

Is the Pope the Super-boss of all government agencies as well as the Vatican?

The Vatican is posing as Snow White, but the Bible calls her, "the great whore". She uses government agency branches in all nations including the USA.

Former Catholic priest Jeremiah J. Crowley exposes the Popes of Rome as evil tyrants whose interest is only money and power over as much of the world as possible

First American President George Washington may have died a Roman Catholic!

George Washington

When watching the Youtube video on my other page, [The Founding Fathers of America: All opposed to the Gospel of Jesus Christ!](#)

I came across a stunning revelation: (Quoted from <http://catholicism.org/george-washington-died-a-catholic.html>)

“Our first President, George Washington, died a Catholic. While he lay on his deathbed he sent his slaves across the Potomac to bring back his close friend, Father Leonard Neal, S.J. Neal (a *Jesuit* priest!) spent some time alone in the President’s sick room. When he returned to the Jesuit house, his fellow religious asked him the outcome of his visit and he simply answered, “Everything has been taken care of.” The entire story is related in the Jesuit annals. The Negro slaves, who had been imbued with Baptist anti-Catholic bigotry, passed on the story that **“Master George had been seduced by the scarlet woman of Rome”**. Our first President had always kept a beautiful picture of Our Lady in His living room; he adopted the Catholic practice of blessing himself before meals; he was largest contributor, giving more than even Bishop Carroll, to the building of St. Augustine’s church in Philadelphia; he very often attended Mass; and he often told his troops that if they did not refrain from abusing the Holy Name of Jesus they would surely lose the war.”

We know for sure that George Washington was a Freemason, and Freemasons reject the Gospel of simple faith in Jesus Christ for salvation, and they base their salvation on works and good deeds. Therefore it would be no problem for Episcopalian in name only George Washington to switch his religious allegiance to that of Roman Catholicism which says that faith is

not enough to be saved, you need works and good deeds also.

You won't find this story in official documents, but it was reported in the Denver Register in 1957. Source <http://catholicism.org/washington-slaves.html>

The Founding Fathers of America: All opposed to the Gospel of Jesus Christ!

Watch this educational well made factual documentary based on the very writings of the founding fathers of the United States of America, men like **Thomas Paine, George Washington, Thomas Jefferson, John Adams, Benjamin Franklin**, etc., and you will see that America was *not* founded by godly Bible believing men to be a Christian Protestant nation, but by men who actually *opposed* the Gospel of Christ calling it “blasphemously obscene” and who called the Bible “a collection of paltry and contemptible tales.”

The founding fathers of America held same views as those of the so called “French Enlightenment”. All were opposed to the teaching of the Gospel and did not hold the Bible to be the Word of God.

The Declaration of Independence and the American Constitution literally made it **legal to practice witchcraft**, something that was outlawed in countries of Europe.
