

The Inventors of the Climate Change Scam: The Club of Rome

What is the Club of Rome?

"The Club of Rome is a platform of diverse thought leaders who identify holistic solutions to complex global issues and promote policy initiatives and action to enable humanity to emerge from multiple planetary emergencies." (Source: <https://www.clubofrome.org/about-us/> – on the official website of the Club of Rome)

"The Club of Rome is **a Masonic lodge founded in 1968 on David Rockefeller's estate** in Bellagio, Italy. The Member Squadron is a traditional collection of grandiose reformers with heads of state, UN bureaucrats, leading politicians and government officials, diplomats, scientists, economists and big business leaders. **A collection from all over the world with a strong side of rich Western "elite"**. This political lodge also brings together multi-billionaires in the Rockefeller, Rothschild and Soros families along with political chameleons such as Anders Wijkman and industrial magnates such as the now deceased oil businessman Maurice Strong." The second definition is from Technocracy News which mediabiasfactcheck.com calls "Conspiracy-Pseudoscience." LOL!

I fact-checked mediabiasfactcheck.com and this is what I came up with:

"Mediabiasfactcheck has been repeatedly caught in lies and distortion of truth. Repeated claims that have proven false about Covid alone are enough to quit using them. Takes going to court to get them to correct lies they publish. It is a totally discredited, self-styled 'fact-checker' site that has been served with a 'cease and desist' legal notice for publishing unsubstantiated and defamatory claims against

Principia Scientific International (PSI).” (Source:

David Icke and Dr. John Coleman talk a lot about the Club of Rome, but because I don't trust information from either of those guys, I won't use any of their materials. Coleman talked about the Club of Rome as a governing body giving orders, but I see it more as a think tank.

I consider the most reliable source of information about globalists' plans that do not have the good of the general public in mind to be right out of publications of the globalists themselves. The following quotes are from a PDF file of a Club of Rome publication entitled: “[The First Global Revolution – A Report by the Council of the Club of Rome](#)” written in 1991 by Alexander King and Bertrand Schneider. You can click the link to download the PDF file.

Quotes from the publication of the Council of the Club of Rome

From page 108 of [the PDF file](#):

The need for enemies seems to be a common historical factor. States have striven to overcome domestic failure and internal contradictions by designating external enemies. The scapegoat practice is as old as mankind itself. When things become too difficult at home, divert attention by adventure abroad. Bring the divided nation together to face an outside enemy, **either a real one or else one invented for the purpose.**

From page 115 of [the PDF file](#):

The Common Enemy of Humanity Is Man

□

In searching for a new enemy to unite us, **we came □up with the idea** that pollution, the threat of global □warming (now called climate change), water shortages, famine and the like **would □fit the bill.** In their totality and in their interactions □these phenomena do constitute a common threat which demands the solidarity of all peoples.

Climate change is controversial even among scientists, but you probably didn't know that by listening to the mainstream media. One of my friends was surprised when I called Climate Change a scam and offered evidence from a scientist, Dr. John G. Hartnett, from his website. Please see [Climate change study on coral reef fish was '100 per cent wrong'](#)

Researching controversial organizations and topics such as the Club of Rome and Climate Change requires spiritual discernment, and that comes from knowing the written Word of God in the Bible and a good relationship with God through obedience to the Lord Jesus Christ.

Climate Change & The New World Order

The UN and Vatican are pushing the climate change scam to help bring about their new world order of global governance – no more God-given rights, only government “privileges.”

[Antichrist Powers on the Rise](#)

The European Union is not even trying to represent Christianity. They are trying to overthrow Christianity. They hate Christianity. That's why they're promoting sodomy and Sharia law and trying to advance the Muslims and fill up all the countries with as many Muslim migrants as they possibly can to sabotage Christian civilization. So what had been for centuries, the Christian standard is going to be done away with and replaced by something else, some kind of socialist, Sharia form of government.

[The Destruction of the Georgia Guidestones and the Meaning of its Message](#)

The Georgia Guidestones was a large granite monument in Elbert County, Georgia, USA. A message comprising ten guides was inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient languages' scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs.

On July 6, 2022, at around 4 am US Eastern Standard Time, a bomb went off and destroyed one of the slabs of the monument. In the spite of the fact that CCTV cameras were trained on the monument 24/7, there was no sign of anybody planting a bomb. Could it be the Lord Himself destroyed it?

A few hours later a wrecking crew came and destroyed the other slabs which were now weakened and in danger of falling and hurting the public.

Some people referred to the Georgia Guidestones as the 10 commandments of the Antichrist! Were they? You be the judge.

The message that was on the Georgia Guidestones and an honest interpretation of that message.

Original statement

- 1 Maintain humanity under 500,000,000
. in perpetual balance with nature.
- 2 Guide reproduction wisely –
. improving fitness and diversity.
- 3 Unite humanity with a living new
. language.

Honest interpretation of statement

7.4 BILLION people on the planet need to die.
Global elites will decide who, what, and how life is replicated on the planet. Forced sterilization, eugenics, pharmacology, abortion, cloning, and gene editing (CRISPR) are already at work.
Global elites want to unite all people with a single language so it's easier to subjugate them. In an act of defiance, global elites intend to reverse the Tower of Babel episode in the Bible.

Documentary about the Georgia Guidestones, who built it and why

This is the most complete and most informative documentary about the Georgia Guidestones I have ever seen. Listen to interviews of all the people involved except for the mysterious R.C.Christian and his accomplice. It’s two hours long but very interesting throughout. And you will learn the probable identity of R.C. Christian: Dr. Herbert H. Kersten of Iowa.

Some of the Elite Who Are Working for the Global New World Order

Perhaps an alternative title to this post could be, "A List of Some of the Number One Enemies of the Public". I wrote this assuming you know something about conspiratorial organizations such as Skull and Bones, the Council on Foreign Relations, the Trilateral Commission and other secret societies.

The photo was taken in 2001 and five of the people are now deceased. Some of the people in this photo need no introduction, but I'll include one anyway. I got most of the descriptions of their identity from Wikipedia. This description is by no means complete. If anybody has any more information for me, please share it in the comments section below.

Correct me if I'm wrong but it seems to me that every one of the people in the photo except the lady from South Africa is (or was when alive) a member of the American Democratic party.

As a businessman, he is known as the founder of the fake news Cable News Network (CNN), the first 24-hour cable news channel. He wants 95% of the world's population to die off! Indeed, when Feldman told Walters that the “richest, most powerful people in this business” were child abusers, she became visibly distraught. Then, when Feldman warned parents about the dangers of pushing their children into the entertainment industry, Walters’ response was extremely telling: “You’re damaging an entire industry”.
