

Jesuit Pope Francis and George Soros Funded Groups Helping Open Borders and Illegal Immigration

From their own deeds and words, Soros and the Jesuits are actively promoting a one world order where socialism, social justice and equality of outcome is promised instead of equality of opportunity. One globalist strategy is to overwhelm the American welfare system with illegal immigration from third world countries, establishing an unstoppable socialist voting base to erode U.S. sovereignty.

The Inventors of the Climate Change Scam: The Club of Rome

What is the Club of Rome?

"The Club of Rome is a platform of diverse thought leaders who identify holistic solutions to complex global issues and promote policy initiatives and action to enable humanity to emerge from multiple planetary emergencies." (Source: <https://www.clubofrome.org/about-us/> – on the official website of the Club of Rome)

"The Club of Rome is **a Masonic lodge founded in 1968 on David Rockefeller's estate** in Bellagio, Italy. The Member Squadron is a traditional collection of grandiose reformers with heads of state, UN bureaucrats, leading politicians and government officials, diplomats, scientists, economists and big business leaders. **A collection from all over the world with a strong side of rich Western "elite"**. This political lodge also brings together multi-billionaires in the Rockefeller, Rothschild and Soros families along with political chameleons such as Anders Wijkman and industrial magnates such as the now deceased oil businessman Maurice Strong." (Source: [Club Of Rome: The Origin Of Climate And Population Alarmism](#))

The second definition is from Technocracy News which mediabiasfactcheck.com calls "Conspiracy-Pseudoscience." LOL!

I fact-checked mediabiasfactcheck.com and this is what I came up with:

"Mediabiasfactcheck has been repeatedly caught in lies and distortion of truth. Repeated claims that have proven false about Covid alone are enough to quit using them. Takes going to court to get them to correct lies they publish. It is a totally discredited, self-styled 'fact-checker' site that has been served with a 'cease and desist' legal notice for publishing unsubstantiated and defamatory claims against Principia Scientific International (PSI)." (Source: <https://www.sitejabber.com/reviews/mediabiasfactcheck.com>)

David Icke and Dr. John Coleman talk a lot about the Club of Rome, but because I don't trust information from either of those guys, I won't use any

of their materials. Coleman talked about the Club of Rome as a governing body giving orders, but I see it more as a think tank.

I consider the most reliable source of information about globalists' plans that do not have the good of the general public in mind to be right out of publications of the globalists themselves. The following quotes are from a PDF file of a Club of Rome publication entitled: "[The First Global Revolution – A Report by the Council of the Club of Rome](#)" written in 1991 by Alexander King and Bertrand Schneider. You can click the link to download the PDF file.

Quotes from the publication of the Council of the Club of Rome

From page 108 of [the PDF file](#):

The need for enemies seems to be a common historical factor. States have striven to overcome domestic failure and internal contradictions by designating external enemies. The scapegoat practice is as old as mankind itself. When things become too difficult at home, divert attention by adventure abroad. Bring the divided nation together to face an outside enemy, **either a real one or else one invented for the purpose.**

From page 115 of [the PDF file](#):

The Common Enemy of Humanity Is Man

□

In searching for a new enemy to unite us, **we came □up with the idea** that pollution, the threat of global □warming (now called climate change), water shortages, famine and the like **would □fit the bill.** In their totality and in their interactions □these phenomena do constitute a common threat which demands the solidarity of all peoples.

Climate change is controversial even among scientists, but you probably didn't know that by listening to the mainstream media. One of my friends was surprised when I called Climate Change a scam and offered evidence from a scientist, Dr. John G. Hartnett, from his website. Please see [Climate change study on coral reef fish was '100 per cent wrong'](#)

Researching controversial organizations and topics such as the Club of Rome and Climate Change requires spiritual discernment, and that comes from knowing the written Word of God in the Bible and a good relationship with God through obedience to the Lord Jesus Christ.

Main Points of the US Border Crisis – A Planned Foreign Invasion

The article I transcribed on January 20, [The US Border Crisis – A Planned Foreign Invasion](#) is a long read, and that may discourage some people from reading it all. Because I consider what Doug Thornton has to say is vital for Americans to know, I compiled its main points in this post to make it only 1/10 of the length of the previous post.

For the record, I do not advocate acts of violence against government officials. I do not own a firearm, but neither do I live in America anymore. I'm not against getting a firearm if I live in an area of high crime. I believe one of the main reasons why America has not yet fallen into total tyranny is because of the Second Amendment of the Constitution, the right to bear arms. I believe if the government outlaws guns, only outlaws will have guns. And I can tell you for a fact, that this is the situation in Japan! Though the average Japanese citizen was disarmed long ago, the Japanese mafia – the Yakuza – have guns. They use them to shoot each other, rival gangs.

Doug Thornton is the host of a podcast called American Vendicta. He is also a retired US Marine and a former federal police officer who worked for the Department of Homeland Security for 10 years. He worked for the Federal Protective Service as the uniform law enforcement side of the federal government. Many times he went down to the border to assist units from Border Patrol and CBP (Customs and Border Protection) for their border operations. The following quotations are all from Mr. Thornton. I slightly rewrote some of the things he said to make them clearer.

- The last 10 years we've had a million people yearly cross the border either illegally or coming through here and just slipping the system, then that's easily 10 million people. But what we typically say is for every million we don't catch. There are two to 3 million that get by. So if we take that estimate and then we flip it on its head, We're easily in the last decade at 30 to 40 million people undocumented.
- Many of them are multiple-time felons pedophiles, torturers, rapists, human traffickers, gun traffickers, terrorists, known cartels, and known gang affiliates like the MS 13 (an international criminal gang).
- You also then have other problems like diseases that come across. But one of the things that seems to slip the mind of Congress, though they know, is the amount of terrorism that comes across the border, the amount of known terrorism that's being found coming across the border that the FBI blatantly turns the other way.
- One of the simple forms of having a definition for invasion is an untold amount of people being granted access into the country against the will of the people there to deteriorate the laws and the customs and procedures of the people. Now, after that, if you are in the legislative system or the executive branch you will fully allow that to happen, knowing that you're bringing disease, crime, terrorism, and sex slave

trafficking to include many children trafficked, not just into America, but from America, and then out of America, **then you would be more defined as a traitor by that term.**

- You take these people from socialist communist countries and they're men of fighting age. And they are bussed here. They didn't walk. They did not walk here. They were bussed here. Who bussed them? George Soros.
- The cartel is a Fortune 500 company. And we've known it. We've watched them. We monitor them. We observe them. They'll send us sometimes at these border patrol checkpoint stations, they'll send us an 18-wheeler filled with weed. You can smell it coming over the bridge. Then the dogs hit on it. And then we have a merry time tearing the truck apart. And it sucks us all in. And **meanwhile, the truck full of fentanyl goes this way. Or a truck with a nuclear missile goes this way. We won't know because we're so busy with checking out the 18-wheeler filled with weed.**
- If Donald Trump doesn't get re-elected, do you think the average person in America is going to sit back and not complain about it? And then from there, do you think there's a small group of people who aren't going to take up arms about it? January 6 was a precursor to what 2024 is. If you think of it as this, January 6 was planned in 2016. If that's true. Then 2024 was planned in 2020 in 2021 with January 6. So I believe that they are planning and building up the pressure building in the pot for a violent reaction from the people.
- And the Vatican plays a large part in it, Chris. You know this, we have NGOs, nongovernment organizations on the border that are helping affiliates, they're trying to bring these people coming across the border, who are not all Christians. They're bringing these people across the border and then they're funneling them all over the United States.
- You have entities like almost every Catholic Church, then to include the Red Cross that are all sponsored by the Vatican, and controlled by the Vatican. They are the main culprits and moving people. It's always been a Catholic Church that shows up somewhere at midnight with a van when we got, a busload or two of the illegals. And then they come and pick them up and they drive them away because they are helping the government with re-purposing these people, bringing them to other places.
- So if the government fails us, and they're obviously failing us for a reason, I don't care what Congressman comes out and grandstands for five minutes about how bad the border is. The majority of Republicans and Democrats are doing this.
- And Canada has its bigger point to play in this as well. This is also happening in Canada. Most people don't know this. You can take a flight from Mexico, direct flight into Canada, and then just walk right across the border.
- Mass migrants aren't going to South America to stay. They're all being sent to America. It's to destabilize. There can be no other reason except to destabilize the economy, rattle up the people, and destroy the inner workings of our government, especially by creating social disorder like crime.
- The inevitable goal is the invasion of America. Why stage a war, why float across an invasion force of people? If I was a diabolical person and I wanted to take down America, this is what I would do. I would pay your politicians to allow my army to come across. And it's so hard and

too obvious to bring my army from Beijing and from St. Petersburg and Moscow over to Mexico, then we'll just hire our friends in South America, who are all on our side, and we'll send them up first. And that'll be the initial force. All you need is an initial force of people.

[Some of the Elite Who Are Working for the Global New World Order](#)

Perhaps an alternative title to this post could be, "A List of Some of the Number One Enemies of the Public". I wrote this assuming you know something about conspiratorial organizations such as Skull and Bones, the Council on Foreign Relation, the Trilateral Commission and other secret societies.

The photo was taken in 2001 and five of the people are now deceased. Some of the people in this photo need no introduction, but I'll include one anyway. I got most of the descriptions of their identity from Wikipedia. This description is by no means complete. If anybody has any more information for me, please share it in the comments section below.

Correct me if I'm wrong but it seems to me that every one of the people in the photo except the lady from South Africa is (or was when alive) a member of the American Democratic party.

From Left to right and top to bottom:

The only reason why he has yet to be prosecuted is because he's protected.

Ted Turner (born November 19, 1938) is an American entrepreneur, television producer, media proprietor, and philanthropist. As a businessman, he is known as the founder of the fake news Cable News Network (CNN), the first 24-hour cable news channel. He wants 95% of the world's population to die off! Quote: "A total world population of 250-300 million people, a 95% decline from present levels, would be ideal." – Ted Tuner (Reference: <https://www.truthandaction.org/ted-turner-determines-world-population-needs-95-reduction/2/>) Some people think Turner may be one of the sponsors, if not the sponsor, of the [Georgia Guidestones](#).

Corey Feldman – who was a child actor in the 1980s – has been claiming that he was abused by important Hollywood figures. In 2014, he was invited on The View to discuss his past experiences in Hollywood. And Barbara Walters was not amused at all. Indeed, when Feldman told Walters that the "richest, most powerful people in this business" were child abusers, she became visibly distraught. Then, when Feldman warned parents about the dangers of pushing their children into the entertainment industry, Walters' response was extremely telling: "You're damaging an entire industry". Source:
