Why is this? It's because what we see does not necessarily equate with reality. Ask a magician and the honest one will tell you a lot of their tricks have to do with manipulating perceptions. What you tell me you see is merely with you **think** you see. The same with me. Why do I therefore think I am correct? I have the Bible as a basis of my thinking, and the Bible tells me that God created man and all life, and that He did it all in 6 days. He created the sun the day **after** He created plant-life! This is plain in the Bible, and diametrically opposite of what Darwinian Evolution teaches. One can mock the Biblical account, and call it unscientific if they want to, but I would consider them people who do not know the Author of the Bible – God – and have not done much research or study about it.

What we believe largely has to do with our will. I choose to believe the Biblical account because the Bible works for me and has made me what I am today. I'm 60 years old have have no regrets for choosing the path of faith in the Bible. My life has been an adventure traveling the world and meeting all sorts of people and cultures, learning new languages. I wouldn't trade it for anything.

Peace,
James

(end of reply)

I find replies like this are very effective. They cannot argue against it, for the very argument only proves further the person is merely holding on to his or her own particular paradigm and unwilling to see the other person's viewpoint. Of course, you could very well say the same thing of me as well.

But if you do, please remember this: I didn't go out of my way to find you and invade your privacy. You invited me to come into your PC and read what I had to say of your own volition. □

Second hitchhike adventure 2010

Hitomi (27) who took me back home

Princess the little Shih Tsu dog I am temporally taking care of was taken to be shampooed, and this set me free from caring for her to do other things. It's a beautiful sunny day in normally cloudy Niigata and so I just had to grab the opportunity to get out again, hitchhike and meet people.

The first driver was a man who appeared to be in his upper 60s, maybe lower 70s. He drove at least 10 kilometers out of his way to take me to a convenient location from where to continue my trip. I left him with an Activated Magazine.

Usually, older Japanese people who pick me up have traveled abroad, or have had something to do with foreigners, but the man said he has never been out of Japan. Later he said that his daughter lived in England for 6 months as an exchange student and was hosted by a British family. Ah ha! Japanese have a deep sense of obligation when helped by others, or even if any member of their family was helped, and this man's motivation was probably to return the favor. It doesn't matter to the Japanese if the foreigner in question had nothing to do with helping his daughter, any Caucasian-looking foreigner will do. □

A single lady by the name of Hitomi took me back to the area where I left my bicycle not far from home. I gave her an Activated Magazine, one that had an article exposing [Darwin's delusion](#). The Japanese, as you may know, are not

very religious people. In spite of that, their culture reflects very much in many ways the teachings of Jesus such as being kind to strangers, helping those in need, etc. They hate falsehood. When I explain that Evolution is one of the falsehoods they have been fed since childhood, most of them receive it.

Discussion With a Nuclear Physicist on the way to Kanazawa

A mother and daughter who went out of the way to take me to my destination.

Oct. 3, 2009: It rained hard during the evening and early morning, but by 9 AM the rain subsided. I needed to go to Kanazawa city in Ishikawa Prefecture for business the next day and opted to hitchhike rather than taking the bus in spite of the possibility of more rain later. I'm sure glad I did because the weather cleared up completely by noon and I met 6 interesting people whom I would not have met otherwise.

Perhaps the most interesting person to talk to was a nuclear physicist who said he worked in a laboratory in New York for two years. He was traveling with his wife to Nagano which meant I rode with them for a good 30 minutes as far as the Yoneyama service area on the Hokuriku expressway. Our conversation for the first few minutes was all in Japanese, but he started speaking English when I pointed out how Darwinian teaching has influenced at least two main branches of science, namely Geology and Biology which claims Evolution as its cornerstone.

I pointed out to the scientist how geology is based on false assumptions of the age of the earth and uses circular reasoning. The geologist says his rock is so many millions of years old because the paleontologist says the fossil found in the rock is so many millions of years old, and the paleontologist says his fossil is so many millions of years old because the geologist says the rock the fossil was taken from is so many millions of years old! This is **not science**! If an honest thinking person ponders the matter, he or she will

see that evolution is based on certain assumptions, such as the old of the earth forming millions of years ago. The scientist only laughed when I told him according to the Bible the earth was created a mere 6000 years ago. I told him I'm not surprised he would laugh because he was raised under the false paradigm of Darwinism. Darwin himself didn't dream up all his teachings but borrowed much of them from others such as [Jean-Baptiste Lamarck](#) (1744-1829), [Charles Lyell](#) (1797-1875), and [Alfred Russel Wallace](#) (1823-1913).

Two young ladies on the way to a live concert. They took me to Toyama city from Kanazawa.

I've been reading an excellent book by Ian T. Taylor entitled, "[In the minds of men – Darwin and the New World Order.](#)" I gained so much valuable knowledge from this book that exposes Darwinism, and I highly encourage everybody to read it.

From Yoneyama, a man going to [Obama City](#) took me all the way to a bus stop near Kanazawa, a good two hours further up the road. I asked him if the economy of his city is better since Barack Obama became President. He said, "Not much." The man's accent was so thick I could only understand about half of what he said. Later I learned the language of Obama city is heavily influenced by Kyoto which is near proximity. The man was friendly and bought me lunch.

The last people to pick me up were two ladies, Mrs. Tokuda and her daughter. They saw me hitchhiking in front of Nonoichi train station and offered to take me to the exact destination I needed to go (about 6 more kilometers) if only I would come with them to the doctor's office and wait while they had a check-up. I agreed because I wasn't in a hurry and I knew this would give me an opportunity to share the Message of Jesus Christ with them. The mother said her parents sent her to a Christian kindergarten and so has some knowledge of the Bible.
