

What is the Greatest Intelligence Agency in the World? – by Darryl Eberhart

All of the world's intelligence agencies together do not even have one hundredth of the information-gathering capabilities of the VATICAN.

“Plans to Destroy the American Constitutional Republic” – By Darryl Eberhart

The popes of Rome hate liberty of conscience of democracies. Their goal is to bring the world back to a totalitarian society under the Catholic church as it was in the Middle Ages.

Who Controls the United States of

America? – By Darryl Eberhart

It is not Zionist or Khazarian Jews – or Israel – or Jewish neo-conservatives who have been – or are – running the USA, as some folks allege. RATHER, agents of Papal Rome have been running the USA for over a century!

The Jesuit's New World Order – An Interview with Darryl Eberhart

The title of this article is from an audio I found on <https://archive.org/details/JesuitsNewWorldOrder> I listened to part of it and knew I had to transcribe it for this website.

I never heard of Darryl Eberhart before. I was shocked to see that his website, Toughlssues.Org is offline in spite of the super interesting topics on it! Someone made a PDF file of the home page of Toughlssues.Org. You can [see it below the transcription](#) and read all the titles of the links that are

no longer accessible.

What happened to Darryl Eberhart? Did he pass away into God's Heavenly Kingdom? Or was he taken out before his time by the people he exposed? If anyone knows the answer to this, I would appreciate hearing about it.

The information Darryl Eberhart shares confirms everything I have already posted about the Jesuits and their control of the world, and he also adds new information.

Transcription of audio interview.

This is the Ministry of Truth. I'm Gordon Comstock and we have a returning guest today. He's been on the show three or four times. This might even be his fifth time. Boy, he reads a lot and they are of course the kind of books that are hard to obtain nowadays. We're not supposed to read these kinds of books I suppose. He's got a very interesting background in military intelligence. I think he really knows his stuff.

Before I was ever introduced to him, I was reading his writings online quite a bit. I was quite happy to finally talk to him. He's become a regular on the show. Well, it's frankly, and this doesn't happen very often in life. I have trouble finding areas where I would disagree with my guest today. Our guest is Darryl Eberhart. Welcome aboard, Darryl.

Darryl Eberhart: Thanks for the nice introduction. I'm 61 years old. I don't know if I've ever mentioned that on any of the podcasts. Sometimes I get a little tuckered out and tired of fighting these guys.

But let me give your listeners an introduction to both me, the intel, and the religious side because I've got this great concern that they'll accuse me since I've been writing so much about Roman Catholicism, especially the Jesuit order. I'm not comparing myself to Abraham Lincoln, but whenever they were plotting to assassinate Lincoln, they passed the word around that in a lot of the Northern newspapers, and as a matter of fact, democratic party biased newspapers. And actually, Lincoln claimed up to half of the newspapers and his time were controlled by the Roman Catholic Church. But they accused him of being a baptized Catholic who had gone astray. They figured that would steady the arms of the Roman Catholic assassins and a lot of the low-level conspirators were Roman Catholic. And I just wanted to let people know that I have never been a Roman Catholic. I was never secretly baptized as a Roman Catholic. I'm not an apostate Catholic, although I do know quite a bit about the Catholic Church.

But anyway, let me tell them about my intel. I spent 26 years in the intelligence community. In 20 years of that was the US military. I'm a retired military, 11 and a half years in the US Air Force Intelligence and 8 and a half years in Army Intelligence. And then after I retired from the military, I worked six years as a Department of Defense, civilian at the National Security Agency, largely because I got trained in Russian and Arabic languages and worked as an analyst, a linguist, a reporter, and then later I got a direct commission to captain. So I was then in military intelligence. I

was a chief warrant officer before then after I switched over from the Air Force.

And I've been writing two newsletters for the past decade, plus the tackling the tough topics and examining the tough issues. And when I first started writing, I just pretty much, just spoke in general terms of the globalist, which actually talked a little bit about what are actually just front groups, the Counsel on Foreign Relations and the Bilderbergers, et cetera.

Gordon Comstock: They're front groups, you're right.

Darryl Eberhart: Yeah. They're just 100% front groups. As a matter of fact, a lot of smaller groups within the secret societies are front groups for the Jesuits, as I have maintained. And others like Greg Szymanski, and Eric John Phelps, all of our research ties together and confirms what each of us has worked on separately. And it goes back to a lot of guys who have written good books like Edmond Paris, [The Secret History of the Jesuits](#).

It just all dovetails and points to the same point. And that is that the Jesuits sit at the very top of the secret societies' pyramid, controlling Freemasonry, controlling their own Jesuit order, and through that, controlling the entire hierarchy of the Roman Catholic Church, because the Black Pope actually rules over the white Pope. He's the Black Pope, the Jesuit Superior General, is the power behind the throne of the white Pope, the one that we see patting children on heads. But the real leader of the Roman Catholic hierarchy is the Jesuit Superior General, who's also in charge of the very wealthy knights of Malta, who are co-located and co-headquartered at the Jesuit Superior General's palace there in the Vatican. So this man is by far, I think, the most powerful man in the world, and through the wealth he controls, through the Vatican Bank, and again through these wealthy knights of Malta, who hold a lot of key banking positions.

The Rothschilds, people like to point to them and say, "Hey look, these are Jews and they're running everything." The Rothschilds are Jesuits who just happened to have a Jewish background. One of their titles is Guardians of the Vatican Treasury. And that ought to tell us something.

Gordon Comstock: They're employees.

Darryl Eberhart: Yeah, exactly. And so anyway, I just wanted to let them know that I've got a good background in intelligence, but interestingly, despite having for 26 years a top-secret special intelligence clearance with all kinds of extra caveats, I knew almost nothing about the Jesuits. I know a little bit about the Catholic Church, and I'll explain why.

My religious background: I was raised Methodist. My mom was Methodist. My dad was Roman Catholic, but my dad got in trouble because he didn't raise us Catholic, and the priest was angry with him for years. So again, I was never baptized a Roman Catholic, and I never actually, I didn't go to a Roman Catholic Church until I actually got in my 20s. I went a couple of times with my dad to Mass. But again, I was raised Methodist.

Now, I have to say this, 90% of my relatives are Roman Catholic, including my dad, and 90% of my friends are Roman Catholic because I'm in a very heavily Roman Catholic area where anywhere you go in any direction, about five to six miles till you get down off the mountain, it's either 70 to 90% Roman Catholic or higher.

Decades ago, by the way, I married a beautiful and wonderful Roman Catholic lady, and that's when I was taught Roman Catholic Catechism classes. I was still in the Air Force at Syracuse University studying the Russian language, and I went to those classes. I never converted to Catholicism. As a matter of fact, the priest kind of threw me out after about six sessions because I kept asking questions. I wasn't a Bible scholar at the time, but I had read enough of the Bible to just raise questions like, "Hey, Jesus Christ healed Peter's mother-in-law. And Paul said that Peter Simon took his wife with him when he went around. It sounds like Peter was married. Why do you guys have to be celibate when it looked like Peter had a wife? And the priest said, "Oh, is that in the Bible?" And then I nailed him on about four or five other things.

And it finally just came up after about the sixth session for him to put his arm around me because I was embarrassing him by asking him questions he couldn't answer. And I started making them look stupid because he kept saying, "Is that really in the Bible?" And I said, "Yeah, it is."

Let me give you just one more example. Christ said, don't call anyone on earth, Father." Now, obviously, He's not talking about your earthly dad, but He was talking in a religious way. "So why do we have to call you guys "father"?"

And he goes, "Is that in the Bible?"

I said, "Yeah, it is."

And I go, "Jesus Christ said, we shouldn't do repetitious prayers like the heathen do. Why do you guys pray the rosary and just keep going over the same thing over and over and over again?" And he goes, "Is that in the Bible?" And I'm not picking just on Catholic priests because I knew six Methodist ministers and, I'd say probably about four or five of them didn't know that much about the Bible. As a matter of fact, their main training was in administration and raising money and public speaking and running socials and things like that. And I think as a matter of fact, the last couple of Methodist ministers that I knew, said they only had one Bible course. when they were in. And of course, if you talk to an ex-priest and not, they get very little Bible training. They are almost all the traditions of the church, the church, old church fathers, especially the ones that the Catholics consider the most important. That's their main study. They also don't get into the Bible.

So anyway, because of that, this guy, just came up, put his arm around me, and said, "You don't have to come back anymore, my son." And I didn't want to go back anymore anyway, Gordon, because the snow was getting about three to four feet deep up in Syracuse, and a hellacious winter that year. And so it worked out well, but he definitely didn't want me to come back.

So I am not Roman Catholic, although I love a lot of individual Roman Catholics. And I want to just make that point. Again, I just went to Mass a couple of times with my dad. I was kind of rebellious there because I was kind of disgusted by the Methodist church. And for six or seven years, I went to independent fundamental churches here when I came back after leaving the National Security Agency. And I got so disgusted with them because everything was pre-trip rapture. Once saved always saved, we're not to be involved in fighting evil. We're only here to win souls. And we're to obey government no matter how evil it is, don't you know? And that just drove me crazy.

So basically I just read the Bible and I get together with a couple of friends. And by the way, before we finish, I'd like to give a book. It's the best book for giving to a Roman Catholic that really in a nice and kind way, it's [Lorraine Boettner's book called Roman Catholicism.](#)

They've attacked this man horribly. It was written, I think, in 1962. But Roman Catholics tell me it's the best book to give to a Roman Catholic to witness to them as to the unbiblical, unscriptural doctrines and practices in the church because Boettner, he's a man, Lorraine Boettner, just runs comparisons. This is what the Bible says. This is what the Catholic church does or practices or says. And anyone who looks at that with an honest and open heart is going to see that basically, and I don't know how to say it in a kinder way, Roman Catholicism is basically paganism with a very thin Christian veneer.

The sad part is that there are Roman Catholics, and I know Roman Catholics that are real Christians that are in that church, and maybe before we get done we'll read that verse, Revelation 18:4 that says, "Come out of her, my people."

Gordon Comstock: Darryl, I took your advice. Last year I heard you talk about that Lorraine Boettner book, and one of my best friends is an ex-priest, and he still attends mass, but he's no longer a priest. Great guy. I bought a copy of that book and gave it to him last year. We talked, and you could tell it was really making him think. But I haven't heard back from him in a few months, so it'll be interesting when I hook up with him again.

Darryl Eberhart: Well, the good news I have is that my best friend and his wife, and he was a Eucharistic minister. She taught catechism-type classes in the church school, and both very, very devout Roman Catholics, both from devout Roman Catholic, large Roman Catholic families, and after over 50 years, by reading the Bible and Boettner's book, they came out of the church. So it's not an impossibility. It does happen.

And Roman Catholics, many of them have no idea. They know there's some evil at the top because of the pedophile priest thing, but many of them have no idea because most of them do not read the Bible. They have no idea of how many Catholic practices, like celibacy and papal infallibility, purgatory, indulgences, a Mass cards for the dead, people try to pay and pray for their relatives to get out of purgatory, that none of that's in the Bible.

As a matter of fact, I challenge Catholics when I meet them. "Hey, sit down

and read your Catholic Bible and see if you can find one pope. See if you can find one cardinal. See if you can find one archbishop." That whole entire hierarchical system is not there in the Bible. As a matter of fact, Paul and Peter, examples in the New Testament when anyone ran up and fell at their feet and tried to kiss their toes or praise them as gods, they said, "Get up, get up get up! We're just men like you." And compare that to the pope, many of the popes who have lived in such wealth and with many palaces and cardinals the same way. And again, through selling indulgences, that's what got Luther so fired up.

A lot of people forget that some of the reformers were Roman Catholics. Luther was an Augustinian monk who tried so hard to reform the system from within. The [Dominican Girolamo Savonarola](#) who was in Florence led a great revival. He made one little mistake. He criticized, I think it was Pope Alexander VI, and his corrupt papal court. Of course, he was immediately excommunicated and murdered and exterminated, executed. And that happened so frequently throughout history. We need to remember that many courageous Roman Catholics have tried to challenge the system from within. And Rome, papal Rome, does not like to be challenged about anything.

I'd like to read just a couple of little things that I threw in some of my writings when I started writing more and more about Roman Catholicism. I'm going to repeat a little bit of what I said, but I think people need to know this. Here's a little statement I put in some of my newsletters when I started to really go after the Jesuit order.

I am not a Roman Catholic. I also am most definitely not anti-Roman Catholic as far as individual Roman Catholics go. My dad, 90% of my relatives are Roman Catholic, and the majority of my friends are Roman Catholics still to this day. I am, however, against the top levels of secret societies from the hierarchy of the Jesuit order to the hierarchy of Freemasonry. And by the way, if I can find that quote, I'll read it later, but there was a historian that said,

"If you trace up to the very top of Freemasonry, you will find out that the leader of the head Freemason in the world and the Jesuit Superior General are one in the same person."

We need to remember that the Jesuit order took over French, British, and German Freemasonry over a century ago. So the Jesuit order controls the higher levels of Freemasonry, which gives them so much power because when you start looking at the intelligence community, Gordon, you find out that just about every head of the Central Intelligence Agency was either a 33-degree Freemason like Allen Dulles who (then President) John Fitzgerald Kennedy fired, or they were Knights of Malta, which is a religious military order within the Roman Catholic Church under the direct command of the Jesuit Superior General.

I think that's kind of interesting. Five Knights of Malta, the first one that was in charge was William Wild Bill Donovan. You had John McCone, William

Casey, William Colby, and George Tenet. There are at least five plus the head of the decades-long of counterintelligence in the Central Intelligence Agency who also sat at the Vatican desk and the Israel desk was James Jesus Angleton, who just happened to be the CIA liaison to the Warren Commission. Another Knight of Malta, one of the Assistant FBI Directors, part of the Freemason lodge just happened to be the FBI, the liaison to the Warren Commission, the White Wash Commission, I call it. We can tell the flow of information that went to the Warren Commission was completely sanitized and edited by these two Knights of Malta.

When you start looking at that and World War II, where the head of Soviet intelligence is a Knight of Malta. He was the Jesuit priest for his couriers, [Prince Anton Turkul](#). You look at the German intelligence on the Eastern Front, it's run by a Roman Catholic knight of Malta named Reinhardt Gehlen, who ends up afterward coming over to help Donovan, who is head of the old Office of Strategic Services, the predecessor, the CIA. They set up the CIA together, two Roman Catholic knights of Malta.

By the way, William Joseph Wild Bill Donovan, I have a picture of him getting the [Order of St. Sylvester](#) there at the Vatican. The man was heavily decorated by the Roman Catholic Church, the Vatican, for his lifetime of service to the Catholic Church, even while he was the head of the OSS and then afterwards as the CIA Director. Isn't that interesting, Gordon? These guys are getting awards. Our top intelligence guys are getting awards from the Roman Catholic Church.

Gordon Comstock: Well, the Bible talks a lot about nations being empowered by demonic entities, and when you read through that litany of the crossovers between the Nazi echelon that were hooked up with the Knights of Malta, they just very easily made that transition from crumbling Nazi Germany to rising United States 20th century power. And I can just envision those demons crossing over from the Nazis to us, and we're seeing the fruits of that now all around us with entities like Blackwater, and of course all of the draconian legislation like the Patriot Act.

Darryl Eberhart: That includes stuff that says that the President's allowed to torture people. Where does torture come from? It doesn't come from any Protestant church. It doesn't come from any evangelical church. There's only one church that is really into torture, like big time, and that is the Roman Catholic Church and the Inquisition alone from, according to several reputable historians that officially ran 1203 to 1808, butchered up to 50 million Bible-believing Christians.

And while I mentioned that, I think it's important that everybody get a DVD. I don't know if you've ever had Richard Bennett on. He's an ex-priest of 22 years, but he did this [DVD on the Inquisition. It's subtitled, 605 years of papal torture and death](#). It's 58 minutes long, it's in color. The first two-thirds of the DVD deals with that official Inquisition that took the lives of up to 50 million Bible believers. Many women were burned. And to be slowly roasted and toasted at the stake, how cruel, 80 popes in a row, approved the Inquisition.

But again, the DVD is very professionally done. And the first two-thirds deals with that 1203-1808 timeframe.

The last third deals with that [forgotten holocaust, some people call it the Vatican Holocaust](#), and they're talking about the massacre in Croatia in the 1940s. Croatia was a part of Yugoslavia and then broke away and became a puppet state to the Nazis. And this fascist state, butchered and tortured up to 1 million innocent Serb Orthodox Christians, men, women, and children, to the point where they impaled children alive on stakes, they crucified Orthodox priests on wooden doors, they skinned people alive, they buried people alive. They burned people alive. They sawed them. They cut their eyes out, and made necklaces from them, and I know you're very familiar with this.

Gordon Comstock: Yeah, I read that book, The Vatican Holocaust by Avro Manhattan.

Darryl Eberhart: And he has pictures in there of both the perpetrators...

Gordon Comstock: Smiling as they're sawing through some guys' neck.

b>Darryl Eberhart: We need to think about this because there are 10 FEMA regions in the US. There are 10 Jesuit provincialists assigned to the US. I don't think that's a coincidence.

And when we think that two Jesuit prelates, they were Jesuit monsignors who were in archbishop positions in Zagreb and Sarajevo, respectively, [Aloysius Stepinac](#), who also was the military vicar to the [Ustaše](#) military killing squads that ran around, and Archbishop [Ivan Šarić](#). And so these two Jesuit archbishops ran this choreographed, this horrible holocaust – a religious side basically – the slaughter of Orthodox Serbians.

Gordon Comstock: And the people who led the bloodthirsty mobs were Franciscan priests, correct?

Darryl Eberhart: Yes, mostly, and some of the worst commandants were, like you said, Franciscan priests, monks, and friars. They sometimes led the Ustaše units, and if they weren't the actual officer in charge, then they were an adviser who participated in and urged the torture. And as one writer wrote, he said, they weren't content just to kill people, they had to horribly torture them first. So, it boggles the minds of people who have not been brought up Roman Catholic and who do not know the history of the Roman Catholic Church to think of a Church that calls itself Christian doing this type of thing.

Gordon Comstock: And so, that was a carryover. That was still the Inquisition, right? The Inquisition never really officially went away.

Darryl Eberhart: No. No. And that was a modern-day Inquisition that we need to look at because, as one writer, I think it was Manhattan himself said, it serves as a model of what the Roman Catholic Church would like to do if they could ever, wherever they have the power to establish themselves as the State Church and to totally, as Edmond Paris wrote, convert or die with everyone else. Of course, some of the Orthodox people did convert, but again, this DVD

of the Inquisition by Richard Bennett is critical for people to see, whether they're Roman Catholic or non-Roman Catholic, to see the barbarity of all this. When FEMA takes over and because the governors, those ten Jesuit providentials, are the real power behind them, we know what these people can do (based on the history of the Inquisition).

Here's a little thing I'd like to read, but I had stuck into several of the newsletters when I started writing more about Roman Catholicism. I put,

"Why am I writing more and more about Roman Catholicism? I've been writing more on the Roman Catholic Church's hierarchy, and especially its Jesuit order in recent newsletters, because I keep uncovering more and more about the deep hatred that the hierarchy of the Roman Catholic Church has for independent Bible-believing Christians, Protestants, Orthodox Christians, and Jews. And by the way, during World War II, it was just **a bloodbath that mainly went after Protestants** in northern Germany, **Orthodox Christians, not just in Serbia, but in Russia and in Ukraine**, and of course Jews, up to 6 million Jews, despite all of these people that try to say that there were only a couple hundred thousand. I've seen the actual pictures of the bulldozing of the bodies and that when the American soldiers went into camp. (Note from me: The actual number of Jews who died in the holocaust is something I don't care to debate about anymore. The fact is, not only Jews died, but millions of other ethnic peoples such as Romanies AKA Gypsies, Poles, Ukrainians, Russians, Serbians, and other Slavic peoples, even non-Slavic peoples such as Estonians, Latvians, and Lithuanians. It's interesting to me that when the Holocaust is mentioned, people only think about the Jews and none of the other ethnic groups the Nazis murdered. Why is that? I believe it's due to Jesuit control of the press and education to put emphasis on the Jews in order to justify the Zionists of their dirty deeds.)

Gordon Comstock: So let me derail you quickly here because you just prompted something. Darryl, do you think, as I strongly suspect, that not only during World War II, not only what happened in Croatia with the mass murder and torture of the Serbs, not only was that a carryover of the same Inquisition, but do you think, given that Hitler is still to this day a Catholic in title, he never was excommunicated, and given that it was guys like Franz von Papan, who was he a cardinal or archbishop who...

Darryl Eberhart: No, no, he was a knight of Malta. He put Hitler into power.

Gordon Comstock: He put Hitler into power. And as we know, the Knights of Malta are under the auspices of the Vatican. Do you consider that the far more infamous Holocaust that we see so many movies and books about, like Schindler's List and whatnot, do you think that that also was a carryover of the Inquisition?

Darryl Eberhart: Without doubt, there's no doubt in my mind that that was another part of the modern-day Inquisition. Serbia wasn't the only one. World War II was an entire Inquisition. The Catholic Church has long hated Orthodox Christians, and that's why the Nazi SS units, a lot of them in the central security service were priests that put on the black uniform. The head of the Nazi SS was not little pug-nose, the nephew Heinrich Himmler, Kurt Heinrich

Himmler. The real head of it was his uncle who was a Roman Catholic priest, a Jesuit subordinate to the Jesuit Superior General, [Ledóchowski](#). But those priests followed in with the killer units, just like the Ustaše had the Franciscan priests, monks, and friars, these Jesuit priests and other Roman Catholic priests were even wearing the black uniform of the Nazi SS. And they were with the killer squads that came in behind the regular German military, whenever they invaded into the Ukraine and further into the Soviet Union.

So it was when I first looked at Eric John Phelps' book, I thought, "Wow! Could it be that this thing was just totally orchestrated to slaughter as many Protestants and Jews and Orthodox Christians as possible?" I don't know how anyone can really take an honest look at World War II and not come to that conclusion. Where did almost all the firebombing take place? In northern Germany, not in Catholic Bavaria. What happened to the poor German Protestants up in the northern, northeastern parts like in Prussia? They were forced to march during winter, and women and children died along the way. Some people think up to a million people that died in the camps in the northern part. The American and British camps were horrible. They allowed malnutrition, they allowed weather exposure to these people. They were horribly treated. The amount of food they were given like I said, forced march in the middle of winter. And then of course the Jews, they went after them big time, and also after the Orthodox Christians. So, I don't see how anyone can really be honest, whether he's Roman Catholic or non-Roman Catholic, look at World War II and not just see a massive religious side that was orchestrated by having Knights of Malta running the intelligence services on both sides.

I worked 26 years in the intelligence community. When you have top positions like the CIA counter-intelligence desk when you hold the head of the CIA, the head of the FBI, then you can murder anybody, and that's what happened with John Kennedy, and then cover it up because you have all your people at the key choke points, and no mid-level analyst or something's going to be able to get anything. He'll get murdered if he tries to go outside of the channels. And that's what they did with the two liaison positions with Kennedy. And everyone around Kennedy, and that's something that you and I have talked about before, is the alternative medium, much of it, blames everything on the Jews, mentioning the Rothschilds and that or the head of the Federal Reserve, and not ever getting to the secret societies and the control of the secret societies by the Jesuits Superior General, where they have control of these, not only the intelligence agencies, but they are able then to use through the CIA cooperation with Special Forces, Navy Seals, they are able to use our most elite military to murder people and cover it up, and having key people in Congress. Almost every key committee is held by a Roman Catholic generally.

It's interesting, I started when I was updating some of my news articles, I will tell the story, and you know it, at one time I had 106 articles up on the web, 106, and a lot of them dealt with assassination, like the assassination of Kennedy, the assassination of John Paul I, the assassination of Oscar Romero, the Archbishop down in El Salvador, and the assassination of Lincoln. When you look around and start digging a little bit outside of

mainstream publishing and the current American textbooks, you find out in all of these that the culprits are the Jesuits! And the rest of the Vatican, the papacy, clearly their fingerprints are all over the assassination of Lincoln.

My goodness, they even helped John Harrison escape up to Canada, where two Roman Catholic priests hid them out, one of the Archbishops' Bearers, and then they ferried them over to England and down to the papacy, where they became part of the Pope's own personal bodyguard in a Zouave company.

But Burke McCarty and her book pointed out... she wrote an interesting book, [The Suppressed Truth About the Assassination of Abraham Lincoln](#). That book was published in 1924. And when she did, she's got a great quote in there, and I'll just paraphrase it because I don't have it right in front of me, but she said that during the Wilson administration, that would have been, he served two terms, I think that would be 1913 to 1921. He's the president who said, "I'll never send your boys overseas" just like FDR later. But anyway, she said during his administration, the head of the Army, the head of the Navy, the head of the Merchant's fleet, the head of the post office, and she named a couple of others, and she said just about every single department in the U.S. government – now remember, this is in the 1920s, the early 20s – she said was held by a fourth degree Knight of Columbus! Now, the Roman Catholic population at that time was one-sixth the entire U.S. population, but they are holding every single key government position.

Lincoln said that in his time, half of the newspapers, I mentioned it earlier, half the newspapers were run by the Roman Catholic Church. And then F. Tupper Saussy, when he came out with his book, [Rulers of Evil](#), showed how in the Reagan administration, almost all his top advisers were Roman Catholic, and almost every key position, intelligence, finance, in both the Senate and the House, were all held by Roman Catholics.

And it's interesting, when you think back, Gordon, if you go to an independent fundamental church, you're to find out these guys have all been taught in their seminaries, "We don't get involved in politics," but when you go to Roman Catholic churches, when they have their Knights of Columbus, and they try to recruit young Roman Catholics into that, they tell their people, get into law enforcement, get into government, become mayor, become governor, become president. They're talking two sides there. They infiltrate, and Protestants have trouble understanding that because we wouldn't think of infiltrating a Catholic church, but the Jesuits are masters of infiltration, and they have their people infiltrate, even seminaries of these independent fundamental associations and everything. And they tell these people, "Now you need to obey government no matter how evil it is, no matter how fascist it is, because don't you know government is from God, and you guys need to stay out of politics. You're only here to win souls, you don't get involved in anything. And then they're telling their people, "Get involved in law enforcement, get involved in politics." You go to these, a lot of these northern, northeastern cities, Midwest, Chicago, New York, Boston, you'll find out that a very large number of the police officers, especially in the middle and higher levels, are Knights of Columbus.

And you can see that on a website, spirituallysmart.com. It has all kinds of

pictures. Jeb Bush is a fourth-degree Knight of Columbus. It has a picture of him getting his ceremony there. It has a picture of President George W. Bush shaking hands with a bunch of Knights of Columbus. It has a picture of some of these top people in the New York police force. I think one of them was a former Homeland Security agent, a very high-ranking one. They're all Knights of Columbus!

So what does that bode for us? We need to remember something, Gordon, and that is that the Ustaše was a Roman Catholic militia called Catholic Action in Yugoslavia. Whenever the German troops poured across the border, these people turned on their own government, turned on their own constitution, their own people, and betrayed them, and showed the Nazis, well, I should say the German troops, where the arms were stored, and where aircraft were hidden away. They basically were a fifth column. I hope most of the listeners understand that in the fifth column from the Spanish Civil War, there was General Mola. Franco said he had a fifth column. In other words, he had people friendly to him behind the enemy's line pretending to be good guys when they were actually betraying them. He claimed to have in Madrid, a fifth column.

Well, throughout all of Europe in World War II, there were fifth columns in France and Yugoslavia that betrayed their own people, their own country, their own government, and their own military.

Gordon Comstock: They assassinated King Alexander of Yugoslavia.

Darryl Eberhart: Right. And the Ustaše we need to remember was a Roman Catholic militia, basically a terrorist group before World War II. And then once Pavlach was put into power, Ante Pavlach, an interesting character, who said, "A good Ustaše is someone who can cut a child out of its mother's womb."

And having the two archbishops there, once they took power, well, guess what happened to the Roman Catholic militia, Catholic action, Ustaše? They became the regular military forces, and they went around being the killer squad.

And people need to think. I've heard there are a million and a half to two million strong in the Knights of Columbus. There are signs about them all over where I live. You see all their signs. They have chapters and stuff. They sell insurance, they sell little gambling tickets basically that are based on the lottery here in Pennsylvania. These guys are wealthy, they're powerful, and we need to think, what are they gonna do when we go under total martial law in a fascist state here? Are these guys gonna be just like the Ustaše in Croatia?

That's something to think about because the fourth-degree oath of the Knights of Columbus, now they've probably mellowed it some, but it was a horrible plot oath that was read into the Congressional record in the early 1900s. We don't need militias such as the Knights of Columbus that have an oath to a foreign potentate, and that's what the pope is. And if people think that's hard, it's just the truth.

Gordon Comstock: When you say foreign potentate, now that brings up a good point because we talk a lot about the dangers of Roman Catholicism and the Jesuits and the upper echelon of that hierarchy, but that upper echelon, foreign potentate, isn't the real threat, the real source of all this threat is because it is that the Vatican is a nation-state, is it not? People still think the Vatican is just part of a religious system,

Darryl Eberhart: It is a nation state. The Vatican State has diplomatic relations with something like over 80 or 100 countries, I forget. But they're a member of the United Nations, the pope goes and speaks there, and I know they've got diplomatic relations with all of the major countries in the world. As a matter of fact, they were restored with Mussolini in the Concordant that he signed with the papacy. Of course, some people tend to forget Hitler also signed a Concordant on the papacy, and you mentioned earlier, that Hitler was never excommunicated, and neither was Mussolini. As a matter of fact, when Hitler died, or some people say he didn't really die, he went to Argentina, but anyway, when he supposedly committed suicide, they had a high requiem mass for him in Spain, officiated, I think by three Roman Catholic priests. Generally, that's only for like a cardinal or something, and they had that for him. But Mussolini, Hitler, and none of the worst of these mass murders was ever excommunicated by the Roman Catholic Church, how could they? These guys were working for them. You know, that's not good PR within your own camp if you excommunicate your top murderers that carry out your orders for you.

Let's say one other thing, you mentioned a good point. A lot of people tend to think of Roman Catholicism as just a religion. No, the Roman Catholic Church is probably the most powerful geopolitical faction in the world because of controlling secret societies, plus having a billion people adherence, plus having a Vatican bank, and they have another bank too, but all their stock holdings in that, the Knights of Malta are big bankers, so they're filthy rich, and so we need to think of them as the most powerful geopolitical and financial power on the entire planet. They're not just a religion.

We Americans have for the most part been largely ignorant of the well-documented history of the Roman Catholic Church in conducting brutal religious genocide, the Inquisition, holy wars, and holy crusades against all the aforementioned groups, Bible-believing Christians, Protestants, Orthodox Christians, and Jews.

Sadly, many Americans believe the ecumenical rhetoric of the Roman Catholic Church's hierarchy, that she has changed her ways and now loves all the "Separated Brethren." (Formally called heretics.) Well, we now know that Pope Benedict XVI has come out and said, "Well, that liberal stuff you kind of heard out of Vatican II is, they're just spinning that the wrong way. There's no salvation outside of the Roman Catholic Church."

I've got some of his recent documents where he said any church that came out of the Protestant Reformation is not a church. So guess what, Protestants? You're back to being heretics and not Separated Brethren.

And by the way, the ecumenical movement is totally run by Roman Catholics. There's a Roman Catholic priest named Forrest and that, but you'll find it almost all of these, the Billy Graham crusades, and that there are always priests there, Paul and Jan Crouch. You can almost always see a priest in the background there. Jack Van Empey praises Mary and the Marian apparitions and the Pope. So a lot of these so-called Protestant evangelists are just, well, Billy Graham himself has an honorary degree from a Roman Catholic Institute of Higher Learning.

Gordon Comstock: They're all subverted.

Darryl Eberhart: Yeah. They're working for the other side. And we need to realize that these people are pied pipers. As a matter of fact, Billy Graham, when a Roman Catholic comes forward in his crusade wanting to truly learn more about Christ, what does Billy Graham and those counselors do? They turn them over to the local Roman Catholic Church! They say, "Go back to your Roman Catholic Church and learn there."

Again, I'm not trying to be mean to anyone because I love a lot of individual Roman Catholics, but Roman Catholicism is basically pagan. It's the old Babylonian religion. It's paganism with a thin veneer of Christianity. It moved into the power vacuum whenever the imperial pagan Roman Empire fell and the Pope basically took over as the ghost rose from the ashes of the pagan imperial Roman Empire.

Gordon Comstock: Darrell, this gets into eschatology. You have these pre-tribbers, these huge futurist Christians nowadays who are expecting some kind of revived Roman Empire in the future. And what they are obtusely not seeing is that when the secular government of Rome fell, it morphed into... basically, what I'm trying to say is their revived Roman Empire is Roman Catholicism because it carried on Rome and engulfed all the other states around it. So it's right in front of them. It's always been in front of them. It's always been the number one persecutor of ...

Darryl Eberhart: True Bible-believing Christians, including the Waldenses. You know how they treated the Waldenses, I know you read about them, and the Albigenses. They called the Albigenses and Waldenses, heretics, Manichaeans, Dualists, and all kinds of dirty names. But they were just simple Bible-believing Christians who were *always* ... let me repeat that, they didn't leave the Catholic Church, they were *always outside* the Catholic Church. And because Catholics in France compared the wonderful lives of these people, they were hard-working, industrious, moral people to other Catholics, the Catholic Church was starting to lose their adherence. They were leaving in droves to join these people. And that's when the Catholic Church crushed the entire southern population of southern France. They exterminated the Albigenses in a series of crusades. I think they started somewhere around 1208. And they basically used some of the same crusaders who had been down in the Middle East and turned them loose, including rapists and murderers out of the prisons to slaughter these people.

And that's why I started writing more and more about Roman Catholicism just because... I don't know how to say this in any other way than the Roman

Catholic Church is basically, especially the Jesuit order in the last four centuries, international murder incorporated. They're just mass murderers, masters of assassination of individuals, but also masters of religious genocide. And we need to speak out about it. Roman Catholics need to learn.

I think if Roman Catholics in America could learn one-tenth of the history of their Church, purposely a Church, but again, remember, it's an official nation-state, the Vatican state, that was restored by Mussolini with his Concordate. But anyway, by the way, Roman Catholicism also became the state religion again there. So the deadly wound kind of got healed there whenever they got back as a Vatican state.

It's not the Jews, the Zionist Jews who are running around fomenting all the wars, it's the Roman Catholic Church.

There was a man named Edmond Paris who was born Roman Catholic, a French author who wrote several books like "Convert or Die". But he wrote [The Secret History of the Jesuits](#) that people can still get that from Jack Chick, Chick publication (and this website).

Gordon Comstock: We spoke of that book, [Roman Catholicism by Loraine Boettner](#) as maybe the best book to give your Roman Catholic friends to get them out of that system, to wake them up.

Darryl Eberhart: The book is simply called [Roman Catholicism and it's by Loraine Boettner](#). It was published in 1962. It's a 466-page paperback book.

My best friend and his wife, have four children, and they gave them Dave Hunt's book and it really turned them off. Dave Hunt's book is a great book, *A Woman Rides the Beast*, I like it, but I've heard from several Catholics that it really turns Catholics off.

Gordon Comstock: It's all factual, but it's too much at once.

Darryl Eberhart: Yeah, for new comers. It's a good book. If you're a non-Catholic, I would highly recommend you get that from Chick Publications. [A Woman Rides the Beast](#) is a great book for a non-Catholic because it gets into their doctrines in the back. He gets into papal infallibility quite a bit, and celibacy and purgatory and he'll give you definitions of all of them. But he gets a lot into the genocide too.

Gordon Comstock: The sordid history of the popes, Hunt gets into in spades.

Darryl Eberhart: Yes, he does a very good job. But if you want to hand something to a Roman Catholic to read because you want them to see that their churches' practices and doctrines are unbiblical, unscriptural. Roman Catholicism is the best book. And I tell you why. That man has been horribly attacked by the Roman Catholic Church because he's right on the money. And again, he doesn't do it in a caustic and vitriolic, nasty manner. He just lays it out nice and just pleasant. And just saying here it is, this is what the Bible says, this is what the Catholic Church says. So I highly recommend it. You get that book and get it into the hands of Catholic friends. It's much better received than most other books.

Let me give a Bible verse here. It's critical. We're very ignorant of history. We're also biblically ignorant in America. And I'm sure know very well this verse,

Hosea 4:6 My people are destroyed for lack of knowledge: because thou hast rejected knowledge, I will also reject thee, that thou shalt be no priest to me: seeing thou hast forgotten the law of thy God, I will also forget thy children.

That's pretty serious. We need to be Bible readers. You mentioned about the papacy and how easy it is to see. Some people try to predict who the Antichrist is going to be. Some people said it was Gorbachev with the little red mark on his head. Some people even said it was Reagan. There's Prince Charles. There have been many candidates, Mussolini was a candidate, Hitler was a candidate. Of course these guys are dead now.

Rather than trying to predict who the final CEO of the Satanic Kingdom is gonna be, that priest of 22 years, Richard Bennett, points out on his DVD, The Inquisition, the Bible very clearly lays out that the *papacy* is the Antichrist.

Revelation 17:9 And here is the mind which hath wisdom. The seven heads are seven mountains, on which the woman sitteth.

Now someone like Texe Marrs says that's Jerusalem. But Jerusalem never ruled over all the kings of the earth. Some people say Rio de Janeiro has seven hills. Now the only place with seven hills that ruled over the kings of the earth for probably over 1200 years was the Roman Catholic church or papacy. They crowned kings and emperors and deposed them. Few emperors and kings had ever won against the pope. Most of them lost on the battle field because the pope would rally several countries against the nation that opposed him.

Some people used to joke, "Well, how many divisions does the pope have? The answer is he has as many divisions as the US or the Soviets or whoever he's controlling. They've infiltrated and decapitated those governments.

Verse Revelation 17:18 says, And the woman which thou sawest is that great city, which reigneth over the kings of the earth.

Again, the Israel kings, kings of Judah, David, and Solomon at their peak didn't rule over the kings of the earth. They ruled over maybe the kings of Edom and Moab and the Syrians. But they didn't rule over the Assyrians. They didn't rule over the Babylonians. They didn't rule over the Chinese. However, the papacy ruled over continental Europe for over a thousand years.

But here's the verse that's kind of interesting. I used to say I'm not telling Catholics to come out of the church. I am now.

Revelation 18:4 And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues.

The Bible says that papal Rome is going to get burned in the end. And I would

say to ... and I love again many individual Roman Catholics ... get out of there. Not only is your church, which is a state, a geopolitical and financial entity, guilty of pedophilia to the maximum extreme, not only is it guilty of up to 40% of American nuns reporting being sexually abused, you can find that in a Boston Globe article. I'm looking for the book, but it's in a great book called Lucifer's Lodge – Satanic Ritual Abuse in the Catholic Church was written by a Roman Catholic named Kennedy. Not only is it guilty of all that, but if you read my Bloody Hearts article, you'll find out that the Roman Catholic church as Baron De Pane, the French statesman said, "Its history is written in blood." Blood is what it's all about. The slaughtering of Jews left and right, as you well know Gordon, whenever the Roman Catholic crusaders, not the Christian crusaders, went into Antioch in 1096. The Roman Catholic crusaders slaughtered every man, woman, and child, Christian, Jew, and Muslim in Antioch. Then they went down, and in Jerusalem, in 1099 they slaughtered just about everyone. There were a few Muslims that bought their way out, the rich ones, but other than that they slaughtered every man, woman, and child, other than the few that bought their way out, Jew, Muslim, and non-Catholic Christian. And that has been the history of that church.

Before the Crusaders even went down to the Middle East, they went into the Western provinces of Andrew and Puto and practiced up for the crusades by slaughtering every Jew they could find, going through the villages of those Western, I probably murdered the pronunciation, those Western provinces in France, they practiced up. Their entire history is nothing but religious genocide. Every 50 to 100 years, the Roman Catholic church goes on a mass murder spree, and they did it as recently as the 1940s. (The 1994 [Rwanda genocide](#) was even more recent.)

And Gordon, that's why I think you're staying in and working hard at what you do, why I am too because we smell what happened in Croatia, what happened all over the European continent, in the 1940s, may be coming to a neighborhood near all of us soon here in America, like they used to talk about movies going around the drive-in theaters. It's coming to a neighborhood soon near us. And again, ten FEMA regions, ten Jesuits, provincial's assigned here, and we've got the fascist police state almost totally set up here in America.

If Roman Catholics do not leave in droves as they did during the Reformation, the only thing that stopped this, that flow, was the sword and the stake that the Catholic church wielded against its own people, otherwise, Europe would be totally Protestant right now. And that's why the Inquisition was instituted and carried on, and again, 80 popes in a row.

And if you're a Roman Catholic, get a book called [Vicars of Christ: The Dark Side of the Papacy](#), by Peter De Rosa. There's a Roman Catholic that just gave you the real nitty gritty of what the papacy was about. It was nothing but rich aristocratic families battling with each other. Most popes were murdered, by the way, very few died natural deaths, some mysterious, but many of them were murdered because they were fighting with each other for the coveted position because of all the wealth and power that it carried with it.

So again, we're not being mean, we don't hate Roman Catholics, we're just trying to warn you, your system, it's not biblical, it's a murdering system,

and it's a system full of pedophile priests, and it's just a real sad story that it calls itself Christian.

I tell my Catholic friends this, you're not going to like a Catholic police state here in fascist America. It's not going to be good for Catholics because the Inquisition didn't just kill Bible believers. Many Roman Catholics, if they were wealthy, maybe you had a good-looking wife or daughter, they turned you in, and you went before the Inquisition, and very few people ever got acquitted from the Inquisition. By the way, most lawyers were not allowed to represent you, you couldn't see your accuser, so they had an almost 100% conviction, right? And that's why we're warning people, to find out about this Church geopolitical financial entity, do a little bit of research.

[The CIA, Knights of Malta, Vatican Connection](#)

The Knights of Malta have their own Constitution and are sworn to work toward the establishment of a New World Order with the Pope at its head.

[The Jesuit / Vatican Connection with Zionism, Israel, and Western Intelligence Agencies](#)

I found a goldmine of information from saidit.net that positively links the

Jesuit Order to Israel and Zionism! This article is not a mere copy and paste from saidit.net but a compilation of several sources. I'm going through all the links on saidit.net to fact-check and compile all the information I think is relative to the subject. Indented paragraphs are quotes from the sources I found.

Former German officer and Knight of Malta Reinhard Gehlen was instrumental in the formation and structure of Mossad, the Israeli intelligence agency!

This is confirmed on the [Find a Grave website](#).

Reinhard Gehlen was a General in the German Army during the Second World War and served as Chief Intelligence Officer(FH0) Foreign Armies East, on the Eastern Front obtaining accurate information about the strength and capabilities of the Red Army.

Just imagine that! One of Hitler's generals the creator of Mossad! That alone says a lot of what I am trying to prove in this article.

James Jesus Angleton was in charge of the CIA's relationship with Mossad, making it part of the CIA, KGB and MI6 formation.

"James Jesus Angleton (December 9, 1917 – May 11, 1987) was an American intelligence operative who served as chief of counterintelligence for the Central Intelligence Agency from 1954 to 1975." – Source: Wikipedia.

He was a member of the Knights of Malta and head of the 'Vatican Desk' and 'Israel Desk.' Source: [Movers and Shakers of the Sovereign Military Order of Malta](#)

Jesuit-trained Shimon Peres gave the [lands of Israel to the Vatican in the Oslo Accords](#).

Shimon Peres with Pope Benedict. That sure looks like a Masonic handshake!

"The Black Pope," Jesuit Superior General Adolfo Nicolas, rules "the White Pope" sitting in "St. Peter's Chair," Pope Benedict XVI, who in turn rules "the Great White Witch," Dame of Malta and key Bilderberger, Queen Elizabeth II. The Queen, upon orders from her immediate master in London, Jesuit Provincial of the British Province Michael Holman, made **Israeli President Shimon Peres a Knight of the Order of St. Michael and St. George in November of 2008, he having faithfully administered Rome's foremost colony (Israel) in the Middle East for over fifty years.** Source: [Vatican Assassins](#)

A lot of Israeli prime ministers were also high-level Freemasons. This is confirmed on [Freemason Israel Prime Ministers, 1948-2008](#)

Jesuit control over Freemasonry has been pointed out by many relevant figures in the past. The Jesuits themselves were very influential towards the Zionist movement itself. The Rothschilds played a huge role in the movement towards Israel, who have proven to side with the Vatican in order to target their "fellow" Jews many times in the past. [The Jesuits used the Rothschilds to fund the Bolshevik revolution](#), so not only can they be held accountable for the millions of kills under the Communist regime, but **they also supported the anti-Semitic and fascists movements in Europe simultaneously to blame the Jews for creating Communism.**

The Jesuit control over Intelligence in the Middle East isn't limited to the Mossad itself, but they even control the Palestinian authorities through the CIA, having **both groups caught up in a Hegelian Dialectic that they can exploit.**

[The Jesuits are probably the most anti-Semitic group](#) out there due to the Jews being a rather materialist group, which they can't tolerate. They are an extremely anti-nationalist group as well.

The Vatican believes that religious, nationalist Jews aren't the rightful owners of the lands of Israel and that it actually belongs to Catholic Christians.

The Jesuits are the group that has control over all the most relevant Intelligence agencies and have always gone out of their way to blame Zionism and the Jews themselves for it.

[The Jesuits have controlled the CIA, FBI, KGB/FSB, MI5/MI6, Mossad Intelligence groups simultaneously.](#) So they are responsible for nearly every single conflict involving every single nation on earth in the last decades, all while blaming the Jews for it.

Comments from the webmaster

I think with this information we can see the Israeli-Hamas war in a new light. Just the fact that the Israel government took 8 hours to come to the aid of their own citizens, and the fact that the border war was unguarded giving Hamas free reign to do their dirty work, tells me the operation was planned by the Jesuits to lead to the destruction of both sides. Will the Vatican-led Western world continue to allow Israel to murder Palestinians? The head of the Freemasons in the 19th century, [Albert Pike](#), predicted the following:

"The Third World War must be fomented by taking advantage of the differences caused by the "agentur" of the "Illuminati" between the political Zionists and the leaders of the Islamic World. The war

must be conducted in such a way that Islam (the Moslem Arabic World) and political Zionism (the State of Israel) mutually destroy each other.

You may ask, "How do you know your sources are not Zionist disinformation?" I'm basing my views on the history I know about the Roman Catholic Church and the belief the early Protestant Reformers had about the office of the papacy being the seat of the Antichrist, meaning Satan's political control of the world. I could ask you the same question. How do you know your beliefs about Jewish control of the world are not based on Jesuit disinformation?

One author I read recently, Benjamin H. Freedman, a man who was raised Jewish, has some interesting things to say about Talmudic Kabbalistic Judaism which he rejects. But I don't trust him because he's a Holocaust denier and became a Roman Catholic!!! He could therefore have been a shill working for the Jesuits.

[Famous American members of the Knights of Malta](#)

The Knights of Malta is the *lay branch* of the Jesuit Order!

"The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, P2, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. I got the list of Knights of Malta members from <http://www.biblebelievers.org.au/kmlst1.htm>. The Knights of Malta and the New World Order

The following are excerpts from "Behold a Pale Horse" by William Cooper taken from chapter two, "Secret Societies and the New World Order"

The Knights of Malta is a world organization with its threads weaving through business, banking, politics, the CIA, other intelligence organizations, P2, religion, education, law, military, think tanks, foundations, the United States Information Agency, the United Nations, and numerous other organizations. They are not the oldest but are one of the oldest branches of the Order of the Quest in existence. The world head of the Knights of Malta is elected for a life term, with the approval of the Pope. The Knights of Malta have their own Constitution and are sworn to work toward the establishment of a New World Order with the Pope at its head. Knights of Malta members are also powerful members of the CFR (Council on Foreign Relations) and the Trilateral Commission.

The goal of the Council on Foreign Relations is a New World Order. George (Herbert Walker) Bush is a member of the CFR. Knights of Malta play a powerful role in this scenario. In the 1930s General Smedley Butler was recruited to help take over the White House. He was told that he was needed because of his general popularity with the military. General Butler blew the whistle and named several prominent Americans as part of the plot. At the top of the list was John J. Raskob, who was a founding member of the U.S. branch of the Knights of Malta. He was board chairman of General Motors. He was, at the time, the U.S. Treasurer of the Knights of Malta. Congressional hearings were held to investigate the plot, but none of those named, including Raskob, was ever called to testify and nothing ever came of the hearings. Although you will find this in the Congressional records, you will NEVER find it in ANY history book anywhere.

It is significant that the Iran-Contra episode has many similarities to the 1930s plot. William Casey was a member of the Knights of Malta. William Casey, with the help of Vice President Bush, Anne Armstrong and Donald Regan, caused the President's Foreign Intelligence Advisory Board to be emasculated so that Bush, Casey, North and others could carry out their dirty deeds without oversight. They had also developed a plan to suspend the Constitution of the United States and were preparing to implement the plan when they were caught. These facts emerged from the hearings but were suppressed by the committee chairman, Senator Daniel Inouye of Hawaii. You must understand that tremendous power was involved in both attempts to overthrow the United States Government.

William Casey was the Director of the CIA. He was a member of the CFR. Casey was a Knight of Malta. He was the head of Ronald Reagan's political campaign. He was head of the Securities and Exchange Commission. During the Nixon administration he was head of the Export-Import Bank.

Casey arranged financing for the Kama River truck factory in the Soviet Union with 90% of the funds guaranteed or furnished by the U.S. taxpayer. This factory built military truck and tank engines for the Soviet Army. It was, and may still be, the largest factory in the world and could produce more heavy trucks than all U.S. factories together. I believe Casey was murdered.

The first U.S. Ambassador to the Vatican was William Wilson, a Knight of Malta. His appointment was probably illegal and, for a fact, was highly unethical. Wilson could not possibly have represented the U.S. when his allegiance was sworn to the Pope.

Knight of Malta Myron Taylor was President Roosevelt's envoy. Knight of Malta John McCone was President Kennedy's envoy and he was also the Director of the CIA during the early '60s. A former mayor of New York City, Robert Wagner, was President Jimmy Carter's envoy. Frank Shakespeare replaced William Wilson. Frank Shakespeare is a Knight of Malta, and so it goes. President Reagan spoke at the annual Knights of Malta dinner.

The Knights of Malta ALL have diplomatic immunity. They can ship goods across borders without paying duty or undergoing customs check. Does that ring any bells? In any case, that is power.

The Knights of Malta is held up by a backbone consisting of nobility. Nearly half of the 10,000 members belong to Europe's oldest and most powerful families. This cements the alliance between the Vatican and the "Black Nobility." The Black Nobility is mostly the rich and powerful of Europe. The head of the Black Nobility is the family that can claim direct descendancy from the last Roman emperor. Maybe now you can see that things are beginning to fall into their proper place. Membership in the Knights of Malta entails obedience to one's superior in THE ORDER and ultimately to the Pope. Therefore, a U.S. ambassador who is also a member of the Knights of Malta faces a conflict of interest. Why is this fact ignored? President Bush appointed Knight of Malta Thomas Melledy to the post of U.S. Ambassador to the Vatican.

The Vatican has founded the Pope John Paul II Center for Prayer and Study for Peace at 1711 Ocean Avenue, Springlake, New Jersey, in a mansion overlooking the ocean. The mansion was given to the New York Archdiocese by the estate of Elmer Bobst, who died in 1978. He was a multimillionaire and chairman of Warner Lambert Company. Richard Nixon was a frequent visitor. Directors of the Center were Kurt Waldheim, former Secretary General of the United Nations and ex-Nazi war criminal; Cyrus Vance, former Secretary of State under Carter and member of both the Council on Foreign Relations and the Trilateral Commission; Clare Booth Luce, a dame of the Knights of Malta; and J. Peter Grace of W.R. Grace Company, who is head of the Knights of Malta in the United States. The Center was set up by the Vatican as a part of the Pope's new peace plan, which will bring the world together (see my paper "The Secret Government"). The Center has two roles: (1) Educate Catholics and their children to accept the New World Order. (2) Provide residence for the world-peace-solution computer and an ongoing study for peaceful solutions to any future problems which may endanger world peace. The computer is hooked to the world capitals via satellite. All nations have agreed to relinquish sovereignty to the Pope and submit future problems to the computer for solution. Of course, this will not go into effect until the New World Order is publicly announced. I believe that the New World Order was born in secrecy on January 19, 1989. Now you know.

Acquaint yourself anew with the teachings of Jesus. Compare his teachings with the tenets of the Illuminati and then compare it with the following. The Vatican has stated at various times that "the Pope is for total disarmament; the Pope is for elimination of the sovereignty of the nation states; the Pope is also stating that property rights are not to be considered true property rights. **The Pope believes that only the Vatican knows what is right for man.**"
