

Purchasing Power of the U.S. Dollar

1913 – 2013

On December 23, 2013, the Federal Reserve Bank celebrated its 100 year anniversary. Too bad however, that the “Fed” is not “federal” and there is *NO* reserve!

I found this image on Facebook:

The wealth of America changed hands from the American people to those who are controlling the American government. Who is controlling the American government? Please read [Washington in the Lap of Rome](#).
