

# Roman Catholicism By Lorraine Boettner

## Chapter XVIII Intolerance, Bigotry, Persecution

The official doctrine of the Roman Catholic Church, is that it alone is the true church, that all other churches and religious groups are in error, either heretical or pagan, and that such churches and groups have not even the right of existence.

## Scapegoating the Jews – By Darryl Eberhart

This article confirms what I have been teaching on this website, namely the great satanic worldwide conspiracy to lead people to worship the Image of the Beast is not primarily led by Jews or Zionists, but by the Vatican and the Jesuit Order. The Jesuits and their co-conspirators are using the Jewish people as scapegoats to blame them for the evils they themselves are doing!

I believe the primary source of antisemitism or hatred of Jews is the Roman Catholic Church. Throughout the centuries the RCC killed not only Bible believers, but millions of Jews as well. I was raised Catholic and heard only negative things about the Jewish people from the Catholic nuns in elementary school.

Antisemitism or hatred of any ethnic group of people is not of God. A true follower of Jesus Christ does *not* hate anyone!

*Matthew 5:44 But I say unto you, Love your enemies, bless them that curse you, do good to them that hate you, and pray for them which despitefully use you, and persecute you;*

If we're supposed to love even our enemies, how can we hate someone we don't even know?

This article from Darryl Eberhart has all his emphasis because I took it from <https://web.archive.org/web/20100125185129/http://toughissues.org/handoutsnew/Scapegoating%20the%20Jews%20Handout.htm>.

### **"Scapegoating the Jews"**

By Darryl Eberhart, Editor of ETI & TTT // Website: [www.toughissues.org](http://www.toughissues.org)

A 4-Page Handout // All emphasis is mine unless otherwise stated. // September 20, 2009

**DEFINITIONS** (hopefully in alphabetical order):

**"Blood libel"** (Per Wikipedia): "Blood libels are false and sensationalized allegations that a person or group engages in human sacrifice, often accompanied by the claim that the blood of the victims is used in various rituals and/or acts of cannibalism. The alleged victims are often children." (Per Wikipedia; as applied to Jews): "Blood libels against Jews are false accusations that Jews use human blood in certain aspects of their religious rituals and holidays."

**"Communism"** (Per "Webster's New World College Dictionary"; Fourth Edition;

2006; first two meanings): “1 any economic theory or system based on the ownership of all property by the community as a whole 2 [often C-] a) a hypothetical stage of socialism, as formulated by Marx, Engels, Lenin, and others, to be characterized by a classless and stateless society and the equal distribution of economic goods, and to be achieved by revolutionary and dictatorial, rather than by gradualistic, means b) the form of government of various, esp. former, socialist states which profess to be working toward this stage by means of state planning and control of the economy, a one-party political structure, and an emphasis on the requirements of the state rather than on individual liberties: cf. SOCIALISM...”

**“Freemason”** (Per “Webster’s New World College Dictionary”; Fourth Edition; 2006): “a member of an international secret society having as its principles brotherliness, charity, and mutual aid...”

**“Freemasonry”** (Per “Webster’s New World College Dictionary”; Fourth Edition; 2006; first two meanings): “1 the principles, rituals, etc. of Freemasons 2 the Freemasons...”

**“Freemasonry”** (Per I.A. Sadler, author of the book “Mystery, Babylon the Great”; 2003; Pages 175-181): “Freemasonry is another branch of the Babylonian Mysteries, which has survived under different names from the time of the fall of open pagan worship in the 5<sup>th</sup> century. ...Freemasonry is just as ripe for manipulation by the JESUITS and the CHURCH OF ROME, that it may be used for the purposes of ROME, as any Protestant denomination. [Ed.: Freemasonry has been manipulated by the Jesuits for many decades.] ...In Britain and the USA, Freemasonry appears as a ‘Christian’ organization. However, this is a most dangerous pretense, for the true god of Freemasonry is Lucifer, who is Satan appearing as an angel of light. ...Both Freemasonry and the CHURCH OF ROME [Ed.: at their highest levels] worship the same god... Masonic ceremonies implicitly deny the sufficiency of Scripture. ...[Ed.: Freemasonry] is particularly strong in many Baptist churches in the USA... Those in the lower levels of Freemasonry know nothing about the higher and even more secretive degrees.”

(NOTE: The Jesuit Superior General controls the highest levels of Freemasonry. American historian James Parton tells us: “...If you trace up Masonry, through all its Orders, till you come to the grand tip-top, head Mason of the World, you will discover that the dread individual and the Chief of the Society of Jesus [Ed.: i.e., the Jesuit Superior General] are one and the same person.”)

**“French Revolution, The”** (Per Darryl Eberhart, Editor of ETI & TTT): “The bloody French Revolution of 1789-1799 was planned, fomented, and orchestrated by a JESUIT-front group called the ‘Illuminati’ [whom some folks falsely believe is a Jewish-founded and Jewish-led group]. The ‘Illuminati’ had been set up on May 1, 1776 by JESUIT Adam Weishaupt – a man who had taught Roman Catholic Canon Law at JESUIT Ingolstadt College in Bavaria (southern Germany).”

**“Illuminati”** (Per Darryl Eberhart, Editor of ETI & TTT): “The modern version of the Illuminati [whom some folks falsely believe is a Jewish-led group] was

formed on May 1, 1776 by JESUIT Adam Weishaupt, who had previously taught Roman Catholic Canon Law at JESUIT Ingolstadt College in Bavaria (southern Germany). JESUIT Adam Weishaupt pretended to leave the JESUIT ORDER so that he could set up a JESUIT front group called the 'Illuminati'. This JESUIT front group, the Illuminati, planned, fomented, and orchestrated the bloody French Revolution of 1789-1799. By using this Illuminati front group, the JESUIT ORDER was given a great degree of 'plausible deniability' about the key role that it had played in the French Revolution."

"International Banksters" (Per Darryl Eberhart, Editor of ETI & TTT):  
"'International Banksters' is an expression that I use to describe the Jesuit-controlled financial cabal that controls the leaders and governments of many of the nations on this planet. Some people allege that 'the Jews' run international banking; however, my research has shown me that Jesuit-controlled Papal Rome is by far the number one financial entity in the world! (Jesuit-controlled Papal Rome rules the financial world through the Vatican's banking and financial interests – in Rome, throughout Europe, and in the USA – and through the wealthy Jesuit-controlled Knights of Malta Order.)

Dr. Stanley Monteith, on page 58 of his book 'Brotherhood of Darkness' (2000), tells us: '...Some sincere people believe that the Jews, or the Jewish bankers, are behind the world conspiracy. There are many clues that lead people to that conclusion, but I can assure you that the evidence has been planted to divert attention away from the truth.'

Indeed, some folks like to point to the Rothschild banking dynasty as proof that 'the Jews' run international banking; however, one of the titles of the Rothschilds, according to author F. Tupper Saussy, is 'Guardians of the Vatican Treasury'! Some folks would argue that the Rothschilds should be labeled as 'Court Jews' of Papal Rome.

Some would also argue that the Knights Templar Order was the first international banking cabal – at least on the European continent. It is worth noting that when the Knights Templar Order was suppressed, the Knights of Malta (a Roman Catholic religious-military order) 'absorbed' some of the great wealth of the Knights Templar. Many of the world's richest bankers have been Jesuit-controlled Knights of Malta.

*The Jesuit-controlled international banksters have helped to foment and bankroll many of the revolutions and wars of the last 3 to 4 centuries – and in the process have profited nicely from the murder of millions of people."*

**"Jesuit Order, The"** (Per Darryl Eberhart, Editor of ETI & TTT): "The Jesuit Order was founded in 1534 by Ignatius of Loyola, and was officially approved as a religious order of the Roman Catholic Church by Pope Paul III in 1540. The primary goals of this order are (1) to roll back the Protestant Reformation and the freedoms that it brought to many of the inhabitants of this planet; (2) to enhance the power and prestige of the Papacy (and its 'White Pope'); and, (3) to rule despotically over the governments of the world through the Papacy. The head of the Jesuit Order is the Jesuit Superior General – the 'Black Pope' – the real power behind the Papal throne. The Jesuit Superior General is also the master of all these: his Jesuit Order,

the Knights of Malta, the Knights of Columbus, and the highest levels of Freemasonry – and of all that he controls through these powerful and influential organizations. The Jesuit Order is infamous for fomenting revolutions and wars, assassinating heads of State, and subverting nations. I believe that it is almost impossible to understand European history and Church history without a good understanding of the Protestant Reformation and the Jesuit-led Counter-Reformation.”

**“Knights of Malta”** (Per Darryl Eberhart, Editor of ETI & TTT): “The Jesuit-controlled Knights of Malta is a Roman Catholic religious-military order headquartered in Rome with, and under the command of, the Jesuit Superior General, the ‘Black Pope’. Much of the wealth of the Knights Templar Order, when it was suppressed in 1312, was given to the Knights of Malta. Many Jesuit-controlled Knights of Malta have held top-level positions in various governments, in the world’s foremost intelligence agencies, in international banking, and in the publishing world. A number of Jesuit-controlled Knights of Malta continue to hold such positions. According to author and researcher Eric Jon Phelps, the following heads of the Central Intelligence Agency were all Knights of Malta: William Donovan (head of the OSS – the predecessor to the CIA), Allen Dulles (who was also a high-level Freemason), John McCone, William Casey, William Colby, George Tenet, and Leon Panetta.”

**“New World Order, The”** (Per Darryl Eberhart, Editor of ETI & TTT): “The New World Order (N.W.O.) is basically the ‘blueprint’ for ruling the world via a one-world economy, one-world government, and one-world religion. The real master of this coming N.W.O., who may continue to operate from behind the scenes, is the ‘Black Pope’ (i.e., the Jesuit Superior General). Since he controls his own powerful Jesuit Order, the wealthy Knights of Malta, the top levels of Freemasonry, and the Papacy itself, he is clearly the most powerful man in the world today. The one-world religion will most likely be headed by the Roman Pontiff, though the ‘Black Pope’ will continue to be the real power behind the papal throne – as he has been for centuries. When the ‘game plan’ for the N.W.O. is fully implemented, freedom of religion, freedom of speech, and freedom of assembly – as well as the Right to keep and bear firearms – will all be relics of the past. No dissent will be tolerated, and dissenters will be terminated with ‘extreme prejudice’. One of the first acts of this N.W.O. will be the launching of another modern-day [Papal] Inquisition.”

**“Protocols of the Learned Elders of Zion, The”** (Per Brad and Sherry Steiger; “Conspiracies and Secret Societies: The Complete Dossier”; 2006; Visible Ink Press; Pages 374 and 372): “‘The Protocols of the Learned Elders of Zion’, it would seem, is an amalgam of plagiarized political pamphlets, fictional documents, and various inflammatory works – many of which in their original context did NOT even concern themselves with Jews but were attacks on Jesuits. (Page 374)

(Note from James: former Catholic priest Leo H. Lehmann says the [Protocols of the Elders of Zion were written by Jesuit priests!](#) In that sense it’s a forgery. It’s also scapegoating the Jews because what the Protocols have to say actually became reality and the Jews are blamed for it! There are two articles on this website about the probable Jesuit authorship of the Protocols:

## Authors of the Protocols of the Elders of Zion – Jews? Or Jesuits!

### Evidence of Jesuit authorship of the Protocols of the Learned Elders of Zion)r

*...In the opinions of some researchers, 'The Protocols of the Learned Elders of Zion' may truly be the 'Mother of All Anti-Semite Conspiracies'. No matter how often the work is proved to be a forgery, some conspiracy theorists will continue to cite the 'Protocols' as proof that an international group of Jewish bankers is plotting to take over the world. (Page 372)"*

**"P-2 Masonry"** (Per John Daniel, author of the book, "The Grand Design Exposed"; 1999; Page 169): *"There is a Masonic Propaganda group, number two...known as the 'P-2 Club', with its headquarters being in Rome. ...The P-2 Club is a propaganda society of the world's elite which includes high-ranking Roman Catholic prelates and, of course, Jesuits."*

**"Russian Revolution"** (Per "Webster's New World College Dictionary"; Fourth Edition; 2006): *"1 the revolution of 1917 in which the government of the czar was overthrown: it consisted of two distinct revolutions, the first ('February Revolution') being the uprising of March (February, Old Style [Ed.: calendar]), in which a parliamentary government headed by Kerensky came to power, the second ('October Revolution') being the uprising of November (October, Old Style), in which this government was replaced by the Soviet government led by the Bolsheviks (Communists) under Lenin 2 sometimes, the October Revolution alone"*

Ed. Comment to the preceding definition: We are told by some folks that "the Jews" financed the Russian (or, Bolshevik) Revolution. Please carefully consider the following quotation:

*"Another point [that] is made [Ed.: to convince us that the Jews, or the Jewish bankers, are our enemy is] that Jacob Schiff provided \$20 million to finance the Bolshevik Revolution. ...Did Jacob Schiff really help the Bolsheviks? Because of the progressive dumbing-down of our people, most Americans don't realize that there were two Russian revolutions. The first revolution was in March 1917 (or February if you use the old Russian calendar); the second [Ed.: Russian Revolution] was in October of that same year. ...The March [1917] revolution began in St. Petersburg when a contingent of military recruits refused to fire on anti-government demonstrators. ...The Czar was forced to abdicate. Alexander Kerensky was chosen to lead Russia until elections could be held. When it became obvious that he intended to continue the war, the German High Command approached Lenin, who was living in Switzerland. ...They offered him money and transportation to go to Russia to overthrow Kerensky.*

*...During World War I, the American State Department was responsible for collecting intelligence information. Their files confirm the fact that Jacob Schiff opposed the czar, and after Kerensky had taken power, Jacob Schiff sent Kerensky a telegram congratulating him – but the Bolshevik Revolution didn't take place until seven months later. ...When he [Ed.: i.e., author Antony Sutton] examined the State Department's intelligence files, he found*

evidence that Jacob Schiff **opposed** the Bolsheviks, and encouraged our State Department to oppose them.

...The document [Ed.: i.e., 'The Protocols of the Learned Elders of Zion'] first appeared in Russia in 1905; it claimed that Zionists were behind the wars and revolutions of the 19<sup>th</sup> century, and planned to seize control of the world. Many Russians believed 'The Protocols', and they began to persecute the Jews and [to] destroy their property. When the czar refused to intervene, Jacob Schiff began plotting to depose him. He provided revolutionary literature to the Russian soldiers captured by the Japanese during the Russo-Japanese War in 1905...It is even possible that some of the soldiers who participated in the March [1917] revolution read Jacob Schiff's literature, so he may have played a part in inciting the March [1917] revolution, but that was **not** the Bolshevik Revolution [Ed.: which occurred seven months later]. When Antony Sutton researched the State Department intelligence files, he found documents showing that **English and American financiers** provided funding for the Bolsheviks, but that fact is never mentioned today. Could it be that the story of Jacob Schiff's \$20 million gift to the Bolsheviks was contrived to **divert attention** away from the real source of their funding?" – Dr. Stanley Monteith ("Brotherhood of Darkness"; Pages 60-62)

**"Scapegoat"** (Per "Webster's New World College Dictionary"; Fourth Edition; 2006): [noun]: "2 a person, group, or thing upon whom the blame for the mistakes or crimes of others is thrust – [verb]: to make a scapegoat of."

**SCAPEGOATING THE JEWS:** "The Jews" have often been falsely accused throughout the centuries of "blood libel" (i.e., using human blood in various religious rituals), of desecrating and torturing Roman Catholic Eucharistic wafers (i.e., the bread allegedly "transubstantiated" into the body of Christ during the Roman Catholic Mass), and even of causing "the Black Death" (i.e., probably the bubonic plague) in Europe and Asia in the 14<sup>th</sup> century. Simon Wiesenthal, on page 14 of his book, "Every Day Remembrance Day: A Chronicle of Jewish Martyrdom", sums up well this "blame the Jews for all evil" syndrome: "Hatred of the Jews grew as they came to be regarded as the cause of every catastrophe – if there was too much rain or too little, if the harvest was poor, earthquakes, floods, fire, famine, lightning, the plague, everything was laid at the door of the Jews; even though as many Jews were among the victims of such catastrophes as the rest of the population, the Jews were responsible for all calamities."

In recent centuries, "Jews" have been accused of fomenting wars and revolutions; of creating Communism and Freemasonry; of conspiring to rule the world; of running Hollywood, the American mainstream media, and the U.S. government (via Jewish "neo-conservatives"); and of running International and U.S. banking.

The false accusations about Jewish "blood libel" started with the Greeks and Romans. Later, the Roman Catholic Church and the Orthodox Church used these false "blood libel" accusations against Jews, which often led to bloody massacres of European Jews. The only "evidence" presented in these false accusations of Jewish "blood libel" was testimony obtained from Jews who had

been tortured! Ignored in all this are the commands found in the Old Testament forbidding Jews from consuming blood! Equally “ridiculous” is the idea that Jews steal Roman Catholic Eucharistic wafers in order to “torture” a piece of bread that has allegedly become “Jesus Christ” – yet this allegation has in the past been made against Jews by Roman Catholics– often leading to massacres of Jews!

Who is the “guilty party” for fomenting wars and revolutions? It’s not the Jews! Please consider these quotes:

(1) *“It is my opinion that if the liberties of this country – the United States of America – are destroyed, it will be by the subtlety of the Roman Catholic **Jesuit** priests, for they are the most crafty, dangerous enemies to civil and religious liberty. They have instigated most of the wars of Europe.”* – Marquis de Lafayette (1757-1834)

(2) *“This [Ed.: American Civil] war would never have been possible without the sinister influence of the **Jesuits**. We owe it to **popery** that we now see our land reddened with the blood of her noblest sons.”* – Abraham Lincoln

(3) *“The public is practically unaware of the overwhelming responsibility carried by the **Vatican** and its **Jesuits** in the starting of two world wars...”* – Edmond Paris (*“The Secret History of the Jesuits”*; 1975; Page 9)

The Protocols of the Learned Elders of Zion has been used for several centuries to try to convince folks of an alleged “Jewish conspiracy” to rule the world. Yet the Protocols were originally written in France as a satire that accused the **Jesuits** – not the Jews – of lusting for world domination! But the Jesuits “edited” the Protocols so that “the Jews” were substituted in the place of the **Jesuits** as the conspirators who are lusting after world domination!

To find out who controls international banking, the international intelligence community, the highest levels of Freemasonry, Hollywood, the American mainstream media, etc., please read the last 3 articles listed below in #1 of “For Further Research”; and especially read the 1836-page book, “*Vatican Assassins*”, by Eric Jon Phelps. (Hint: It’s not the Jews! Rather, the “real controllers” are the agents of **Papal Rome** – especially agents of the **Jesuit Order**!)

## The Jesuit's New World Order – An Interview with Darryl Eberhart

The title of this article is from an audio I found on <https://archive.org/details/JesuitsNewWorldOrder> I listened to part of it and knew I had to transcribe it for this website.

I never heard of Darryl Eberhart before. I was shocked to see that his website, Toughlssues.Org is offline in spite of the super interesting topics on it! Someone made a PDF file of the home page of Toughlssues.Org. You can [see it below the transcription](#) and read all the titles of the links that are no longer accessible.

What happened to Darryl Eberhart? Did he pass away into God's Heavenly Kingdom? Or was he taken out before his time by the people he exposed? If anyone knows the answer to this, I would appreciate hearing about it.

The information Darryl Eberhart shares confirms everything I have already posted about the Jesuits and their control of the world, and he also adds new information.

## **Transcription of audio interview.**

This is the Ministry of Truth. I'm Gordon Comstock and we have a returning guest today. He's been on the show three or four times. This might even be his fifth time. Boy, he reads a lot and they are of course the kind of books that are hard to obtain nowadays. We're not supposed to read these kinds of books I suppose. He's got a very interesting background in military intelligence. I think he really knows his stuff.

Before I was ever introduced to him, I was reading his writings online quite a bit. I was quite happy to finally talk to him. He's become a regular on the show. Well, it's frankly, and this doesn't happen very often in life. I have trouble finding areas where I would disagree with my guest today. Our guest is Darryl Eberhart. Welcome aboard, Darryl.

**Darryl Eberhart:** Thanks for the nice introduction. I'm 61 years old. I don't know if I've ever mentioned that on any of the podcasts. Sometimes I get a little tuckered out and tired of fighting these guys.

But let me give your listeners an introduction to both me, the intel, and the religious side because I've got this great concern that they'll accuse me since I've been writing so much about Roman Catholicism, especially the Jesuit order. I'm not comparing myself to Abraham Lincoln, but whenever they were plotting to assassinate Lincoln, they passed the word around that in a lot of the Northern newspapers, and as a matter of fact, democratic party biased newspapers. And actually, Lincoln claimed up to half of the newspapers and his time were controlled by the Roman Catholic Church. But they accused him of being a baptized Catholic who had gone astray. They figured that would steady the arms of the Roman Catholic assassins and a lot of the low-level conspirators were Roman Catholic. And I just wanted to let people know that I have never been a Roman Catholic. I was never secretly baptized as a Roman Catholic. I'm not an apostate Catholic, although I do know quite a bit about the Catholic Church.

But anyway, let me tell them about my intel. I spent 26 years in the intelligence community. In 20 years of that was the US military. I'm a retired military, 11 and a half years in the US Air Force Intelligence and 8 and a half years in Army Intelligence. And then after I retired from the military, I worked six years as a Department of Defense, civilian at the National Security Agency, largely because I got trained in Russian and Arabic languages and worked as an analyst, a linguist, a reporter, and then later I got a direct commission to captain. So I was then in military intelligence. I was a chief warrant officer before then after I switched over from the Air Force.

And I've been writing two newsletters for the past decade, plus the tackling the tough topics and examining the tough issues. And when I first started writing, I just pretty much, just spoke in general terms of the globalist, which actually talked a little bit about what are actually just front groups, the Counsel on Foreign Relations and the Bilderbergers, et cetera.

**Gordon Comstock:** They're front groups, you're right.

**Darryl Eberhart:** Yeah. They're just 100% front groups. As a matter of fact, a lot of smaller groups within the secret societies are front groups for the Jesuits, as I have maintained. And others like Greg Szymanski, and Eric John Phelps, all of our research ties together and confirms what each of us has worked on separately. And it goes back to a lot of guys who have written good books like Edmond Paris, [The Secret History of the Jesuits](#).

It just all dovetails and points to the same point. And that is that the Jesuits sit at the very top of the secret societies' pyramid, controlling Freemasonry, controlling their own Jesuit order, and through that, controlling the entire hierarchy of the Roman Catholic Church, because the Black Pope actually rules over the white Pope. He's the Black Pope, the Jesuit Superior General, is the power behind the throne of the white Pope, the one that we see patting children on heads. But the real leader of the Roman Catholic hierarchy is the Jesuit Superior General, who's also in charge of the very wealthy knights of Malta, who are co-located and co-headquartered at the Jesuit Superior General's palace there in the Vatican. So this man is by far, I think, the most powerful man in the world, and through the wealth he controls, through the Vatican Bank, and again through these wealthy knights of Malta, who hold a lot of key banking positions.

The Rothschilds, people like to point to them and say, "Hey look, these are Jews and they're running everything." The Rothschilds are Jesuits who just happened to have a Jewish background. One of their titles is Guardians of the Vatican Treasury. And that ought to tell us something.

**Gordon Comstock:** They're employees.

**Darryl Eberhart:** Yeah, exactly. And so anyway, I just wanted to let them know that I've got a good background in intelligence, but interestingly, despite having for 26 years a top-secret special intelligence clearance with all kinds of extra caveats, I knew almost nothing about the Jesuits. I know a little bit about the Catholic Church, and I'll explain why.

My religious background: I was raised Methodist. My mom was Methodist. My dad was Roman Catholic, but my dad got in trouble because he didn't raise us Catholic, and the priest was angry with him for years. So again, I was never baptized a Roman Catholic, and I never actually, I didn't go to a Roman Catholic Church until I actually got in my 20s. I went a couple of times with my dad to Mass. But again, I was raised Methodist.

Now, I have to say this, 90% of my relatives are Roman Catholic, including my dad, and 90% of my friends are Roman Catholic because I'm in a very heavily Roman Catholic area where anywhere you go in any direction, about five to six

miles till you get down off the mountain, it's either 70 to 90% Roman Catholic or higher.

Decades ago, by the way, I married a beautiful and wonderful Roman Catholic lady, and that's when I was taught Roman Catholic Catechism classes. I was still in the Air Force at Syracuse University studying the Russian language, and I went to those classes. I never converted to Catholicism. As a matter of fact, the priest kind of threw me out after about six sessions because I kept asking questions. I wasn't a Bible scholar at the time, but I had read enough of the Bible to just raise questions like, "Hey, Jesus Christ healed Peter's mother-in-law. And Paul said that Peter Simon took his wife with him when he went around. It sounds like Peter was married. Why do you guys have to be celibate when it looked like Peter had a wife? And the priest said, "Oh, is that in the Bible?" And then I nailed him on about four or five other things.

And it finally just came up after about the sixth session for him to put his arm around me because I was embarrassing him by asking him questions he couldn't answer. And I started making them look stupid because he kept saying, "Is that really in the Bible?" And I said, "Yeah, it is."

Let me give you just one more example. Christ said, don't call anyone on earth, Father." Now, obviously, He's not talking about your earthly dad, but He was talking in a religious way. "So why do we have to call you guys "father"?"

And he goes, "Is that in the Bible?"

I said, "Yeah, it is."

And I go, "Jesus Christ said, we shouldn't do repetitious prayers like the heathen do. Why do you guys pray the rosary and just keep going over the same thing over and over and over again?" And he goes, "Is that in the Bible?" And I'm not picking just on Catholic priests because I knew six Methodist ministers and, I'd say probably about four or five of them didn't know that much about the Bible. As a matter of fact, their main training was in administration and raising money and public speaking and running socials and things like that. And I think as a matter of fact, the last couple of Methodist ministers that I knew, said they only had one Bible course. when they were in. And of course, if you talk to an ex-priest and not, they get very little Bible training. They are almost all the traditions of the church, the church, old church fathers, especially the ones that the Catholics consider the most important. That's their main study. They also don't get into the Bible.

So anyway, because of that, this guy, just came up, put his arm around me, and said, "You don't have to come back anymore, my son." And I didn't want to go back anymore anyway, Gordon, because the snow was getting about three to four feet deep up in Syracuse, and a hellacious winter that year. And so it worked out well, but he definitely didn't want me to come back.

So I am not Roman Catholic, although I love a lot of individual Roman Catholics. And I want to just make that point. Again, I just went to Mass a

couple of times with my dad. I was kind of rebellious there because I was kind of disgusted by the Methodist church. And for six or seven years, I went to independent fundamental churches here when I came back after leaving the National Security Agency. And I got so disgusted with them because everything was pre-trip rapture. Once saved always saved, we're not to be involved in fighting evil. We're only here to win souls. And we're to obey government no matter how evil it is, don't you know? And that just drove me crazy.

So basically I just read the Bible and I get together with a couple of friends. And by the way, before we finish, I'd like to give a book. It's the best book for giving to a Roman Catholic that really in a nice and kind way, it's [Loraine Boettner's book called Roman Catholicism.](#)

They've attacked this man horribly. It was written, I think, in 1962. But Roman Catholics tell me it's the best book to give to a Roman Catholic to witness to them as to the unbiblical, unscriptural doctrines and practices in the church because Boettner, he's a man, Loraine Boettner, just runs comparisons. This is what the Bible says. This is what the Catholic church does or practices or says. And anyone who looks at that with an honest and open heart is going to see that basically, and I don't know how to say it in a kinder way, Roman Catholicism is basically paganism with a very thin Christian veneer.

The sad part is that there are Roman Catholics, and I know Roman Catholics that are real Christians that are in that church, and maybe before we get done we'll read that verse, Revelation 18:4 that says, "Come out of her, my people."

**Gordon Comstock:** Darryl, I took your advice. Last year I heard you talk about that Loraine Boettner book, and one of my best friends is an ex-priest, and he still attends mass, but he's no longer a priest. Great guy. I bought a copy of that book and gave it to him last year. We talked, and you could tell it was really making him think. But I haven't heard back from him in a few months, so it'll be interesting when I hook up with him again.

**Darryl Eberhart:** Well, the good news I have is that my best friend and his wife, and he was a Eucharistic minister. She taught catechism-type classes in the church school, and both very, very devout Roman Catholics, both from devout Roman Catholic, large Roman Catholic families, and after over 50 years, by reading the Bible and Boettner's book, they came out of the church. So it's not an impossibility. It does happen.

And Roman Catholics, many of them have no idea. They know there's some evil at the top because of the pedophile priest thing, but many of them have no idea because most of them do not read the Bible. They have no idea of how many Catholic practices, like celibacy and papal infallibility, purgatory, indulgences, a Mass cards for the dead, people try to pay and pray for their relatives to get out of purgatory, that none of that's in the Bible.

As a matter of fact, I challenge Catholics when I meet them. "Hey, sit down and read your Catholic Bible and see if you can find one pope. See if you can find one cardinal. See if you can find one archbishop." That whole entire

hierarchical system is not there in the Bible. As a matter of fact, Paul and Peter, examples in the New Testament when anyone ran up and fell at their feet and tried to kiss their toes or praise them as gods, they said, "Get up, get up get up! We're just men like you." And compare that to the pope, many of the popes who have lived in such wealth and with many palaces and cardinals the same way. And again, through selling indulgences, that's what got Luther so fired up.

A lot of people forget that some of the reformers were Roman Catholics. Luther was an Augustinian monk who tried so hard to reform the system from within. The [Dominican Girolamo Savonarola](#) who was in Florence led a great revival. He made one little mistake. He criticized, I think it was Pope Alexander VI, and his corrupt papal court. Of course, he was immediately excommunicated and murdered and exterminated, executed. And that happened so frequently throughout history. We need to remember that many courageous Roman Catholics have tried to challenge the system from within. And Rome, papal Rome, does not like to be challenged about anything.

I'd like to read just a couple of little things that I threw in some of my writings when I started writing more and more about Roman Catholicism. I'm going to repeat a little bit of what I said, but I think people need to know this. Here's a little statement I put in some of my newsletters when I started to really go after the Jesuit order.

I am not a Roman Catholic. I also am most definitely not anti-Roman Catholic as far as individual Roman Catholics go. My dad, 90% of my relatives are Roman Catholic, and the majority of my friends are Roman Catholics still to this day. I am, however, against the top levels of secret societies from the hierarchy of the Jesuit order to the hierarchy of Freemasonry. And by the way, if I can find that quote, I'll read it later, but there was a historian that said,

"If you trace up to the very top of Freemasonry, you will find out that the leader of the head Freemason in the world and the Jesuit Superior General are one in the same person."

We need to remember that the Jesuit order took over French, British, and German Freemasonry over a century ago. So the Jesuit order controls the higher levels of Freemasonry, which gives them so much power because when you start looking at the intelligence community, Gordon, you find out that just about every head of the Central Intelligence Agency was either a 33-degree Freemason like Allen Dulles who (then President) John Fitzgerald Kennedy fired, or they were Knights of Malta, which is a religious military order within the Roman Catholic Church under the direct command of the Jesuit Superior General.

I think that's kind of interesting. Five Knights of Malta, the first one that was in charge was William Wild Bill Donovan. You had John McCone, William Casey, William Colby, and George Tenet. There are at least five plus the head of the decades-long of counterintelligence in the Central Intelligence Agency

who also sat at the Vatican desk and the Israel desk was James Jesus Angleton, who just happened to be the CIA liaison to the Warren Commission. Another Knight of Malta, one of the Assistant FBI Directors, part of the Freemason lodge just happened to be the FBI, the liaison to the Warren Commission, the White Wash Commission, I call it. We can tell the flow of information that went to the Warren Commission was completely sanitized and edited by these two Knights of Malta.

When you start looking at that and World War II, where the head of Soviet intelligence is a Knight of Malta. He was the Jesuit priest for his couriers, [Prince Anton Turkul](#). You look at the German intelligence on the Eastern Front, it's run by a Roman Catholic knight of Malta named Reinhardt Gehlen, who ends up afterward coming over to help Donovan, who is head of the old Office of Strategic Services, the predecessor, the CIA. They set up the CIA together, two Roman Catholic knights of Malta.

By the way, William Joseph Wild Bill Donovan, I have a picture of him getting the [Order of St. Sylvester](#) there at the Vatican. The man was heavily decorated by the Roman Catholic Church, the Vatican, for his lifetime of service to the Catholic Church, even while he was the head of the OSS and then afterwards as the CIA Director. Isn't that interesting, Gordon? These guys are getting awards. Our top intelligence guys are getting awards from the Roman Catholic Church.

**Gordon Comstock:** Well, the Bible talks a lot about nations being empowered by demonic entities, and when you read through that litany of the crossovers between the Nazi echelon that were hooked up with the Knights of Malta, they just very easily made that transition from crumbling Nazi Germany to rising United States 20th century power. And I can just envision those demons crossing over from the Nazis to us, and we're seeing the fruits of that now all around us with entities like Blackwater, and of course all of the draconian legislation like the Patriot Act.

**Darryl Eberhart:** That includes stuff that says that the President's allowed to torture people. Where does torture come from? It doesn't come from any Protestant church. It doesn't come from any evangelical church. There's only one church that is really into torture, like big time, and that is the Roman Catholic Church and the Inquisition alone from, according to several reputable historians that officially ran 1203 to 1808, butchered up to 50 million Bible-believing Christians.

And while I mentioned that, I think it's important that everybody get a DVD. I don't know if you've ever had Richard Bennett on. He's an ex-priest of 22 years, but he did this [DVD on the Inquisition. It's subtitled, 605 years of papal torture and death](#). It's 58 minutes long, it's in color. The first two-thirds of the DVD deals with that official Inquisition that took the lives of up to 50 million Bible believers. Many women were burned. And to be slowly roasted and toasted at the stake, how cruel, 80 popes in a row, approved the Inquisition.

But again, the DVD is very professionally done. And the first two-thirds deals with that 1203-1808 timeframe.

The last third deals with that [forgotten holocaust, some people call it the Vatican Holocaust](#), and they're talking about the massacre in Croatia in the 1940s. Croatia was a part of Yugoslavia and then broke away and became a puppet state to the Nazis. And this fascist state, butchered and tortured up to 1 million innocent Serb Orthodox Christians, men, women, and children, to the point where they impaled children alive on stakes, they crucified Orthodox priests on wooden doors, they skinned people alive, they buried people alive. They burned people alive. They sawed them. They cut their eyes out, and made necklaces from them, and I know you're very familiar with this.

**Gordon Comstock:** Yeah, I read that book, The Vatican Holocaust by Avro Manhattan.

**Darryl Eberhart:** And he has pictures in there of both the perpetrators...

**Gordon Comstock:** Smiling as they're sawing through some guys' neck.

b>Darryl Eberhart: We need to think about this because there are 10 FEMA regions in the US. There are 10 Jesuit provincialists assigned to the US. I don't think that's a coincidence.

And when we think that two Jesuit prelates, they were Jesuit monsignors who were in archbishop positions in Zagreb and Sarajevo, respectively, [Aloysius Stepinac](#), who also was the military vicar to the [Ustaše](#) military killing squads that ran around, and Archbishop [Ivan Šarić](#). And so these two Jesuit archbishops ran this choreographed, this horrible holocaust – a religious side basically – the slaughter of Orthodox Serbians.

**Gordon Comstock:** And the people who led the bloodthirsty mobs were Franciscan priests, correct?

**Darryl Eberhart:** Yes, mostly, and some of the worst commandants were, like you said, Franciscan priests, monks, and friars. They sometimes led the Ustaše units, and if they weren't the actual officer in charge, then they were an adviser who participated in and urged the torture. And as one writer wrote, he said, they weren't content just to kill people, they had to horribly torture them first. So, it boggles the minds of people who have not been brought up Roman Catholic and who do not know the history of the Roman Catholic Church to think of a Church that calls itself Christian doing this type of thing.

**Gordon Comstock:** And so, that was a carryover. That was still the Inquisition, right? The Inquisition never really officially went away.

**Darryl Eberhart:** No. No. And that was a modern-day Inquisition that we need to look at because, as one writer, I think it was Manhattan himself said, it serves as a model of what the Roman Catholic Church would like to do if they could ever, wherever they have the power to establish themselves as the State Church and to totally, as Edmond Paris wrote, convert or die with everyone else. Of course, some of the Orthodox people did convert, but again, this DVD of the Inquisition by Richard Bennett is critical for people to see, whether they're Roman Catholic or non-Roman Catholic, to see the barbarity of all

this. When FEMA takes over and because the governors, those ten Jesuit providentials, are the real power behind them, we know what these people can do (based on the history of the Inquisition).

Here's a little thing I'd like to read, but I had stuck into several of the newsletters when I started writing more about Roman Catholicism. I put,

"Why am I writing more and more about Roman Catholicism? I've been writing more on the Roman Catholic Church's hierarchy, and especially its Jesuit order in recent newsletters, because I keep uncovering more and more about the deep hatred that the hierarchy of the Roman Catholic Church has for independent Bible-believing Christians, Protestants, Orthodox Christians, and Jews. And by the way, during World War II, it was just **a bloodbath that mainly went after Protestants** in northern Germany, **Orthodox Christians, not just in Serbia, but in Russia and in Ukraine**, and of course Jews, up to 6 million Jews, despite all of these people that try to say that there were only a couple hundred thousand. I've seen the actual pictures of the bulldozing of the bodies and that when the American soldiers went into camp. (Note from me: The actual number of Jews who died in the holocaust is something I don't care to debate about anymore. The fact is, not only Jews died, but millions of other ethnic peoples such as Romanies AKA Gypsies, Poles, Ukrainians, Russians, Serbians, and other Slavic peoples, even non-Slavic peoples such as Estonians, Latvians, and Lithuanians. It's interesting to me that when the Holocaust is mentioned, people only think about the Jews and none of the other ethnic groups the Nazis murdered. Why is that? I believe it's due to Jesuit control of the press and education to put emphasis on the Jews in order to justify the Zionists of their dirty deeds. )

**Gordon Comstock:** So let me derail you quickly here because you just prompted something. Darryl, do you think, as I strongly suspect, that not only during World War II, not only what happened in Croatia with the mass murder and torture of the Serbs, not only was that a carryover of the same Inquisition, but do you think, given that Hitler is still to this day a Catholic in title, he never was excommunicated, and given that it was guys like Franz von Papan, who was he a cardinal or archbishop who...

**Darryl Eberhart:** No, no, he was a knight of Malta. He put Hitler into power.

**Gordon Comstock:** He put Hitler into power. And as we know, the Knights of Malta are under the auspices of the Vatican. Do you consider that the far more infamous Holocaust that we see so many movies and books about, like Schindler's List and whatnot, do you think that that also was a carryover of the Inquisition?

**Darryl Eberhart:** Without doubt, there's no doubt in my mind that that was another part of the modern-day Inquisition. Serbia wasn't the only one. World War II was an entire Inquisition. The Catholic Church has long hated Orthodox Christians, and that's why the Nazi SS units, a lot of them in the central security service were priests that put on the black uniform. The head of the Nazi SS was not little pug-nose, the nephew Heinrich Himmler, Kurt Heinrich Himmler. The real head of it was his uncle who was a Roman Catholic priest, a Jesuit subordinate to the Jesuit Superior General, [Ledóchowski](#). But those

priests followed in with the killer units, just like the Ustaše had the Franciscan priests, monks, and friars, these Jesuit priests and other Roman Catholic priests were even wearing the black uniform of the Nazi SS. And they were with the killer squads that came in behind the regular German military, whenever they invaded into the Ukraine and further into the Soviet Union.

So it was when I first looked at Eric John Phelps' book, I thought, "Wow! Could it be that this thing was just totally orchestrated to slaughter as many Protestants and Jews and Orthodox Christians as possible?" I don't know how anyone can really take an honest look at World War II and not come to that conclusion. Where did almost all the firebombing take place? In northern Germany, not in Catholic Bavaria. What happened to the poor German Protestants up in the northern, northeastern parts like in Prussia? They were forced to march during winter, and women and children died along the way. Some people think up to a million people that died in the camps in the northern part. The American and British camps were horrible. They allowed malnutrition, they allowed weather exposure to these people. They were horribly treated. The amount of food they were given like I said, forced march in the middle of winter. And then of course the Jews, they went after them big time, and also after the Orthodox Christians. So, I don't see how anyone can really be honest, whether he's Roman Catholic or non-Roman Catholic, look at World War II and not just see a massive religious side that was orchestrated by having Knights of Malta running the intelligence services on both sides.

I worked 26 years in the intelligence community. When you have top positions like the CIA counter-intelligence desk when you hold the head of the CIA, the head of the FBI, then you can murder anybody, and that's what happened with John Kennedy, and then cover it up because you have all your people at the key choke points, and no mid-level analyst or something's going to be able to get anything. He'll get murdered if he tries to go outside of the channels. And that's what they did with the two liaison positions with Kennedy. And everyone around Kennedy, and that's something that you and I have talked about before, is the alternative medium, much of it, blames everything on the Jews, mentioning the Rothschilds and that or the head of the Federal Reserve, and not ever getting to the secret societies and the control of the secret societies by the Jesuits Superior General, where they have control of these, not only the intelligence agencies, but they are able then to use through the CIA cooperation with Special Forces, Navy Seals, they are able to use our most elite military to murder people and cover it up, and having key people in Congress. Almost every key committee is held by a Roman Catholic generally.

It's interesting, I started when I was updating some of my news articles, I will tell the story, and you know it, at one time I had 106 articles up on the web, 106, and a lot of them dealt with assassination, like the assassination of Kennedy, the assassination of John Paul I, the assassination of Oscar Romero, the Archbishop down in El Salvador, and the assassination of Lincoln. When you look around and start digging a little bit outside of mainstream publishing and the current American textbooks, you find out in all of these that the culprits are the Jesuits! And the rest of the Vatican, the

papacy, clearly their fingerprints are all over the assassination of Lincoln.

My goodness, they even helped John Harrison escape up to Canada, where two Roman Catholic priests hid them out, one of the Archkins' Bearers, and then they ferried them over to England and down to the papacy, where they became part of the Pope's own personal bodyguard in a Zouave company.

But Burke McCarty and her book pointed out... she wrote an interesting book, [The Suppressed Truth About the Assassination of Abraham Lincoln](#). That book was published in 1924. And when she did, she's got a great quote in there, and I'll just paraphrase it because I don't have it right in front of me, but she said that during the Wilson administration, that would have been, he served two terms, I think that would be 1913 to 1921. He's the president who said, "I'll never send your boys overseas" just like FDR later. But anyway, she said during his administration, the head of the Army, the head of the Navy, the head of the Merchant's fleet, the head of the post office, and she named a couple of others, and she said just about every single department in the U.S. government – now remember, this is in the 1920s, the early 20s – she said was held by a fourth degree Knight of Columbus! Now, the Roman Catholic population at that time was one-sixth the entire U.S. population, but they are holding every single key government position.

Lincoln said that in his time, half of the newspapers, I mentioned it earlier, half the newspapers were run by the Roman Catholic Church. And then F. Tupper Saussy, when he came out with his book, [Rulers of Evil](#), showed how in the Reagan administration, almost all his top advisers were Roman Catholic, and almost every key position, intelligence, finance, in both the Senate and the House, were all held by Roman Catholics.

And it's interesting, when you think back, Gordon, if you go to an independent fundamental church, you're to find out these guys have all been taught in their seminaries, "We don't get involved in politics," but when you go to Roman Catholic churches, when they have their Knights of Columbus, and they try to recruit young Roman Catholics into that, they tell their people, get into law enforcement, get into government, become mayor, become governor, become president. They're talking two sides there. They infiltrate, and Protestants have trouble understanding that because we wouldn't think of infiltrating a Catholic church, but the Jesuits are masters of infiltration, and they have their people infiltrate, even seminaries of these independent fundamental associations and everything. And they tell these people, "Now you need to obey government no matter how evil it is, no matter how fascist it is, because don't you know government is from God, and you guys need to stay out of politics. You're only here to win souls, you don't get involved in anything. And then they're telling their people, "Get involved in law enforcement, get involved in politics." You go to these, a lot of these northern, northeastern cities, Midwest, Chicago, New York, Boston, you'll find out that a very large number of the police officers, especially in the middle and higher levels, are Knights of Columbus.

And you can see that on a website, [spirituallysmart.com](#). It has all kinds of pictures. Jeb Bush is a fourth-degree Knight of Columbus. It has a picture of him getting his ceremony there. It has a picture of President George W. Bush

shaking hands with a bunch of Knights of Columbus. It has a picture of some of these top people in the New York police force. I think one of them was a former Homeland Security agent, a very high-ranking one. They're all Knights of Columbus!

So what does that bode for us? We need to remember something, Gordon, and that is that the Ustaše was a Roman Catholic militia called Catholic Action in Yugoslavia. Whenever the German troops poured across the border, these people turned on their own government, turned on their own constitution, their own people, and betrayed them, and showed the Nazis, well, I should say the German troops, where the arms were stored, and where aircraft were hidden away. They basically were a fifth column. I hope most of the listeners understand that in the fifth column from the Spanish Civil War, there was General Mola. Franco said he had a fifth column. In other words, he had people friendly to him behind the enemy's line pretending to be good guys when they were actually betraying them. He claimed to have in Madrid, a fifth column.

Well, throughout all of Europe in World War II, there were fifth columns in France and Yugoslavia that betrayed their own people, their own country, their own government, and their own military.

**Gordon Comstock:** They assassinated King Alexander of Yugoslavia.

**Darryl Eberhart:** Right. And the Ustaše we need to remember was a Roman Catholic militia, basically a terrorist group before World War II. And then once Pavlach was put into power, Ante Pavlach, an interesting character, who said, "A good Ustaše is someone who can cut a child out of its mother's womb."

And having the two archbishops there, once they took power, well, guess what happened to the Roman Catholic militia, Catholic action, Ustaše? They became the regular military forces, and they went around being the killer squad.

And people need to think. I've heard there are a million and a half to two million strong in the Knights of Columbus. There are signs about them all over where I live. You see all their signs. They have chapters and stuff. They sell insurance, they sell little gambling tickets basically that are based on the lottery here in Pennsylvania. These guys are wealthy, they're powerful, and we need to think, what are they gonna do when we go under total martial law in a fascist state here? Are these guys gonna be just like the Ustaše in Croatia?

That's something to think about because the fourth-degree oath of the Knights of Columbus, now they've probably mellowed it some, but it was a horrible plot oath that was read into the Congressional record in the early 1900s. We don't need militias such as the Knights of Columbus that have an oath to a foreign potentate, and that's what the pope is. And if people think that's hard, it's just the truth.

**Gordon Comstock:** When you say foreign potentate, now that brings up a good point because we talk a lot about the dangers of Roman Catholicism and the

Jesuits and the upper echelon of that hierarchy, but that upper echelon, foreign potentate, isn't the real threat, the real source of all this threat is because it is that the Vatican is a nation-state, is it not? People still think the Vatican is just part of a religious system,

**Darryl Eberhart:** It is a nation state. The Vatican State has diplomatic relations with something like over 80 or 100 countries, I forget. But they're a member of the United Nations, the pope goes and speaks there, and I know they've got diplomatic relations with all of the major countries in the world. As a matter of fact, they were restored with Mussolini in the Concordant that he signed with the papacy. Of course, some people tend to forget Hitler also signed a Concordant on the papacy, and you mentioned earlier, that Hitler was never excommunicated, and neither was Mussolini. As a matter of fact, when Hitler died, or some people say he didn't really die, he went to Argentina, but anyway, when he supposedly committed suicide, they had a high requiem mass for him in Spain, officiated, I think by three Roman Catholic priests. Generally, that's only for like a cardinal or something, and they had that for him. But Mussolini, Hitler, and none of the worst of these mass murders was ever excommunicated by the Roman Catholic Church, how could they? These guys were working for them. You know, that's not good PR within your own camp if you excommunicate your top murderers that carry out your orders for you.

Let's say one other thing, you mentioned a good point. A lot of people tend to think of Roman Catholicism as just a religion. No, the Roman Catholic Church is probably the most powerful geopolitical faction in the world because of controlling secret societies, plus having a billion people adherence, plus having a Vatican bank, and they have another bank too, but all their stock holdings in that, the Knights of Malta are big bankers, so they're filthy rich, and so we need to think of them as the most powerful geopolitical and financial power on the entire planet. They're not just a religion.

We Americans have for the most part been largely ignorant of the well-documented history of the Roman Catholic Church in conducting brutal religious genocide, the Inquisition, holy wars, and holy crusades against all the aforementioned groups, Bible-believing Christians, Protestants, Orthodox Christians, and Jews.

Sadly, many Americans believe the ecumenical rhetoric of the Roman Catholic Church's hierarchy, that she has changed her ways and now loves all the "Separated Brethren." (Formally called heretics.) Well, we now know that Pope Benedict XVI has come out and said, "Well, that liberal stuff you kind of heard out of Vatican II is, they're just spinning that the wrong way. There's no salvation outside of the Roman Catholic Church."

I've got some of his recent documents where he said any church that came out of the Protestant Reformation is not a church. So guess what, Protestants? You're back to being heretics and not Separated Brethren.

And by the way, the ecumenical movement is totally run by Roman Catholics. There's a Roman Catholic priest named Forrest and that, but you'll find it

almost all of these, the Billy Graham crusades, and that there are always priests there, Paul and Jan Crouch. You can almost always see a priest in the background there. Jack Van Empey praises Mary and the Marian apparitions and the Pope. So a lot of these so-called Protestant evangelists are just, well, Billy Graham himself has an honorary degree from a Roman Catholic Institute of Higher Learning.

**Gordon Comstock:** They're all subverted.

**Darryl Eberhart:** Yeah. They're working for the other side. And we need to realize that these people are pied pipers. As a matter of fact, Billy Graham, when a Roman Catholic comes forward in his crusade wanting to truly learn more about Christ, what does Billy Graham and those counselors do? They turn them over to the local Roman Catholic Church! They say, "Go back to your Roman Catholic Church and learn there."

Again, I'm not trying to be mean to anyone because I love a lot of individual Roman Catholics, but Roman Catholicism is basically pagan. It's the old Babylonian religion. It's paganism with a thin veneer of Christianity. It moved into the power vacuum whenever the imperial pagan Roman Empire fell and the Pope basically took over as the ghost rose from the ashes of the pagan imperial Roman Empire.

**Gordon Comstock:** Darrell, this gets into eschatology. You have these pre-tribbers, these huge futurist Christians nowadays who are expecting some kind of revived Roman Empire in the future. And what they are obtusely not seeing is that when the secular government of Rome fell, it morphed into... basically, what I'm trying to say is their revived Roman Empire is Roman Catholicism because it carried on Rome and engulfed all the other states around it. So it's right in front of them. It's always been in front of them. It's always been the number one persecutor of ...

**Darryl Eberhart:** True Bible-believing Christians, including the Waldenses. You know how they treated the Waldenses, I know you read about them, and the Albigenses. They called the Albigenses and Waldenses, heretics, Manichaeans, Dualists, and all kinds of dirty names. But they were just simple Bible-believing Christians who were *always* ... let me repeat that, they didn't leave the Catholic Church, they were *always outside* the Catholic Church. And because Catholics in France compared the wonderful lives of these people, they were hard-working, industrious, moral people to other Catholics, the Catholic Church was starting to lose their adherence. They were leaving in droves to join these people. And that's when the Catholic Church crushed the entire southern population of southern France. They exterminated the Albigenses in a series of crusades. I think they started somewhere around 1208. And they basically used some of the same crusaders who had been down in the Middle East and turned them loose, including rapists and murderers out of the prisons to slaughter these people.

And that's why I started writing more and more about Roman Catholicism just because... I don't know how to say this in any other way than the Roman Catholic Church is basically, especially the Jesuit order in the last four centuries, international murder incorporated. They're just mass murderers,

masters of assassination of individuals, but also masters of religious genocide. And we need to speak out about it. Roman Catholics need to learn.

I think if Roman Catholics in America could learn one-tenth of the history of their Church, purposely a Church, but again, remember, it's an official nation-state, the Vatican state, that was restored by Mussolini with his Concordate. But anyway, by the way, Roman Catholicism also became the state religion again there. So the deadly wound kind of got healed there whenever they got back as a Vatican state.

It's not the Jews, the Zionist Jews who are running around fomenting all the wars, it's the Roman Catholic Church.

There was a man named Edmond Paris who was born Roman Catholic, a French author who wrote several books like "Convert or Die". But he wrote [The Secret History of the Jesuits](#) that people can still get that from Jack Chick, Chick publication (and this website).

**Gordon Comstock:** We spoke of that book, [Roman Catholicism by Loraine Boettner](#) as maybe the best book to give your Roman Catholic friends to get them out of that system, to wake them up.

**Darryl Eberhart:** The book is simply called [Roman Catholicism and it's by Loraine Boettner](#). It was published in 1962. It's a 466-page paperback book.

My best friend and his wife, have four children, and they gave them Dave Hunt's book and it really turned them off. Dave Hunt's book is a great book, [A Woman Rides the Beast](#), I like it, but I've heard from several Catholics that it really turns Catholics off.

**Gordon Comstock:** It's all factual, but it's too much at once.

**Darryl Eberhart:** Yeah, for new comers. It's a good book. If you're a non-Catholic, I would highly recommend you get that from Chick Publications. [A Woman Rides the Beast](#) is a great book for a non-Catholic because it gets into their doctrines in the back. He gets into papal infallibility quite a bit, and celibacy and purgatory and he'll give you definitions of all of them. But he gets a lot into the genocide too.

**Gordon Comstock:** The sordid history of the popes, Hunt gets into in spades.

**Darryl Eberhart:** Yes, he does a very good job. But if you want to hand something to a Roman Catholic to read because you want them to see that their churches' practices and doctrines are unbiblical, unscriptural. Roman Catholicism is the best book. And I tell you why. That man has been horribly attacked by the Roman Catholic Church because he's right on the money. And again, he doesn't do it in a caustic and vitriolic, nasty manner. He just lays it out nice and just pleasant. And just saying here it is, this is what the Bible says, this is what the Catholic Church says. So I highly recommend it. You get that book and get it into the hands of Catholic friends. It's much better received than most other books.

Let me give a Bible verse here. It's critical. We're very ignorant of

history. We're also biblically ignorant in America. And I'm sure know very well this verse,

*Hosea 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.*

That's pretty serious. We need to be Bible readers. You mentioned about the papacy and how easy it is to see. Some people try to predict who the Antichrist is going to be. Some people said it was Gorbachev with the little red mark on his head. Some people even said it was Reagan. There's Prince Charles. There have been many candidates, Mussolini was a candidate, Hitler was a candidate. Of course these guys are dead now.

Rather than trying to predict who the final CEO of the Satanic Kingdom is gonna be, that priest of 22 years, Richard Bennett, points out on his DVD, The Inquisition, the Bible very clearly lays out that the *papacy* is the Antichrist.

*Revelation 17:9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.*

Now someone like Texe Marrs says that's Jerusalem. But Jerusalem never ruled over all the kings of the earth. Some people say Rio de Janeiro has seven hills. Now the only place with seven hills that ruled over the kings of the earth for probably over 1200 years was the Roman Catholic church or papacy. They crowned kings and emperors and deposed them. Few emperors and kings had ever won against the pope. Most of them lost on the battle field because the pope would rally several countries against the nation that opposed him.

Some people used to joke, "Well, how many divisions does the pope have? The answer is he has as many divisions as the US or the Soviets or whoever he's controlling. They've infiltrated and decapitated those governments.

Verse Revelation 17:18 says, And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

Again, the Israel kings, kings of Judah, David, and Solomon at their peak didn't rule over the kings of the earth. They ruled over maybe the kings of Edom and Moab and the Syrians. But they didn't rule over the Assyrians. They didn't rule over the Babylonians. They didn't rule over the Chinese. However, the papacy ruled over continental Europe for over a thousand years.

But here's the verse that's kind of interesting. I used to say I'm not telling Catholics to come out of the church. I am now.

*Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.*

The Bible says that papal Rome is going to get burned in the end. And I would say to ... and I love again many individual Roman Catholics ... get out of there.

Not only is your church, which is a state, a geopolitical and financial entity, guilty of pedophilia to the maximum extreme, not only is it guilty of up to 40% of American nuns reporting being sexually abused, you can find that in a Boston Globe article. I'm looking for the book, but it's in a great book called Lucifer's Lodge – Satanic Ritual Abuse in the Catholic Church was written by a Roman Catholic named Kennedy. Not only is it guilty of all that, but if you read my Bloody Hearts article, you'll find out that the Roman Catholic church as Baron De Pane, the French statesman said, "Its history is written in blood." Blood is what it's all about. The slaughtering of Jews left and right, as you well know Gordon, whenever the Roman Catholic crusaders, not the Christian crusaders, went into Antioch in 1096. The Roman Catholic crusaders slaughtered every man, woman, and child, Christian, Jew, and Muslim in Antioch. Then they went down, and in Jerusalem, in 1099 they slaughtered just about everyone. There were a few Muslims that bought their way out, the rich ones, but other than that they slaughtered every man, woman, and child, other than the few that bought their way out, Jew, Muslim, and non-Catholic Christian. And that has been the history of that church.

Before the Crusaders even went down to the Middle East, they went into the Western provinces of Andrew and Puto and practiced up for the crusades by slaughtering every Jew they could find, going through the villages of those Western, I probably murdered the pronunciation, those Western provinces in France, they practiced up. Their entire history is nothing but religious genocide. Every 50 to 100 years, the Roman Catholic church goes on a mass murder spree, and they did it as recently as the 1940s. (The 1994 [Rwanda genocide](#) was even more recent.)

And Gordon, that's why I think you're staying in and working hard at what you do, why I am too because we smell what happened in Croatia, what happened all over the European continent, in the 1940s, may be coming to a neighborhood near all of us soon here in America, like they used to talk about movies going around the drive-in theaters. It's coming to a neighborhood soon near us. And again, ten FEMA regions, ten Jesuits, provincial's assigned here, and we've got the fascist police state almost totally set up here in America.

If Roman Catholics do not leave in droves as they did during the Reformation, the only thing that stopped this, that flow, was the sword and the stake that the Catholic church wielded against its own people, otherwise, Europe would be totally Protestant right now. And that's why the Inquisition was instituted and carried on, and again, 80 popes in a row.

And if you're a Roman Catholic, get a book called [Vicars of Christ: The Dark Side of the Papacy](#), by Peter De Rosa. There's a Roman Catholic that just gave you the real nitty gritty of what the papacy was about. It was nothing but rich aristocratic families battling with each other. Most popes were murdered, by the way, very few died natural deaths, some mysterious, but many of them were murdered because they were fighting with each other for the coveted position because of all the wealth and power that it carried with it.

So again, we're not being mean, we don't hate Roman Catholics, we're just trying to warn you, your system, it's not biblical, it's a murdering system, and it's a system full of pedophile priests, and it's just a real sad story

that it calls itself Christian.

I tell my Catholic friends this, you're not going to like a Catholic police state here in fascist America. It's not going to be good for Catholics because the Inquisition didn't just kill Bible believers. Many Roman Catholics, if they were wealthy, maybe you had a good-looking wife or daughter, they turned you in, and you went before the Inquisition, and very few people ever got acquitted from the Inquisition. By the way, most lawyers were not allowed to represent you, you couldn't see you're accuser, so they had an almost 100% conviction, right? And that's why we're warning people, to find out about this Church geopolitical financial entity, do a little bit of research.

## Catholicism's Moral Code

A THOROUGH UNDERSTANDING of Roman Catholicism is not possible without a grasp of the peculiar structure of its system of moral theology. It is the key to its world wide political power.

## Billy Graham, The Catholic Church, and Halley's Bible Handbook

This is a section from Dr. Cathy Burn's book, *Billy Graham and His Friends*, from the section, *MARY IS THE CENTER*. All emphasis in bold font are from the author.

Vatican II, however, was the instrument that helped the Vatican open up the door to the ecumenical movement. New Ager and occultist, Robert Muller, bragged: "There is no doubt that Paul VI, together with John XXIII and John Paul II, will be remembered as the three great Popes of Peace, pioneers of a

momentous **transcendence of the Catholic Church into the New Age.**"

In spite of this, the **Billy Graham organization recommended the biography of John XXIII** which "contained hundreds of pages of the Pope's devotion to Mary and the saints, worship of the Eucharistic wafer, and his trust in the sacraments for salvation...." Graham "commended it in ads as 'a classic in devotion.'"

Pope John XXIII remarked: "Mary is the center of all things in the sight of God." He also said: "Mary is the center and light of all theology. Without Mary's light, theology is in darkness, in heresy. Without Mary, and if it were not for Mary, God would not have made the world.'"

Graham himself said in 1966: "I find myself closer to Catholics than the radical Protestants."

Cardinal Cushing, a Roman Catholic from Boston, made an interesting comment to the press in the **early 1950's** that "if he had half a dozen Billy Grahams, he would not worry about the future of his [Catholic] church!" In fact, Graham bragged: "No ranking member of the Catholic hierarchy spoke out against the [1957 New York Madison Square Garden] Crusade, and I suspect many Catholics knew of my friendship with various Catholic leaders."

"In **1964**, Graham spent forty-five minutes with Richard Cardinal Cushing, Catholic Archbishop of Boston. Cushing gave unqualified support for Graham. The Cleveland Plain Dealer for Oct. 8, 1964, reported Cushing's words: 'I am 100% for the evangelist. I have never known a religious crusade that was more effective than Dr. Graham's. I have never heard the slightest criticism of anything he has ever said from a Catholic source.'

"Graham returned the favor by saying: 'I feel much closer to Roman Catholic tradition than to some of the more liberal Protestants....'"

Graham confessed: "My goal, I always made clear, was not to preach against Catholic beliefs or to proselytize people who were already committed to Christ within the Catholic Church."

He added: "I was grateful for the statement one U. S. Catholic newspaper made as it reviewed our first South American trip: 'Never once, at least in our memory, has [Billy Graham-B.G.] attacked the Catholic Church.'"

The July 1972 issue of *The Catholic Digest*,

"presented a feature article lauding Billy Graham. The Jesuit author wrote, 'Billy Graham is orthodox. I have read nothing by him that is contrary to Catholic faith.' In some places priests are being instructed to become familiar in the use of 'evangelical' terminology like 'getting saved' or being 'born again.'"

In 1978 Graham stated: "I found that **my beliefs are essentially the same as those of orthodox Catholics.**"

"The **Detroit Free Press** for Sept. 29, 1991, quoted Graham as saying, 'The Roman Catholics know that I'm not against them, and in my thinking, rightly

or wrongly, I represent **all** the churches.’”

Not only does Graham not attack the falseness in the Catholic Church but he even protects the wrong. For instance,

“around **1961**, Billy Graham bought the rights to Halley’s Pocket Bible Handbook. The original Halley’s, up until the 22nd edition (1959), warned about the Jesuits. There are chapters about the Roman Papacy and the Jesuits. According to Mrs. Halley, Mr. Halley spent years working on those chapters and never would have permitted the book to be changed. However, when he died, Billy Graham bought the rights, and **removed all the research and warning about the Jesuits** in the editions Billy Graham printed.”

(End of the section.)

## [Five Things to Watch for in 2024](#)

This article is a partial transcription of an audio on Christian J. Pinto's [Noise of Thunder Radio program](#).

My wife and I like to listen to Chris Pinto. He's a solid Bible-believing Christian, a former Catholic like we were who is very knowledgeable about the Counter-Reformation and the evil-doings of the Jesuit Order. However, we don't agree with him about his support of Israel in the latest Israeli-Hamas war in Gaza. Of course, any nation has a right to defend itself, but the way Israel is bombing Gaza indiscriminately, bombing hospitals and churches, killing media personnel, women and children, is not what I would call "self-defense." I would call it war crimes, ethnic cleansing and genocide. According to the testimonials of former IDF soldiers, the IDF purposely left that part of the border with Gaza unguarded so that Hamas would invade and do what they did so Israel could have the excuse to do what they are doing now!

In Chris Pinto's 2004 documentary, Megiddo – The March to Armageddon (Adullam Films), he stated that the 1948 restoration of the State of Israel was the fulfillment of Bible prophecy. I sure don't agree with him on that. All the prophecies of the restoration of Israel back to their homeland in the book of Ezekiel were fulfilled by King Cyrus telling the Jews they could return to their homeland if they wanted to. By the time of Christ, they were firmly settled back in the land God formerly gave them. In the documentary, I heard one Zionist preacher say, "If Israel is defeated by her enemies, you can throw your Bibles away!" Such a presumptuous and arrogant statement! It's outrageous for any Christian to say that! What people should say when things don't go the way they think the Bible says is: "My interpretation of Scripture must therefore be wrong! Does the Bible actually teach that

doctrine? Or did I get it from some dispensational Christian Zionist preacher who got it from the Dallas Theological Seminary that got it from C.I. Scofield who got it from John Nelson Darby who got it from Edward Irving who got it from Jesuit Manuel Lacunza, a Roman Catholic who worked to undermine the Protestant Reformation? Yep, that's where I got it from, not from the inerrant Word of God."

All that being said, we like Chris Pinto's take on everything else.

## **Transcript**

Okay, praise the Lord you guys and welcome. I'm Chris Pinto. This is Noise of Thunder Radio.

Today on the show we are going to talk about five things to watch for in 2024. If you are an American, if you're a member of Western civilization, and I would argue if you are a God-fearing Bible-believing Christian, these are things you should watch for in 2024.

Now, why do I think this is important? Well, I think it's very important because society and the Western world and our country, the United States of America, if people are not aware of the danger, the rising danger that we are in the middle of right now, then you're just not paying attention, whoever you are, you're not paying attention. And it's why we have to pay attention to things like what happened to the countries of Western Europe during World War II.

I've mentioned on this program before, that one of my favorite foreign films is called KATYN, about the Katyn Forest Massacre based on actual events. It was a history I grew up hearing about from my grandfather Ziggy, Zygmunt Zadarowski, who I've talked about on the program before, who was a World War II veteran. His country, Poland, was turned upside down, practically overnight. There was a peace treaty declared by Hitler with Neville Chamberlain and so on. And so everybody's declaring, "Hey, we're all going to be at peace. Everything's going to be great!"

And then the invasion of Poland happened sometime afterward. And Poland, the people of Poland, were turned upside down overnight. And when you watch the beginning of that film, Katyn, you just watched the first five or ten minutes of it. And you've got all these civilians wearing ordinary clothing, just running. And they're carrying suitcases and bags, and they've got their young children. And why? Because their country's been invaded by the Nazis on one side and by the Communists on the other, the Soviets. And everything changed very, very quickly.

There's another film that was done not long ago by Angelina Jolie, called "First They Killed My Father" about the Khmer Rouge in Cambodia. I would recommend watching the first 15 minutes of that film because you see a family there at the beginning. And again, this is all based on a true story, based on a book written by a woman who was a young girl when all of this happened to her country. At the very beginning, you see a Cambodian family, but they are very Westernized. That's obvious that they were Westernized because of

the way that they dress, the things that they're doing are very much like what goes on in the West. And then what happens is very rapidly, suddenly, everything changes. These guys with guns come riding in, and they're having a celebration briefly, and then right after them comes the Khmer Rouge, the Communists. And they were there, of course, for the killing fields of Cambodia. But everything changes in a moment. Everything's turned upside down. And they're told, pack your bags, get your things. Everybody's got to clear out of the city in 10 minutes. I mean, it's very fast.

And you see it at the very beginning when the Khmer Rouge come in, one of the first things they do is gather everybody's guns. Everybody's firearms. They disarm everybody. And of course, you're wondering as an American, if you're an American, you're watching this happen and you're thinking, "Why didn't anybody resist these guys? Why didn't anybody try to fight back or whatever?" But for whatever reason, they did not. They allowed themselves to be disarmed. They allowed themselves to be rounded up and then taken on a forced march and everything went downhill from that point onward.

So what's happening in our country right now with things like this massive flood of illegals coming into our country? I mean, this is unheard of. It's unprecedented. What's happening? We've never had anything like this happen in our history, where there's a massive flood of illegal criminals jumping the border. Meanwhile, we've got politicians like Nikki Haley, who claims she's some kind of Republican and some kind of a patriot, but she's saying it's wrong to call them criminals because supposedly they're just coming here for a better life. That is what we're told, even though the guys that work down there will tell you in a hot minute that most of those coming across the border are fighting-age men. They're not necessarily women and children. Very, very few women and children, mostly fighting-age men, and thousands, who knows how many thousands, of Islamic jihadi are crossing the border.

All right, so these are not in any particular order. The five things to watch for in 2024.

## **Number 1: The After effects of illegal immigration**

But since we've already introduced the idea, I'm going to say number one is the aftereffects of illegal immigration. And it's already started. We've been hearing stories, but here's one of the latest. This is published on a number of different websites. I'm just going to read a few lines from the Geller report, Pamela Geller's website, where it says New York City students are forced to go remote as the city houses migrants in schools. So in New York City, they are now putting the kids out of their public schools. Kids can't go in the schools now because they are making room for the illegal immigrants. We've already heard stories about them doing this at the hotels. People can't check into the hotel because they're putting all these illegal migrants into the hotels. The government is doing it at taxpayer expense.

All right, so here's just a part of this story.

Quote, "Students at a Brooklyn high school were kicked out of the classroom to make room for nearly 2000 migrants who were evacuated from a controversial

tent shelter due to a monster storm closing in on the Big Apple.”

And then you’ve got people complaining about it. People are saying things like, “They’re not vetted. A lot of them have criminal records and backgrounds and we don’t even know.” The people in New York are obviously very concerned about this. And this is going to reach a breaking point at some point. I think New Yorkers are going to decide that they’ve had enough.

This massive inflow of illegals is just going to make things worse. And we’ve got repeated warnings from people who work on the border, people like Doug Thornton, who I interviewed, many of you heard that interview. If you haven’t heard it go to our website at [noiseofthunderradio.com](http://noiseofthunderradio.com) and look in the archives back a couple of shows and you can listen to it. Very, very important interview. But they’ve been warning that there will likely be another 9-11 type event. This is what the guys down on the border are saying, the guys who I think are loyal patriots. They’re warning because they’re watching thousands upon thousands of illegals who are coming from the Middle East, who are Muslims, who are Islamists, rushing into our country, unvetted. And they believe that these guys have an agenda. It’s just a matter of time. That’s why it is important to pay attention to, at a variety of levels, the aftereffects of illegal immigration.

Now, I want to play very quickly and then we’re going to move on to the number two issue. Right now we’re talking about illegal immigration. I want to play this audio. This is from Joe Biden. This is Joe Biden even before he became president, before he was installed in the White House, talking about the massive flood of immigrants into our country. Listen.

“Folks like me who were Caucasian of European descent, for the first time in 2017 will be an absolute minority in the United States of America. Absolute minority. Fewer than 50% of the people in America from then on will be white European stock. That’s not a bad thing. That’s a source of our strength.”

So that again was a video featuring Joe Biden. This is back when Biden was vice president. This was in 2015. It’s a C-SPAN video.

And sitting right next to Biden, of course, is another Jesuit, Mayorkas. If you don’t know that Mayorkas is a Jesuit, yes, he is also a Jesuit. And what they’re doing is we’re going to show you in our new film, American Jesuits, which yes, folks, we are still pushing and working to get this project completed. But the information is so important. It is impacting what is going on in our country right now. This massive flood of immigrants into our country. This is part of the Vatican’s plan has been for more than a hundred years. And we’re going to show it to you. And it’s happening right now. We’re sitting here watching the fulfillment of what we were warned about back in the 1800s.

## **Number 2: The rise of Islam in Europe and North America**

Number two, we’re going to say the rise of Islam in Europe and North America. And this, I think, is a very good segue because Islam and immigration, both legal and illegal immigration into the West, is something that is becoming an

increasing problem.

I want to play now some audio. This is from FBI director Christopher Ray. Christopher Ray, let's go to the person who's seen as the senior source in our government on this. And this is Christopher Ray with the FBI warning about the potential for Islamic terror attacks on American soil. Listen.

"The reality is that the terrorism threat has been elevated throughout 2023, but the ongoing war in the Middle East has raised the threat of an attack against Americans in the United States to a whole other level. But it's not just Hamas. As the world's largest state sponsor of terrorism, the Iranians, for instance, have directly or by hiring criminals mounted assassination attempts against dissidents and high-ranking current and former U.S. government officials, including right here on American soil, the cyber targeting of American interests and critical infrastructure that we already see conducted by Iran and non-state actors alike, we can expect to get worse if the conflict expands as will the threat of kinetic attacks.

Al-Qaeda issued its most specific call to attack the United States in the last five years. ISIS urged its followers to target Jewish communities in the United States and Europe. Hezbollah has publicly expressed its support for Hamas and threatened to attack U.S. interests in the Middle East. Here in the United States, our most immediate concern is that violent extremists, individuals or small groups will draw inspiration from the events in the Middle East to carry out attacks against Americans going about their daily lives."

All right, so again, that is and was Christopher Ray, director of the FBI. So that's about as official as a warning can get. But of course, that warning does not really come from him. It does. But it's something that loyal American patriots who are boots on the ground, who were eyes and ears down at the Mexican border and have been down there for years, this is something they've been warning about for years.

So that is certainly an important issue. The rise of Islam in Europe and North America. Now that's really a warning for North America and the United States in particular.

(Station break)

The documentary film, American Jesuits, is going to be very, very powerful, especially for people who know nothing about the Jesuits, they'll be able to have a very solid understanding of why the order is a danger both past and present. Because we bring things current. We bring things so current. And I'm going to talk more about this, but Vivek Ramaswami, we've just learned Ramaswami is a Jesuit. But yes, he's Jesuit-educated. And we'll talk more about that as the show goes on. But anyway, we are going to show people why this is an important issue, why the Jesuits and the counter-reformation are important in our world today and why we as Christians living in America need to harken to the warnings from scripture, of wolves and sheep's clothing, and two, the many, many warnings of our ancestors for the past 200 years warning us about the Society of Jesus, the so-called Society of Jesus, the Jesuit

order.

Okay, so number two on our list is the rise of Islam in Europe and North America. In Europe, if you go to the RARE Foundation, R-A-I-R foundation.com, they've got a series of articles right now warning. There is a series of articles about thousands of German women raped by refugees since 2015. This is just in Germany. Now, we've talked about the rape gangs in England in the UK over the past 20 years. Reportedly, have assaulted and violated more than a million English girls, 11, 12, 13 year old girls over the past 20 years. And that number is now much worse. But they're saying that in Germany, two gang rapes happen per day against the women in Germany, two per day. You have in France on New Year's Eve, a disabled woman was violently beaten and raped in an elevator. That's one of the stories.

Another story is, weaponized prayer, Islamic displays of territorial dominance. Whenever you see those images of hundreds and sometimes thousands of Muslims bowing down in prayer in a public place, they go into cities like Paris, London, Rome, etc. where this article says, people have observed a uniquely Islamic display of dominance over the local population. This display has a veneer of religious observance as people are clearly engaged in Islamic prayer. However, since there are always mosques available or private spaces within which these observances could be done, one has to conclude that the purpose is clearly other than mere observance of Islamic prayer requirements.

So in other words, what they're saying is that the Muslims will deliberately go into public places where people normally are walking up and down the road and this kind of thing. And they will block everything with their Islamic prayer because it's one of the ways. It's kind of a form of intimidation and psychological warfare to say basically Islam is taking over. That's why they do it. And they're doing it in these cities all over Europe. Do you know that these Islamic street prayers are actually a confrontation and a statement? The Muslims are asserting their supremacy implicitly demanding that everyone else who wants to pass along the street has to accommodate them. This is a manifestation of the old Islamic dictum that quote, "Islam must dominate and not be dominated." Now, there's no question that this is happening. There's no question that it is that you've got millions of Muslims now in the United Kingdom and they are pursuing more and more acts of aggression so that Islam will eventually dominate England in the whole UK.

### **Number 3: World War III**

Okay, so that's two. Number three, in my opinion, World War Three, is kind of odd, you would think that would either be number one or number five, right? But we're just going to, we're going to make it number three, World War Three, the situation with Ukraine, Russia, and Israel. Notice what's happening, you have all of these conflicts and these entanglements where the United States is being blamed by Russia for our support of Ukraine. And now we're being blamed by the Islamic element out there because of our support of Israel, the state of Israel.

## Number 4: The resurgence of COVID-19

Okay, so number four, the resurgence of COVID-19, the resurgence of COVID-19. There are repeated warnings that they are going to try to bring back mask mandates, that they're going to try to bring back lockdowns and all this other kind of stuff. Illegal immigration should inform every American, of the fact that they brought in millions and millions of unvetted, untested people that they know are going to have various viruses and things like that. And the fact that they've exercised no caution at all about this should be everything that we need to know that an attempt, a future attempt at some kind of lockdown and social distancing and this kind of thing is all just a show. It's a sham. It's, about power and control.

If they were really concerned about the spread of viruses and this kind of thing, they would never allow millions and millions of unvetted people to come running across our border. They just would not allow it. But that's what should tell us that among many other indicators.

But yes, the resurgence of COVID-19, it is entirely possible that there will be COVID 2.0 and they're going to attempt to impose some kind of COVID tyranny. Now, we were warned about this last year that this was going to happen. And we didn't really see much of anything happen in the months that followed. We were warned that in the fall, beginning in the fall in November, December, here just a few months ago, that this was going to happen and it didn't happen. I think there is a lot of pushback and I think that Americans and freedom-loving people all over the world should continue to push back in a, you know, peaceful, protesting, exercising the First Amendment to the full extent so that the powers that be understand that society is not going to cooperate with all this lockdown stuff. And, if enough people are sounding the alarm and making noise, then it's very likely that these globalist powers will back down because they are somewhat pragmatic, I believe.

Of course, I believe the chief counselors are Jesuits. We're going to show you that in the new film because we're going to have a whole section on COVID-19 and the Jesuit order because the connections are undeniable, undeniable. But the Jesuits are very pragmatic, very pragmatic. So they'll back down. That doesn't mean that they're going to quit. Don't misunderstand. It doesn't mean that they're going to quit in terms of their globalist ambitions, but they'll sort of back off a bit because they don't want to push the envelope too far. That's what I think. I could be wrong. We'll have to wait and see. But yes, it's definitely something to look out for. The continued corruption of the medical industry for the purpose of using the medical industry for medical warfare against the people in our country, which I honestly believe is what's going on. Medical warfare, biowarfare, they're calling the vaccine a bioweapon. You've got people, a very official people calling the COVID vaccine a bioweapon.

So we've got to pay attention to this and be on the lookout in 2024. It'll be very interesting to see if more COVID tyranny rears its ugly head.

## Number 5: The 2024 presidential race

Now, the number five issue. That was the number four resurgence of COVID-19. Number five, the big issue is going to be the 2024 presidential race.

For the office of the president of the United States of America, there's no question that's going to become, I believe, I think, unless something catastrophic something or other that happens. I think the presidential race with everything going on with President Trump, everything going on with Joe Biden and all these candidates.

Nikki Haley is getting a lot of attention, but we think Nikki Haley is a globalist. We do not believe she is a true conservative Republican. And we think she's a globalist. And then you have Vivek Ramaswami, Ramaswami, who's getting a lot of attention, a lot of the conservatives seem to like him. And we've had a friend, in fact, Steve Matthews from the Trinity Foundation, who appears in our new film, forward to me, a story about Ramaswami that he graduated from St. Xavier High School. And what he is, St. Xavier High School won't remove Vivek Ramaswami from the Board of Trustees. He's not only a graduate, this is a Jesuit-run private high school in Cincinnati, or in the Cincinnati region, it says, won't remove the presidential candidate Vivek Ramaswami from its Board of Trustees. The board's chairman said Wednesday. Apparently, his conservative comments are considered controversial. Some of the St. Xavier High School alumni are calling for the school to oust Ramaswami from its 25-member board of trustees. So, bear in mind, he's not just a graduate of this Jesuit high school. He's not just an alumnus. He is a member of its Board of Trustees. So, he's, again, this is a more solid Jesuit connection. Lots of people graduate from their schools. Not all of them have this kind of close association. And of course, Ramaswami is a Hindu, and he has a Hindu view of Jesus, which quite frankly is perfectly acceptable with the Jesuit order because it all fits in with what they wrote and communicated in Vatican Council II.

Do I think Ramaswami would make a good president? He might be better than Joe Biden, but I still would not want to see him in the White House. He has a very clear Jesuit connection. He's being supported on the conservative side of things. I think he is a, you know, it's, it's kind of like the order is trying to control both sides of the argument. Some people say the same thing about President Trump because Trump went to Fordham University. He did not graduate from Fordham. He was only there for two years, and he left and went to a different university. I've never thought that President Trump was, quote, a Jesuit. I've never seen him that way. I don't think he really represents the Jesuit agenda. The only thing that the main, well, the two main things with President Trump that are troubling for me is one, the fact that he gives any support to LGBT politically. That's one, and two, his support for the vaccine. And he continues to support the vaccine. Now the one possible, you know, upside of all of that is that he has also called in his campaign.

For an investigation into the health of children in particular, you've got so many kids being diagnosed with autism and these other conditions and a lot of people are pointing to the vaccine industry and the medical industry overall.

If there is a second Trump administration and they do a sincere investigation into the medical industry, that would be a very needed and I think positive thing. And I say, if, quote, unquote, if we'll have to wait and see what happens and just pray for the Lord's help and guidance for our country and our people in the days ahead.

I wanted to play a brief clip here as we round this out. So that's all five issues. The five things to watch for, in my opinion, in 2024. Illegal immigration, the rise of Islam, World War Three, the resurgence of COVID-19 and number five, the 2024 presidential race, all of that will be forthcoming in 2024.

Also, Simon Roch I should mention, even though I didn't play this part of his interview, he goes out of his way to tell us that his organization is an exclusively Christian organization, that they are Christians, and they do not seek to have non-Christians come and join with them or anything like that. They are very boldly, unapologetically Christian in their worldview and in their approach to everything they're doing, praise the Lord!

Christians need to become more partisan for Christianity and not allow the globalist influence to convince you that you're supposed to be defending atheism and Islam and all of these other alternative beliefs. We're really not called to defend the non-Christian beliefs of the world. Remember, the commandment of God, according to the Apostle Paul, is that God commands that all men everywhere repent and turn away from the idols of the world and put their faith in the Lord Jesus Christ as King of Kings and Lord of Lords. Indeed, as Peter said, He is Lord of all.

We are not called to tell everybody else who has an alternative belief that their belief is somehow or other equally valid or anything like that. No, we are called to communicate the Word of God and God's command that all men everywhere repent and put their faith and trust in the Lord Jesus Christ. Praise the Lord.

# The Jesuit / Vatican Connection with Zionism, Israel, and Western Intelligence Agencies

I found a goldmine of information from [saidit.net](http://saidit.net) that positively links the Jesuit Order to Israel and Zionism! This article is not a mere copy and paste from saidit.net but a compilation of several sources. I'm going through all the links on saidit.net to fact-check and compile all the information I think is relative to the subject. Indented paragraphs are quotes from the sources I found.

Former German officer and Knight of Malta Reinhard Gehlen was instrumental in the formation and structure of Mossad, the Israeli intelligence agency!

This is confirmed on the [Find a Grave website](http://Find a Grave website).

Reinhard Gehlen was a General in the German Army during the Second World War and served as Chief Intelligence Officer(FHO) Foreign Armies East, on the Eastern Front obtaining accurate information about the strength and capabilities of the Red Army.

Just imagine that! One of Hitler's generals the creator of Mossad! That alone says a lot of what I am trying to prove in this article.

James Jesus Angleton was in charge of the CIA's relationship with Mossad, making it part of the CIA, KGB and MI6 formation.

"James Jesus Angleton (December 9, 1917 – May 11, 1987) was an American intelligence operative who served as chief of counterintelligence for the Central Intelligence Agency from 1954 to 1975." – Source: Wikipedia.

He was a member of the Knights of Malta and head of the 'Vatican Desk' and 'Israel Desk.' Source: [Movers and Shakers of the Sovereign Military Order of Malta](http://Movers and Shakers of the Sovereign Military Order of Malta)

Jesuit-trained Shimon Peres gave the [lands of Israel to the Vatican in the Oslo Accords](http://lands of Israel to the Vatican in the Oslo Accords).

Shimon Peres with Pope Benedict. That sure looks like a Masonic handshake!

"The Black Pope," Jesuit Superior General Adolfo Nicolas, rules "the White Pope" sitting in "St. Peter's Chair," Pope Benedict XVI, who in turn rules "the Great White Witch," Dame of Malta and key Bilderberger, Queen Elizabeth II. The Queen, upon orders from her immediate master in London, Jesuit Provincial of the British Province Michael Holman, made **Israeli President Shimon Peres a Knight of the Order of St. Michael and St. George in November of 2008, he having faithfully administered Rome's foremost colony (Israel) in the Middle East for over fifty years.** Source: [Vatican Assassins](#)

A lot of Israeli prime ministers were also high-level Freemasons. This is confirmed on [Freemason Israel Prime Ministers, 1948-2008](#)

Jesuit control over Freemasonry has been pointed out by many relevant figures in the past. The Jesuits themselves were very influential towards the Zionist movement itself. The Rothschilds played a huge role in the movement towards Israel, who have proven to side with the Vatican in order to target their "fellow" Jews many times in the past. [The Jesuits used the Rothschilds to fund the Bolshevik revolution](#), so not only can they be held accountable for the millions of kills under the Communist regime, but **they also supported the anti-Semitic and fascists movements in Europe simultaneously to blame the Jews for creating Communism.**

The Jesuit control over Intelligence in the Middle East isn't limited to the Mossad itself, but they even control the Palestinian authorities through the CIA, having **both groups caught up in a Hegelian Dialectic that they can exploit.**

[The Jesuits are probably the most anti-Semitic group](#) out there due to the Jews being a rather materialist group, which they can't tolerate. They are an extremely anti-nationalist group as well.

The Vatican believes that religious, nationalist Jews aren't the rightful owners of the lands of Israel and that it actually belongs to Catholic Christians.

The Jesuits are the group that has control over all the most relevant

Intelligence agencies and have always gone out of their way to blame Zionism and the Jews themselves for it.

[The Jesuits have controlled the CIA, FBI, KGB/FSB, MI5/MI6, Mossad Intelligence groups simultaneously.](#) So they are responsible for nearly every single conflict involving every single nation on earth in the last decades, all while blaming the Jews for it.

## **Comments from the webmaster**

I think with this information we can see the Israeli-Hamas war in a new light. Just the fact that the Israel government took 8 hours to come to the aid of their own citizens, and the fact that the border war was unguarded giving Hamas free reign to do their dirty work, tells me the operation was planned by the Jesuits to lead to the destruction of both sides. Will the Vatican-led Western world continue to allow Israel to murder Palestinians? The head of the Freemasons in the 19th century, [Albert Pike](#), predicted the following:

“The Third World War must be fomented by taking advantage of the differences caused by the “agentur” of the “Illuminati” between the political Zionists and the leaders of the Islamic World. The war must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

You may ask, “How do you know your sources are not Zionist disinformation?” I’m basing my views on the history I know about the Roman Catholic Church and the belief the early Protestant Reformers had about the office of the papacy being the seat of the Antichrist, meaning Satan’s political control of the world. I could ask you the same question. How do you know your beliefs about Jewish control of the world are not based on Jesuit disinformation?

One author I read recently, Benjamin H. Freedman, a man who was raised Jewish, has some interesting things to say about Talmudic Kabbalistic Judaism which he rejects. But I don’t trust him because he’s a Holocaust denier and became a Roman Catholic!!! He could therefore have been a shill working for the Jesuits.

An example of evil Zionist propaganda.

World War II, the Third Reich, and the Holocaust, were all birthed by Rome and the Jesuits as an integral part of this agenda. The horrors of Adolf Hitler, a Vatican puppet created by the Jesuits, as was shown by the ghost writer of Mein Kampf, a Jesuit priest named Bernard Stampfle, along with henchmen and monsters like Heinrich Himmler, a Jesuit seminarian, Jews were forced to find a place where they would not be persecuted.

# Jesuits & The U.S. Government

This talk by Christian J. Pinto was given on August 3rd, 2016 when Hillary Clinton was running against Donald Trump for president. I edited out some things that I consider to be dated. You can listen to the entire podcast below the text.

Okay, praise the Lord you guys and welcome. I'm Chris Pinto. This is [Noise of Thunder Radio](#). Today on the show we are going to talk about Jesuits and the United States government, Jesuits in the US government.

This is a topic that we have talked about on and off the program. We carry a book with our ministry [Washington in the lap of Rome](#) 1888 by Justin B. Fulton. It is a 19th-century book. We did a republication of it a couple of years back and I wrote a 70-page forward to it. Why? Because you had Justin Dewey Fulton who was a 19th-century writer and minister, and he was very concerned about the role and the activities of the Jesuit order in the United States. In this book, he spends a lot of time quoting Charles Chiniquy who was a former Catholic priest, a friend of Abraham Lincoln who converted to Protestantism. Chiniquy wrote his book [Fifty Years in the Church of Rome](#) where he asserts a great many things, but among them, his belief was that the Jesuits were behind the assassination of Abraham Lincoln.

There are actually a number of books out there that have reaffirmed that claim with their own investigations. We carried for a little while the book [Who Killed Abraham Lincoln?](#), which was written by Paul Serup, a Canadian author who spent more than 20 years investigating this whole issue. (**Note:** Mr. Serup sent me an autographed copy of his book! He saw the [Charles Chiniquy articles](#) on this website.) The book was actually picked up by one of the bookstores in the Lincoln Memorial in Washington, D.C.

Now, Chiniquy warned that the Jesuit's ambition in the United States was to take over this country systematically, one step at a time. There's a whole variety of warnings because this is what the Jesuits do. They go in, they infiltrate, and they take control of countries and take them over.

The Jesuits are the authors of *social justice*. That term can be traced back to a Jesuit priest named Luigi Toparelli in 1843. Toparelli first coined the phrase social justice. How they infiltrate through the education system. They developed through the 19th century. They actually developed it over centuries. They developed the principles of socialism and communism. And I believe what they've done is they've come up with basically a three-step

program, social justice, then you go into socialism and then you go into full-blown communism. It's a three-step process.

Social justice is the introduction of it. In Western countries, it seems compatible with Christianity because they're building on the idea of the compassion of Christianity that Jesus ministered to the poor and this kind of thing. But then they take those arguments, turn them into humanitarian arguments and use them as a cloak of philanthropy as a cloak so that they can infiltrate positions of power and seize control typically of a nation's economy. And they use philanthropy and the idea that, "Well, we have to be humanitarian, et cetera." It's all the rhetoric that we're hearing from the Democratic Party, by and large. But social justice, then they move to socialism where they begin to phase out the elements of Christianity. And by the time they get to full-blown communism, they've cast off the Bible and Christianity entirely. And now they are pursuing militant atheism.

This is a system, but it wasn't set up by Karl Marx. I mean, Karl Marx obviously played a part, but he was educated by Jesuit priests. I believe they would have taught him these principles, but the principles themselves were developed by the Jesuits over a very long period of time.

And so now today, once you realize this, and you begin to realize their influence in our education system because you've got a whole variety of Jesuit colleges and universities. There is a website called the [Association of Jesuit Colleges and Universities](#), the AJCU. And they have a webpage that says [Jesuit Alumni in Congress](#).

The website says,

A commitment to service as a hallmark of Jesuit education. Evidence of that commitment is demonstrated by the many Jesuit college and university alumni serving as members of the US Congress. 9% of members of the 114th Congress have obtained degrees from Jesuit institutions of higher education. See below for lists of the current alumni in Congress.

Then they have a list of those in the Senate.

**(Note:** I am getting the current data as of October 2023 directly from the Jesuit Alumni in Congress web article.)

And there are 14 members of the US Senate.

And there are 39 members of the House of Representatives.

So 14 members of the US Senate are Jesuit alumni, and 39 members of the House of Representatives. A total of 53 members of Congress are Jesuit alumni, educated by the Jesuit order in their various colleges and universities.

Some universities are more well-known than others. At Boston College, you've got Creighton University, Fordham University, Georgetown University, John

Carroll University, Loyola, Marymount University. You've got a lot of institutions named after Loyola. That is a reference to Ignatius Loyola, the founder of the Jesuit order, typically. There might be exceptions somewhere, but typically it is a reference to the very founder of the Society of Jesus, the so-called Society of Jesus.

So they've got Loyola, Marymount University, Loyola University, Chicago, Loyola University, Maryland, Loyola University, New Orleans, Marquette University, Regis University, Santa Clara University, Xavier University, Boston College School of Theology, and then the Jesuit School of Theology of Santa Clara University, etc. And then, and there are others.

That's really the backbone of how they infiltrate a society. This was really the genius of Ignatius Loyola and his company of priests, who went after the education system and captured the colleges and the universities. We talk about this in our film, *A Lamp in the Dark*, the untold history of the Bible, that this was the methodology that the Jesuits adopted throughout the Middle Ages. Why? Because you get control of the minds of young people.

The Bible says, train up a child in the way that he should go when he is old, he will not depart from it. Well, the Jesuits understand that, so they want to raise up children, they want to influence their thinking so that while you're going to have some children who are actually going to cooperate with the Jesuit order directly as a result, you're going to have other children who, even if they don't cooperate with the Jesuit order, are still going to have that influence in terms of their worldview. This is how they influence a whole society. And it's most certainly how they have had a dramatic influence on the United States.

I believe the Jesuits are behind the entire leftist movement in our country. And it's their slow, steady, progressive, systematic movement to infiltrate and ultimately overthrow the United States of America.

Now, I've done programs in the past about the Vatican on issues like gun control. The Vatican's view of the right to bear arms is that the common people should not have the right to bear arms. Look at the growing anti-second amendment movement that is at work in our country. The Democrats are speaking out against the NRA, calling for more and more gun control and this kind of thing. And you've got others who are openly saying that they want to undermine and overthrow the Second Amendment. Well, that would fit in entirely with Rome's, the Vatican's Jesuit worldview.

If you study the history of the right to keep and bear arms, it was very much developed by Protestantism. It's historic in the Western world, and especially among English-speaking people, historically, it is a Protestant right. In terms of defining it through the pages of the Bible and history. And there's that book to keep and bear arms. If you find that book, that book explains a lot of the history behind it. I believe that undermining the right to keep and bear arms is part of the counter-reformation. It's a way of overturning this very important element that Protestantism developed. Because it is part of what allowed Protestant countries to become strengthened in such a way that they could not be so easily overthrown and infiltrated,

infiltrated and then overthrown.

I want to go over some of these quotes from 19th-century historian J.A. Wiley, his book, *The Jesuits Their Moral, Maxims and Plots Against Kings, Nations and Church with Dissertation on Ireland*. It's by the Reverend J.A. Wiley, who's the author of the *History of Protestantism*.

If you want to understand Protestantism and its history from a pre-20th century worldview, I recommend Wiley's work. I think it's great. I highly recommend it. Because today, of course, the history books have just been rewritten. They've been rewritten.

And if you go study the Jesuits throughout history prior to the 20th century, brethren, it's just incredible how so much historical data there is, so many warnings about this order, this company of priests and their ambitions to dominate and take over the entire world. I think that so much of that information today has been completely covered up in any kind of mainstream education, completely covered up because if people knew the history of the Jesuits, they would be very alarmed at their influence in our government, even today.

This is from the preface of Wiley's book. He says,

The influx into our country of an order of men whose principle is the negation of all principle, and whose moral code is the subversion of the moral law.

Now think about that, brethren. They've been known for this throughout history. What's happening in our country? Could it be said that the subversion of the moral law is part of what's happening in America? An order of men whose principle is the negation of all principles. We're going to abandon boundaries and principles, et cetera. We're going to find a way to break them down whose moral code is the subversion of the moral law forms in the author's humble judgment, a source of no small danger to the nation.

So Wiley is trying to warn his fellow Britons. He's trying to warn them about what's happening. He says,

"Cast out of all kingdoms for their execrable maxims and their treasonable practices. The Jesuits bestow themselves upon us.

And why? Because they'd been driven out of one country after another after another through the Middle Ages, all the way up into the early part of the 20th century. I've talked about before Switzerland, how the Jesuits were driven out of Switzerland in the 19th century. You go study all the countries that they were driven out of. Of course, they were driven out and then they would come back later on. They'd find a way to get back into those countries.

But so he says,

The Jesuits bestow themselves upon us. They change their soil, but not their nature. They come to pursue in their new home the intrigues that drew upon them expulsion from their old. Our law denies them the unobstructed entrance and unchallenged residence, which they claim.

So in other words, there were laws against having Jesuits in England.

He says,

There appears, however, no intention of putting the law in force.

Think about that. Think about what we're dealing with in our country right now. One of the chief complaints on something like immigration, that the immigration laws are simply not being enforced. They're not going to enforce the law. Why? Because there are people in government who are, for whatever reason, compromised and they won't uphold and enforce the law. And this is what gave the Jesuits entrance into England, the UK. So he says, quote,

What then is to be done to counteract the evils sure to arise from the presence of men who have always and everywhere been the disturbers of the public peace? We can but expose their arts and put the unwary on their guard. Beware of false prophets who come to you in sheep's clothing, but inwardly they are ravening wolves. Never was the description more applicable or the warning that accompanies it more needful. The Jesuits come to us in the name of Him who was holy, harmless, undefiled and separate from sinners. They call themselves the companions of Jesus or the company of Jesus or the society of Jesus. They call themselves the companions of Jesus. The name is but the sheep's clothing.

He goes on, he says,

By their fruits ye shall know them. Their teaching is the doctrine of devils and their deeds are the works of Apollion, the destroyer.

And just so we understand, Wiley believed that Protestantism was revived Christianity or Bible-based Christianity. Praise the Lord.

## Jesuit Disinformation Agents

Jesuit disinformation is rife on the Internet. The Jesuits are the leaders of the Catholic Counter-Reformation. Their goal is to destroy Bible-based Christianity in the USA and the world. It's no surprise, therefore, when some people are actively working to divert attention from the Jesuits and call Satan's work on earth a "Jewish-Masonic cryptocracy."

I'm thinking specifically now about a guy named Timothy Fitzpatrick of [fitzinfo.net](http://fitzinfo.net) which has the tagline "Exposing the Judeo-masonic-Bolshevist conspiracy." He mocks conspiracy researchers who point to the Jesuits as the movers and shakers of conspiracies that destabilize societies and calls them, "naïve dupes." He specifically criticizes honest truth-telling conspiracy researchers such as Alexander Hislop, Walter J. Veith, Christian J. Pinto, Tupper Saussy, David Wilcock and Sherman Skolnick whose articles are on this website. But Fitzpatrick exposes himself when he writes such things as,

Documentary filmmaker Christian J. Pinto of Adullam Films pulls out all the tired old slanders against **the Church**—all for the advancement of the **Jewish-Protestant alliance**...

and,

Pinto is your typical Zionist shill accusing the Vatican of everything the world has known for 500-plus years that the Jews are responsible for. Make no mistake, the Vatican is now an agent of the Judeo-Masonic conspiracy, thanks to Jews and masons subverting **the Church**, especially during the buildup to the Protestant Reformation and the French Revolution, culminating in the Jewish-sponsored Second Vatican Council in the 1960s. But **the true Church remains within the fractured Vatican** as well as in the Eastern Orthodox Church. **Protestantism has and always will be a Jewish perversion**, a cheap imitation of the Church of Christ, right down to the sexually depraved Waledensians and Albigensians, whom Pinto specifically defends, giving away his Puritan bias. (Ref: <https://fitzinfo.net/2014/04/01/christian-j-pinto-zionist-shill-esp>

Wow! Timothy Fitzpatrick is obviously identifying “the Church” as the Roman Catholic Church. And he’s calling Protestantism – which is really only Bible-based faith in Jesus Christ – a “Jewish perversion, a cheap imitation of the Church of Christ.” And he’s falsely accusing of wrongdoing the Waledensians and Albigensians. These are groups of Christians the Catholic Church charged with heresy and *murdered* just because they would not acknowledge the Pope as their spiritual leader. Who else would say such things but a Jesuit, a Catholic priest, or a hard-core traditional Catholic?

Who exactly is Timothy Fitzpatrick? He doesn’t give his bio on his website. If he did, we might find out some incriminating things about his biases such as what schools he attended. For all we know, Fitzpatrick may even be a Jesuit or a Catholic priest. Fitzpatrick is an Irish name. Many Irish are Catholics.

I believe the primary source of Neo-Nazi antisemitic rhetoric is the Roman Catholic Church. It’s very convenient for the Jesuits to deflect blame of the evils they are doing away from themselves and say, “The Jews did it!”

Don’t get me wrong, I’m not saying all Jews are guiltless. Any Jew who purposely rejects Jesus as the Son of God and Messiah is an antichrist according to 2 John 1:7. What I am saying is the Jesuits are using the Jews as scapegoats to deflect blame from themselves and the Vatican. Former Catholic priest Leo H. Lehmann gives pretty convincing evidence that the Protocols of the Elders of Zion was written by Jesuits, not Jews!

Articles about that:

- [Evidence of Jesuit authorship of the Protocols of the Learned Elders of Zion](#)
- [Authors of the Protocols of the Elders of Zion – Jews? Or Jesuits!](#)

If anybody has any further evidence of the Jesuits / Catholic Church as the source of antisemitism, please share it in the comments section.
