

# Climate Change & The New World Order

The UN and Vatican are pushing the climate change scam to help bring about their new world order of global governance – no more God-given rights, only government “privileges.”

## The Destruction of the Georgia Guidestones and the Meaning of its Message

The Georgia Guidestones was a large granite monument in Elbert County, Georgia, USA. A message comprising ten guides was inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient languages' scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs.

On July 6, 2022, at around 4 am US Eastern Standard Time, a bomb went off and destroyed one of the slabs of the monument. In the spite of the fact that CCTV cameras were trained on the monument 24/7, there was no sign of anybody planting a bomb. Could it be the Lord Himself destroyed it?

A few hours later a wrecking crew came and destroyed the other slabs which

were now weakened and in danger of falling and hurting the public.

Some people referred to the Georgia Guidestones as the 10 commandments of the Antichrist! Were they? You be the judge.

## **The message that was on the Georgia Guidestones and an honest interpretation of that message.**

<b># Original statement</b>	<b>Honest interpretation of statement</b>
1 Maintain humanity under 500,000,000 . in perpetual balance with nature.	7.4 BILLION people on the planet need to die. Global elites will decide who, what, and how life is replicated on the planet. Forced sterilization, eugenics, pharmacology, abortion, cloning, and gene editing (CRISPR) are already at work.
2 Guide reproduction wisely – . improving fitness and diversity.	Global elites want to unite all people with a single language so it's easier to subjugate them. In an act of defiance, global elites intend to reverse the Tower of Babel episode in the Bible.
3 Unite humanity with a living new . language.	Anyone that places faith in God above the state is not tempered with reason and will be silenced one way or another. To the global elite, God is not the source of law—man is.
4 Rule passion – faith – tradition – and all things with tempered reason.	Global elites know best what your community needs for fair laws and courts. Global elites will make the laws and appoint judges to enforce them. Laws based on Judeo-Christian values are relics in our post-modern world.
5 Protect people and nations with . fair laws and just courts.	Global elites will decide all issues of significance in a world court. Your supreme court will no longer be the highest court of the land.
6 Let all nations rule internally resolving external disputes in a world court.	Your form of representative government is useless. Your state and federal constitutions are petty laws. Collectivism will govern rule making. Karl Marx is a hero. Individual sovereignty and property rights are bad. You will own nothing and be happy.
7 Avoid petty laws and useless . officials.	The New Age ideology of the global elite turns the world upside down. It calls good evil and evil good. If you reject this ideology, you do not “prize truth”.
8 Balance personal rights with social . duties.	
9 Prize truth – beauty – love – . seeking harmony with the infinite.	

- 1 Be not a cancer on the earth –  
Leave room for nature – Leave room  
for nature.

You must support our sustainability initiatives, green new deal, climate summits, carbon tax credits, tax subsidized windfarm projects, and any other scams we concoct to leave room for nature. Read it again. We think you're an idiot, so we want you to read it twice.

### **Documentary about the Georgia Guidestones, who built it and why**

This is the most complete and most informative documentary about the Georgia Guidestones I have ever seen. Listen to interviews of all the people involved except for the mysterious R.C.Christian and his accomplice. It's two hours long but very interesting throughout. And you will learn the probable identity of R.C. Christian: Dr. Herbert H. Kersten of Iowa.

What the first statement says:

Recently a friend called my attention to the Georgia Guidestones. I've heard of the message on them before, but this is the first time to see a photo of one of the stones. The [Wikipedia explanation of them](#) is evenhanded in my opinion, but the photo of the stone shown on Wikipedia is dark making it hard to read. Using a free graphic editor ([Gimp](#)), I increased the brightness and contrast making the writing on the stone much easier to see. Is this the plan of the New World Order? You be the judge.

## THE MESSAGE OF THE GEORGIA GUIDESTONES

9. Prize truth – beauty – love – seeking harmony with the infinite.
10. Be not a cancer on the earth – Leave room for nature – Leave room for nature.

Take note of the cap on world population in the first statement. That's a reduction of 92% of the present 6 billion people on earth! How is the ruling Elite going to do that? They've been working on it from as early as 1954! Probably the final method will be [extermination of all who will not bow down to the Beast](#). But [Jesus won't let them get away with it](#) entirely!
